I haven't tried a Google search, but I'd give it a whirl. Google the "freedom of information act" and see if you can come up with a form.

That failing, I'd go search out a newspaper or television station. Sounds like a neat story to me if they won't supply that information. You'd be surprised what can happen when someone from the press starts asking questions. You'd see what they did to Rochester, NY, around 1990 or 1991 ....

If a lot of shit starts falling out from an investigation, there will be lawyers looking for a class-action suit. They can smell money from a mile away.

By the way, don't cross-post. My server rejected my reply due to the cross-posting. I've edited it to only have rec.radio.cb.

Hello Jim,

We used to go out and live it up on new years eve, now it's a quiet evening at home and a nice fire burning in the family room.

Oh, and the old lady smacking my arm saying that's enough with the H-100's already! (my bud presses' em in his basement) Dogs freak out, but rebound quickly with a biscuit in hand.

I'll never grow up in this life.

5. what really happens whenever you follow federal law

Newsgroup: rec.radio.cb

Here are two different links/websites.urls of what happens when you follow the law with your ham and gmrs radios. (it can and does affect cbers also).

If you break the law by giving and letting an unlicensed person talk on yout ham radio when ordered to, you don't get in much trouble and are usually allowed to leave without much problem.

If you follow the law and refuse to give and refuse to let the unlicensed person talk on your radio (as federal law requires), you are arrested and severely beaten physically.

If you have one radio modded to transmit on a bunch of services in one radio , cb,frs,murs,ham (illegal under federal law), you don't get in much trouble and are usually allowed to go.

If you obey federal law by having separate radios for each service, as federal law requires, you get fined huge amounts of money, your radios confiscated, and you get hauled off to jail for being a terrorist.

After all, that's the only reason anyone would have that many radios (according to the cops).

If you were not doing anything illegal, you would only have one radio. (according to cops).

Having a bunch of radios is proof you are guilty of severely illegal crimes and proof that you are guilty of being a terrorist. (according to cops).

They tell you only the government is allowed to have the kind of radio you have (even though it's a ham radio or a gmrs radio).

If you then try to prove you're legal and allowed to have it by showing them your FEDERAL Communicatons Commission ham radio license, they accuse and arrest you for the crime of illegally impersonating law enforcement officials and illegally impersonating federaL government officials, and count your license as proof of the crime.

I myself have been stopped in such ways as listed on these sites just because I had a normal regular standard CB radio in my car.

The idiot thought my CB was a ham radio and told me I needed a ham radio lcense to use it (which I dd not have since I was nnot licensed for ham radio).

I told him it was a CB, not a ham radio.

Then he further proved that he was even more of an idiot as he said that I still had to get a ham radio license to use it since it is illegal to use a CB unless you have a ham radio license for it.

And that I am not allowed to use it until then.

I thought I didn't really have to.

However, the FCC has indeed already turned over CB enforcement to the local authorities, so the local authorities requiring you to get ham radio liscenses from them(the local authorities) in order to use 27 mhz cb is indeed legal.

However, I did not even live in that county at the time,

However, just like other states can confiscate scanners illegal in those states while you're passing through those states even though they are not illegal in your home state,

the local authorities can now have your radios confiscated for not having the appropriate radio licenses issued by the local authorities while you're passing through their jurtisdiction, even if you're own county and local cities do not require you tohave any radio license for cb, frs, murs, or gmrs

So now you need not just onr radio license , but millions of different radio licenses from all the different millions of cities requiringyou get one from them, just so you can legally operate your 27 mhz CB, FRS,muurs, or GMRS (All of those fall unde the CB category, if you look at the fcc rules).

All just because the FCC turned over all CB enforcement to the local authorities (which in my opinion, they should have never ever ever done).

As in my case, those local authorities are also claiming authority over ham radio licenses, and think they have
the authority to enforce ham radio also besides just cb and every other kind of radio also.

The idiot in my case thought it was a ham radio at first and tried to enforce it, and did not even know it was a CB until AFTER I told him it was a CB.

I don't see how they have enforcement over ham radio. The FCC only gave local authorities authority over CB (27 mhz CB, murs, frs, and gmrs), NOT over ham radio.

Then again, Palmdale is also trying to claim authority over ham radio. Several people even said they seen right in the proposed Palmdale ordinance Palmdale claiming authority to tell the hams what bands and frequencies they are and are not allowed to operate on, along with how much power they are and are not allowed to use whenever they transmit.

So if Palmdaale says you must operate at a certain time and must transmit your ham radio only on 5960 and 5975 mhz, then you better be transmitting only on 5960 and 5975 mhz.

The BBC would sure love that!!!

Or if they tell you you must operate your ham radio on 27.185 mhz and only at fifty watts, no more and no less, then you better do it.

The hams would sure love that!!!! (seriously. ;)

Or if they tell you yoy must operate your CB and must only operate it on 28.555 mhz, then you better be doing that.

The hams wold sure love that one, also!!! NOT!!!

Of course, then everyonetranssmitting and obeying Palmdale's law (in that case) would get severely fined by the FCC for doing so.

Here are the links to what really happens whenever you folow federal law:

Well first off I don't think it's going to hold any water, because
it's too restrictive and government entities like Palmdale California
City Council has to use the less restrictive mean necessary substance
any government interest. Secondly RF interference is the jurisdiction

of the FCC and only the FCC. PALDALE can believe all they want, the bottom line is it will not hold up in court.

From my understandding, they're allowed to do that on 151.880 mhz, but not allowed to on 26.877 mhz.

I once read that on Lidsville, Charles Nelson Reilly was the biggest queen to ever parade across a tv screen.

I guess that the guys you are talking about are the biggest queens in Lidsville to ever parade across radio speakers.

Seriously, I have never heard the so-called "10 meter intruders" even though I listened for them and live right next to the interstate where it is supposedly happening at by truckers "illegally on 10 meters and the freeband".

People said I didn't hear them because they are transmitting in fm mode.

However, that can't be for several reasons. It contradicts other statements that they are transmitting in am mode on the cw portion of the 10 meter band.

I have also listened in both am and fm modes.

yes, I have a scanner that covers 25 mhz to 30 mhz in fm mode.

Along with shortwave receivers that covers 25 mhz to 30 mhz in am mode.

Then you obvously haven't read the links or are discounting them.

Those posts on those websites were NOT made by me. They really happened, and I myself have also personally had those same kinds of experiences, and not just once either, but more that once, several times.

My favorite was when I was on foot at a public outdoor city park during a festival and the cop came up to me and told me I wasn't allowed to have my
Icom Ic-R3 radio because those are the exact same radios that th police use to talk to each other on.

Strangely enough, he never stopped the several other non-cops there who were using two-way frs/gmrs radios to talk to each other on, even though some of those people were clearly committing illegal activities by transmitting on the gmrs only frequencies without the proper license or transmitting on the shared frss/gmrs frequencies with high power requiring a license without actually having the proper license to do so, even though he saw them. Those people were allowed to keep their radios and allowed to keep doing their illegal activities without any problem at all from any of the copds who seen them including the one who stopped me.

And so far, no one, including the hams, have ever told me how to have two-way conversations with other people over a unmodified Icom Ic-R3 radio receiver exactly as it came from the factory and store.

After years, I am still waiting for the answer as to how I can have two-way conversations with other people over an unmodified Icom Ic-R3 radio RECEIVER.

I can try talking on it later,but I can almost guarantee you that the party on the other end won't even hear me let alone answer me.

And no matter how much I improve my antenna, they still won't be able to hear me talking into my Icom Ic-R3 radio RECEIVER let alone answer me.

So at the outdoor city park during the festival, I was once again
stopped by cops for completely legal aactivities and told to cease

seen were allowed to continue their federally illegal activities
without any problem whatsoever from any of the cops.

Now, that is just racist.

I don't know why they do. However, the guys on cb channel 6 are about
the only ones I hear that are ever running illegal power. The only
other ones I heard up north here who were running illegal power was
someone with a Hispanic accent driving through the area and talking on
channel 19.

ALL of the truckers I ever heard on cb channl 19 so far, which are
LOTS and LOTS, were ALL running COMPLETELY LEGAL power.

2a. Well, many people say most of the truckers are from the South. And
you do know, don't you that preaching is a big part of normal life
down south.

As Gomer Pyle said to Sergeant Carter, "It gives a nice ring to it".
(The Andy Griffith Show)

Echo Chambers sound nice. They give a nice pleasant ring to it. (to
the radio transmissions).

Do hams really need roger beeps?

yes, CBers need roger beeps, even on AM. When the signal gets too
weak so that it is staticy but you can still understand each other, ,
you are not able to tell when someone has unkeyed or not, even on am,
While a Roger Beep will still get through for a little while longer if
you're mobile going away from each other, or will keep getting through
if both of you are on a base station.

I myself don't use any roger beeps.

However, some people live in homeowners associations with CC&Rs that prohibit any outdoor cb antennas. So when those people talk to each other, it can be weak signal to them even if they're locals. And since the signal is so weak, they need the roger beeps to know when the other person s finished even in AM mode. So they are using it completely legally since they need it to communicate.

Then the people with huge honking big antenna towers complain that they are illegally using the roger beeps for entertainment purposes since they are using them to talk to other local people who can be heard very clearly with a very strong signal and since their own signal is also ver strong.

My current setup won't pick up very far since I don't have a huge honking big base antenna outside.

I haven't put one up yet because I will most likely soon be moving to somewhere with CC&R restrictions. There isn't much choice left anymore to be able to get any place without those.

I'll probably end up moving into an apartment. However, you can't put up big honking huge base towers outside there either. It isn't yor property. You're only a renter.

Do hams really need roger beeps for fm which is even clearer than AM?
So since they can clearly hear when the other person has finished
talking and see the signal level drop on their meter, they really
don't need any of those roger beeps at all on fm that they use all the
time, right?

cb, but, are frs, gmrs, and murs, which are different radio services.

Why phone patches and ham radio are still good.

There are many areas of the U.S. that still do not have any cell phone coverage, mostly out west and in the mountains anywhere.

I have a GSM cell phone.

Despite what people in other contries say about just switching sin cards when you go to another country,

that does not work.

Just like most tv sets sold in the U.S. will not display pal signals even though most tv sets sold elsewhere will display both pal and ntsc,

most GSM cell phones sold in the U.S. will not accept any other sim card and can use only the one it was manufactured with, even though GSM phones in other countries can accept other sim cards.

Some people take this as the foreigners lieing to them by fraudently telling them they're able to switch sim cards.

It can't be done. The sim is hardwired or more accurately hardprogrammed into the GSM cell phones here.

From what I read, the GSM cell phones used to work in Canada although the cell phone companies did not want you to do that.

So now they have disabled the capability for U.S. GSM cell phone to roam in Canada.

While I originally thought and stillthink this is the same mentality of HOAs wanting to control what you own, and would like to be able to use it in Canada when I visit there, I realized that in this particular case, it is actually a goood thing.

Since the disabling of the GSM phones being able to acess a Canadian cell phone tower means people living in border towns won't accidentally have their phones access the Canadian towers by theirselves and no longer have to worry about their cell phone service beinng shut off permanently by the cell phone company for calling from Canada instead of from the U.S.

When they were never in Canada anyways, and were in the U.S. the whole time they were making their cell phone calls.

So now if I visit Canada, where my cell phone won't work since I'm up to date by having new GSM cell phones instead of old CDMA phones, I would want both mymobile ham radio and mobile CB with me and installed in my car, just in case certain emergencies come up.

Since I will not have any cell phone coverage up there even if I have my cell phone with me.

I know both are allowed in Canada from the U.S., however, I will have to try and check the current rules for U.S. hams and CBs in Mexico again.

Even if I stay in the U.S., I heard that even as late as this year, there still aren't many cell phone towers, if any at all, in the Appalachians, Ozrks, or even the flatlands out west or most other places out west.

I would want both my ham radio and my CB in my car in that case.

And the ability to be able to do an autopatch where needed and where accessible.

I guess I should put my CB back in my car.

My guess is where and what you get the most peopleon depends on the area of the country you're in while you're travelling through it.

In some places, you'll probably need a ham radio, to reach certain repeaters, where a 4 watt CB will not do.

And in some places, you probably need a CB, where a 2 meter ham radio will not do.

Even if I could afford a mobile HF ham rig, I most likely would not be putting something that expensive in my car where thieves can and probably will steal it.

I would keep it as a base station.

I might take a frs/gmrs radio along to Canada while visiting just for good measure while visiting, even though those don't go very far.

Of course, all my radios will be coming back to the U.S. with me when I come back, as long as they don't get confiscated first.

I'm not getting rid of any of my two-way radios yet.

Actually it works fine. The problem that you are having is because you
are trying to put a foreign SIM in a phone that was sold to you at a discount
by a cellular service provider. In order to prevent you from taking their
phone and selling it on eBay, they lock it to SIMs provided by them.

If you were to buy an unlocked phone, or have your service provider (SP)
remove the SP lock, then it would would fine.

People who travel know this and either buy an unlocked US GSM phone
(850/1900mHz), or buy a multiband phone that includes the US bands.
If you have a EU only (900/1800) phone, you can often rent a US one
for little money or free from your SP.

There also is a question about 3g Networks, there are two different bands
used in different places. I think the US uses 1900mHz, the EU etc use 2100 mHz.

As for coverage, there are in the US two GSM bands. 1900mHz bands cover
about 80% of the population, but around 20% of the area. 850mHz covers
the old AT&T Wirless network coverage area, which is more than 99% of
the US.

However there is no such thing as 100% coverage anywhere with cell phones,
if you want that you have to use a satellite phone. The best are combined
satellite and quad band GSM with roaming agreements, so when you are within
the coverage area of any GSM network you use that, but if you are in one
of the few (in the US), or many outside, areas without GSM coverage, you
use the satellite.

No GSM phones here... can't remember what the protocol they use here is, but it doesn't work anywhere else, and nobody else's phones work here. Not sure what the law here is regarding satellite phones.

Where is here?

The OP was discussing the US, and bringing phones from outside the US, so
I focused on that.

BTW, back before we had GSM service here (Israel), the companies we had
used NAMPS and DAMPS. They both would provide you a GSM phone and a SIM
if you want to use them outside of the country.

The company I worked for had several people who traveled often, so we
rented tri band GSM phones from them and got a SIM for each of us.

The CB Radio channel 19 is still good for monitor truck drivers giving
piggy and traffic reports. Autopatches are no longer needed due to the
fact that
99% of the people have cellphones. Amateur Radio in my area is dead on 2
and 440,
I can careless about HF due to the fact of CB Radio DX.

wrong. I paid full price for my GSM cell phone. I did NOT get any
discounts on it at all. There is not any slot to put sim
cards into. Not even if you tak it apart. There is no any way to
reprogram the sim number associated with the cell phone, not even if
you take
it apart.

And it IS a multi-band cell phone.

These are the GSM phones sold in the U.S.

So there is no way to bring our U.S. cell phones to Europe or
Australia or anywhere else in the world and use it there by just
puttting in
a different sim card (oer different sim number) like the Eurropeas and
Australians and the reast of the world say we can.

The GSM cell phones sold in the U.S. an NOT be unlocke, even if you
try taking them apart to do it. The cell phone companies won't allow
it, even though the law here requires otherwise. So I don't know how
they get away with it, but they do.

Cell phone ompanies even frecently iled a lawsuit against the U.S.
Congress for passing such a law that says unlocked phones must be
allowed.

The outcome of that hasn't been decided yet.

However, it's still weird, because lawyers have told us that by law,
no one is allowed to sue the U.S. government and that no one is
allowed to sue anyone who is working for the U.S. government.

Yes, the amateur radio in my area also seems dead on 2 meters and 70
centimetees. Well, almost dead.

However, the statement that autopatches are no longer needed is a
mistaken belief.

Yes, I read that most ham repeates have removed the autopatches from
theie repeaters, even out west and in the mountains because 99 percent
of the people today have cell phones.

However, I doubt that 99 percent number since there is still not any
cell phone coverage most places out west or most places in the
mountains, either.

Why would those peopl buy a cell phone when there isn't any cell phone
service there?

Even if 99 percent of the people did have cdell phones, they still
would not work in the mountains nor most places out west, whether flat
or mountainous, simply because there are not any cell phone towes o
companies providing any cell phone service out there.

When shopping for a new cell phne, I looked at the coverage maps of
the phones, both the old analog and the new digital GSM phones.
In both cases, there was veither very sparse coverage in the
mountains, and out in the west period, whether flatland or mountains,
or no coverage
at all in the mountains or out west period whether flatland or in the
mountains.

The penetration of cell phones in the US is nowhere NEAR 99%.. I doubt seriously it's over 50%. At least online article puts it at 81% of the US population owning cell phones, but I'm certain that does not take into account that many people own more than one cell phone. Now then, here in the land of the morning calm, I could give credence to nearly universal cell phone ownership, since I see young kids (5-6 years old) walking around here in my little (only about 20,000) burg with cell phones, and you won't see one of those "kiddie" phones that only call three numbers, either..

The Interstates are covered everywhere I've been except between El Paso
and Junction on I-10; and between Gallup and Holbrook on I-40.

Most of the places out West that aren't covered apparently have no people.

Then it is NOT a GSM cell phone. The GSM specification includes a smartcard subscriber identity module (SIM), which minimally includes enough information that the phone system can identify the unqiue phone, which ultimately gives it a telephone number, etc, a caller directory, a record of SMS messages sent and received, etc.

It could be a TDMA or CDMA phone, in the U.S. they use 800 and 1900 mHz.

Sure you can. I know people who do it all the time, both ways.

They are not GSM phones. GSM service providers will unlock phones, for example Cingular, for a fee, or in some cases for free. There is also a booming business of ilicit phone unlocking, unlocking equipment, etc.

In fact, GSM is not the only system that uses SIM cards, Motorola's MIRS network (called iDen in the US) also uses them. That causes a lot of confusion when people bring iDEN phones here and expect to use them on a GSM network.

BTW, one of our SP's operates an 800mHz CDMA network and has roaming agreements with US SP's. A friend of mine was here in April and his us CDMA phone roamed onto their network when he turned it on. It was so expensive to use, he bought a GSM pay as you go phone for himself and his wife anyway.

I'm going to speculate here, but I expect that if anyone is lying it was the person who sold you the phone.

Geoff.

A Jesus phone? Not familiar with that term.

In any case, I have always forwarded my cell phone to my home phone when
there, which allows me to be anywhere in the house without dragging the
cellular with me.

Yes it is. It says so.

The GSM specification includes a smartcard

It's definitely not a TDMA or CDMA phone. It even says it is a GSM
phone.

And it can't be "unlocked".

They say they are GS M phones.

GSM service providers will unlock phones, for
> example Cingular, for a fee, or in some cases for free.

Elsewhere they do. In the U.S., GSM service providers have filed a
lawsuit against the U.S. government for passing a law saying they must
allow unlocked phones if the phones can be unlocked.

So of course they now make them where they can't be unlocked at all.
That way they're not violating the law.

There is also a

The manufactrer and service provider both did if they're not GSM
phones.

However, I don't think they did in that case.

I'm told Ch 1 is in use in certain areas instead of 19. While CB is monitered a lot in western Canada there's not a lot of activity out here. Not dense enough I guess.

Yes, the amateurs have disconnected many of them due to lack of use.

>Amateur Radio in my area is dead on 2

2m and 440 is active enough in the big and small cities on the more popular repeaters. Generally those by the much longer established clubs instead of the splinter groups that broke off in past years due to whatever silly reason. I tend to look for the club names that mention the city or region and end in amateur radio club or similar to locate the most active repeaters. For example Northern Alberta Radio Club in Edmonton, Central Alberta Amateur Radio Club in Red Deer and Calgary Amateur Radio Club in Calgary.

Less active repeaters can be just about dead though.

You are interested enough to argue it on the group. So maybe you are just too lazy to read, cannot read too well, or simply like to stick your fingers in your ears and shout at people.

I think that you need to start off by learning to read...

http://www.bitlaw.com/bnt/index.html
http://www.bitlaw.com/bnt/tysver.html
"Dan Tysver is a patent and copyright attorney"

That is NOT Google.

But I can see why you may hate Google. A search for the names you use on this group certainly shows what you are.
Everwhere I see the name KB9RQZ, Mark Morgan or "an old friend", even gardening forums, the same abuse is going on. Google is certainly not your friend.

Clearly.
Your persistent trolling suggests that you have nothing to do all day but beg for attention.

Apart from to say that you...
"suspect he within the law or close that he realy need not worry about it".

Suspecting and being "close" to legal are not good enough, especially when real attorneys say otherwise. But then it's not you or your business on the line, so you really don't care if it all goes wrong.

Considering your troll status and obvious lack of authority to speak on behalf of Brian or his business, I feel sure you will understand that you are not worth any further time or effort.

As you know, many times the neighbors will complain about non existent tv interference just because they see you put up an antenna or tower, even though it's not connected to anything yet. Not even to any radio.

So, this is not my site, but I was wondering if the neighbors would buy this excuse.: ;)

It's a shame most autopatches were disconnected from most ham repeaters.

Autopatches were good for getting at least some HOAs off your back for using your ht while portable.

When they say something to you about it, just tell them it's your cell phone, then proceed to use the autopatch to call your wife or friend.

You're not really lieing.

After all, the cell phone companies copied the technology they're using from ham radio.

If they ask why they can hear the other side talking also, just tell them it's a speaker cell phone.

There's plenty of those around. My cell phone does do it. And now my regular landline phone does it also.

I read a complaint by a guy who complained that his next door neighbor who is a ham is constantly interfering with his car's AM radio.

The reason he knows this is because the interference on his car radio increases every time he starts the car's engine (which is the ham's fault) and then increases even more every time he presses the gas pedal. (which is also the ham's fault).

The guy is obviously causing his own interference to his car radio every time he starts his car and then even more whenever he presses the acceleratorr, not the ham.

But of course, he blames it on the ham next door.

Yes, a lot of people recieved interference from cb radios on their tv sets in the 70s and 80s.

However, despite what was said recently, the majority of these were NOT caused by CB radios operating with illegal power.

The majority of interference was on tv channel 5 and caused by legal power CB radios.

Cable tv did not exist in most areas yet. Cale tv was not even available here until the middle of 1989.

People used OTA TV antennas back then.

Check the first, second, and third harmonics of 27.185 mhz (CB channel 19)

And check the frequency of tv channel 5.

THAT was the cause of most CB interference to tv sets back then.

It was NOT the CB operators' faults.

Yep, I went thru this myself. I was getting complaints from neighbors,
even though we had cable at the time. A cheap low pass filter from
Lafayette (remember them?) fixed it.

Good approach but not guaranteed to cure it. It's nice that people with an
antenna near their home are identified as CBer's though..10-4 qsk.

I took it apart and hot soapy water'd the chassis and the case for the first time in twenty years, blew out the dust and cleaned the tuners with the spray. (oiled the fan)

Might as well re-tube it now, right? Yep, $80 plus tax at AES. (4-811a's) I kept the pulls because they are near 100% after 20 years of use.

I'm considering upgrading to a newer amp such as a Heathkit sb-220 or the ameritron-572.. the kenwood 922 would match my ts-870 nicely but they are a bit pricey. (200 amp service to the shack)

So many choices.

Hello Bob

Good job OM. I run a kenwood lf30a just for shits and giggles but I'm not
sure it actually reduces rfi or tvi. No neighbors to A/B it with, but I
hear tell they work if you're running clean gear.

I noticed you restored the shortwave group, is that where you hang out?

Lets be honest here and not confuse the desire to erect and use large
antenna structures to facilitate DX'ing and other radio pursuits with
the proposition of providing 'emergency communications'. I would
guess that 99.9% of the ham population never has or ever will provide
the types of 'emergency communications' to which you refer in support
of the erection of large towers and antenna arrays in deference to
zoning restrictions. Even while a vast majority continually chase the
holy grail of possessing a 'Big Gun' signal on the air. The argument
sounds great till you actually tune around the bands during normal,
every day activity and maybe once in a while during a real emergency.
What you hear is the daily 'playing' of big gun radio operation.
Excessive power, excessive bandwidth used and nothing short of
electronic bullying/boasting of my signal is bigger than your signal.
When an emergency does occur a relatively small number of big gun
stations (usually located away from the big cities on large tracts of
expensive, desirable out of the way land where restrictions and
covenants do not even come into play) handling the brunt of the
communications. And a few passersbyes who may just listen or possibly
check in to alternate 'controll the onlookers' nets, so they can tell
their buddys and the uninitiated that they were helping out with one
disaster or another before they get bored with the whole thing and
move on to the latest must have dx or contest contact.
Lets be real. Nothing wrong with Dx'ing and Contesting or any other
facet of the hobby. But know that these are the real reason behind
many off the cuff fan the flame posts in support of knocking down
zoning rules and not a 'real' desire to provide an at the ready
emergency communications setup.
Been around long enough to know that truth!

So?

The point is that the more hams there are the more likely that the 1-out
-of-a-thousand that you refer to is in a place where he can do some good

actually, in a cople of months, those type of people will complain
that the reason they are no longer getting any tv reception at all is
because
of all the ham radio operators.

While you're correct, that was the excuse the ham in the article used.
At least according to the article.

I never noticed any excessive bandwidth hogging on ham radio. Unless
it's either the hi-fi ssb I heard about which the FCC was illegal

aince it was hogging the bandwidth. However, if that's so, then that also makes using AM on ham radio illegal.

And several people still use AM mode on ham radio.

Or unless it's using FM on 2 meters and 70 centimeters where an AM signal would take up much less space.

The reason we never noticed that is because there wern't any tv
stations on channel 2 here back then.

My problem was not inteferring with TV, but rather interfer with stereos and public address systems. Sitting in the apartment parking lot and talking on my CB, a neighbor came out of his apartment and told me everything I had said. He said I was coming in loud and clear on his stereo. I also noticed while near fast-food restaurants that had outside windows with a P.A. system, I would come over their P.A. systems loud and clear. I used to have fun advertising FREE hamburgers over their P.A. systems. People would run and line up for those free burgers!

Why don't you guys ever bring up the technology? The original reason the government wanted to license the public to use the spectrum was for the general public to be able to use the communications technology that drives the economy and provides people with useful skills for the armed services. The government has always recognized this as a way to encourage citizens to become familure with electronics and communications technologies.

The complete ass-backward thinking in this country started with denying citizens utilization of natural resources over the last couple of decades and now is extended to the use of technology. Now we are just supposed to be users of technology that we have to buy from other third world countries.

This retarded natural resource thinking has now cumulated into "global warming" BS spewed by the resource hog AL Utterly Boring Gore and Ham operators are just good consumers these days.

We are just setting ourselves up for a fall.

Agree with Joe. The emergency communication thing is just and excuse.
If they really want something that can help during an emergency, they
should buy a satellite phone. Would also be a lot of cheaper. They've
already got a 40 foot high antenna which is more than adequate for
emergency communications in the Hartford area.

Citizens to have Emergency Communications.

Hello All:

Its always a good call to be a good neighbor in these Interference Issues. As they can Domino into really stupid and ugly situations.

My neighbor had the cheapest phone system that money could NOT buy, so my stock legal CB, Ham HF Transceiver, and welding set up took out his phone system. So I looked over the phone system and could tell it not the best installation, with phone lines routed all over and unused lines all over.

I Hired a local Ham who was a phone system installation guy, and 280 dollars later the phone system was fixed not having any interference problems. Sure I didn't have to do it, but I did and cured the phone interference problem.

I am sure all have heard about the ridicules Ordinance that Palmdale Ca is wanted to pass, not allowing any antenna over 6 Ft from the roof. This was all sparked by a local Ham who appears not to have been a good neighbor.

Will you quit being a dipshit? Have you ever been in an emergency e.g. flash flood or wildfire? Do you think there are enough paid emergency personnel to cover every street closure? To spot weather? To relay information to the media?

Not everyone lives in the middle of nowhere.

Dave,

D'Oh ! -if- they can Do a Telephone, Cellphone and
Internet-Phone they can 'adjust' to a 2-Way Radio.

=PS= If they have the Walkie-Talkie feature on their
Cellphone they can do 2-Way A-OK.

Type of guy who was so obsessed with his football that *any* intereference was "fightin' words" with him. Inbred bastard actually jumped my fence and cut my RG-8U in four places one night, but was actually smart enough to wear gloves because the cops couldn't find any fingerprints on the coax. I solved the problem by popping in a Lafayette lo-pass filter, but a few months later he had a Ham move in across the street from him that was running 1KW quite a bit. Inbred tried the same thing, and got caught at gunpoint. After he got out of jail, he packed up his inbred family and all his junk and moved elsewhere.

...Problem lies in the fact that most homeowners these days think that when they own the home, they own the homes adjacent to them as well. If you mind your own business - unless, of course, the bastard is raping his kids in the back yard! - then usually you'll never have a problem. It's when you start trying to make your neighbors behave as *you* see fit that all hell breaks loose. Especially if it's for bullshit reasons.

...Way I see this case, he's got Federal Law on his side. He just needs to make sure that he's got a good attorney who's familiar with the FCC, as well as getting the FCC involved. That is, if they still bother to get involved in local aesthetic jurisdictional cases. Only time they ever got involved in it down in CenTex was when some CBer would put up a mast that not only wasn 50' over the normal limit, it was way too close to the airport *and* along the flight line to be that high.

An FRS radio goes a few miles. I can reach all of North America 24/7.
Amateur Radio is often the only infrastructure that survives a calamity.

I saw it start in the early 1970's.
Many people who liked to weekend tinker with electronics on their bench,
build kits, etc., were turned off by the complexity
of IC's and the density of parts stuffed on a single board, combined
with cheap stuff from overseas.
The hobby magazines of the times got hooked on early build it yourself
computer projects. It was over the heads of many who liked to play.

A hurricane/snow storm can easily take out any antenna tower. Then you
need electricity, then you need someone who is going to listen on the
other side. My wife works for emergency services and not a single
emergency scenario involves using ham radio operators. If anything,
CB radio or mobile UHF/VHF device would be more reliable. And a
stationary HAM radio can only be used in one location. Not very good
if you are going around house to house checking on people in an
emergency. A stationary tower is probably the worst choice for
emergency communications.

Satellite phone. Never ever goes out as long as you got it charged.

- An FRS radio goes a few miles.
- I can reach all of North America 24/7.
- Amateur Radio is often the only
- infrastructure that survives a calamity.

And if the local Hams in a Neighborhood had a Plan
to go to the local Neighborhood Fire Stations and
not only man Amateur Radio by FRS, GMRS and
CB then they would be Helping All the People in
Need within the '"Few [Square] Miles" of their own
local Neighborhood.

The-Bottom-Line : Helping Your Neighbors In
A Local Emergency Does Not Require a Nation
Wide ComLine. Reliable Local Communications
Is What Is Required To Identify People In-Need
And Get Them H-E-L-P !

Lets See 5~10 Amateur Radio Operators -or-
50~200 Local Citizens with FRS, GMRS and
CB Radios in each Local Neighborhood: I Say
Go With The Local Citizens.

Extend the existing 40-Foot Radio Tower up to a

Agreed. There was a time when a HAM radio operator was a real asset in
a disaster. But with the advances in technology, especially portable
communications, those days have passed.

And hams do listen 24/7, somewhere in the world someone is always listening. During Katrina, thounsands of traffic messages were passed, as has many messages been handled during a lot of the ice storms this season up North.

Then they are not utilizing all the resources available to them. Thankfully, my community involves all legitimate parties during every emergency exercise, including ham radio ops, but CB radio and FRS are never included because the folks who own FRS want to have a family CB service, and CB radio ops are too busy trying to play who has the biggest illegal amplfier. The users of CB and FRS do not have an interest in emergency coms until something happens, then they show up untrained, uncoordinated, and become an hinderance to any on going operations.

> If anything, CB radio or mobile UHF/VHF device would be more reliable.

Hams use UHF and VHF, so your point is??? And mobile CB is useless more than 5-10 miles away unless you are running illegal power.

>And a stationary HAM radio can only be used in one location.

And can relay messages locally from roving ops checking on health and welfare, as well Statewide, Country wide, and World wide. Don't forget that hams work in coordination with each other, some mobile, and someone at the base with a tower relaying the information locally

or statewide as necessary.

>Not very good, if you are going around house to house checking on people in an

But ham radio can be used both portable and base, a repeater statioin
also comes to mind as a coordinated effort that has proven itself time
and time again.

Why. Every emergeny service in the US uses stationary stations with
towers as the hub to their operations.

>Satellite phone. Never ever goes out as long as you got it charged.
>Never.

Most folks are not going to pay the outlandish monthly fees for a
satellite phone + air time. The only reason your sat phone works is
because not many folks have them. Just imagine if everyone had a sat
phone instead of a cell phone. I can tell you from experience that on
September 11, the whole cell phone infrastructure crashed and was not
operable.

If everyone had sat phones, it would overload the capablility of the
sat, and your phone would be worthless.

So where were all of the so called advances when Katrina took out the
Gulf Coast? Or during the recent ice storms up North. Hams have
activiely assisted on both events and every major emergency in
between.

BTW, Which emergency organization does your wife work for, I would
like to find out why they are not adhering to the policies set forth
in the Department of Homeland Security (DHS) 2007 Appropriations Act
(HR 5441). Which indicates that Amateur Radio should be incorperated
into the contingent plans by all communities for emergency and
disaster prepardness.

However, there are hams who also work or volunteer in the emergency response field who have "type accepted" equipment that is loaded with both their local municipalities frequencies and ham radio frequencies, and do legally use both sets of frequencies as necessary. As long as the equipment is type accepted and the user is authorized to use the municipalities frequencies, there is no problem nor is it illegal.

- Some of us hams use radios that are WIDE OPEN!
- Try talking to FEMA with FRS.

That is simply Bad Planning on FEMA and the
Local Responders parts.

1 - A Localized Plan that includes HAMs and FRS,
GMRS and CB Radios for a Total Neighborhood
Emergency Communications System.

2 - Put Scanners, FRS, GMRS and CB Radios in every
Local Fire Station.

3 - Put FRS, GMRS and CB Radios in every American
Home.

4 - Put a 10 Watt LPFM Emergency Alert Transmitter
in every Local Fire Station so that every American Home
an tune into their Local Neighborhood's Emergency News
Put a Ham on the Mic. Better require every Local Five
Department to have 1/3rd of their Firemen to have an
FCC Amateur Radio License; and Trained as Emergency
Communications Operators in the use of FRS, GMRS
and CB Radios and the 10 Watt LPFM Emergency Alert
Transmitter.

5 - Make It Mandatory that Every American Household
has a Crank-Up {Battery} AM/FM Radio for Emergency
Neighborhood Communications News.

Has your wife actually been in an OEC? Ask her if there's an operating
position called RACES?

Amateur Radio includes MF/HF/VHF/UHF etc. Hams can be extremely
portable, way more so than a CB radio for instance.

Dave,

CB Radios in a Car or Truck are very 'portable'
and there are Way More of Them then Amateur
Radios. Add in FRS and GMRS Walkie-Talkies

D'Oh ! - What's more 'portable' than a Walkie-Talkie ?

During an emergency, when immediate aid is required, you may use any
frequency likely to facilitate getting that assistance.

That's a shame.
The ARES group I volunteer with is an integral part of my county and hospital emergency comms.
Amateur radio is also the only reliable source of comms between the EOC and nuke plant disaster field teams.
We are called out to provide comms every time the Delaware or Neversink rivers flood.

There is more.. but you get my drift.

Actually, the FCC states that during an emergency, hams can use whatever freqs get the job done, even outside of the ham bands.

But RHF, why try to reinvent the wheel? The Amateur Radio Service is alreday recognized by most emergency organizations as the go to folks when they need additionally capacity to handle communication duties. Putting hundreds of thousands of FRS, GMRS, and CB's into the hands every citizen will cause nothing but jammed frequencies and an overloaded of panicked citizens all crying out for help at the same time. Imagine 25,000 cb radios or FRS radios all transmitting at once crying out for help....What you would have is nothing but a garbled mess.

The first rule of emergency comms is to have a well defined plan that consists of already trained folks who know how to use the equipment they have, and are trained to prioritize the comms in a useful manner. In reality, if folks feel that strong about it having the capability, a ham ticket is easily obtained, and there are hams whoes only interest in ham radio is emergency comms, training for it, and support thereof.

> Every Citizen a Neighbor and Neightbors Helping

And how are they going to help, who is going to be able to handle the "all at once" radio traffic that would barrage the EC under your scenario. Even at the local level, such at a fire station, there would not be enough staff to handle the traffic. Imagine 5000 calls coming in at one time.

I think we are beating a dead horse, but let me add this. When comes to emergencies a well defined plan is your best defense to ensure helping as many folk as possible, as soon as possible. When an emergency strikes usually there is no issue of knowing who needs help, the problem is trying to get help to those in need in a timely manner. If you want to help out, get your ham ticket, seek out your local RACES. Volunteer your time to receive the necessary training, and put that training into practice by volunteering for the exercises when they are held.

But back to the original subject of the tower height...Generally speaking, the higher the antenna, the better the coverage, and when you are out in the field with an HT reporting back through a repeater, 10 feet can make all the difference in the world.

RHF, I am also pro-active citizenry. I certainly can agree that any
type of communication device which will allow you to communicate to
someone during an emergency is better than nothing at all.

However as you pointed out, I am thinking like a ham, I can't help but at least try to plant a seed to increase the pool of ham radio operators who could be used during emergencies. Imagine if all citizens were licensed (such as being part of the science ciriculum at the elementary level), been trained to handle emergencies, and made themselves available for at least one 12 hour shift during an emergency. What a wonderful concept, unrealistic I agree, but still it would really show some good community sprit.

DL - Think Long Term :

Question : What Today would be the Natural
Avenue for someone to Learn-Up to becoming
an Amateur {Ham} Radio Operator ?

Every Amateur Radio Club should offer a Class
in Emergency Communications for Citizens with
FRS, GMRS and CB Radios :
* What To Do in an Emergency
* Getting Prepared for a Local Emergency
* How To Use Your 2-Way Radios
* Going The Extra Step : How You Can Help Others
* What More . . . Become a Ham

The easiest avenue of course these days would be to use the internet to find where and when testing is given, and then choose your avenue of study, i.e. self study using study aides that are available free on the internet, use a book obtained through purchase or the library, such as a current ARRL license study guide, elmering with a local ham, or take a class given by a local club. Of course this brings up another of what I perceive has always been a problem with the ARS, and that is the lack of exposure. Honestly, before I became a ham, I had never heard of ham radio until someone I met through a mutual friend was a ham. Most citizens, it seems, do not even know the Amateur Radio Service exists, or the wide diversity within the hobby from DXing, to the digital modes, slow scan TV, experimentation, and emergency communication support. We are mostly viewed as a "odd bunch with all those antennas".

Nevertheless, it seems that a significant portion of growth of the ARS is derived from other interest groups such as scouting, clubs, emergency first responders, and the National Weather Service with its Skywarn program. Having an affiliation with one of those groups can also provide a path to obtaining a license.

A ham license these days is easier than ever to obtain, with the elimination of the morse code requirement, there are kids as young as 10 years of age who have earned the highest class license. A good starting point is here. http://www.emergency-radio.org/

There actually are a lot of clubs who offer emergency courses for
anyone with an interest, and the American Red Cross also offers these
courses from time to time. The ARRL also offers a series of online
courses for those who have an interest in emergency communications.
This one is a good atarting point. http://www.arrl.org/cce/courses.html#EC-001

Butane? I know torch soldering sounds like overkill but it works if you're quick enough to not melt the coax. Otherwise you need at least a 100w electric gun.

Opinions?

After thinking about it, I disagree that hams helping provide
emergencu is just an excuse.

It isn'tes

there have been many times in the past when everyone's electricity
goes out here.

And it's still very common here.

When the electric goes out, and stays out for any lengthy amount of
time,

1. you will not be ablr to use your satellite phone since there will
be no way for you to recharge it without using electricity.

2. FRS here only goes one mile at the most. I have several different
expensive brands of frs radios.

Somee only go half a mile here.

3. While CB is and can be usedul, good luck trying to get through the
local idiot here who likes to get on all the cb channels with high
power and
sat four letter words every other word in every sentence he says and
makes lewd x-rated comments and other just plain disgusting things,.
he especially enjoys getting on channel 19 and messing with all the
truckers by doing such..

Although I have heard him on other channels as well.

4. Cell phones. I heard they're usually the first to go dead during an emergency.

5. regular telephones. While they can work without electricity to our house out, they can also go dead if the emergency takes out the phone system also.

Radio is the only for sure reliable way in an emergency.

That is, You never know when everything else might go out.

Radio is the only thing you can count on thatt won't go out in an emergency.

oh, and those little emergency radio tv sets you all have. the tv
portion won't be any good for regular broadcasts after next month.
(there are not any lptv tstations or translators that can be picked up
from here and even if there were, they don't transmit very far even
with a good outdoor roof antenna for a reciever.)

And those will probably eventually switch to digital also.

And even the radio stations are already in the process of switching to
digital hd radio.

So all your crank-up emergency radios and portable battery operated tv
sets and radios will all eventually be useless for recieving regular
tv and radio broadcasts.

While ham radio and tv will and can remain for now.

I have a ham radio I bought at the ham store that came directly from
the manufacturer which can transmit on the police channels without
any
modification at all.

And yes, it was manufactured by a major ham radio manufacturer, not by
some fly-by-night company.

And it is FCC type accepted.

However, I do not transmit on the police channels.

I definitely don't want to lose my liceense.

Nor end up in jail.

I'm not rich.

Even the "small" amount to take the tests is a "big" amount for me.

The problem is I have now read that it is illegal to even have a radio
that is capable of transmitting on police channels.

Since my radio is capable of transmitting on some police channels, is
it an illegal radio or not?

Looking at the FCC rules, it isn't.

And I can prove that.

okay. It's proof time for me.

I have an unmodified ham radio bought directly from a major ham store
brand new by me, which straight from the factory, can indeed transmit
on
some police channels.

You seem to claim it's illegal to even have such a radio since I'm not
licensed to transmit on police frequncies.

However, the FCC rules clearly say that I can transmit regular ham
radio on those exact same police frequencies even where the police can
hear me
doing so as long as I'm 1. transmitting from certain locations and 2.
not interfering with them (such as not transmitting over the polic
while they're talking, bt if they're quiet, it's okay for me to
transmit on the same channel).

My ham radio is type accepted by the FCC and can transmit on police
frequencies without any modifications at all.

However, I do not do that. I value my license.

However the problem is that I now hear from some people, or more
accurately read from them, that mere possession of such is illegal.

I did not know that when I bought it brand new from a major ham store
straight as it came from the factory.

And the FCC rules did not say that possession of such is illegal. As a matter of fact, according to the fcc rules, it's just the opposite.

Although I did read some state laws say possession of such is illegal.

What happened to "federal law always trumps local and state law" that 99.99 percent of the hams on here claimed???

The FCC rules even say I can transmit on those particular frequencies, just not from my home, only while I'm mobile.

So under FCC rules, I'm allowed to transmit on them while mobile from certain locations, but not allowed to transmit on them while stationary at home.

While I'm sure the police in states claiming possession of such is illegal will say just exactly the opposite of the above.

It looks like ham radio and ham radio equipment is now illegal in the
U.S.

Since ham radio can't be done without ham radio equipment.

And verification by other hams is proof that hams are terrorists.

The Federal government said so.

Click on

http://74.125.47.132/search?q=cache:5opbmzTw9ckJ:newsgroups.derkeiler.com/pdf/Archive/Rec/rec.radio.amateur.misc/2008-04/msg00001.pdf+%22arrested+for+using+a+ham+radio%22&hl=en&ct=clnk&cd=4&gl=us

At least it seems to me like they were real hams.

Or am I wrong and they really were terrorists???

From the article, all I could see them carrying was the normal ham
radio equipment.

He claimed a ham contest.

Other people also claimed a ham contest. Which seemed to me to verify
his story. However, That verification was "proof" of "being
terrorists" as far as the federal government is concerned.

It also concerns me about non-ham safety back-up lights for cars,
which safety back-up lights really can
accidentally cause explosions in areas that say "no transmitting"
since there's no way to turn safety backup
lights installed on your car off.

is concerned.

The EMS service in my area uses one of the frs-only channels

Both for dspatch and communications.

And the.police use one of the frs-only

For communicationm\ns involving following vehicles and reading the
license plate numbers of the vehicles over the air.

Is it illegal for me to possess my frs.gmrs radios since they are
capable of transmtting on frequencie used by the police and ems??

Is it illegal for me to transmit on those frs-only channels since
they're police and ems channels?????

The federal FCC rules say they are shared channels that anyone may
use.

However, there have already been people in other cities and other
states arrested for illegally transmitting over police channels when
those police
channels were on the frs channels.

It seems like federal law did not trump local and state law in those
cases despite what 99.99 percent of the hams on here have said.

And even when people can get out of it, it still costs them in court
costs and lawyers fees.

The kind of money that I do not have and would not be able to get out
of in such a case.

So yes you can be fined, found guilty and put in jail for legally
transmitting on your frs/gmrs radio even when you don't hear anyone
else transmitting
on that channel since you are illegally transmitting on a police
channel or ems channel by doing so (as far as local police, local

government and some states are concerned).

Even if it is one of the frs-only channels (eight through fourteen on the radios I've seen).

I'm not sure if what I heard is my local town or one of the other towns very close to me.

However, the police and ems are definitely using the frs-only channels as a police channel and an ems channel. (two different channels, one each that I have heard so far).

According to the FCC rules I've read, that is legal for them to use as such since frs may be used by anyone including businesses or by anyone period.

Bt once again, (concerning the arrests of people for transmitting on frs-only channels) what happened to federal law always trumps local and state law???

I'm also sick of everyone saying "just use a payphone".

There are hardly any pay phones around anymore. There used to be lots.
Now there's almost none. Sure, the little booths that say "phone" are
still
there, but the actual phones are not.

And cell phone coverage does not work everywhere.

In a fify mile radius, I have only found one pay phone recently.

Places that used to have them have either taken them entirely out or
have left the booths but taken out the phones.

And yes, they used to be there years ago. I've seen them at those
places back then.

And when you can find a pay phone anymore, they usually don't work
anymore.

No dial tone.

No. It's a fourty channel CB. An old one. Bought in 1990, Or And said
on the box "five watts output power".

And is FCC approved.

And some other brands did also.

Which proves that 1. the old limit was five watts output power, not
five watts input power.

and 2. That the five watt power limit did not go away immediately
after 23 channel CB radios could no longer be sold.

Even a couple of decades after 23 channel Cb radios were no longer
allowed to be sold, FCC approved fourty channel CBs with five watts of
output
power were being sold.

I don't know what year it changed to four watts, but it definitely
wasn't before 1990.

I think those types of CBs were still being made and sold even in
1993.

obviously, people can't read. In my state, it is illegal for anyone to
tell or give you a copy of CC&Rs before you sign the agreement to move
in unless it's a lawyer. (unaffordable for me).

And that includes realtors. If a realtor gives you a copy, he or she
has broken the law and faces jail time or legal repercussions.

A realtor would not risk going to jail by committing a crime.

oh, and those little emergency radio tv sets you all have. the tv
portion won't be any good for regular broadcasts after next month.
(there are not any lptv tstations or translators that can be picked up
from here and even if there were, they don't transmit very far even
with a good outdoor roof antenna for a reciever.)

And those will probably eventually switch to digital also.

And even the radio stations are already in the process of switching to
digital hd radio.

So all your crank-up emergency radios and portable battery operated tv
sets and radios will all eventually be useless for recieving regular
tv and radio broadcasts.

They'll still receive radio for quite some time.

Our government is already giving voice to delaying the analog TV shutoff
date, because they've run out of money for the converter coupon plan, and
there are still millions that won't have any television at all when the
analog is shut down. They're trying to figure out what to do about all
that..

Here that has led to people putting in private pay phones in their store or restaurant. Some places that have seating or displays outside, such as the corner "minimarket" have them outside. However as soon as they close, the phone goes into the store and is locked up for the night.

Of course we don't have the street crime problem the US has.

They have the same thing here in S. Korea. There are Korea Telecom phone booths (none that I have seen use coins, they use something simiar to a credit card), but the vast majority of phone booths here are owned by businesses that set them out with their displays during business hours, and take them in at night. Those DO use coins, but of course since they are always in a spot where they are supervised, there isn't much of a theft problem.

Take a look at the excuses the U.S. feds gave.

I don't know if all of these people really were terrorists or not as the feds claim, however looking at the reasons the feds gave, I don't see any way of any legittimate ham radio operator getting out of being accused and arrested and ruled definitely a terrorist even if you are a legitimate law-abiding ham. You won't be able to prove you're innocent.

Neither do we. "Street crime" is an urban phenomenon; half of

209. Re: Soldering a PL-259

Hello Steve:

I will share with you what I know and my experiences.

Soldering the PL-259 Connectors is not an easy task, it takes some practice.

Yes you will a 100 watt iron or the heavy duty soldering gun 250 watts or more. And plug it in and let get hot for around 5 to 10 minutes.

I use the Silver plated PL-259 Connectors well worth the extra cost to allow for a quick and easy solder job. The nickel plated PL-259 connectors I don't use, but in a bind I will use a Chain Saw small round file to open up the 4 soldering holes and expose the brass that is much easier to solder to. Trying to solder to the nickel plating is dog shit. And will get the PL-259 Connector tooooo toooo HOT!

Be sure that the coax center and shield wires are shiny and clean from dirt and oil. DO NOT try to solder them if these wires are corroded or dingy looking, a good indication the coax may have gotten water in it. You might have to cut back the coax a foot or two to get to shiny copper looking wires. If after cutting the coax back a foot or two and shield wire is still looking not shiny I say get new coax. Or very easily scrape off the none shiny coating off the coax wires.

I Tin the center wire of the Coax, or give it a quick lite application of solder, then with a exzato knife I scrape the center wire of any left over solder, allowing it to fit inside the PL-259 center pin.

There are many places on the net here that will show how the PL-259 should be soldered and how the coax should be stripped.

The important thing to remember is that you need to practice doing soldering the PL-259 connectors. Its ok to get too much heat on the connector at first, but you want to be able to get on the PL-259 connector with the coax and connector being held in a vice and make the solder job of one of the holes and then get off. I also have a wet paper towel to cool the PL-259 connector if I get too hot.

I file a small notch into the soldering iron tip to allow a small part of the soldering iron tip to go inside the soldering holes of the PL-259 connector. This is a big help when you want to get on the connector solder it, and get off right away. Coaxes like LMR 400 have a really light weight dielectric material between the center and shield wire that is easy to get too hot have a short in the coax. So being able to get on, solder, and get the soldering iron off the PL-259 connector is important.

I plan on putting a video on the web site showing how to solder the
PL-259 connectors.

Here's a few web sites for ya....

Bullshit.

All terms and conditions of a contract, including CC&Rs, must be revealed
before signing or the contract is not enforceable.

.
The 'local' 7/11 which is 24/7 has a Payphone just
outside the Window in-front of the Check-Out Area.
.
The Pay-Phones that use the Pre-Paid {Debit} Card
Idea is good : No Cash = No Stealing
.
Considering that a Pay-Phone could cost 50 Cents
for a 'local' Call. Then a Pre-Paid Cellphone can be
just as Cost Effective and much more 'portable'. ~ RHF
.
-ps- For 99.73% of the US Population a Cellphone
is going to offer much more day-to-day utility then
a 'local' neighborhood Ham or even a Pay-Phone.

Once again, in a typical 'local' Neighborhood with
1000 Residences 3K~5K Population having the
Choice of 8~13 Hams* in an Emergency -or-
Collectively 30~50 Citizens with FRS Radios
and 30~50 Citizens with GMRS Radios and
30~50 Citizens with CB Radios [Total 3%]
I would 'chose' the Collection of 90~150 Citizens
to get the "Help Is On The Way" Job Done then
just a few Hams.
IMHO - Active Involved 'local' Neighbors {Citizenry}
Always Trumps a Few White Knights.
Plus Add-In 1000 Citizens with Cellphones and there
is No Question About Who Can Communicate more
Effectively.
* Number of US Amateur Radio Operators : 722,330
-circa- 2007 [722,330 / 300,000,000 = 0.24%]
Note - That is less-than 1/4 of One Percent.
http://en.wikipedia.org/wiki/Amateur_radio_operator
.
FEMA needs to have a Contract with the Cellphone
Companies to have Emergency 'portable' Cellphone
Towers and a Special All Carrier ### just for FEMA
Emergency Help Calls to Un-Burden the 911 System
and the Local Responders Workload.
.
The FCC needs to require that 25% of All Cellphone
Towers have 1~ 2 Days of Emergency {Back-Up)
Power to provide a 'basic' level of Emergency Services
for 911 Calls and Emergency Help and Relief.
.
But the Number One Priority for 99.73% of the 'local'
Neighborhood Population is News and Information
about the Emergency from the AM&FM Radio and
TV Stations -so- having an Emergency "Crank-Up"
AM&FM Radio in the Home is Job # 1.

Now-a-days the most common Remote Device {Radio}
to Detonate a Bomb is a Pre-Paid Cellphone using the
internal "Vibrate" Alert Function is a Great Electrical
Detonator Signal. Plus the Cellphone's "Alarm-Clock"
Function makes a good back-up Detonator.

all the easy-to-do particulars on using a Cellphone

Actually, there are some Doctor Who books written by a guy whose last
name really is Lucifer.

Lofficer is French for Lucifer.

Yes the story is bogus. I did not notice the date on it until
afterwards.

However it was very plausible since in the past,I have actually
experienced similar catch-22 situations by certain self-appointed
cops who turned out to be hams.

What is it with ham radio that seems to attract all of the self-
appointed radio cops???

CB doesn't seem to attract them.

This isn't anything against all hams

It's just a certain few that seem to give all hams a bad name.

Come to think of it, it's not jst hams. GMRS seems to attract them also.

It seems like radio services requiring a radio license attracts all of the self-appointed radio cops.

Where I'm at in the U.S., the stores and restaurants have removed
their pay phones completely. Or maybe it was the phone company who
removed them.

However, at least in my area, it was not because of any crime. It's
because so many people use cell phones now, the regular phone company
doesn't make hardly any profit from pay phones like they used to.

Oh, not just usenet. What's funny is so many people have responded to the
false story, including yourself and now sad to say, myself. We both just
rewarded the poster by responding to it.

Correct. Most hams probably are good people but if you just read usenet, you

I did not say it's legal to interfere with the police. It's not. I even said the FCC rules say that we're not allowed to interfere with the police.

However, I do not consider transmitting on a frs channel that no one else is talking on at the time as "interfering with the police" even if the police
say so because they think the shared frs channels are their own private police channels.

What if I had never heard them on there in the first place, which could have happened since I very rarely have my frs radios on.

I turn to frs channel 8, hear no one talking, so transmit to the other person I'm talking to, and get arrested for "illegally transmitting on a police channel".

I try to get out of it by truthfully saying I didn't know it's a police channel.

They and the court then come back with "Ignorance of the law is no excuse".

But wait, the federal FCC rules says the channels are for everyone as long as no interference is caused.

However, even though the police were not talking at the time, but were listening, they consider it as interference being caused to their own private
family radio servvice police channel.

While I consider it as interference not happening since no conversations were on the channel at the time I was listening and transmitting.

Once again, what happened to federal law trumps all local and state laws?

I'm no rich enough to fight it in court.

So you're basically saying that no one in the general public is allowed to use the frs-only channels even though the fedeal FCC says the can, since
a number of public safety agencies inclding the police and ems have decided to use the frs-only channels as their own private publicv safety channels.

EMS channel 8. Police channel 14. Etcetera.

This forces the general public to illegally use channels 1-7 and 15 throguh 22, since they can't use channels 7 through 14 without getting arrested by

the police for illegally using police channels.

I wonder what John Wilkerson would say about that.

Of course, the public would also be fined and arrested by the FCC and federal marshalls for illegally using channela 1 through 7 and 15 through 22.

In the U.S., the 420 to 430 mhz band is assigned to the police, public
safety, and I think even some businesses north of line A.

FCC rules say a ham is NOT allowed to transmit on those frequencies
while physically located north of line A.

FCC rules say that the same ham IS allowed to transmit with full power
on those frequencies while physically located south of line A as long
as
the ham south of line A does not cause any interference to the
licensed services located north of line A.

Questions: If I'm just a little south of line A and transmitting ham
ragchews at a certain power level where the police in the next county
north of line A can not hear me on their radios, am I transmitting
legally or illegally?

I say legally. BUT

Say I make no change in my transmitter whatsoever and the police in
the next county happen to buy newer more sensitive radios and can now
just
happen to hear me transmitting over them. With me unaware they can now
hear me. Am I transmitting legally or illegally.

I made no changes whatsoever in my transmitter.

How can what was perfectly legal for me to do now be illegal for me to
do just because the police not in my area bought different newer
radios that happen to pick up radio transmissions better than their
old ones???

Furthermore, if a police officer sees a crime or speeder in his own county, he is allowed to follow them into the next county and arrest them there.

What if he crosses into the county south of line A and transmits from there, but hears me.

As far as I know, he isn't legally allowed to transmit from south of line A.

However, despite a lot of hams I see posting on the internet claiming that hams have primary status in the 420 to 430 mhz band, I know that hams
actually only have secondary status in that band, anywhere in the country.

However, I don't think local police have anyathority in that band south of line A, although I might be wrong about that.

After all, the FCC does say that even hams south of line A may not interfere with police north of line A.

But what if that police officer travels south of line A where I'm sure he's not allowed to transmit from?

I think it's only the federal government (and maybe some others) who have primary status in that band, anywhere in the country.

I'll have to check up on that.

CB doesn't seem to attract anything around here but three types, drive time users, truckers, and professional CB'er's with their big amps, echo mics, roger beeps, noise toys, etc etc etc, so they can ride around in their vehicles yelling, "NO NAME NO NAME NO NAME", or "SQUISH SQUISH SQUSIH", or "CB FAGGOT CB FAGGOT CB FAGGOT" or "DAVE MADE DAVE MADE DAVE MADE", or varibles of such. Quite amusing for about 10 seconds listening tor grown men acting like a bunch of morons.

Which is why we call it, at least around my parts, the Children's Band Radio.

I was on cb and only on CB at the time they caused trouble for the cbers and me. I guess they still could not get over the fact that "cbers stole the 11 meter band from" them, although that wasn't the only reason they were causing trouble.

This was back in the early to mid 80's. It had only been about twenty five years since the "11 meter ham band" became the "11 meter CB band".

Although they did reglarly transmit on the two meter ham band.

Where the CBers didn't.

At least the cbers around here back then didn't.

They probably just don't want Ham operators in the states
talking about what's going on on the ground when the troops getting

ready for "civil unrest" hit the pavement. Imagine people in China watching horrified as the US government proves it's more corrupt and not as good at lying as the government of China.

the government in the "war on terrorism."

It was Muslims first. Then ham radio operators. You'll be next.

Correct. Unlike the poster who said all that is neede isone or a few
hams in a very rural area. I did plan on moving to a rural area,
then I found out
that hams don't like hams operating from rural areas because whenever
they use any one of the nearest repeaters to them, they always
simultaneously open up all the nearest repeaters to them that have the
same CTCSS code on the same frequency they're operating on.

A rural ham who intenionally opens up the nearest repeater, a hundred
miles north of him with a ctcss code of 100.0 also unintentiomnally
opens up
the repeater 100 miles south of him that also uses a ctcss of 100.0,
the repeater 100 miles west of him also using 100.0,the repeater 100

100.0,the repeater 100miles northwest of him,the repeater 100 miles

I would like to disagree with the above. However, he is correct; I might end up in jail by the end of this month, although I hope not.

And there you have it everyone. according to several people in this thread, which you can check for yourself, if you buy a FAMILY radio service radio
with the intention of talking to your spouse, bring it home, plug it in, turn it on to any one of the channels, listen to make sure no one else is transmitting, and no one else is transmitting, and you then transmit yourself on any one of the channels, you are breaking the law by illegally
transmitting on police channels since yor local police department might be using that as their exclusive police channel assigned to them by
your local County Communications Commission.

It doesn't matter that no one else was transmitting on that FAMILY radio service channel at the time. That FAMILY radio service channel is reserved EXCLUSIELY for police use and ONLY for police use by your local unfriendly County Communications Commission.

Which unlike the FederalCommunications Commission does not make the assignments known until after an incident like the above happens, and you're already on your way to jail for illegally interfering with ann EXCLUSIVE police channel on the FAMILY Radio Service channels.

It also does not make any difference that you did not know it was an exclusive police channel since no one was transmitting. It was and is and "ignorance of the law is no excuse".

You should NOT be using FAMILY radio service channels for your FAMILY communications needs. It is illegal to use FAMILY radio service channels
for your family communications needs since ALL FAMILY radio service channels are reserved for EXCLUSIVE police use and EXCLUSIVE EMS use by your local unfriendly County Communications Commission.

The same can happen with any other CB band also, including 27 mhz CB.

If your local police department decides to use CB channel 22 as their exclusive police channel that no one else is allowed to transmit on.

I wonder what would happen if some local police department decided to use CB channel 19 as their exclusive police channel that no one else is
allowed to transmit on?

even while the police aren't talking,justl istening fo hours, and then arrest everyone they can that they hear talking on CB channel19 because CB
channel19 is an EXCLUSIVE police channel assigned to them theirselves in that county.

O else assigned to them by their local County Communications Commission.

What part of FAMILY in FAMILY Radio Service do the police not understand??????????

It would be different if they were transmitting and someone purposely interfered with them on amily radio servicve channels.

But when they're not transmitting over it and you have no idea at all that they are using a FAMILY Radio Service channel as an EXCLUSIVE police channel and get arrested for interfereing with police communications when you call your spouse onn a FAMILY radio service channel.

What part of FAMILY in Family Radio Service does yor local County Communications Commission not understand????

What part of FAMILY in Family Radio Service does yor local EMS not understand???

What part of FAMILY in Family Radio Service does your local police department NOT
understand??

"Please sign this contract.

By signing this contract you are agreeing to do a bunch of things and
follow a bunch of rules.

But we can't tell you what those things are or what the rules are until
after you sign."

Yeah, right according to the guy that doesn't have clue about such
complicated legal matters such as the difference between criminal and
civil law.

Hello gang,

That would only happen if the other repeaters were also on the same
frequency. Not going to happen unless you are flying a private aircraft
several thousand feet up. Then folks will get unhappy.

This is why repeaters are supposed to be coordinated.

I'm a ham radio guy, myself, and know how dangerous you guys are!

Seriously, this story really highlights why I was so against the
Patriot Act.

My friends who supported the Patriot Act kept telling me how they
didn't care if the civil rights of terrorists were violated.

But all I could pictures was the mistake of giving unfettered,
complete power to incompetent politicians, government officials,
bureaucrats and poorly educated uniformed enforcement people.

Do you realize that the the terrorist watch list has something like a
million names on it?

How many of those are NOT terrorists? 98%? Maybe higher? I was so
surprised that my conservative friends were not more alarmed about the
abusive powers of government. Just the opposite -- they seemed to
relish in the idea of giving authorities more power over our right to
communicate, travel, associate etc.

There are a Billion Muslims in the World and
-if- Only 1% were Terrorist : That would mean
there should be about 10 Million Names on
the List : So it would appear that we only have
10% of the 'potential' Islam-O-Fascist Terrorist
on the List and need to do better.

DTM : 1,000,000,000 X 1% = 10, 000,000

Good to do the math. I assume that the list is weighted towards
Americans of all stripes and does not draw from the full billion
Muslims.

How many active terrorists are there in the world? I couldn't begin
to guess. I tried to Google it but with no luck?

But, I can't imagine it is anywhere near 10,000,000.

If you count battery-owning ham radio terrorists, the number goes up,
obviously.

Hello Jay,

You cannot say enough bad concerning nickel plated stuff. I'm unfortunate enough to have one nickel plated audio plug. I've probably resoldered half a dozen times (no decent iron to do it and I've got to replace the dang thing). Unfortunately, Rat Shack doesn't carry much anymore (and that is where I got that miserable plug in the first place!) and since manufacturing has gone offshore, the last of the surplus places shut down last December.

Sigh. Internet Express, I guess :(

N connectors were a lot nicer ;)

The Amateur Radio Service Is {Hams are} Obscure in the USA
-so- Why Should The US Public Care What Hams Do ?

In the USA Amateur Radio Operators {Hams} make
up about 0.25% of the US Population.
-meaning- If each Ham is known as a "Ham" by 9
'other' people that are not Hams :
That only adds up to 2.5%
-meaning- That the "Other" 97.5% of Americans do
not know that Amateur Radio Operators {Hams}
even exist.
-conclusion- If People Don't Know That You Exist
and Thus Don't Know What Good You Do :
Therefore They Don't Care About You and the
Good You Do [.] ~ RHF

Hello Jay,

Thanks for the tips, have you tried butane yet? Quick hot-on and off- from what I read, I've not tried it yet. I did buy a 120 watt weller gun for my next attempt. I have a 500' spool of lmr-400 to practice, with good connectors.

I'll prolly start with making jumpers between stuff until I get the hang of it.

Sorry, you're wrong. The 5 watt number you speak of likely is,
indeed, audio power and not RF power. The 4 watt AM carrier power /
12 watt SSB PEP power rule went into effect in the mid 1970s, before
40 channel radios were made. Do a little research!

Olen jopa itse h&#65533;mm&#65533;stynyt siit&#65533; peittelem&#65533;tt&#65533;m&#65533;st&#65533; ydinalan panikoinnista, jota jo parhaillaan p&#65533;&#65533;llemme kaatuvat ydinekotuhot t&#65533;&#65533;ll&#65533; netiss&#65533; aiheuttaa. Oli tosiaan t&#65533;ys yll&#65533;ri miten SELKE&#65533;STI ydinlobbaajat lopulta alkoivat oivaltaa ydinalan syyksi nykymaailmamme jyr&#65533;&#65533;viin tuhoihin.

Mehil&#65533;istuhon massiivisuus n&#65533;ytt&#65533;&#65533; olevan kulminaatiopiste. Eli viel&#65533; viime vuona t&#65533;nne oli aika harvat kirjoittamassa, ett&#65533; ydinala tulee jatkossa tappamaan kaiki maailmamme mehil&#65533;ispopulaatiot. Toki silloin asiasta kirjoittelin. Mutta tajuavia oli prosenteissa. Nyt kun p&#65533;iv&#65533;st&#65533; toiseen k&#65533;y JUURI kuten olen esitt&#65533;nyt on jotain aniharvaa ydinpoliisia lukuunottamatta alkanut faktat upota. Jopa mehil&#65533;iskasvattajaliiton sain viimein tajuamaan, ett&#65533; ydintaposta on kyse. Aiemat ydinalan disinfot vaikenivat muutamissa p&#65533;iviss&#65533;. Hienoa, ett&#65533; reaali alkaa kinostamaan ja ly&#65533;m&#65533;&#65533;n massoina l&#65533;pi viime vuona viel&#65533; totaalivaikenevaan lehdist&#65533;&#65533;mme my&#65533;s. Ilmeisesti 90% mehil&#65533;iskato ja sit&#65533; seuraava 1/3 osan ruokakato alkaa n&#65533;ky&#65533; niin kiistatta. Ilmeisesti ydinhallintomme on menett&#65533;m&#65533;ss&#65533; peli&#65533; koko laajuudella luonnon tuhoamisensa tiell&#65533;. Koska TABU:ja on laajasti nyt lis&#65533;&#65533;:

A/Maailmanlaajuinen ilmoitettu niin sammakkoel&#65533;inten, kuin matelijoiden kuoleminen niinik&#65533;&#65533; maailmanlaajuisesti ydinp&#65533;&#65533;st&#65533;jen tritiumsadelammikkoihin on kylm&#65533;sti m&#65533;&#65533;r&#65533;tty vaiettavaksi 100%! Aika h&#65533;rski aihe, kuin sent&#65533;&#65533;n kansainv&#65533;lisesti todettiin faktaksi toki!

B/Maailman kaikki tunnetut havumets&#65533;t tulevat kuolemaan muutamissa l&#65533;hivuosissa. Japanista, Portugalista ja Siperiasta v&#65533;&#65533;j&#65533;&#65533;m&#65533;tt&#65533; 90% metsist&#65533;mme l&#65533;hivuosina tappavista millisist&#65533; m&#65533;ntyankeroisista on tehty l&#65533;yd&#65533;ksi&#65533; per&#65533;ti 40kertaa. Vain hetki en&#65533;&#65533; ja ydinteollisuuden s&#65533;&#65533;hk&#65533;lle ei jatkossa ole lainkaan puuta! Tarkoin on vaiettu, ett&#65533; Ven&#65533;j&#65533;n puukauppa takkuaa sik&#65533;l&#65533;isist&#65533; megamets&#65533;tuhol&#65533;hteist&#65533; jo. Aihe on SELKE&#65533;STI 60v k&#65533;ytt&#65533;harhoilleen suunnitelluille ydinlaitoksillemme suoraa kuolemaa! Mega TABU! Ilman muuta.

C/Kaspian kampamaneetit ajoivat Merentutkimuslaitoksen meri&#65533;mme kartoittamasta h&#65533;rskimm&#65533;n p&#65533;&#65533;lle ei edes kalastajia ulkomerillemme sallita raportoimaan maneetti-invaasioita. Kyseess&#65533; kun on se keskeisin kulminaatiopiste, jonka TVO:n ydinlauhdekumpuamiset tuottaa megatuhona. Raportointiin pestataan nyt silkkana sikailuna amat&#65533;&#65533;rijoukkoa muka tutkimaan levi&#65533; vaan. Ydinhallintomme t&#65533;rkyilee aiheessa niin, ettei mit&#65533;&#65533;n rajaa. Kampamaneettien tiedet&#65533;&#65533;n jo kautta maailman tukkineeen voimaloiden massiivivesikanavistot kuin korkki pullot. Ruotsissa tilanne on jo sellainen, ett&#65533; ydinvoimaloissaan on 80% pysyv&#65533;t varotehonalenemat. Pian -50%. Tai kuten Ven&#65533;j&#65533;ll&#65533; merilauhteesta ydinalalla on PAKKO luopua, koskei meren valtaisat jopa 7 800el&#65533;int&#65533;/m2 kokoiset tulevat kampamaneettikannat takaa en&#65533;&#65533; ikin&#65533; asiallista j&#65533;&#65533;hdytett&#65533; ydinvoimaloille.

Mega-TABU
aiheena my�s.

D/ Niin t�m� mehil�iskato johtuu tunnetusti ydinionisaation aiheuttamasta ionosf��rimuutoksen suunnistusharhauttamisesta. Joka siis eksytt�� muuten terveet mehil�iset pois muutoksillaan pois tutuilta pes�ns� paluureiteilt�. T�st� tabusta alkaa asiis puhti olemaan ydinalaltamme poissa, kun KAIKKI huomaa miten kato etenee. Aiemmin tekaistut virusvalheet eiv�t uppoa kansaan. Koska jopa mehil�iskasvattajat huomaavat, ett� suunistuksen ongelma ja ydinvoimalan l�heisyys ratkaisee suoraan mehil�isten h�vikin! Siksi massoittain TVO:n l�hist�lt� pelastetaan mehil�ispesi� turvaan ydinsaasteilta lt�-Suomeen. Jotkut yksinkertaiset ydinlobbarit erehtyy luulemaan n�in hetkeksi kasvaneista paikallismehil�ispopuloista, ett� kaiki ik��nkuin olisi kohdallaan, kuten enneen. Ei toki!(

E/ Ruotsissa on kaikien aikojen rajuimmat mets�palot 02.06.2008. Koko Etel�-Suomessa mets�palovaroitus. Tippaa ei vett� olla tuttuun tyyliin saatu oikeastaan sitten lumien. Kuka oikeasti yll�ttyi, ett� jo viime vuona viimein jopa EU:ssa my�nnetty -40% ydinaavikoituminen etenee varmasti tappaen yh� hurjemmin. Kuka en�� edes muistaa, miten mm. Portugali paloi kokonaan superkuivuuksiinsa. Tilanne jatkuu ja pahenee. Ranskassa my�s jo viime kes�n� mets�� kuivettui enemm�n kuin s�teilyll� pilattu ydinaavikkomaa kasvoi. T�m� vuosi on taas edellist� pahempi. Viel� koettaa toki Ilmatieteenlaitos ved�tt�� hiilidioksidilis��ntymisen synnyt�mine +30% sadantakasvuharhoineen. Pelkk� vilkaisu jo ennen varsinaista kes�� kuolevaan ja kuivettuvaan luontoomme kertoo disinfon ydinalan panikoinniksi. Virannomaistemme luotettavuus l�henee syyst� nollaa. Ydinala tappaa ja takuuvarmasti niin kauan, kunnest tuhoaa v�hint��n itsens�, kenties s�teilyp��st�ineen koko ihmiselon mahdollisuudet my�s. Ja mik� oleelista ydinalamme TARKOIN tiet�� mit� ydinkauhuja saamme jatkoon n�hd� s�teilyjen kirist�ess� el�misen mahdollisuuksia hetki hetki, hetkelt� kaikkialta ymp�rilt�mme!((((

PS. Kuten olemme huomanneet lehtien sivut yht �kki� t�yttyv�t virannomaisuhkailuista siit�, ettei nettiin saa jatkossa en�� kirjoittaa edes n�ist� mit� ymp�rill�mme tapahtuu? Tajuaako kansamme miksi? Koska ydinhallintomme tiet��, ett� jatkossa kyyti k�y niin hirve�ksi tulevine ydinp��st�jen punasadekausineen, ettei siit� saa antaa edes silminn�kij�lausuntoja en��! Tajjuatteko, homma on t�ysin poissa ydinalamme hallinnasta. Einsteinin varotukset alkavat saamaan lihaa rajusti luittensa ymp�rille. Yksi on tulevassa varma ydinala vetelee syyllisin� viimeisi��n!

I've done nothing to harm anything or anybody, only defended myself
against your unproven accusations and death threats.

Dave the 'issue' is not one person like "DX Ace"
-aka- 'Steve in Michigan'.

The "Issue" is the Public Awareness of the
Amateur Radio [Ham] Service and their ability
to Help in Emergencies.

366. HOA outlaws OWNING a generator

After several people not believing me because I didn't post any links
and then could no longer find the old links, I
am now posting all links I can as soon as I find them.

A HOA has outlawed anyone from even owning any generator.

Not just using one, but even just owning one without ever using it is
against the hoa rules.

And a New Jersey state court has already ruled that HOAs are not
government or quasi-government and as such that HOA rules supercede
the state Constitution. (according to the court).

So now HOAs can tell you what you can and can not own inside your own
home. And what you are and are not allowed to own in your own home.

The brand of radios you use to listen to am/fm radio, the brand of tv
you can have, whether you are even allowed to own a tv or not,
etcetera.

One already tried told some ham what radio ffequency bands he is and
isn't allowed to transmit on.

Have fun attempting to do your emergency communications with a high
power base from your house without any
generator when there is a power outage.

A HOA is not a governmental agency with the ability to make laws.

A HOA is a civil contract and if you were stupid enough to sign a
stupid contract...

Which is why I will never live in a place that requires me to be a
member of an HOA.

And, no, your honor, I am sorry, but you are wrong.
HOA's do NOT have legal authority that is over and above all other
jurisdictions.
My ham radio license was issued by whom? The federal government. So
their laws apply as to how and when I can use that said license, NOT
the HOA.

If I want to own and operate a generator, that is MY business. If I want to have something in MY home, and the HOA does not approve, tough shit. The HOA can go take a flying leap off a high cliff without a parachute.

It's my god damned house and I'll do with it as I please.

In some states, NJ being one, an HOA is a legally recognized form of
"government".
In those states, state laws regulate what an HOA is legally allowed to
do and enforce.
An HOA can only enforce their bylaws which are generally items not
otherwise regulated by state and federal laws.

An HOA does not have the authority to tell me that I can't have a
particular brand of TV. Nor can it tell me I can't park my car on a
public street in front of my house. Nor can they tell me I can't
broadcast on certain radio frequencies because that is NOT their
jurisdiction.

knock.knock.
"Yes?"
"Hello I'm with the Home owners association and......"
"Fine. Get the fuck off my property before I have you arrested after I
shoot your ass."

What are they gonna do? Call the cops and have me hauled into court?
Fine. We'll see who has the legal right to do what I damn well please
in my home. If they win, they can pay the mortage too.

A HOA is a private, civil organization governed by contract law.

As such, you must abide by whatever is in the contract that you signed
or the HOA can take you to civil court and sue you to comply and
usually win as long as the contract terms are not too outrageous,
such as they grossly violate civil rights laws.

The only "cops" they can call is whoever does proof of service to serve the civil notice in the particular jurisdiction.

If you don't show up in civil court, you lose by default.

If you lose, you pay all the court costs.

If you don't pay, they sue you again to either garnish your wages or seize some property, such as your car, boat, or house, to be sold at public auction to pay the original judgement plus all the costs of the second lawsuit.

If you don't like a HOA's contract provisions, don't sign the contract.

Wrong. As usual. Unless by "government," you mean "nothing like a
government."

Well, the NJ Supreme Court in the Twin Rivers case allowed the HOA to
restrict political signs on private property. With the exception of
discriminatory covenants, HOAs are pretty much free to do what they want.
If you don't like their rules, don't buy their property.

If you signed the HOA agreement, then you are deemed to have voluntarily
agreed to their rules.

You betcha. For threatening to shoot them. Otherwise, they'll just impose the fines allowed under the rules that you agreed to when you bought the property. And get a civil judgment when you don't pay.

If they win (and they will), you'll be paying fines to the HOA, and you'll still be on the hook to the bank for the mortgage.

Nice portable amp. I picked up a used one for $100, I wasn't sure if it was operational, and dang if it doesn't belch close to 500 watts on sideband in my work truck.

It sounds cleaner than my palomar 150w too. It doesn't bleed my truck stereo as bad, at 3x the power.

The Texas Star is well worth the 100. I bought one and Had Bill Good go thru it. WOW talk about setting off car alarms and coming over the lowered cars that played rap music. I really cherish my TS500. It does way more than 500 on my Bird 43, but that was just Bill Good's magic. In the early mornings when its really cold here in the Mojave Desert, you can feel the heat coming off the TS500.

Hello Scott

Yeah man, I can now see why they charge a bit extra for this amp.

(beware 50 amp cable fused at the battery, with at least a 100 amp alt)

BIG GROUND.

Be careful to not burn down the vehicle in the mean time, but none the less
the Texas Star 500 rocks compared to any other portable amp providing a
fairly clean 500w to my truck roof. (caution is in order) and fuses.

Piggy back my post..I ran 8 gauger fused wire from the battery, and the amp leads are 12 Gage out the back. I've read you can squeak another 100w out if you replace the feed with 8. (?)

Why do they make an amp that requires an 8 Gage feed, with 12 Gage leads?

Hello Steve:

Yeah a good question alright! I'll give a go here for a good answer.

It saves the manufacture money! And it kind of works in short lengths. Even of you don't have a 150 amp physco nut cake dooms day Alternator, you can still run a TS500 Amp. My 70 Amp Ford Alternator would try to keep it supplied with 13 to 14 volts under load but just didn't have the design capacity to do it. But thats not a big deal as your not on the key all the time allowing the Alternator to catch up charing the battery.

My Texas Star had the small gauge wire (12 gauge) wire leads coming from it. Bill Good replaced the 12 gauge wire with 4 gauge wire with a 60 amp in line fuse. Bill also added a 7 pole filter to the amp to reduce unwanted emissions. And a neat Fan to keep it all nice and cool.

I have two 6 gauge Gauge Wires coming off the Battery for both the positive and negative sides. This all feeds the amp that really works well, as its feed by a 150 amp Alternator. On some peaks on SSB I can hear the Alternator belt slip at times. My 2 meter radio a Yaesu 2800 has a menu to monitor the input voltage, and it never drops below 13.6 volts.

I have made some custom 10 meter whip antennas that work well on 11 meters, but I am usually on 10 as we have a local group here on 10. These custom made antennas are a larger than life Fiberglass whip antenna thats about 98 inches long, that use Silver Plated 8 gauge wire. Wow just pay for a few feet of that stuff.... As we can't get the 96 inch Francis Amazer Fiberglass whip antennas any more. They were great as they could be cut for 10 or even 6 meters.

Went to the TRW swap meet yesterday near the LAX Airport. Saw a mess of old friends, had there world famous terrible coffee, and bought many things not needed a pretty good prices. A Texas Star amp was there and it had also been modified to have larger gauge wire feeding it.

Got invited to a Super Bowl Party, but was gonna be too long a drive and the boys had plenty of beer ordered in Kegs, that means you would probably spend the night there. Or in Jail....

A good time was had by all....

Shall I post the CB transmissions of the black erson on CB here?

Definitely not better etiquette.

Unlwss he is a white cber posing as a black cber.

He claims to be black.

Of course it's not wheter the person is white,black, or anything else.

There are cb idiots of all colors.

And some ham idiots of all colors.

I didn't really think 2 meters is starting to sound like CB as others
claimed.

However, it turns out that I just wasn't listening enough.

For the first time I can ever remember in decades of listening, the
other night I heard two hams giving each other smokey reports on 2
meters.

It's not because of the elimination of cw testing.

Hams giving each other smokey reports is what you get when you tell certain people to get a ham license instead of illegally operating on the freeband.

There was NO hoa and NO CC&R contract when I moved into the trailer park, which was the cheapest trailer park to rent in that county at that time, because that was all I could afford, and NOTHING anywhere saying that a hoa was allowed to take over and NOTHING anywhere saying that CC&Rs could be imposed later.

The traier park was later took over by a land developer who imposed all kinds of impossible to follow CC&Rs on the trailer park residents and imposed a HOA on the trailer park residents.

He bought the trailer park to build a planned community of expensive to rent townhouses next door to the trailer park.

We did not know he was a land developer at the time since he tried to keep that fact secret from everyone in the trailer park.

All the reaidents knew at first was that he was the new owner and new landlord of the trailer park.

We were given less than 24 hours notice that there were now new rules where there had been none before and lots of new rules.

YOU try to find somewhere else to live with less than 24 hours notice. Especially when you can't afford anywhere else to live.

The you have NO CHOICE but to sign the check for the next month's rent (the contract).

The new rules said by paying the rent, you are agreeing to the new rules and that it counts as a contract.

Before he took it over, it was always plowed in the winter. After he took it over, it was never plowed. In the middle of the snow belt.

He hired bulldozers, which threw snow into your driveway and yard, both piled up high.

The new rules were you were NOT allowed to have any snow in your yard or driveway. However, the new rules also prohibited you from putting the snow out of your yard or driveway into the trailer park's public drive, which is the only other place the snow could possibly go.

And tow trucks would not go in there since it was private property ownewd by the trailer park owner unless he said so, which he would not unless it was his own which he hired to create the type of problems listed above since people moving into the new planned community of expensive to rent townhouses he was building would not want to look at people who are "trailer trash" or a bunch of trailers.

After all, to those kind of people, you and your wife are nothing but no-good low-class bums by working three jobs each just to make ends meet,
and if you were not a bum, then you would not be working any jobs at all and would have expensive rolls-royces to drive, expensive designer clothes
to wear, and a lot of money, etcetera.

He also raised the rent at least once every two months, sometimes each month, so the rent was raised over eight times in just one year.

Which went from the cheapest to rent trailer park in the most expensive to rent trailer park in that county, and he started evicting residents for not paying the rent (which they could now not afford) and bulldozing their trailers.

Some of the residents fought him in court, but the court ruled in the land developer's favor and against the residents.

Also, the public schools REQUIRE you give them at least TWO WEEKS notice before taking your child out of the public schools when moving, or else they count it as the child being truant and you being guilty as an accesorry .

YOU try doing that with less than twenty four hours notice.

The cable company would not go into the park at all. The new rules were no new antennas and no new satellite dishes.

So if anyone new moved in or your old antennas or dish broke, you were now unable to watch tv.

He got around the prb-1 rule since it says they can regulate the placement of antennas and dishes.

There were a lot of impossible to follow contradicrory rules, which I can now see was done on purpose for the reasons named above.

And where are people who can't afford to live anywhere else supposed to do?

It's no coincidence that cities are passing laws against being homeless at the same time they are requring hoas and CC&Rs in every

new place built and in every old place sold to a new person.

Because of what he wasdoing and the places he hired, my car was ruined, which is a whole other story in and of itself, which also proves by their own words that the self-appointed radio cops are guilty of committing a bunch of illegal crimes even though they claim they never ever committed any illegal crimes at all and that everyone who does should lose their ham license.

So why do the self-appointed radio cos still have their ham radio licenses?

Why didn't they retuen them to the FCC?

Some people say move to a hoa where the rules can be changed. Then you can change the rules to put up a ham radio antenna.

The problem with that is if the rules can be changed, then a ham radio antenna allowed today can be changed by someone else into not being allowed in the future.

Some people say then move to a hoa where the rules can't be changed.

The problem with that is the rules do still change in such places.

rule 1: Your trailer is not allowed to be painted an ugly color.

rule 2: No ugly models of cars allowed.

You move in, only red trailers are allowed because it's the only pretty color and all other colors look ugly.

Only Fords are allowed because they're the only cars who look good. All other makes and models look ugly.

Then three months later some people move out and new people move in and you now get fined for having a red trailer since red is an ugly color and only blue is a pretty color. And the rules clearly say "Yor trailer is not allowed to be painted an ugly color(However you can't afford to buy paint since you and your wife are working three jobs each just to make ends meet). And you also get fined for having a Ford instead of a Chevy since Chevys are the only good looking cars and Fords are ugly cars and the CC&R rules clearly say "No ugly models of cars allowed)

And you of course can't keep affording to buy new cars every few months everytime different neighbords move in unless you are super rich.

You are now guilty of breaking at least two rules of the CC&Rs because the rules changed even thogh you're in a trailer park where the CC&Rs say that the rules can never ever be changed.

Renters aren't owners and there is no such thing as a HOA for a rental.

Absent a long term lease with the terms explicitly spelled out, most
rental agreements are month-to-month and are for the most part subject
to change each month.

That's why, if you have any sense at all, you buy a house without an
inane HOA and there are lots of them all over the country.

Actually, I don't know if the hams giving each other smokey reports
ever operated illegally or not. They might have always operated
legally. And I don't really care if hams give each other smokey
reports or not.

However, I do think it's kind of dumb to give and ask for smokey
reports on 2 meters when the majority of 2 meter ham operators seem to
be
either involved in some kind of law enforcement or actually are law
enforcement officers also.

The blame lies with ARRL and flaky VEs that hang out at Radio Shack and truck stops and either entice or club and Shanghi kids and CBrs with the idea that if you give them a ham license they will instantly be hams. Without even having to unlearn bad habits and learn new ones. The end result is you wind up with anarchist infiltrators with a license to hate hams.

As if you could elect Bevis and Butthead for President and they will instantly grow up when they hear the morning briefing.

moparhoLICK...the letter was sent because of 2 things....

1) It is the truth

2) you and KD8IMG decided that you wanted to start something....

Mr. Joseph Cousino, President
IBEW Local 8
807 Lime City Rd.
Rossford, OH 43460

Dear Mr. Cousino,

This message is sent to inform Local 8 that Robert L. Trendel, a local 8 apprentice, is currently under 2 separate 2 year anti stalking orders of protection. Since it is assumed that IBEW people work on private as well as industrial sites, it seemed you would be interested in knowing this information. It is evident that in the event of some sort of incident related to individuals encountered on a jobsite there would be considerable liability exposure for IBEW Local 8.

I am involved in this situation because Mr. Trendel victimized my girlfriend, Kathleen Lee. Kathy is one of the persons who sought and obtained an Order of Protection from the court. Owing to some personal differences with me, Mr. Trendel decided that he would get to me through her. This was admitted openly by Mr. Trendel and is in the court transcripts. He stated in court that his reasoning for various acts and attitudes toward her was that he “knew that he had nothing to lose”, referring to me, the author of this letter.

We cannot prove that Mr. Trendel is the person who smashed her vehicle window and mirror, nor can we prove that it was he who ripped her DirecTV dish off of her lower garage roof. These incidents did happen, though, and he is highly suspected. What we can prove is that Mr. Trendel called Kathy's employer and left voice mail for the HR department in an attempt to discredit and defame her with her employer. This we have a recording of, courtesy of the head of HR at her job.

It should be further noted that even though 2 of these 3 incidents cannot be proven to have been perpetrated by Mr. Trendel, all such incidents ceased after the court order was obtained.

I cannot comment very much about the second case against him except to say that Mr. Trendel admitted to conducting electronic surveillance against Donna Szymanski, his next door neighbor, with cameras and

microphones trained on her home. The exstence of a recording of Mr. Trendel saying words to the effect that he “knows everything about her, where she works, etc, and it would be simple to just shoot her” also came to light.

In another one of those situations where “can't prove it but suspect it” comes up, Ms. Szymanski's automobile tires were vandalized in her rear driveway in the time period before she requested the Order of Protection.

Personally, I would not want Mr. Trendel within a mile of any woman I know. I am sure you can see why I feel this way. I am also concerned about the prospect of somebody who thinks like this being in anyones home doing electrical work.

Page 2 of this letter shows the internet links to the court dockets of these cases. If requested the recording of Mr. Trendel calling Ms. Lee's work, and photographic evidence of vandalism incidents, etc. can be provided.

Sincerely,

Below are the links to Lucas County Common Pleas Court dockets on both of these cases.

Obama Gets Tough to Shield Bush Torturers

Wake up people, we are under attack by those
who refuse US Justice to win Freedom for
anyone. "Conservative" retards are completely
lost here, because they do not have the

a person accused of a criminal offense without
any evidence is innocent. Or, how about, No one

Obama Accused of Blackmail over Terror Trial Evidence

Any American father who prides in killing innocent
Iraqis for the escape of the neocons for 911 is no
father. And a wife should get the hell away from
a male who enjoys murdering helpless innocent others.
Children in such families should be challenged
by relatives through the Courts to save the lives

grunts irrationally everyday with nothing to say,

shoot innocent families, or bomb a city entirely,

documented war crimes? I sure would. It would make

Yeah really. What kinda world does Obama take US
for here? Does he actually believe we hold no
interest in being attacked as ourselves, the
innocent forsaken? A reminder: an American was
executed under Iraqi law without any evidence
brought against the accused, while the grunts
were offered an excuse to seek not the culprits
at the terror scene. The case was lightly reviewed
at democracynow, a year or two ago, and can be
found by searching for a grunt pretending to be

an ambassador to Romania. A case where the Judge's
life was threatened by a "General", where if he
didn't order the death of the innocent American
citizen, the grunt with the General would murder
US all right then and there. The Innocent American
was murdered as forsaken for value shared by
free men.

corporatist Amerikan citizen, these torture victims
that include children as younger than a hundred, had
not been alleged to have ever committed a crime in
their entire lives. Victims tortured to death for the
pleasures of those Satanic, such as General Geoffry
Miller, who tell US today as confidenced, they do it
because, patsy wasted American soldiers will just refuse
to hunt them down for formal executions. Let's change
this for our Humanity in this future, to look back,
and know, American males were men of the World, who
stood for the principles enshrined within every living
Constitution. A free man shall not be jailed, or
tortured by anyone in our names as Governed, without
the perpetrator tried publicly for execution as our
Love of real Justice. As first degree mass murderers
warranted death sentences under the War Crime Act
ushered by Reagan!, all done in for our protections
of their next innocent victim - ourselves. Or
die a death in corporate tyranny worthy the title,
cowardly traitors to God and Liberty. Blackwater,
CACI, AEGIS, KBR and the like will all be hunted to
extinction for refusing to quit their lawless Rape
and mass murder, murders done for more stolen money
as America's name high-jacked. The Lawless enemies
shall be prosecuted by the honorable Soldiers of
the Good old, Red White, and Blue. Count me at
our words on this, I am,

Ungodly Israeli Nazi LIARS Continue to Murder Children after "Truce"
http://www.youtube.com/watch?v=-HQO0774lx4&feature=PlayList&p=4199C9262539936D&index=0&playnext=1

A truce means nothing to Hamas?, who states
much of no complaints as in support of Israeli
Nazi lies, why? Have you seen where a blimp is
traveling about five miles an hour, fire bombing
thousands, and none have even a pullet gun, never
mind an Iranian rocket launcher to shoot the Satanic
demons down for God as Love? Why doesn't Hamas
at least admit, like an Israeli General has,
to be funded by Zionists for cash gains paid for
by Zionist Amerika? Why? Why is it that Hamas
suffered near no loses, but all the Cops who
voted who knows, died murder victims trying to
defend our family from Texan child rapists?
Along with thousands of others targeted as
innocent Peoples? Targeted. Why? Nazi Israeli
broke the truce!! THINKTHINKTHINK Demand coverage!
Hamas certainly isn't. ..maybe because they're
illiterates on the Cause of God's Will being
Just?

Bushwhoring Enemies of the American Police

What a demon enemy of life these bushwhore enemies
of American Liberty are eh? No concern whatsoever,
for all the teen soldiers conned to die for those
who committed 911 in NYC. The millions of bombing
victims, the tortures, the rapes of American women,
STILL, TO THIS DAY, left undefended by "the law".
Evil enemy of everyone these demon fuks are. How
difficult is it, to understand the facts they feign
complete blindness on? They WANT to con you as the
coward to life they are, willing to kill America to
make their antiChrist lawless enemy Mr. Bush happy.

From years after the fact still demanding Justice now:
http://groups.google.co.uk/group/alt.military.uk/browse_frm/thread/ca0e34fb32caeb0a?hl=en&scoring=d&

Huh? "at last been disarmed..." ? How does he figure? The equation hasn't changed. Example: The same unaccounted anthrax, (that was disintegrated into ash), still is not able to be measured as completely accounted for, (never could be), but this bushwhoring war crime apologist, tells US, it was only though the lawless murder of our good friends and family for countless generations, that he now attests without reason, or evidence, to find Iraq in "fact" disarmed of it's still nowhere to be found, weapons of mass destruction. (An irrational reason he pronounced previous in corporately broacasted public support of instigating heinous war crimes against our humanity under the leadership skills of the evil lying demon antiChrist, our Mr. bush Jr..)

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron. And, the Iraq war is a war crime. But Ron, the Fascist, doesn't want THESE FACTS uttered. Why? Because wiser men would prevail, wiser men like me who understand buying in bulk is cheaper. Those like Christ who understand, who KNOW, the banker doesn't cover our loans - so why give them as much as a taxed red penny?, let alone trillions as officially unaccounted for? They are stealing the cash Ron. Ask yourself: Why has Alex Jones forbidden his bushwhore cult from understanding Bush doctored the NIE?, or of iron flowing like water from the towers? Because wiser men would prevail and he can't have that. He called shooting innocent men in the back, an act of liberty. I, an actual god, unlike Alex, lie near never, but maybe to myself when I'm lonely. Alex yes will tell you rapists are free to do what they will in Texas to American children, un-arrested, but he won't mention it when the police chief is with him on air, talking about how he'd like to be exempt from traffic tickets for being so popular. NO MENTION of the rapists walking away without arrests made, no mention of Bush's documented treasons on 911. Where are Alex's priorities? In selling YOU out so he can be wealthy like a bankster?, and have special rights over everyone else that drives drunk, or speeds? a big hero standing over our dead soldiers yelling, I told you so, I told you so, I was right, I was right.

Again, understand: It is not by my will to deny
open debate with America, it is Alex, and his
demon buddy George Noory that denies out Humanity
this right. And when people try, like Peggy, or
Black men on Jewry, Alex lies cheats and steals
our wills for further thefts. Ron Paul's family has
millions taken from loyal Alex Jones fans. MILLIONS!
Does Ron do commercials with that money highlighting
the bushmob's plan to invade Afghanistan, dated two
days prior to 911 for Enron? Of course not, wiser men
would prevail to expose him as the charlatan charity
raider he is regarding Health Care, Social Security,
Public Schooling, earmarks.. It is unfair to measure
Ron against corporate nazi zionist whores of MSNBC who
willing, openly, kill American teen soldiers for
criminal neocon gains, as an honorable gentleman's
talk. Half honest People like Ron are extremely ignorant
on the workings of our world. EXTREMELY. I joke here not.
Evil is the deceived disguised - translated - evil
people are always dumb.

Corporate America says no, Charlie Manson was a genius,
but not, that most Americans are prone too easily to
suggestive states where they can be made to believe
anything blindly. Think: what does, "bin Laden did 911"
mean anyway? You should know of what I'm trying
to teach you here. That is how
Alex knowingly or otherwise, steals our rights, by
beating off he knows everything already. And some,
if not most, actually believe him without knowing
squat either. It's sooo easy that way - no study
required!! LIBERTARIAN HELL! Everything is not on
the Internet, where it near should be, but regardless,
a Libertarian can't be bothered to read anyway.
"Free Talk Live" is the best example for this: the
two hosts are unbelievably ignorant on just about
every single subject under the sun, but beat
CONSTANTLY, on how greatly wise they are as drop-outs.
You wouldn't believe any of them when they speak on
Freedom, if you simply understood, an innocent man
does not deserve to be in OUR prisons, or tortured.
Under any circumstances that Obama has excepted for
our excuses. Magna Charta. But in Alex's 'genius' mind,
he doesn't need to actually understand he is a for
sure bigot, (measures another unfairly in a group HE
concocts from blind hate or personal fear - typical
CONSERVATIVE and/or racist) who has no problems with
that at home, or at work. Provable in seconds by
OPEN DEBATE, but Alex ain't gonna take our calls
because, he can't for the lives of every People

person thought of here, admit he could have
something to learn, therefore, the NWO is
unstoppable in his brain washed cult of indifference
to Justice practiced for the benefit of all treated
fairly. Why? He's not wise enough to respect the great
minds of the audience, and I personally believe,
he doesn't even have the good judgment to own
a gun. (I mean, why wouldn't Alex find my stories
of OUR Justice system triumphing by my single hand at least
minimally beneficial to his blind cult followings? to not
hang up on me immediately while spewing lie after lie
on how I'm top secretly a dis-info NWO artist working
for Bush? or whose voice sounds too friendly to trust?
like he has done the last four times I've phoned -
Hey! I can be an asshole if you want - no prob.)
Perhaps it's near because, Alex Jones is blind, and
as such, could actually be found guilty in Texas for
murdering those two innocent black men shot
in the back with his approval to release the murderer
from a RIGHTFUL death sentence prosecution. "law of
Parties". He is a party to the crime, for he worked to
support the release of the FOR SURE, FIRST DEGREE MURDERER.
Sound like an America you could live with? I didn't
think so either. I wanna be Alex's Attorney. Texas is
a State of massive lawless corruption, as dire
incompetence in legal affairs where they OFFICIALLY
plan executions against innocent People not established
to have harboured criminal intent! With Jury Trials!!!!
!!!!!!!!!!!!FINING THEMSELVES GUILTY!!!!!!!!!!!!
While Alex does express murderous criminal intent,
and the Police chief calls him a good man for no
scary pressures. What the fuck is wrong in Texas
where they mess themselves like this regularly?
Imagine, while Bush with the Neocons escape, and
Zionist Israeli target to murder Christian School
girls OFFICIALLY, Alex doesn't want to have to pay
traffic tickets like the rest of US. What a douche bag
to tell he LEADS our Truth movement I say. Now, I'm
not saying he shouldn't contribute with the truths
WE SHARE, far from it, it's just he can't have our
cut off switch to silence our objections to his exposed
foolishness, and/or blatant criminality. I'll give him
a chance, for starters, to criticize any position I take
while we all publically call on ourselves for
assistance internationally. Like on his "buddy",
George Noory, deserving to be tried Publicly for the
traitor he is, and be formally executed after his day
in Court. Our Courts. Teen soldiers have been conned
to die by George Noory for the escape of the neocon
terrorists who committed 911 with Condi, Runsfeld,

Bush, Myers, Tommy Franks, and General Ahmad. AND
HAPPY GEORGE NOORY KNOWS IT - and cons with lies
naked to the ear of any who can listen or hit record.
A NAKED traitor to the cause of Liberty if we ever knew
one regarding the War Crime facts of Iraq. .And
Ian Punnet is an evil godless enemy Bush whore who
lies too to get YOU killed as the innocent soldier
forsaken so don't forget.. It's YOUR life. It's God's
Gift. Now support our rise for popular international
debates to get these Neoconners behind bars
awaiting Public Trials! "Public"thatsoyu!! Get to
the Phone to call someone to care man.. Johnny
Jesus has arrived! Justice Will Be Done in this,
Our Kingdom to Come.

Justice to the war criminals of
indiscriminate warfare would better serve ourselves
to halt for our safety. The bushmob did 911.

Humanity Under Attack by the Zionist Enemy of Life

GAZA APPEAL THE BBC & SKY REFUSED TO SHOW
http://www.youtube.com/watch?v=c9kwpxlZorI

Not only that but the BBC argued that to show
innocent Human Beings suffering, in CRITICAL
life threatening need of desperate food and
water that Israeli nazi stole, (because they are
unlawful murderous thieves), would have them look
like they were partial to serving Humanity's
interest in compassion for US humans. Over the
Israeli terror Nazi tactics of indiscriminate
slaughter for more Amerikan welfare. Wicked evil
nazi bastards who too, DO NOT THINK IT BEST to
report Peter Powers committed the London bombing.,
Oh yeah, and mercury is neural toxic, anti-psychotics
make us crazy, and sodium fluoride makes us
stoopider while weakening your body for big cash
surgeries - ultimately leading to a profitable

death for dah' winnahs.. So, they, the BBC-NWOers
just needed to avoid the bath or shower,
humidity, Pepsi's purified bottled water product
lines, koolaids, swimming pools, Jacuzzi, Hot Tub,
Sauna, private Whirl Pools, and.. blh blh blh

/ / the FBI says no.. There is not a thread of
fact a zionist offers to form YOUR own mind in
respect for your rights being equal to ours. \ \

Who is the guy who keeps writing such things,, and
shouldn't he be recognized as Promotional to raise

Olbermann | Bush Years: 8 in 8 Minutes
http://www.truthout.org/011809Z

Bush and Cheney are traitors to the cause of
American Liberty. To leave them free, is to leave
America un-guarded from further transgression.

The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know
these FACTS that demand arrests of the culprits
responsible for high treason against Johnny's
America. Alex wants your money, and EVIL George,
our enemy, wants your soul stolen for Satan.

Turley: Obama 'accessory' to war crimes if no prosecution
http://rawstory.com/news/2008/Turley_Obama_accessory_to_war_crimes_0127.html

Understand, Alex Jones doesn't want Justice
for Americans because he loses out to better
men that usher a greater life. He doesn't want
the evidence of George W. Bush made public to
defend American teen soldier's lives. The true
fascist Alex Jones, who in silence supports the
escape of Bush for treason, will fail our true
voice for Justice in our times. WE DO NOT rule
the truth we share equally committed to defend
ourselves from lawlessness. And you'll never
rule my right to speak freely over your intent
to sell us all out for monetary swindles, just
like Ron Paul did. Understand: Ron Paul doesn't
even acknowledge 911 was an inside job, or, that
Bush gave zero evidence to form Your opinion.

Alex Jones, the Slave, told US today that
he challenged Bush for eight years - Bushite
lying nazi traitor. Not only that, but he
also ridiculed those who wish to blame Bush
now for anything! Again, he doesn't want
Justice where bad guys can't steal from
ourselves unrepresented. Ron Paul is a
multi-millioniare, made rich by charitable
aid conned from Alex Jones' NWOers! Alex
Jones doesn't have a problem with that, we
do.

Israel to be Judged - Universal Petition

The demon LIAR zionist Israeli is a godless enemy
of Humanity, much like everyone at Foxnews, CNN,
BBC, and the CBC. Our revolution against the godless
bushite shills, will not allow our revolution
through speaking honestly, (to become of ourselves
something greater), a chance to be televised for
our benefits. Bush closed criminal investigations
immediately after 911. According to the FBI and
Senator Dashle. CNN says you have no power, Foxnews
says you have no power, the BBC says you have no
power, the CBC, the same, like Alex Jones NWOers...
but well, don't believe it. YOU Do have the Power.

We must demand open communications to bring back
values WE ALL would agree to through polite debate.
"Conservatives" don't want this Freedom idea
expressed in general terms because, a "conservative"
is universally, minimally. a bigot. Why? Life isn't
like, their way, - then- all other opinion under
the sun on how things actually get done. (Aka
"socialist" traffic light repair men, or "liberals"
who want to treat The People fairly). Or who we are
as equals to our laws fairly practiced. Pay attention
to what I am saying here. Liberals can be Dicks with

a capital D too of course. But a Hannity couldn't survive 2 minutes with me speaking on his very real treasonous behavior in OUR public arenas. Behavior done to escape the 911 culprits from the long arm of the Law, with his conscious will of criminal deceit exposed, we all learn to better defend ourselves. And Shawn Hannity can't have that for ourselves, he takes too much money from ourselves as talentless by keeping US in the dark dying needlessly for traitors never elected publicly.

Who am I you ask? Johnny Law. at your service. Look me up with usenet to discover, we live in a world of idiots everywhere pretending to be somebody by lying. While I want US all to truly improve our condition by actually understanding how bad off we are by failing to respect ourselves for correction. Too many, know it alls, with not enough to know you need evidence to form a guilty verdict against an accused man or woman. Not according to CNN, CBC, MSNBC, Foxnews and the like however. Let's change this by supporting my challenge for top billing at the Coast to Coast radio show hosting. Look for me coming soon!!

Unseen Gaza High Quality: Part 1 of 6
http://www.youtube.com/watch?v=UeezoWRu1FU&eurl=http://whatreallyhappened.com/

Why is it that numerous visits don't change the view count? What is this business of a=a+1, the top secret, I'll go rhythm, that is way beyond our comprehension in it's scientific complexity? For Americans, okay, but the Human species just isn't this dumb.

While Zionists OFFICIALLY target Christian school girls for mass murder, CNN instead reports that bushite grunts attacked girls in Afghanistan, posing as Taliban. I WILL every celeb at CNN to be arrested, tried and executed for the reporting they have done today without facts. Remember: the Taliban played no part on escaping those responsible for 911, and opened schools for girls, and were brought together on the single purpose to defend women. Death to CNN reporters to LIE for killing OUR school girls. I HATE zionist enemies of Humanity and God I am.

The Torture Ban that Doesn't Ban Torture
http://atheonews.blogspot.com/2009/01/torture-ban-that-doesnt-ban-torture.html

/ / Obama's Executive Order bans some -- not all -- US
officials from torturing but it does not ban any
of them, himself included, from sponsoring torture
overseas. \ \

Is America a nation of Law to Live freedom?
Because this SPECIFIC deviant action of Obama warrants
the death sentence under Reagan's "War Crimes Act".
SPECIFICALLY. Or, is it you falsely believe Obama
can do no wrong against innocent people here, where
an illiterate nazi grunt, maybe from South Africa,
will kidnap YOUR children, and torture them to
death for sadistic pleasure, with as they did using
power tools caught in Iraq, according to Iraqi
government official(s), and several soldiers from
Oregon, all because Obama has given an ILLEGAL!
"excuse" to NOT support following the crime scene
leads at our REAL murder scenes? Again, death to the
bushite dumfuk enemy of God, death to the enemies
of a freeing Humanity striving for a just society.
Obama needs to be arrested for this under the Law
as it stands I'm sorry to say my friends. Why?
Torture is illegal in all 50 states, (as Reagan
directly planned), no matter where you ship the
innocent victim to, or from! Read the War Crimes
Act, then demand Justice today, otherwise, it's
YOUR funeral. Obama wants to secretly torture
Peoples here, while lying to US ALL that he doesn't!
A TRAITOR! Who also wants to give bankers 100s of
billions of dollars more to disappear, that WE pay
for, out our door, never to be seen as our own

Alive We Say

And Alex Jones gives us the same guy twice
a week that blames the Illuminati, while
encouraging that YOU TOO! can get money
for nothing like the banksters. Just give
the Alex Jones', NWOers, the "truthers" money
money money money. No time for affording the
explanation that the TREASONOUS bushmob

doctored the NIE. That Saddam wasn't in violation of 1441. That a NEOCON is identifiable for it's demonic LIES against God and Man. Never to tell, the private bankers don't cover OUR loans, that Bush PERSONALLY worked to close Police investigations immediately after 911 (obstruction), or that WE have video of iron flowing like water that PROVES, without doubt, bin Laden couldn't have single handedly placed the explosives in the buildings, or stole the black boxes. Because someone surely would have spotted him dragging his dialysis machine what with all the professionalism of corporate news media coverage regarding our horribly suffering worlds. Alex Jones ignores the treasons of Bush, as a Bushwhore, and instead, tells US of how Obama is Bush on steroids. He only wishes. What about Justice for Americans Alex? Why for do you forsake ourselves? For money? What about the lives lost to mass murder, that you allege to champion OUR TRUTH without saying much of anything on real Freedom?, on real Justice like your deviant election rigger, Ron Paul? Well, no wonder, Alex told US he's into shooting innocent American People in the back as a tyrant of evil, a white Devil if you will. Kids too if you dare look in his back yard for a copper. See? Now if Alex doesn't allow US to speak, more and more will understand to know why. I am a defender of all that is right and just in this world, because I don't need to lie like Alex does on a huge host of issues. I'm more like Jessie Ventura, in where I don't need/want to lie. If I end looking foolish, (of which I like never truly am), it's a benefit, because that way, I've learned something. Alex knows everything already, and 'is always right'. Like I say Retarded. You weren't right by not understanding that the banker doesn't cover the loan. One example of easily hundreds. He's a typical, he knows it all, know nothing dumduk American. Hear him on health care speak as Ron Paul does, and know, I defeat them in under ten seconds. TEN SECONDS. This is why he hasn't in years, allowed me to speak more than five or six words. He's rather all America die, than

admit he does NOT rule our 'Ocean of Truth'.
I want the challenge of opposition through debate
to PROVE my skills beyond reproach. Alex,
every time, just hangs up on anyone who tries
to improve our communications by factually
speaking. Why? Because he IS TRULY deeply
ignorant on what freedom or Justice means. Why
we have law. What a consensus is. Allan Watt is
severely disabled in this regard, another Alex
Jones favorite. And this is why, Allan can't
take calls openly either. He has jerked off
with himself too long to quit now learning
super basic precepts, for like Alex, he "knows"
the inner workings of the 'genius' NWO elites.
Not Law 101, not Bush, not Rumsfeld, Not Condi,
not Torturers, not bank robbers, rapists, or
even petty thieves. Allan Watt isn't a bad guy,
he's just a chauvinist pretending he actually
knows something, when his real disability is
directly related to his absence in understanding
understandings. Doubt is a near foreign concept.
A challenge for Allan: can you get your 'genius
mind' around the fact that Peter Powers did the
London bombings, and not the Illuminati of 1463?
and if not, why are we so dumb to our present
plight that way? Don't get me wrong, Allen has
much to offer, it just isn't the issue right
now on saving our dying futures. Maybe I was
too hard on Allen, he is really actually kinda
cool. Alex Jones too has many incredible
moments of ecstatic clarity increasing in all
they joy of seeking enlightenment. .. Ok -
but this is serious business that requires
little dilly dally with what we'll have as
a side dish in Paradise Lost. We are talking
Human Lives have been destroyed by our inaction
to remedy these failures to communicate
effectively. and.. Jeeze, the weight of my
responsibilities, as just plain John, being
a/the Legos Man - for like the Family and
everythings, get's me never forgetting, all
we got are these words left dormant from the
power they truly possess in the minds of the
wise asses. And.. here I am. I'm a Talker of
Words looking to make a break in the
NewZbiZ. Zzzz... Alive We Say! Alive!

The Zionist enemy, the most evil nazi sons-of-bitches
who openly advocate tyranny and oppression through mass
murder of ourselves as the innocent left targeted
defenseless. Enemies of Jews everywhere, the Zionist
cares not for facts on who's Life it destroys for stolen
gain by lying. That's why they target Jews, for fear the
Light of Truth would expose them as the Nazis they are.

Hamas doesn't have a military though, so,
why not demand the arrests of those who

"We believe there were dozens of IRGC
personnel in the Gaza Strip during the
war," an Israeli source said. "Some were
killed; others went into hiding, and
others escaped."

See? the demon enemy of God speaks no
evidence as a TRAITOR to every Jew. A terrorist
nation that still steals humanitarian aid in
our public realm of left defenselessness. The
false allegation deserves a death sentence
by Jews against the war monger Zionist enemy.
A cause that Iran should champion, if in fact!,
this allegation by OFFICIAL WAR CRIMINALS WHO
TARGET FOR MURDER OUR SCHOOL GIRLS, is on it's
face, unsubstantiated as patently, demonically
false. As typical from any godless Zionist.

Where are the Americans asking for the
formal arrest of Bush for high treason?
Whoring for Alex Jones's contempt for REAL
Justice? The ignorance of all American
talk radio hosts speaks for itself. NO

knowledge on why acts of high treason, are crimes against every American. The bushmob doctored the NIE, and Alex doesn't want Americans to know, because if they did, they ask, why does Alex do everything he can to escape those personally responsible for 911, while then asking for money to continue his fight against freedom in America. Again how much money do we have to pay Ron Paul or Alex Jones before they will allow the knowledge of the Iraq war against Human will is criminal? How much?

Obama! feel free to call on me to help out with a plan for judicial actions. That offer goes out to everyone in Palestine, Canada or Britain too. Russia, let's help out these fools by freely communicating, what say you? Justice for all is freedom to be. The Israeli cop killers must be brought to justice for war crimes. Those cops, were cops. And I, am a man.

Alex Jones Rocks!

Now Alex has problems in "my" mind because I am an ACTUAL genius, and he is generally, an idiot. Today, he did one of his usual commentaries, however this time, he was pretty honest with himself, and his love for Ron Paul. Ron Paul sells incompetence, and Alex corrected correctly!. that a.. sorry Ron but these banksters know they're robbing us as undefended blind men essentially. That's what I'm talking about!! Look, Ron Paul can be a dumb Ass, although, he's still not all that bad a guy. A Dumb guy on things like economics sure, Justice, warfare, Health Care, Social Security, ect. ect. but still., like a child learning of why the sky is funny blue, isn't all that bad a guy really. He's certainly not a war criminal, like Bush or Rumsfeld are. Doing 911 then sanctioning torture. While Neocons Champion sending illiterate American teens for death as war criminal. Think about it. Maybe he is..

-

ï¿½We have all these documents that are now publicly available that prove that these methods of interrogation were intentionally ordered by Rumsfeld,ï¿½

Let us understand. These actions "give" a guy like Willie Brand "the right" to RANDOMLY kidnap men, women, or children, and torture them to death for sadistic pleasure with his faggot Capt, Christopher Beiring. (I think that's how it's spelt). But anyway, this is the truth. A bushite is a godless Zionist whore of Nazi evil, an enemy of America, who wars YOUR Freedom with criminal "excuses", for refusing to support the arrest of those responsible for 911. A TRAITOR, and could be wannabe rapist, robber, or 911 mastermind ringleader. Torture is illegal, and warrants the death sentence, according to, Reagan's "War Crimes Act". Some only suggest, that this was why someone tried to kill him as honorable. Death to the torturers of our innocent families, torture they do without apology as Zionist Military "Judges". Instead today, where they get salaries paid in the billions by the zionist giving nation of, a-mirror-kay, echem, America. Johnny's America. A nation where Justice will rule for the favors of all treated equitably with or without you. Honor me in company my friend. We have no rivals.

"they do not understand, the private banker never covers the loan. Never does a private banker reach into it's pocket to borrow US to begin with - so as a consequence, the bankers have just pocketed all the 'free' loot for nothing, TRILLIONS, and are not saying why should they help anyone else up with charity?" Then went on to say, it wasn't any of our business with what they did with the money. (But for to cover criminal fraud in the derivatives market, where the true value of said commodities were backed by ZERO capital. ZERO DOLLARS. WORTH NOTHING. So, think about who's truly giving it always here until Johnny, the man who came out of nowhere, arrived to explain everything in five or six minutes.

/ / they committed collective suicide - men killing their own families, afterwards each other, until one [evil zionist liar] remained to kill himself. \ \

ISRAELI IS A THIEF WHO CAN'T SPEAK OPENLY IN DEFENSE OF OURSELVES IN OTHER WORDS? That is right. They, as documented criminal, lose every debate personally since before the dawn of Civilization because their position is clearly unsound. They are criminals who murder People in hate for a freed Humanity. They OFFICIALLY steal Peoples homes in that country didn't you know they proudly proclaim it so? And steal humanitarian aid from starving children. Targeted to murder children specifically as publicly confessed, 'it is Hamas WE blame', not them as demonic child murderers. Hideously evil as ungodly sadistic savages. Enemies of YOU, enemies of them, and enemies of me, the King of Jews Christ fellow from beyond the grave. They are so evil to God and Man, they tarnish everyone of US to not win justice sooner by blaming the actual bad guys. Justice is Freedom.

/ / Those white phosphorus shells used on the Gazans are made in the USA according to Jane's Defense. \ \

Again, these peoples are not Jews. Being Jewish is a religion. These thieves of God are Satanic in their LIES to betray the common trust in our words, that bind all worlds to victory, called freedom universal. Even tales of the Devil have him keep his word, with verses specifically condemning the self to damnation for targeting the innocent for death. God's the Word. Every word inside a fool's paradise. Including the periods. Not as

like, I'm playing a word game, but that it in wonder, is all strangely here. Example: The Universe as it has existed always, is not separate from our 'pauses', or faulty drawn conclusions. The universe, in one sense, was as good as anytime, created 6000 years ago. AS TOO 50 billion. You say, impossible, I say no, study quantum physics, and know, I live this.. our existence is not scientifically separate from the timeless nature of consciousness, proven as not only theoretical, but actual. That is a first step at developing a REAL relationship with the living Universe if you want to as like an artist does - that TOO! can be just as thought static in it's orderly constructions for Atheists. (An Atheist is still mostly a fool here however.) Overall, for any, it's sorta simple: Life has left YOU in charge of YOUR fate. Now, do well to make something of this being as eternal Life reaching for balance, as your body does, and good cops do when bringing the bushmobsters to Justice. By Israeli calling for more murder against the innocent of your mind as racists and bigots they are openly, is still shadows of YOUR mind, YOUR WORLD.. get it, got it? God is in genius to set Life as this, as like, nowhere existing, but for as yourself within. Will you speak out for the Justice denied Humanity?, or not you? Atheists can be Just too!, but generally lose it on not understanding the intelligence of order is way beyond what they dream up with assumptions. All anyone has to do is ask themselves, who do you mean "God"? Atheists are ridiculous!, but, to each his or her own, we are on a path here, believe what you want to believe. This is not a faith initiative I'm bringing by keeping this real, I DEMAND JUSTICE BY OUR WILL BE DONE.

A zionist cabal of criminal pirates who murder Jews around the world for stolen money is seriously evil as criminal. What do you think? Let US have a open line discussion on this indivisible matter of rights to all as equals before who ever we proclaim, I AM.

I mean you right? Say it with me... "I" "AM" we are good to go.

away. How much money in the millions do we have
to pay them at GCN, before they will acknowledge

raping American women as lawless enemy of Life.
Americans are indeed, selfish, like all the plane

less that Israeli nazis are openly targeting our
Christian children for murder with their tax
money, as unimportant, to how long they stood on
a plane wing, now approaching it's third day, of
wall to wall coverage. Telling us again of how
Christ saved your life as a lifeless degenerate.
I, as Christ, am really starting to hate all
Americans in total now. How difficult is it to
pick up their phones? They don't, and I'm beginning
to believe it's because, like GCN, they really
don't care for the future of our Humanity being
left for dead as continuing victims to EVIL liars.

It might be interesting to ask moparhoLICK why his wife ordered 856 cases of Alpo on pallets. They are choking his driveway.

A open letter to CBres

Lets keep are linear amplifiers turned off for the next sun spot season.

Just imagine a day when you can turn on your radio (Durning sun spot season) and not hear 9db plus of noise. Hearing the sound of millions of CBers keying up with High Power, poorly tuned and over modulated radios is not what I call a fun way to enjoy a hobby. I would like to suggest a better way of operating your CB equipment. Instead of using the brute force method of CB Operation (High Power, over tuned and over modulated radios). I suggest using the radios as they were intended, outputting the Maximum legal power and staying out of the radios. Using linear amplifiers ruined the CB experience for everybody else. linear amplifiers splatters RF to adjacent frequencies, Interferes with other services (aviation and emergency services) and can even be hazardous to your health. The modification of CBs (Freq and Peek) is also a concern. I can't tell you how many times I have opened a radio I bought from ebay or the ham swap to see all of the tunable components hacked or tuned with a 1/4 inch flat screwdriver. I don't understand how someone would think you can tune a radio better then at the factory, after all the factory only has the best possible electronic test equipment to calibrate the radios. Sure, I understand that these radios are not tuned to output the maximum possible RF output that the circuit can supply, But instead set to the FCC maximums.

I just think people should take pride in there RF Signal. CB would be a much better place with out the noise makers, profanity, linear amplifiers and all the other stuff that makes CB a joke. Are you proud to be a CBer? CB radio was a starting place for my career(and Life) in technology. I eventually earned my ham ticket than went to college to get my degree in electrical engineering. I hope someday CB will be a place were young people will spark there interest in technology .

Keep your RF level down so we can all enjoy the band.

Thanks

Nah. Actually, it will probably be better for me, and beter for a lot
of people if I and other people can get them back into two-way radios.

If rabbit ears can't pick anything up in this area, neither will a
portable digital tv.

Plus I won't be able to sell my old analog pocket tvs in order to get
the money to buy new digital portable tvs.

I'm stuck with them, and will instead concentrate on my two-way radios
and attempt to find some use for my old analog tvs, whether I do or
not, by working on them.

And as of today, just a few minutes ago, I am now intent on returning
CB radio to the way it was back in the mid-1970's and early 1980's.

Actually, it will probably happen anyways, even without me doing
anything, since so many people will no longer be able to pick up any
tv signals
anyways, even with digital tuners and converter boxes.

They don't work around here for that purpose.

Even though they're intendeed to.

The only question is will it happen on the old standard CB or on FRS/
GMRS or on both?

I always operate my CB with eiher the legal amount of power or under.

There are only a very few people I ever heard on CB who were using more than the legal amount of power.

these were some of the people on CB channel 6 and some people on channel 19 who seem to have immigrated from a Hispanic country.

They had Hispanic accents, although I'm not sure which specific country they were from.

None of the American truckers I heard were ever using illegal power. They were all using legal power.

And yes, I know countries like Mexico is also in America.

596. for everyone who wants to return cb to the way it was in the 1970's and 1980's

For everyone who wants to return 27 mhz CB to the way it was in the mid-1970's and early 1980's, now is your chance.

For seven years, I have tried without sucess to recieve watchable digital tv signals even though they were broadcasting at the full power allowed by the law, and I had a rooftop antenna with rotor, and a converter box with digital tuner and several tvs with digital tuners.

And recieved more than twenty five analog tv stations fine.

Neighbors we know with better antennas than ours, and the best antennas can not recieve a watchable digital tv signal either.

And neither can the cable company. They just pass it through frozen and broken up into blocks.

And some people can't afford cable, and some live in apartments where they have to use rabbit ears.

All of this makes tv useless once analog tv is shut off for good, even if you have the digital tuners.

And I seen a recent article that only less than 35 percent of the country can recieve any digital tv signal.

After seven years of trying and having the capabiliy, plus a rooftop antenna with rotor (and I tried other antennas as well), I now know that digital tv is useless around here.

Also, after finding ou no one else around here can pick them up either even hough everyone can pick up several analog tv stations.

I decided to get back into two-way radio.

That made me realize some other people will probably also decide to get back into CB when they find out that they can no longer recieve any tv stations, even with digital tuners.

Which will automatically return CB radio to the way it was in the mid-1970's and early 1980's.

Although Some of the younger people might not even know about CB.

It's time to start suggesting to people that they might want to get back into CB radio if they know what it is and want to,

and time to suggest it to the people who don't know what it is and
tell them about it.

Even if no one tells anyone about it though, I expect that it will
most likely return to the way it was in the
1970's and 1980's anyways simply because of the lack of tv signals.

I already found out the hard way cable tv is not any good around here
for the digitl tv signals.

And neither is satellite.

And neither is a rooftop antenna with rotor.

Nor rabbit ears.

It's the end of tv here.

In either another week or so or a few months.

I'm now glad I bought a new CB radio the other year in order to get
back into CB radio.

I actually bought my CB radio a little earlier than last year.

At the time, I didn't realize how handy it was going to be after
analog tv is shut off, since I didn't think about
it that way at the time.

I figured one base and one mobile in case of an emergency where there
isn't any cell phone service.

Or when cell phone service isn't working.

However, now it's going to come in very handy, indeed.

Using it as a way to socialize instead of vegetating out in front of
the boob tube.

Since there won't be any more recievable tv signals on the old boob
tube anyways.

It will hapen when everyone finds out they can't recieve any v
stations anymore even though hey already have the digital tv tuners
and converter boxes and can' find any local news on the am/fm radio
since most radio stations were taken over by large corporations with
cookie-cutter programming.

They will hen turn to their CB radio for local news by asking other
people what they have seen going on locally.

Actually, most of that so-called "CB lingo" and "secret CB phrases intended to hide the real meaning of words" IS plain English spoken by
"hicks" as you call them.

Although actually it isn't as spoken by "hicks", but as spoken by "hillbillies"

which is the way most people in this country spoke in the 1600's and 1700's

and was considered proper English back then.

With a few minor modifications as the years went by.

Even Shakespeare normally spoke that way.

Now you can call Shakespeare an "illiterate hillbilly" if you want to.

Although I probably wouldn't call him that.

here's an example of one of the modifications

Just like people call tall skinny people "stringbean" and red-haired people "carrot top" is how the words "bear" and "smokey" came to mean a policeman.

It IS plain English. And always was as long as it's been in existence that way.

No disguised meanings or secret codes. It IS plain English.

Back then, police officers wore hats that were the same kind of hat worn by Smokey the Bear.

And I think their uniforms were similar also.

And unlike today, back then Smokey the Bear was commonly seen on tv.

"Only you can stomp out forest fires"

Therefore the nicknames "Smokey" and "Bear" for a policeman, and
"Smokies" and "Bears" to refer to more than one policeman.

Even hams use the phrase "rubber ducks" and "rubber duckies"
whenreferring to those tyes of antennas.

And even hams who have been in ham radio before CB became a reality
use the term.

So it isn't just cbers.

You obviously can't read. I NEVER signed any such contract. I moved
into a place without a hoa and without CC&Rs.

It was later taken over by a different landlord/new owner who inposed
CC&Rs without me ever signing any contract to do so.

The old landlord was upset about losing the trailer park (I wonder
why. After all, People who willingly sell something don't get upset
and angry about losing it).

Clue to the above: most likely E.D.

It turned out that the new landlord was a land developer who was
building a planned community of expensive to rent townhouses right
next door to
the trailer park in order to make a profit and to maximize his
profits.

So he imposed a bunch of umpossible to follow CC&Rs on the residents
of the trailer park and a hoa to enforce it since the townhouses and
trailers were all on the same land (that is contigous or continous)
land that he now owned.

All one piece of property.

So yes. there IS such a thing as HOAs for rentals.

I found out the hard way.

And my perfectly working car ended up being both towed and destroyed
because of problems he himself purposely caused and then used the
rules to tow it.

I eventualy got it back from towing after paying money to get it out
of impound.

And that was money I didn't have and couldn't afford.

I had to borrow it. I can't do that today.

Then my car ended up destroyed because of all the construction work he
hired to make a mess out of the trailer park.

Even going at one mile per hour scraped up the bottom of the engine of
my car and ruined it because of the way the land and drivewats were
during and after his construction crews worked on it.

Mopey, if that person arrested me like he planned to do because I was
using a CB radio without the required ham radio license needed to use
CB radios, the charges and court documents would read that I was

"illegally using a ham radio without a license"

even though I did not own any ham radio at the time.

And if he arrested me after me telling hin it's a CB radio and not a
ham radio, (he still said I needed the ham license to legally operate
a CB",
the charges and court documents would have read that I was

"illegally using a radio without a license"

or

"illegally using a two way radio without a license".

None of which were true.

The truth is I was completely legal and my radio was completely legal.

You oviously can't understand simple English.

There is no such thing as a home OWNERS anything for rentals.

RENTERS aren't OWNERS.

Keep re-reading the above until you understand the difference between
OWNER and RENTER.

Do you understand what a month-to-month RENTAL agreement is?

For starters, it means that unless something is explicitly spelled
out in the original RENTAL agreement, the landlord can change the
terms each month.

Obama Accused of Blackmail over Terror Trial Evidence
http://atheonews.blogspot.com/2009/02/us-accused-of-blackmail-over-terror.html

Again, Obama is taking a position to torture innocent
people here as a traitor to Just cause. Just cause to
live in a free society. Torture warrants the death
penalty under American STANDING Law.

Video: Cop Punches Woman In Face Four Times During Arrest For Riding A
Bike
http://www.liveleak.com/view?i=99c_1233639102

Top Cop Johnny Judge rules: Ten years in prison.
Maybe fifteen if the dumfuk grunt, back from the
war against Iraqi children as a traitor to American
values, shows no remorse for his crimes against an
American women either. Absolutely any cop or soldier
who disagrees as true contempt for our freedoms with
punishment against this nazi trash pirating our
police uniform, WILL WARRANT death sentences all

around to ACTUALLY defend liberty in my America.
Any American father who prides in killing innocent
Iraqis for the escape of the neocons for 911 is no
father. And a wife should get the hell away from
a male who enjoys murdering helpless innocent others.
Children in such families should be challenged
by relatives through the Courts to save the lives
of our endangered offspring. Again, without water
or food, Iraqi children are murdered by Neoconner
grunts irrationally everyday with nothing to say,
aka, without reason but as Satanic Bush whores, to
make our God as Humanity suffer further for their
escapes as actually selling freely, lawless zionist
savagery.

KILLING MORE OF THEM - reporting war crimes to the Police
http://www.youtube.com/watch?v=gB-KaIBDNJw

Again, a bushite has no commitment to defend
America, for it speaks nothing for the arrest of
the neocon traitors. traitors like themselves whom
will murder innocent folks like your Self to steal
our common values. Wouldn't you glory in seeing
these savage grunts who on video, indiscriminately
shoot innocent families, or bomb a city entirely,
executed by Christian Patriot firing squads? or
televised to fry in the electric chair for these
documented war crimes? I sure would. It would make
our world a much safer place to raise a family
secure in knowing, bushite grunts as enemies of
everyone, were hunted to extinction for their
crimes against our Humanity. Hunted by Johnny Law,
the True Spirit of America.

Johnny Law for Coast to Coast radio Host!

yaahhh im a real person! Wow eh? Now,
let US bag some bushite scum for the Gipper.

UK judges accuse Obama Administration of suppressing torture claim
http://www.timesonline.co.uk/tol/news/uk/article5661291.ece

Yeah really. What kinda world does Obama take US
for here? Does he actually believe we hold no
interest in being attacked as ourselves, the
innocent forsaken? A reminder: an American was
executed under Iraqi law without any evidence
brought against the accused, while the grunts
were offered an excuse to seek not the culprits
at the terror scene. The case was lightly reviewed
at democracynow, a year or two ago, and can be
found by searching for a grunt pretending to be

an ambassador to Romania. A case where the Judge's
life was threatened by a "General", where if he
didn't order the death of the innocent American
citizen, the grunt with the General would murder
US all right then and there. The Innocent American
was murdered as forsaken for value shared by
free men.

Christ speaks!! Echem.. This is called a criminal
action to falsely imprison American children for
more stolen money. Will the contractor be arrested,
tried, then executed in America to defend American
children? Unlikely, because it isn't as important
as how fat Oprah is today, or as Alex Jones the
bigot would say, on how daily, the hidden NWO elites
are responsible for every criminal action against
Liberty in America, not war crime dictating LIAR
Bush who told US Saddam wouldn't let the inspectors
in without corporate news correction, Bush, who
closed Police investigations on 911 for Enron, KBR,
and the Kissinger associates. And certainly not

Bremer for personally stealing tens of billions,
no no no, "just puppets" "just puppets" as instead,
the Illuminati in other words not allowed spoken
understood with Alex Jones NWOers. I want a free to
speak arena where 50 percent of what Alex spews is
truly dumber than stupid. Why? because he is controlled
through his personal weakness of bigotry, to actually
believe foolish things as factual. Examples are
truly endless when we discuss Alex Jones'
dumminess, but here is one example. Alex states
911 truthers were attacked in a TV show as NWO mind
control- but, the "truther" he referred to
talked in the drama on there being NO PLANES!
A dis-info bushite stooge if ever was one depicted
with special effects. We suffer with his bullshit
every day, knowing if we tried to phone, would
not be granted a minute because I, in support
of Freedom for America, make all bigots look truly
dumb as fascists lashing out at nothingness to
divide our masses. And apparently, he can't have
America becoming greater for defending ourselves
fairly through Judicial actions.

U.S. partner, not Hamas, firing rockets into Israel
http://www.palestinianmothers.com/profiles/blogs/us-partner-not-hamas-firing

/ / The probe found the Islamic Jihad rockets were
actually fired by Fatah. \ \ Whom Israel in response
to the confessed by all to be true facts, murdered
innocent Christian children in Gaza as war criminals.
Actually claimed it was regardless who shot the tin
can rocket that struck no one harmlessly. Again,
Nazi Israeli responded by murdering innocent Christian
children as war criminals with "disproportionate"
force. War criminals who murder Humanity to steal
our shared values.

but of the evilest group of lawless nazi savages
pirating the government of Israel away from US Jews.

people for murder to punish Humanity for believing
in God as Just, or real freedom understood as practiced.
Libertarian couldn't give a shit on a issue such as this,

Obama set to allow Bush-era ï¿½torture flightsï¿½
http://timesofindia.indiatimes.com/Obama_set_to_allow_Bush-era_torture_flights/articleshow/4067338.cm

What the fuk eh? Doesn't Obama know this
crime warrants death in America according
to the war crime act? Does he believe America
just will never have a chance to speak for the
interests of US as innocent Human beings he is
planning to torture as an enemy to Life?

Refusing to Defend American Values

Yoo: Bush okayed torture to outwit defense lawyers

This is why it warrants the Death sentence. Remember
corporatist Amerikan citizen, these torture victims
that include children as younger than a hundred, had
not been alleged to have ever committed a crime in
their entire lives. Victims tortured to death for the
pleasures of those Satanic, such as General Geoffry
Miller, who tell US today as confidenced, they do it
because, patsy wasted American soldiers will just refuse
to hunt them down for formal executions. Let's change
this for our Humanity in this future, to look back,
and know, American males were men of the World, who
stood for the principles enshrined within every living
Constitution. A free man shall not be jailed, or
tortured by anyone in our names as Governed, without
the perpetrator tried publicly for execution as our
Love of real Justice. As first degree mass murderers
warranted death sentences under the War Crime Act
ushered by Reagan!, all done in for our protections
of their next innocent victim - ourselves. Or
die a death in corporate tyranny worthy the title,
cowardly traitors to God and Liberty. Blackwater,
CACI, AEGIS, KBR and the like will all be hunted to
extinction for refusing to quit their lawless Rape
and mass murder, murders done for more stolen money
as America's name high-jacked. The Lawless enemies
shall be prosecuted by the honorable Soldiers of
the Good old, Red White, and Blue. Count me at
our words on this, I am,

mind an Iranian rocket launcher to shoot the Satanic

at least admit, like an Israeli General has,
to be funded by Zionists for cash gains paid for
by Zionist Amerika? Why? Why is it that Hamas
suffered near no loses, but all the Cops who
voted who knows, died murder victims trying to
defend our family from Texan child rapists?

innocent Peoples? Targeted. Why? Nazi Israeli

Bushwhoring Enemies of the American Police

What a demon enemy of life these bushwhore enemies
of American Liberty are eh? No concern whatsoever,
for all the teen soldiers conned to die for those
who committed 911 in NYC. The millions of bombing
victims, the tortures, the rapes of American women,
STILL, TO THIS DAY, left undefended by "the law".
Evil enemy of everyone these demon fuks are. How
difficult is it, to understand the facts they feign
complete blindness on? They WANT to con you as the
coward to life they are, willing to kill America to
make their antiChrist lawless enemy Mr. Bush happy.

From years after the fact still demanding Justice now:
http://groups.google.co.uk/group/alt.military.uk/browse_frm/thread/ca0e34fb32caeb0a?hl=en&scoring=d&

Huh? "at last been disarmed..." ? How does he figure? The equation hasn't changed. Example: The same unaccounted anthrax, (that was disintegrated into ash), still is not able to be measured as completely accounted for, (never could be), but this bushwhoring war crime apologist, tells US, it was only though the lawless murder of our good friends and family for countless generations, that he now attests without reason, or evidence, to find Iraq in "fact" disarmed of it's still nowhere to be found, weapons of mass destruction. (An irrational reason he pronounced previous in corporately broacasted public support of instigating heinous war crimes against our humanity under the leadership skills of the evil lying demon antiChrist, our Mr. bush Jr..)

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron. And, the Iraq war is a war crime. But Ron, the Fascist, doesn't want THESE FACTS uttered. Why? Because wiser men would prevail, wiser men like me who understand buying in bulk is cheaper. Those like Christ who understand, who KNOW, the banker doesn't cover our loans - so why give them as much as a taxed red penny?, let alone trillions as officially unaccounted for? They are stealing the cash Ron. Ask yourself: Why has Alex Jones forbidden his bushwhore cult from understanding Bush doctored the NIE?, or of iron flowing like water from the towers? Because wiser men would prevail and he can't have that. He called shooting innocent men in the back, an act of liberty. I, an actual god, unlike Alex, lie near never, but maybe to myself when I'm lonely. Alex yes will tell you rapists are free to do what they will in Texas to American children, un-arrested, but he won't mention it when the police chief is with him on air, talking about how he'd like to be exempt from traffic tickets for being so popular. NO MENTION of the rapists walking away without arrests made, no mention of Bush's documented treasons on 911. Where are Alex's priorities? In selling YOU out so he can be wealthy like a bankster?, and have special rights over everyone else that drives drunk, or speeds? a big hero standing over our dead soldiers yelling, I told you so, I told you so, I was right, I was right.

Again, understand: It is not by my will to deny
open debate with America, it is Alex, and his
demon buddy George Noory that denies out Humanity
this right. And when people try, like Peggy, or
Black men on Jewry, Alex lies cheats and steals
our wills for further thefts. Ron Paul's family has
millions taken from loyal Alex Jones fans. MILLIONS!
Does Ron do commercials with that money highlighting
the bushmob's plan to invade Afghanistan, dated two
days prior to 911 for Enron? Of course not, wiser men
would prevail to expose him as the charlatan charity
raider he is regarding Health Care, Social Security,
Public Schooling, earmarks.. It is unfair to measure
Ron against corporate nazi zionist whores of MSNBC who
willing, openly, kill American teen soldiers for
criminal neocon gains, as an honorable gentleman's
talk. Half honest People like Ron are extremely ignorant
on the workings of our world. EXTREMELY. I joke here not.
Evil is the deceived disguised - translated - evil
people are always dumb.

Corporate America says no, Charlie Manson was a genius,
but not, that most Americans are prone too easily to
suggestive states where they can be made to believe
anything blindly. Think: what does, "bin Laden did 911"
mean anyway? You should know of what I'm trying
to teach you here. That is how
Alex knowingly or otherwise, steals our rights, by
beating off he knows everything already. And some,
if not most, actually believe him without knowing
squat either. It's sooo easy that way - no study
required!! LIBERTARIAN HELL! Everything is not on
the Internet, where it near should be, but regardless,
a Libertarian can't be bothered to read anyway.
"Free Talk Live" is the best example for this: the
two hosts are unbelievably ignorant on just about
every single subject under the sun, but beat
CONSTANTLY, on how greatly wise they are as drop-outs.
You wouldn't believe any of them when they speak on
Freedom, if you simply understood, an innocent man
does not deserve to be in OUR prisons, or tortured.
Under any circumstances that Obama has excepted for
our excuses. Magna Charta. But in Alex's 'genius' mind,
he doesn't need to actually understand he is a for
sure bigot, (measures another unfairly in a group HE
concocts from blind hate or personal fear - typical
CONSERVATIVE and/or racist) who has no problems with
that at home, or at work. Provable in seconds by
OPEN DEBATE, but Alex ain't gonna take our calls
because, he can't for the lives of every People

person thought of here, admit he could have
something to learn, therefore, the NWO is
unstoppable in his brain washed cult of indifference
to Justice practiced for the benefit of all treated
fairly. Why? He's not wise enough to respect the great
minds of the audience, and I personally believe,
he doesn't even have the good judgment to own
a gun. (I mean, why wouldn't Alex find my stories
of OUR Justice system triumphing by my single hand at least
minimally beneficial to his blind cult followings? to not
hang up on me immediately while spewing lie after lie
on how I'm top secretly a dis-info NWO artist working
for Bush? or whose voice sounds too friendly to trust?
like he has done the last four times I've phoned -
Hey! I can be an asshole if you want - no prob.)
Perhaps it's near because, Alex Jones is blind, and
as such, could actually be found guilty in Texas for
murdering those two innocent black men shot
in the back with his approval to release the murderer
from a RIGHTFUL death sentence prosecution. "law of
Parties". He is a party to the crime, for he worked to
support the release of the FOR SURE, FIRST DEGREE MURDERER.
Sound like an America you could live with? I didn't
think so either. I wanna be Alex's Attorney. Texas is
a State of massive lawless corruption, as dire
incompetence in legal affairs where they OFFICIALLY
plan executions against innocent People not established
to have harboured criminal intent! With Jury Trials!!!!
!!!!!!!!!!!!FINING THEMSELVES GUILTY!!!!!!!!!!!!
While Alex does express murderous criminal intent,
and the Police chief calls him a good man for no
scary pressures. What the fuck is wrong in Texas
where they mess themselves like this regularly?
Imagine, while Bush with the Neocons escape, and
Zionist Israeli target to murder Christian School
girls OFFICIALLY, Alex doesn't want to have to pay
traffic tickets like the rest of US. What a douche bag
to tell he LEADS our Truth movement I say. Now, I'm
not saying he shouldn't contribute with the truths
WE SHARE, far from it, it's just he can't have our
cut off switch to silence our objections to his exposed
foolishness, and/or blatant criminality. I'll give him
a chance, for starters, to criticize any position I take
while we all publically call on ourselves for
assistance internationally. Like on his "buddy",
George Noory, deserving to be tried Publicly for the
traitor he is, and be formally executed after his day
in Court. Our Courts. Teen soldiers have been conned
to die by George Noory for the escape of the neocon
terrorists who committed 911 with Condi, Runsfeld,

Bush, Myers, Tommy Franks, and General Ahmad. AND
HAPPY GEORGE NOORY KNOWS IT - and cons with lies
naked to the ear of any who can listen or hit record.
A NAKED traitor to the cause of Liberty if we ever knew
one regarding the War Crime facts of Iraq. .And
Ian Punnet is an evil godless enemy Bush whore who
lies too to get YOU killed as the innocent soldier
forsaken so don't forget.. It's YOUR life. It's God's
Gift. Now support our rise for popular international
debates to get these Neoconners behind bars
awaiting Public Trials! "Public"thatsoyu!! Get to

The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know

responsible for high treason against Johnny's

Turley: Obama 'accessory' to war crimes if no prosecution
http://rawstory.com/news/2008/Turley_Obama_accessory_to_war_crimes_0127.html

Understand, Alex Jones doesn't want Justice
for Americans because he loses out to better
men that usher a greater life. He doesn't want
the evidence of George W. Bush made public to
defend American teen soldier's lives. The true
fascist Alex Jones, who in silence supports the
escape of Bush for treason, will fail our true
voice for Justice in our times. WE DO NOT rule
the truth we share equally committed to defend
ourselves from lawlessness. And you'll never
rule my right to speak freely over your intent
to sell us all out for monetary swindles, just
like Ron Paul did. Understand: Ron Paul doesn't
even acknowledge 911 was an inside job, or, that
Bush gave zero evidence to form Your opinion.

Alex Jones, the Slave, told US today that
he challenged Bush for eight years - Bushite
lying nazi traitor. Not only that, but he
also ridiculed those who wish to blame Bush
now for anything! Again, he doesn't want
Justice where bad guys can't steal from
ourselves unrepresented. Ron Paul is a

aid conned from Alex Jones' NWOers! Alex
Jones doesn't have a problem with that, we

We must demand open communications to bring back
values WE ALL would agree to through polite debate.
"Conservatives" don't want this Freedom idea
expressed in general terms because, a "conservative"
is universally, minimally. a bigot. Why? Life isn't
like, their way, - then- all other opinion under
the sun on how things actually get done. (Aka
"socialist" traffic light repair men, or "liberals"
who want to treat The People fairly). Or who we are
as equals to our laws fairly practiced. Pay attention
to what I am saying here. Liberals can be Dicks with
a capital D too of course. But a Hannity couldn't
survive 2 minutes with me speaking on his very real
treasonous behavior in OUR public arenas. Behavior
done to escape the 911 culprits from the long arm of
the Law, with his conscious will of criminal deceit
exposed, we all learn to better defend ourselves.
And Shawn Hannity can't have that for ourselves, he
takes too much money from ourselves as talentless by
keeping US in the dark dying needlessly for traitors

never elected publicly.

Who am I you ask? Johnny Law. at your service. Look
me up with usenet to discover, we live in a world of
idiots everywhere pretending to be somebody by lying.
While I want US all to truly improve our condition by
actually understanding how bad off we are by failing

however. Let's change this by supporting my challenge

bushite grunts attacked girls in Afghanistan, posing
as Taliban. I WILL every celeb at CNN to be arrested,
tried and executed for the reporting they have done
today without facts. Remember: the Taliban played no
part on escaping those responsible for 911, and opened
schools for girls, and were brought together on the
single purpose to defend women. Death to CNN reporters
to LIE for killing OUR school girls. I HATE zionist
enemies of Humanity and God I am.

The Torture Ban that Doesn't Ban Torture
http://atheonews.blogspot.com/2009/01/torture-ban-that-doesnt-ban-torture.html

/ / Obama's Executive Order bans some -- not all -- US
officials from torturing but it does not ban any
of them, himself included, from sponsoring torture
overseas. \ \

Is America a nation of Law to Live freedom?
Because this SPECIFIC deviant action of Obama warrants
the death sentence under Reagan's "War Crimes Act".
SPECIFICALLY. Or, is it you falsely believe Obama
can do no wrong against innocent people here, where
an illiterate nazi grunt, maybe from South Africa,

will kidnap YOUR children, and torture them to
death for sadistic pleasure, with as they did using
power tools caught in Iraq, according to Iraqi
government official(s), and several soldiers from
Oregon, all because Obama has given an ILLEGAL!
"excuse" to NOT support following the crime scene
leads at our REAL murder scenes? Again, death to the
bushite dumfuk enemy of God, death to the enemies
of a freeing Humanity striving for a just society.
Obama needs to be arrested for this under the Law
as it stands I'm sorry to say my friends. Why?
Torture is illegal in all 50 states, (as Reagan
directly planned), no matter where you ship the
innocent victim to, or from! Read the War Crimes
Act, then demand Justice today, otherwise, it's
YOUR funeral. Obama wants to secretly torture
Peoples here, while lying to US ALL that he doesn't!
A TRAITOR! Who also wants to give bankers 100s of
billions of dollars more to disappear, that WE pay
for, out our door, never to be seen as our own
again.

Alive We Say

And Alex Jones gives us the same guy twice
a week that blames the Illuminati, while
encouraging that YOU TOO! can get money
for nothing like the banksters. Just give
the Alex Jones', NWOers, the "truthers" money
money money money. No time for affording the
explanation that the TREASONOUS bushmob
doctored the NIE. That Saddam wasn't in
violation of 1441. That a NEOCON is
identifiable for it's demonic LIES
against God and Man. Never to tell, the
private bankers don't cover OUR loans,
that Bush PERSONALLY worked to close
Police investigations immediately after
911 (obstruction), or that WE have video
of iron flowing like water that PROVES,

without doubt, bin Laden couldn't have
single handedly placed the explosives
in the buildings, or stole the black boxes.
Because someone surely would have spotted
him dragging his dialysis machine what with
all the professionalism of corporate news
media coverage regarding our horribly
suffering worlds. Alex Jones ignores the
treasons of Bush, as a Bushwhore, and
instead, tells US of how Obama is Bush on
steroids. He only wishes. What about
Justice for Americans Alex? Why for do you
forsake ourselves? For money? What about
the lives lost to mass murder, that you
allege to champion OUR TRUTH without saying
much of anything on real Freedom?, on real
Justice like your deviant election rigger,
Ron Paul? Well, no wonder, Alex told US he's
into shooting innocent American People in
the back as a tyrant of evil, a white Devil
if you will. Kids too if you dare look in
his back yard for a copper. See? Now if Alex
doesn't allow US to speak, more and more will
understand to know why. I am a defender of
all that is right and just in this world,
because I don't need to lie like Alex does on
a huge host of issues. I'm more like Jessie
Ventura, in where I don't need/want to lie.
If I end looking foolish, (of which I like
never truly am), it's a benefit, because that
way, I've learned something. Alex knows
everything already, and 'is always right'.
Like I say Retarded. You weren't right by not
understanding that the banker doesn't cover
the loan. One example of easily hundreds. He's
a typical, he knows it all, know nothing dumduk
American. Hear him on health care speak as
Ron Paul does, and know, I defeat them in under
ten seconds. TEN SECONDS. This is why he hasn't
in years, allowed me to speak more than five
or six words. He's rather all America die, than
admit he does NOT rule our 'Ocean of Truth'.
I want the challenge of opposition through debate
to PROVE my skills beyond reproach. Alex,
every time, just hangs up on anyone who tries
to improve our communications by factually
speaking. Why? Because he IS TRULY deeply
ignorant on what freedom or Justice means. Why
we have law. What a consensus is. Allan Watt is
severely disabled in this regard, another Alex

Jones favorite. And this is why, Allan can't take calls openly either. He has jerked off with himself too long to quit now learning super basic precepts, for like Alex, he "knows" the inner workings of the 'genius' NWO elites. Not Law 101, not Bush, not Rumsfeld, Not Condi, not Torturers, not bank robbers, rapists, or even petty thieves. Allan Watt isn't a bad guy, he's just a chauvinist pretending he actually knows something, when his real disability is directly related to his absence in understanding understandings. Doubt is a near foreign concept. A challenge for Allan: can you get your 'genius mind' around the fact that Peter Powers did the London bombings, and not the Illuminati of 1463? and if not, why are we so dumb to our present plight that way? Don't get me wrong, Allen has much to offer, it just isn't the issue right now on saving our dying futures. Maybe I was too hard on Allen, he is really actually kinda cool. Alex Jones too has many incredible moments of ecstatic clarity increasing in all they joy of seeking enlightenment. .. Ok - but this is serious business that requires little dilly dally with what we'll have as a side dish in Paradise Lost. We are talking Human Lives have been destroyed by our inaction to remedy these failures to communicate effectively. and.. Jeeze, the weight of my responsibilities, as just plain John, being a/the Legos Man - for like the Family and everythings, get's me never forgetting, all we got are these words left dormant from the power they truly possess in the minds of the wise asses. And.. here I am. I'm a Talker of Words looking to make a break in the NewZbiZ. Zzzz... Alive We Say! Alive!

King Johnny, from Earth, has come for talks.

The Zionist enemy, the most evil nazi sons-of-bitches who openly advocate tyranny and oppression through mass murder of ourselves as the innocent left targeted defenseless. Enemies of Jews everywhere, the Zionist cares not for facts on who's Life it destroys for stolen gain by lying. That's why they target Jews, for fear the Light of Truth would expose them as the Nazis they are.

Hamas doesn't have a military though, so,
why not demand the arrests of those who
broke the truce, and murdered innocent people
indiscriminately, on plans more Jews would
die for cash profit? Profit paid for by
zionist amerika? - the false imprisoning

The self-defence defence
http://www.guardian.co.uk/commentisfree/2009/jan/23/israelandthepalestinians-gaza

/ / This has been a central theme of the war in
Gaza: not that hundreds of innocent people were
killed, not that over 5,000 were horribly injured
and not the sky-high human and monetary cost of
wrecking homes or razing infrastructure. \ \

Court petitioned to arrest Livni upon arrival in Brussels
http://nawaat.org/portail/2009/01/23/belgian-court-petitioned-to-arrest-livni-upon-arrival
-in-brussels/

"We believe there were dozens of IRGC
personnel in the Gaza Strip during the
war," an Israeli source said. "Some were
killed; others went into hiding, and
others escaped."

See? the demon enemy of God speaks no
evidence as a TRAITOR to every Jew. A terrorist
nation that still steals humanitarian aid in
our public realm of left defenselessness. The
false allegation deserves a death sentence
by Jews against the war monger Zionist enemy.
A cause that Iran should champion, if in fact!,
this allegation by OFFICIAL WAR CRIMINALS WHO
TARGET FOR MURDER OUR SCHOOL GIRLS, is on it's
face, unsubstantiated as patently, demonically
false. As typical from any godless Zionist.

Where are the Americans asking for the
formal arrest of Bush for high treason?
Whoring for Alex Jones's contempt for REAL
Justice? The ignorance of all American
talk radio hosts speaks for itself. NO
knowledge on why acts of high treason, are
crimes against every American. The bushmob
doctored the NIE, and Alex doesn't want
Americans to know, because if they did,
they ask, why does Alex do everything he
can to escape those personally responsible
for 911, while then asking for money to
continue his fight against freedom in

America. Again how much money do we have to
pay Ron Paul or Alex Jones before they
will allow the knowledge of the Iraq war
against Human will is criminal? How much?

Obama! feel free to call
on me to help out with a plan for judicial
actions. That offer goes out to everyone in
Palestine, Canada or Britain too. Russia,
let's help out these fools by freely
communicating, what say you? Justice
for all is freedom to be. The Israeli cop
killers must be brought to justice for war
crimes. Those cops, were cops. And I,
am a man.

Alex Jones Rocks!

Now Alex has problems in "my" mind because I am
an ACTUAL genius, and he is generally, an idiot.
Today, he did one of his usual commentaries, however
this time, he was pretty honest with himself, and
his love for Ron Paul. Ron Paul sells incompetence,
and Alex corrected correctly!. that a.. sorry Ron
but these banksters know they're robbing us as
undefended blind men essentially. That's what I'm
talking about!! Look, Ron Paul can be a dumb Ass,
although, he's still not all that bad a guy. A Dumb
guy on things like economics sure, Justice, warfare,
Health Care, Social Security, ect. ect. but still.,
like a child learning of why the sky is funny
blue, isn't all that bad a guy really. He's
certainly not a war criminal, like Bush or
Rumsfeld are. Doing 911 then sanctioning torture.
While Neocons Champion sending illiterate American
teens for death as war criminal. Think about it.
Maybe he is..

-

ï¿½We have all these documents that are now
publicly available that prove that these
methods of interrogation were intentionally
ordered by Rumsfeld,ï¿½

Let us understand. These actions "give" a guy
like Willie Brand "the right" to RANDOMLY kidnap
men, women, or children, and torture them to
death for sadistic pleasure with his faggot
Capt, Christopher Beiring. (I think that's
how it's spelt). But anyway, this is the truth.
A bushite is a godless Zionist whore of Nazi

evil, an enemy of America, who wars YOUR Freedom
with criminal "excuses", for refusing to support
the arrest of those responsible for 911. A
TRAITOR, and could be wannabe rapist, robber, or
911 mastermind ringleader. Torture is illegal,
and warrants the death sentence, according to,
Reagan's "War Crimes Act". Some only suggest,
that this was why someone tried to kill him as
honorable. Death to the torturers of our
innocent families, torture they do without
apology as Zionist Military "Judges". Instead
today, where they get salaries paid in the
billions by the zionist giving nation of,
a-mirror-kay, echem, America. Johnny's America.
A nation where Justice will rule for the favors
of all treated equitably with or without you.
Honor me in company my friend. We have no rivals.

"they do not understand, the private banker

of a Zionist's complete absence of morality,
as inhumanly bereft any common decency among

our brothers and sisters. I mean for Christ's sake Tom, THEY ADMIT to sadistically targeting our children for MURDER - as some kinda Satanic demon whore to Pure Evil - aka. Let's hope men of America are least half they were then, but we are suspecting, they will as of usual, balk as cowardly slaves to the private banker man ruling their minds, it's a, no wonder. ISRAELI IS A THIEF WHO CAN'T SPEAK OPENLY IN
DEFENSE OF OURSELVES IN OTHER WORDS? That is
right. They, as documented criminal, lose
every debate personally since before the dawn of
Civilization because their position is clearly
unsound. They are criminals who murder People
in hate for a freed Humanity. They OFFICIALLY
steal Peoples homes in that country didn't you
know they proudly proclaim it so? And steal
humanitarian aid from starving children.
Targeted to murder children specifically as
publicly confessed, 'it is Hamas WE blame',
not them as demonic child murderers. Hideously
evil as ungodly sadistic savages. Enemies of
YOU, enemies of them, and enemies of me, the
King of Jews Christ fellow from beyond the
grave. They are so evil to God and Man,
they tarnish everyone of US to not win justice
sooner by blaming the actual bad guys. Justice

Again, these peoples are not Jews. Being
Jewish is a religion. These thieves of God
are Satanic in their LIES to betray the
common trust in our words, that bind all
worlds to victory, called freedom universal.
Even tales of the Devil have him keep his word,
with verses specifically condemning the self
to damnation for targeting the innocent for
death. God's the Word. Every word inside a
fool's paradise. Including the periods. Not as
like, I'm playing a word game, but that it in
wonder, is all strangely here. Example: The
Universe as it has existed always, is not
separate from our 'pauses', or faulty drawn
conclusions. The universe, in one sense, was
as good as anytime, created 6000 years ago.
AS TOO 50 billion. You say, impossible, I

say no, study quantum physics, and know, I live this.. our existence is not scientifically separate from the timeless nature of consciousness, proven as not only theoretical, but actual. That is a first step at developing a REAL relationship with the living Universe if you want to as like an artist does - that TOO! can be just as thought static in it's orderly constructions for Atheists. (An Atheist is still mostly a fool here however.) Overall, for any, it's sorta simple: Life has left YOU in charge of YOUR fate. Now, do well to make something of this being as eternal Life reaching for balance, as your body does, and good cops do when bringing the bushmobsters to Justice. By Israeli calling for more murder against the innocent of your mind as racists and bigots they are openly, is still shadows of YOUR mind, YOUR WORLD.. get it, got it? God is in genius to set Life as this, as like, nowhere existing, but for as yourself within. Will you speak out for the Justice denied Humanity?, or not you? Atheists can be Just too!, but generally lose it on not understanding the intelligence of order is way beyond what they dream up with assumptions. All anyone has to do is ask themselves, who do you mean "God"? Atheists are ridiculous!, but, to each his or her own, we are on a path here, believe what you want to believe. This is not a faith initiative I'm bringing by keeping this real, I DEMAND JUSTICE BY OUR WILL BE DONE.

A zionist cabal of criminal pirates who murder Jews around the world for stolen money is seriously evil as criminal. What do you think? Let US have a open line discussion on this indivisible matter of rights to all as equals before who ever we proclaim, I AM.

I mean you right? Say it with me... "I" "AM" we are good to go.

Again, Americans need to demand the arrest
of the Judge and prosecutor for being openly
evil demons, as TRUE enemies to freedom in
America. But guess what? Americans will refuse
to even phone Alex Jones, or George Noory
to be hung up on. Just refuse as brain dead

zombies - as known in this circle, McCainiacs.
Did you hear Alex's NWOer yesterday state he
doesn't want anyone to speak as Justice for
Americans because to learn even the most basic
of precepts for Justice, he can't pretend he is
a Freedom Fighter begging US for more money?
Like multi-millionaire Ron Paul, who gave the
fixed election up to take our money and walk
away. How much money in the millions do we have
to pay them at GCN, before they will acknowledge
the Iraq war is a war crime? THEY NEVER WILL,
because the faggot owner has a son who's into
raping American women as lawless enemy of Life.
Americans are indeed, selfish, like all the plane
crash survivors telling US how they couldn't care
less that Israeli nazis are openly targeting our
Christian children for murder with their tax
money, as unimportant, to how long they stood on
a plane wing, now approaching it's third day, of
wall to wall coverage. Telling us again of how
Christ saved your life as a lifeless degenerate.
I, as Christ, am really starting to hate all
Americans in total now. How difficult is it to
pick up their phones? They don't, and I'm beginning
to believe it's because, like GCN, they really
don't care for the future of our Humanity being
left for dead as continuing victims to EVIL liars.

UN sites shelled with WPh after GPS coordinates given

Livini was reported to say today that, 'every
innocent person targeted by Israeli, as such
driving in ANY car, or on ANY bike, or walking
down the street as then directly murdered, Hamas
will be blamed for. Heil Hitler' Well, I made
that last part up, but do you have the ears to hear
the screams for mercy given by Humanity?, while
this, the evilest of JEW KILLERS in the known
universe, (targeted, and murdered countless Jews
in Lebanon as one example), believes no man or
woman living can speak directly against her wanting
to MURDER even more as ungodly... 'Until the tin
can rockets stop falling on Jews' standing in their
detention centers, or living at the garbage dump
BUT.... THEY BROKE THE TRUCE! THEY BROKE THE TRUCE.

Not good enough. Public War crime charges warranting
Death by Jewish firing squad, is what is demanded of

Google have attacked US again as Evil doers..

HUMAN

These war criminals need to be arrested for Murdering
LIES against the lives of every innocent Christian
and Jew. Godless zionist nazi bastards are as evil
as they are dumb. Get every man who defends freedom
truly to hunt down these satanic demon ENEMIES for
thee True Jewish Cause, to ask it why it lies as an
enemy to HUMANITY, to murder innocent others as
evil doing thief to Freedom. A thief of Jews
everywhere to know truly God as Love and Justice.
Not only will Americans celebrate these neocon criminal's
freedom to call for the murder of innocent Christians,
as he does without arrest, "Americans" too, will as
Satanic refuse to hunt the ungodly enemy of the Jewish
faith down as Nazi hunters. No, Americans, cowardly, are
committed to dying with the Nazi Elite, as such
to escape of the Neocon terrorists who participated
in the mass murder of America for more stolen money
as war criminals.

Forgetting about the truce given to those in

days of the year, for years? How could they not
to claim such self righteousness? They don't bother
because they'd rather YOU were made innocent victim,
then them, Zionists who would screw you out of a house
called home. Did you know: they openly steal Peoples
homes in that criminal nazi state labeled godly?
Of whom openly thieve? Officially? Yes, and they try
to thieve the title of Jew from the Messiah too,

Simple Common Sense for Mankind

/ / Israel has admitted HAMAS kept the cease
fire; and that Israel broke it, then unleashed a
total starvation blockade on Gaza followed by
flaming death from the sky aimed at schools,
hospitals, ambulances, and children, and you
dare call the people opposed to such barbarity
a "mob?" \ \

Zionists are evil people who pretend they
are honest, when lying directly to everyone.
Blitzer reports Hammas broke the truce, he
is lying to continue the murder of innocent
peoples. Understand: Israeli Nazi state they
will continue to murder our innocent Humanity
until the rockets stop falling on Jews. Yet,
they broke the truce, and murder Jews routinely
with reckless abandon. Jews from the Bible as
of "nigger" Ethiopian, are what the Zionist
hate when warring GOD for apartheid, apartheid
that is Humanity in Gaza. A zionist is a war
criminal who speaks not against the neocon,
but against Innocent Humanity as YOUR enemy.

Livni: Gaza truce would give Hamas legitimacy

As they always do because they are dishonorable
murderous nazi thieves of God as Just cause is.
I am, and YOU are, you just maybe don't know it
yet, or if ever. A zionist serves Satan to escape
the neocon terrorists from their ungodly crimes
on 911.

Ron Paul:
US Will Be Rightly Blamed for Israeli Killings
http://www.youtube.com/watch?v=6C756NOPyDA

Not the Nazi Israeli?

The guilty party are those who advocate these
mass murderers of innocent peoples with
deliberate lies, like from Blitzer. Blitzer
will be tried, and executed a war criminal
for stating Hamas broke the truce., Where,
only two minutes earlier, he learned, that
it was his Nazi partners. DEATH SENTENCE.
It was on TV. BUT SEE? Ron Paul, the Libertarian,
ain't going to be honest here. He'll lie cheat
and steal Humanity's voice for Justice - like
he did with OUR money. A typical Libertarian
like Alex Jones who wants to blame "socialists",
"Liberals", aka, all of innocent America.
Blitzer is war criminal, who makes his own
discussions. As is Ron. What an enemy to not
mention the truce. THINK: IT IS THE ISSUE. But
Ron plays the dummy to kill more with contempt
for Freedom. Ron Paul, the bigot, asked,
'should we be doing this'? SEE? it's not first
degree mass murders, no, according to Ron Paul,
it's argumentative that indiscriminate mass
killing is a good thing really. Remember,
Ron Paul does not support arresting those
who committed mass murder on 911 either.
Or those who STOLE TRILLIONS. Or lawless Bush,
the ACTUAL AntiChrist enemy of God. Ron Paul
will watch America die for a stolen dollar.
And Alex Jones will refuse all calls to label
him good guy like himself warring order
to our universe for it.

Israel is [NOT?] responsible for these childrens death

Ron Paul "When we pick sides, we make it worse"

He also took our millions donated for freedom
fighting away for his family, but not our own
as dying innocent victims giving. Pick a side.

Remember: Sadistic authoritarian George Noory
is a very real DEMON of Satan, who again,
openly tells US, he wants to murder our
species as the innocent forsaken, and Alex
Jones doesn't hear a problem with that
either. Love the bushite blindly, and
they'll kill US for a dollar sukka.

Alex Jones is like the retarded brother we
can't help but love because we're human. He
is still retarded. And George Noory is still
seriously evil as a traitor to the cause of
Freedom in America. And Ron Paul is still
slamming Ron Paul.

Ron Paul "Israel can not act without
Washington's approval"

So, it is Ron's fault then by not mentioning
the truce?, or as that, innocent People are being
indiscriminately murdered in a death camp that
he figures is argumentative? that innocent
People are dying as targeted for mass genocide?
Or is it the Ron who states YOU are to blame
instead of himself for being there, not saying
anything? HEY RON! Can you hear me now!

They are targeted by Obama who suggests
there is an argument to be made here. There
isn't. Nazi Israeli DEMON LIARS broke the
truce to kill Jews for money. They are godless
enemies of Humanity. So it isn't that we are
pro-Palestinian, it is that we are pro-Human.
Zionists DESERVE to die, before US, the innocent,
they target for murder for stolen cash gain.
Like Obama has promised to do for AIPAC. But
what about the rest of US 6 billion plus Obama?
Who is it of US innocent folks do you wish to
MURDER, or torture next as a Zionist war criminal

Israel, tell US Obama, which American father will

Zionists Destroy Our Homes as Satanic

When I see the women and her child, left outside

Nazi Israeli are committed to deny US our God given
rights as Innocent persons to speak freely for Justice
realized. All because they STEAL our Lives for monetary
gain. It is our reality, give it or take it, YOU LOSE.

Then.. Hammurabi founded Civilization.

I go concerned for any hesitations of condemnation by
Obama. It's like, he's talking some jive about
how now he'll NOT let the words of Hamas reach
his ears. Being against war criminals, doesn't make
you pro-Hamas, necessarily, it means your against
war crimes to defend the lives of ourselves respected.
Remember: He told US earlier during the campaign that
he wouldn't fear speaking to anyone, Hamas especially,
because he was confident he could win the discussion on
Liberty, by principles that unite all free men. Now,
he has promised the FBI's Most Wanted AIPAC, he will
pretend to not hear any calls for fairness as all
parties united by common cause. Johnny Who? Where did
you go Obama? You were here, then.. pooof! you
vanished into the loving shackles of convicted/ing
criminals is a mass, "WE ARE TRAITORS TO JUST CAUSE"
organized war crime outfit, dedicated to deceiving the
Public by lying. I am not Lying. I'm not saying I hold
his associations as a measure of himself, I am concerned
with him stating, he will not hear our cries for Justice,
as then AIPAC cheered. I was as freaked out about it as
you maybe yourself now, believing it as possible. Check it
out for yourself, and wonder, just "who" is this person
they tell us they're are going to take for as dying fools?
I mean look at what happened to what's his name, when he
sided similarly the same in error as hugely criminal? Come
on be honest with us son, "Are you on drugs?". Maybe he's
just been stressed with all of everything he is heaped
to follow on, NOT to know by Blitzer, that Israeli broke
the truce to kill more Jews for money, and, also STEAL
innocent Peoples Homes while saying, "they are God's

Chosen". Yeah, chosen for, "The Bad Example", of how
Jews are left undefended by these grave robbing war

Israeli are attacking prisoners held criminally
in their own Death Camps!! GET ALEX JONES ON THIS!

Hmm... why wouldn't Alex? to support his fictions
over Our Rights to Live Free perhaps? A Hero adapting
to the deaths scene?, or, a Bush whore committed to
enslaving Humanity, all so he can say, he told US so.
Big hero or big hero. Your NOT powerless to his vision
of complete control over information. He refuses 911
info, Iraq war info, Israeli info. All so he doesn't
have to look the fool, while Humanity dies with his
insults against our wills to make something better
of ourselves. Justice is what I will. Masturbate on
your own time Mr. Alex Jones.

If he states again about how he knows everything,
and is always right, and those that criticize
him on ANYTHING are delusional, it's going about to
make everyone further sick with this obscene take on
what life means as Alex takes it. If I truly state
two nickels make a dime, does that mean therefor
they make a quarter also? If I say so like Alex
would? He is an idiot. Truly. George Noory figures
Hamas broke the truce, and that the Mideast solution
is that Jews should be separated with special rights,
as oppressors over the freedom of every Palestinian
Prisoner, and what's Alex Jones gonna say about
his 'truth telling freedom fighter' George to actual
'lame ass evil nazi traitor' George?, to YOU about
how George is just trying to murder millions of
helpless people as an offer for the final solution?
We can expect Alex now to claim, Zionists should
have special rights over Jews, all to maintain
his FICTIONS on Noory being anything but the
monster to Humanity he is. Just because Noory
doesn't growl when talking about murdering all
children in around the age of 15, or against
soldiers who refuse criminal orders, does still
make him a true fascist nazi enemy laughing at
your murderers escaping to live freedom in
our dying forsaken worlds. The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know

these FACTS that demands arrests of the culprits responsible for high treason against Johnny's America. Now, who's with yourself. I am! I am! I am!

Alex Jones doesn't know squat of Social Security, but pretends he does, like Ron Paul does when speaking of the Federal Reserve, Health Care, IMF, World Bank blahblahblah.. I mean even the expert of experts Alex has on near twice a week, EVERY WEEK, to talk all about how the Illuminati are doing everything,(give me your money now for whatever), DOESN'T SAY TO KNOW, it was Chris Cox who changed Investment Banker rules, to cover instead one tenth of WORLD INCOME loans, to one twentieth. MORE THAN DOUBLING THE ENTIRE GLOBAL MARKET FOR LOOTING WITH HIS SIGNATURE! (And. that isn't even a fifth of the TRUE trillions dollar fraud story.!) Now, granted, I wouldn't expect one tenth of one percent of America to have even a distant clue of which I am speaking, but importantly, Alex's expert of experts has never mentioned it. EVER. Why? He don't give a fuck, but how much money he can get you to give him for investing in things that are un-important to our struggles, but for the fact, he states, you'll get free money for nothing!! OUR ACTUAL PROBLEM. It reminds me of those Ron Paul dollars... where Ron'll fix everything, cause we, as a private company, are going to make YOUR money instead... holy fuk mon.. Talk about the kettle calling American racists. Thank God the FBI stepped in. (The answer unfortunately is not nowhere as easy as Alex would blindly lead you) - again, so I guess it will be, Americans were just too far gone as illiterate chauvinists, who cared too little for your freedom as themselves degenerating. Why? To battle tyranny they knew not Justice wins the day, and blamed innocent groups gathered wherever, instead of following the crime scene leads at the real murder scenes - like was once done on TV and at the Movies. But even that was too far above their doped down heads, to raise their finger to dial a phone number.

How about stating "A lawless bushite enemy wars America as a traitor, to escape the neocons from the crimes of 911."

Then Alex states the head of GCN is giving out gold at less than it's value as a special treat, every second or third week. Below wholesale. Now, really think this thru. Do you think Alex is trying to con you here? you bet. That is the Gold Racket. Diamonds are another thing - where I've personally seen, about a decade ago, a huge press that makes Diamonds

out of coal. Swear to God it's true. Costs to make diamonds are pennies to the thousands paid to Zionists who live in Israel calling for the murder of all innocent Peoples. Where is the rich Zionist, grave robbing Jew hater to demand Justice for our times? Where? Pressing coal into diamonds, while advocating the murder of our entire Human species. THEY WANT TO KILL GOD AS SATANIC ENEMIES OF LIFE. While I am last known to Life's enemies as Jesus Christ, the Zionist's end every time. I'll have brought more Zionists to their rightful dooms, than any other, of any time, anywhere. I HATE Zionist bushite LIARS to death, all because I Love Humanity too much, to watch US die undefended as the innocent forsaken. They can change their evil ways, but till now, often not, benefiting off our suffering as war criminals who simply lie as demons to steal our Human values. Let's change this for our betterments. I mean the Halo is a dead give away..

The head of GCN has a son warring God to rape American women as lawless enemy in Iraq for the Neocon - again NEVER mentioned as something worth fighting against for Freedom in America - soldiers are suppose to REFUSE criminal orders - but not when Alex is at the mike. He will never mention the Bushmob doctoring the NIE to con America for death as exampled, because it doesn't fit his fictions, where all the bad guys escape because they are geniuses headed by secrets so powerful, nobody can ever know'em, except Alex. He tells us near every day, he knows everything already, and is never wrong, therefore you can't criticize him. Bullshit. It's like he wants to be wise like Johnny Gawd is, without doing anything like studying for a test where the teacher actually does know the issues. He told US today, the British came up with concentration camps, from the Indians - who spent all their lives murdering themselves. The British 'invented' false imprisonment? The British came up with the, Jews Killed Jesus? The British invented Pope Gregory VII? I suppose Alex has never heard of Ghettos. SEE? he just pulls shit out of his ass, and calls it like it's truly pure gold you'd wanna buy. Those, like your typical American have no clues, so they figure, Life must be sorta so that History is all one big Alex Jones NWO cartoon. What? that the NWO did 911, and everything else that use to instead, require criminal investigations to nab the actual evil doers? Alex Jones IS the NWO he tells US all we should be concerned about never stopping,

like it was in the DARK AGES. Justice Alex, why is
that hard for you as a "Conservative" to figure? Is
it because you are cowardly in the face of true
Liberty? Afraid that some People, on some Issues,
ACTUALLY know a great deal better than you could
even imagine presently? Don't like that do you?, where
you don't rule this Universe as a lawless tyrant
desperate to live in an illusion at the expense of
everyone else dying victims to censorship? Does he try
to find wise men or women? rarely. "Ron Paul [MUST]
leads our truth movement" - like, fuck off already
with the Ron Paul, The Truther, Bullshit Alex Jones.
1% is what YOU get on Social Security deposits - 1%.
And.. Bush stole 700 billion. 700. Billion. That's 700
BILLION. It's a "Trust" account. A "Trust" Account. It's
being held in "Trust" Alex. Ron Paul is asleep at the
wheel. As, so are the rest of all you other fools..
I want Justice, and I want it now for all the victims
of 911. Americans be damned, we want Justice, and We
want it Now.

In Texas, child rapists are given the right to
freely move about without fear that Texans will stand
as armed Men in defense of their very own offspring.
And Alex wants this for the rest of America. That some
how to own a gun, means an American would kill a cop
who beat a women near to death for pleasures that
he could never be Publicly arrested for, as a
sadistically evil nazi bushite fuck. Look, if YOU DID
kill that particular DEMON COP after the Chief
refused to arrest him, you couldn't possibly go to
jail in Johnny's America, because the truth would win
out in a fair verdict. And REAL cops would honor you
with great big, thank you. Nothing worse than a
cop (or bushite grunter) who believes the Law doesn't
apply to him while he drives drunk, tazers someone for
nothing, abuses Women, or kids, to sell drugs, or
kills good cops, who are good men. (Like mercs do in
Iraq officially for Rumsfeld's P2OG. Coming to an
American city near you!)

Again, the two Laws of Johnny:

1. No evidence, person innocent.

2. Torture? fuk you and die then

"Rice says it is 'hard' for Israel to spare civilians in Gaza"

We KNOW they are ONLY targeting innocent People,
the ungodly zionist Satanic enemies say so..

"Israel Rejected Hamas Cease-Fire Offer in December"

Livni has declared her country "is not going to show restraint"

"Her" country?

It's like she's admitting here, that they DO NOT
target the IDF's Hamas, but only our innocent lives
as a threat to LIFE and GOD. Remember: the Zionist
LIARS broke the truce.

THIS NAZI ZIONIST FUCK BREATHES THE AIR OF US
http://www.youtube.com/watch?v=lMxfEsooM5M&NR=1

/ / So, Hamas decides it's time to end the
cease fire and has begun shelling Israel again. \ \

This guy even sounds like the Satanic false
accusing enemy of God he is. Let US, as Humanity,
hunt these real devils down, try them, and have
them executed publicly for the benefit of God and
Man. Understand: this REAL DEMON knows he's lying,
no living man on Earth could spew the vile lies he
does to excuse indiscriminate mass murder, or starvation,
as this Zionist enemy of life sells to STEAL Your
HOME, your Family, YOUR LIFE. An open enemy of God
trying to STEAL the Title of Jew from Christ. EVIL
ENEMY OF LIFE. See, when a bushite dies, you served
Life well in defending their next INNOCENT target.
BILL HIM FOR STATING ISRAEL WAS STRUCK THOUSANDS OF
TIMES. BILL HIM FOR STATING HAMAS BROKE THE TRUCE.
BILL HIM FOR STATING bin Laden DID 911. BILL ANY
Zionist FOR THIS TREASONOUS LIE. Why God asks? Because
there isn't any evidence to support that Satanic lie.
According to the FBI. And according to God, Zionists
are not Jews, but of Satan as enemies of every life
form in this Galaxy, Hunt him down, and bill him
today for the love of God. You can 'hear' it in his
voice.. how he lies TO YOU as a DEMON of a Hatred
for Truth and Humanity. Facts, that are easily
available, are not what he works to mislead others,
others he hates, and wishes to murder for as ungodly
sadistic pleasures as YOUR enemy. Bill him under
American law for being pro-torture too while we're
at it. Death to bushite, death to the murdering
enemies of God's Love for Mankind, and enemies of
TRUE Justice for Americans. The fuking demon enemy
lies to you, as a con to STEAL your life, or just
as soon, the life of another innocent other. Now,
what are you going to do about it? Except his lies
as exceptable, as he tries his hardest blatantly
LYING to kill God and Justice in our Worlds? Not
in mine, but perhaps Yours.

' In Civil-Contempt Cases, Jail Time Can
Stretch On for Years for Americans, without Ever
seeing a day in Court. '

Where are the arrests?, then firing squads for
the Judges who 'judged' such criminality against
freedom for US, the Peoples in America?

' Where Did Taxpayer Money Go? Panel Slams Treasury
[FOR STILL REFUSING TO SAY] '

Where are the arrests?, they stole eight trillion
and counting.. And Congress 'slams' them for
disappearing OUR MONEY. Slams with what?, a,
don't do that again please butt sqeeze? It should
be massive slammer time, with a return of all
STOLEN monies.

' THEREFORE, those pro-Israel politicians in Congress
won their seats in part using stolen money. '

Where are the arrests? Amerikan bushite nazi grunts
are assisting in the mass murder of innocent Christians
in Palestine. War crimes demanding death sentences. It
isn't an argument that can be turned around. Nazi Israeli
STEAL Peoples Homes without apology, as a function of
their SATANIC government, while colectively bombing the
INNOCENT victims who die because of it. It's a prison
camp! they are denied water, food, shelter.. since four
or five truces over that they've broken, every one. These
are Satanic enemies, willing War Crimes against God,
a God NOT loved by zionist American Nazis. And a Son
as powerful as the four winds, ridiculed by Zionists,
and American know nothings, for the continued debasement
of YOUR soul worth here dying.

Israel Attacks Iran News Station

Why does not Iran DEMAND arrests, and death sentences
for these blatant war crimes against Humanity committed
by Amerikan Nazi Israeli Zionists? Along with the
perpetrators of 911? WHYWHYWHYWHY. Russians! Can you
help US out?

Pictures of Alex Jones masturbating
"we were right about it all."

It's the NWO! The Illuminati! Not Bush, Cheney, Neocons Gone Wild, or any of many other REAL criminals, for the war criminals are just puppets to his EVIL fictions. Forget about Bush escaping.. Socialists who design traffic lights, and Liberals who will to share fairly are Alex's enemy, because he's fearful the FACTS would escape his denouncements against truth tellers. George Noory, one of the most despicable individuals on the face of our great Earth - is exactly the kinda guy he wants returned to send his wannabe Patriots nowhere but to die. What about Justice America? The bushmob doctored the NIE. TREASON. There is video of iron flowing like water from the towers, seconds prior to the collapse. Alex ain't there to help US, for that is where TRUE Patriots fight for real Justice. When WE phone with indisputable facts, on Ron Paul the bush whore sell-out for example, he lies to all (GOD), then hangs up on US. Is that the kinda freedom you think the Founding Fathers had in mind to give Your rights to speak for Alex who blames anyone but the criminals directly responsible for your funeral? The private banker never covers our loans, so why give them trillions without questions offered without answered as, never mentioned by the guy who is 'right all along on everything under the sun', and.. he 'rules the Ocean of truth' too don't you know YOU have a steak going all rotten to hell here also? You'd think Alex would take our call just for the challenge on where we stand? I'm free!

He is not. And George Noory tells us openly, he's into killing innocent kids for profit. George's profit is that apparently, by murdering all children in around the age of 15, will stop them from getting a clue at anytime in the future, to take him out as an ENEMY of EVERYONE for censoring our cries for Justice. Why is it that Alex would invite obstructionist, Steve Quail, or Alan Watt, on to lead you nowhere while they jerk off, but where we gotta go to actually defend ourselves? Steve has been on with Noory more than a hundred times, and, we'd figure, Alex will soon be delving into the Alien questions also. Answerable by me in seconds, but ahhh.. like Noory, doesn't want the truth of such a subject uttered,

just endless streams of illiterate bushite dumfuk
losers sucking on each other. While they wrest
from US the wonder; just why we can't stop
criminals from robbing ourselves, while murdering
our families? Alex wants to blame the unstoppable
NWO, while I, want to blame those actually
responsible, like Bush and the proven treasonous,
Neocon terorist liars who are pro-torture.
With arrest warrants. All of them. I'll do it for
Reagan's, War Crimes Act, as an act of respect
for my Great America, that's isn't always been
dying dead wrong under the leaderships of
criminals.

Israel hits Gaza after UN truce resolution

The IDF's Hamas is hammering away with what at who?
Is the AP referring to the tin can rockets that
travel usually several miles, but in one case,
22 miles? To kill a Jew standing outside in his

his time? Tin can rockets that contain no explosive
charge? Have no mistake, if it hits you in the head,
your dead, but really, what do you think the odds

Israel Attacks Jews,
Silence from Mainstream about Violation of Law
http://www.youtube.com/watch?v=K1kt8qi0M-M

They kill Jews for money. They bombed Jews in Lebanon
for money. They want to bomb the HUGE sacred Jewish
communities in Iran.. wonder why? Zionists are not
Jews, for Jews don't steal in God's good name. Nor
target innocent beings for stolen gains. A zionist is
a thief to life, and as such, needs to be formally
charged for their criminal offenses, given lawyers,
and upon a successful prosecution, rot in a prison
cell and/or pay restitutions. YES. why? so not another
innocent person must fall in their place as next
victim to a zionist's public commitment to lawless
tyranny for evil intentions.

IDF VLOG UPDATE: IDF Hits Dozens of Hamas Terrorists

This Zionist enemy of God speaks like a six year old.
"Hamas Terrorists", "4. Jan.", come on now, how evil
do you have to be to believe this ungodly demon sells
you righteousness. They STEAL our food. They are OUR
criminal enemies who torture innocent Peoples. A
godless criminal enemy who also steals Peoples Homes.
And drops millions of land mines to murder Jews
indiscriminately for decades. Commits war crime after
war crime against Humanity. Vile bile.

They killed our innocents, and unless we kill

It is the crime of which they demand WE are outraged
against. Welcome to Humanity's suffering world due to

Let US never forget, the Zionists also would bomb

be destroyed instantly by the Zionist flying the
America paid for Apache. I did a big show of shows

scenes perpetrated by the treasonous, neocon Zionist
terror merchants. It's like they think some dying

as enslaving into ungodly tyranny eh? These Zionists
are not only the bad guys, but they're bad guys to

murderous thieves. A Zionist will kill a Zionist for

/ / It is just unacceptable to apply two standards of
morality, one for Jews and another for non-Jews.
For if what Israel is doing in Gaza is right, as
Israel and her supporters maintain, then what the

been right as well. And vice versa. \ \

The ungodly zionist enemies, are enemies of
God and Man. Don't think the NAZI Zionist like
Bolton doesn't know this, with his friends at

America all her freedoms for the bounties of
private banker frauds. The banker does not
ever cover our loans, we do. So, why give them
trillions of American worker waged dollars for
nothing?. THEY DON'T COVER LOANS. See? that is
what this war against God is all about. People

CNN: The Nazis Broke The Ceasefire!
http://www.youtube.com/watch?v=KntmpoRXFX4

Protest pictures from around the world (not on CNN)
http://www.rys2sense.com/anti-neocons/viewtopic.php?f=11&t=16496&start=0

Remember Israeli nazis to this day, insist as
DEMONIC LIARS, Hamas broke the truce - as Hamas
is responsible when they target school girls for
slaughter. They said the UN were secretly attacking
Jews, clearly a LIE as impossible to prove because
it didn't happen. But facts are the furthest thing
away from the godless false accuser Zionist con man
or demon witch LIAR like Livini. FoxNews calls the
demon witch a Jew! ANTISEMITES.

We can witness, Americans do not have the intellect
to understand what this means. See, LIAR Nazi Israeli
broke the truce to get killed Jews for money. A
regular fair for Nazi Israeli. Now, they state they
will continue to indiscriminately murder humanity
until the tin can rockets that travel miles stop
killing Jews who hate Zionists. But importantly,
it is Israel that wants Jews to die, so they can
make off as Satanic with our stolen values. Just
like the Bush family did with Hitler, that the
Nazi Nation has no probs working gun in hand to
wipe out Jews everywhere still to this day. Again,
Nazi Israeli MURDERED JEWS in Lebanon as targeted.
And leave Jews to starve to Death in Israel for
more charitable aid they can use elsewhere. Public
knowledge not disputed by any living soul on this
planet because, the Zionist government admits freely
to this. Israeli think being Satanic is worth it,
for all the money and lives they can steal as enemies
to Christ, Hillel, Mohammad, YOU, blahblahblah.

And, as demonic thieves, they steal homes from
innocent god loving folks. US. But see the McCainiac

HATES you as being a virtuous man or women, so they call for more indiscriminate carnage against Humanity, on failed hopes, that we as God are not going to come down to hunt them to the ends of this earth, try them, and have them executed for the war crimes of Torture, Rape, and mass murders committed for the neocons escape of 911.

Joe the Plumber to cover Gaza op

/ / Wurzelbacher says he'll spend 10 days covering the fighting and explaining why Israeli forces are mounting attacks against Hamas. \ \

Don't want an intellectual who might have a clue of what is transpiring with the forces of Satan, fuk, CNN'll likely hire him also. Don't you just hate this treasonous lying nazi demon? He has no journey man's license, never did, isn't a plumber, and doesn't have the millions of dollars he claimed he did to purchase a company that would have rolled over 250,000.00 a year for himself alone plumbing. Plumbers, as good as the job is, never generate that kind of money. Who cares though, right? A Nazi liar is what Zionist's want, and that is what America gets. TV'ed Americans couldn't care much less. Evil nazi McCainiac who's sworn existence, is to con teen soldiers for death to raise the fortunes on the un-elected Neocon bushmobsters now fancies himself a teacher on the struggles against evil. It's like that faggot at anotheruntoldstory.com, who's into murdering innocent Gays, while fucking his own brothers up the ass, who runs ads everyday at GCN, tells US now, all about how evil we all are for demanding Justice. How long do you think that'll run with the Alex Jones towners still raising no concerns? It's for the money as Ron Paul would say.. Again, it is to divide ourselves from true liberty, by demonizing the innocent on our radio and tv channels. Instead of Bush, Cheney, Rumsfeld, and Condi.

http://www.liveleak.com/view?i=ab0_1231290043

http://www.kuwaittimes.net/upload/img_pict/headline9637e7.jpg

Read of the bushite in my America who call this work of Satanic enemies, a good thing they support to war terrorism for the sadistically evil liars of the neocon. Then KNOW my friends, a bushite is the enemy of every living soul on this planet. Have no love for those in the Air Force, the enemies of Man who bomb our families without excuse, but to know, they hate

US as Christ to speak free for Humanity. That DEMON George Noory was so happy last night about all the good the bankers AND CHENEY are doing for their hatred they spoke of for all Russians. SEE? not to protect America, but to kill you with their true commitment to the demonization of innocent people, all to escape the neocon terrorists. I HATE George Noory more than anyone alive in America. He is so openly evil to ourselves, that only those who wished to lie to you, (like Alex Jones does about Ron Paul), would say otherwise as bushite dumfuk enemies. Cowards committed to escaping Bush and Cheney for treason against Freedom. They doctored the NIE on Iraq, highest of war criminality. Alex Jones has never mentioned it, but for MAYBE in passing. Hey because all the bad guys are just puppets to ignore over the elites, globalists, socialists, liberals, gays maybe, Blacks, Mexicans, and anybody else smarter than NWOer Alex. Ron Paul is a coward as rarely if never has a clue of which he is speaking on.

Israeli PM says to end offensive if Gaza ends rocket attacks

Sarkozy urges Syria to press Hamas for Gaza truce

How does the ungodly get away with this obscenity? Nobody can deny Nazi Israeli broke the truce, as they always have done as Satanic for the last 60 years. Killing Jews for money is popular with the Zionist Nazis don't you know us by now? FoxNews CONNED Americans for DEATH with the unmentioned, TREASONOUS doctoring of the NIE. To kill Americans for more neocon gains, which Alex Jones never mentions either. Do Americans even care enough to raise Humanity's call? Do they demand public executions of sadistic godless Zionist torturers? as the Standing Law of America - The War Crimes Act - brought to be by Reagan - DEMANDS by the Law of America? It is the Law after all, yet, CNN, CBC, and FoxNews calls the perpetrators of the most heinous evil against Mankind, heroes. America is
a nation of godless cowards willing to die murdering innocent Christians in Israel, all for the profits of the 'magical' zionistic private bankers. Bushite grunts are now supporting the indiscriminate carnage, serving as police services forbidding any of the prisoners in Gaza from fleeing the indiscriminate slaughter. Again, as Satanic, they don't arrest the "Suspects", for what could they truly charge them with?, no instead demand we die helpless murder victims by forbidding escape, as they did in Fallujah murdering more than three hundred thousand innocent

souls. Die bushite die screams to all men on Earth from the Son of God. Will you stand for YOUR life as truly worth something here? Like lawless enemies Policing your reality will bring you more happiness and prosperity with the great truth teller HAPPY George Noory? The demon who openly confesses the will to want to murder all children in around the age of 15? Too crazy for you to face such an enemy of huge demonic origin, so, go the cowardly way like Alex Jones as sell out slave instead, to cover the demon with endless praise on his treachery to not have our fight on everyday with open calls for understanding Justice is freedom. Instead of a constant stream of bushite dumfuk enemies of Living. This isn't complicated. Or it doesn't have to be.

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce.

Alex Jones told US as a deceiver, he's been on Coast to Coast a hundred times. Not in these last eight years he hasn't. I demand Alex prove this, or be known by all far and wide a treasonous liar, trying to take US off the tracking of criminal action of his buddy, the demonic enemy LIAR George Noory. bin Laden didn't do 911, despite the facts that WE KNOW George Noory knows better of but LIES to con the American teen further for death at the profits of the un-elected bushmob. See Alex wants you to blame anyone but those directly involved in the crimes of 911, or Iraq, or those responsible for it's cover-up by Zionist propaganda. George Noory will have as invited guests whos only function there is to spread dis info as supporting more indiscriminate warfare for the escape of the neocon terrorists responsible for starting the illegal wars to begin US at. Or those whom often support torture, a war crime that only exists as irrationally held by those who's minds have only a blind hate for the indivisible rights of another innocent other. And often truly hate men and women for being Just as wise. The McCainiac Zombie video is a perfect example. When the Zombie is asked about the rights of Women, the McCainiac Zombie cried out for raping more Women. The position of authoritarian power, was only found with the bushite as oppressor, rapist, torturer, or Air Force Bomber, not liberation by freedom. The bushite McCainiac KNOWS it can't compete

openly to defend it's criminal treasonous
actions! Remember, Alex "the Conservative"
thought McCain was the choice if you had to make
one, earlier on, then changed his position,
sort of, later by calling them all puppets not
worth the effort, but .. Obama's idea's matter
not, it's that his Birth Certificate is, no war
too be fawned. Palin? who's she? McCain
firebombed Vietnam as "war hero" for France?
The Banker doesn't cover our loans? Matters
little.

Norwegian doctor: Israel intentionally targeting civilians
http://rawstory.com/news/2008/Norwegian_doctor_in_Gaza_Israel_targeting_0105.html

"All that is happening in Gaza here now is against
international law, it is against humanity and I
think it is against what it means to be a decent
person. You don't treat other people like this.
Even if you disagree with himï¿½ maybe even if you
fight with them, you don't treat civilians, children
and women like this."

Israel deliberately targeting civilians in Gaza
http://www.youtube.com/watch?v=Ev6ojm62qwA

It was almost acknowledged on CBC radio that
nazi Israelis, use the argument that a tin can
rocket traveled miles, to kill some innocent
Jew as a direct hit (likely a person who hated
godless NEOCON), all because that nazi state
has OPENLY, as PUBLIC policy, stolen water and
food including baby formula, along with a huge
list of other atrocities, to punish God and
Humanity since way back before three of four
truces. AGAIN, Nazi Israeli always, as ungodly,
break their truces. Why? Because YOU, or Christ
as any Jew's life means nothing, to all the
'free' billions they'll get from given American
worker wages. Look, Americans refuse to call
for the arrest of Bush on their national,
"truth telling" Coast to Coast radio program.
Why? Because, for one, George Noory, (Alex
Jones' best buds), has told US he's into
killing innocent kids as powerful, and that
'bin Laden did it', Is good enough for US.
You don't get a say here however how you will
live or die. George Noory calls all grunts
heroes, and those who refuse criminal orders,
those he wishes to go ballistic on. Yes, it's
true, George Noory is still alive and happy

as ever.

Rise Up for innocent Life, or don't and see
where it'll get you in the end.

Again, every soldier in the Air Force serving
for the neocon liar is a traitor warranting death,
to save the lives of their next innocent victims.
They have murdered more than two million people
in Iraq. They are pushing heroin into America
from Afghanistan. They are raping AMERICAN
women as officially "LAWLESS" (can't be arrested
but through Rumsfeld - who has not seeked any
prosecutions for the raping of American Peoples.
He, as Neocon, is TRYING to DESTROY FREEDOM
For all Americans in America - while paying
with American wages, South African death squads
to murder Black men) and TV'ed Americans refuse
to speak for Justice denied themselves. Zionist
amerikans only see US as innocent others, not
themselves to pay, but they do pay, they will pay.
God, nor John will not live in a world where
bushite grunts walk freely down our streets as
first degree mass murdering rapists, torturers,
and thieves. Celebrated by CNN, CBC, and FoxNews.
Especially when they DEMAND they have greater
rights than Human Beings. Mass Murderers deserve
immediate death sentence to defend ourselves
from their demon lies and betrayals to God and
Man. Every CBC and CNN reporter who reported
Russia attacked Georgia unprovoked will warrant
trial, then death sentences for their total
commitment to the Satanic NeoCON enemy war
criminals. Remember: they targeted for murder,
helpless innocent families. YOUR family. CNN
wants you to blindly believe, CNN personalities
like ENEMY George Noory are so happy, why would
we think they willed death against our great
Humanity by conning you for more stolen money
through the sacrifice of YOUR life for zionist
criminals who laugh at your powerlessness to
raise your voice for Justice.

Look at this picture of nazis indiscriminately slaughtering
our Humanity, while on MSNBC they reported that the Nazis
will continue to murder Humanity until a truce can be found,
A truce that the Satanic enemies of God will naturally break,
as they ALWAYS do. They are godless enemies of Life who wish
to steal the Title of Jew from Christ. They targeted Jews in
Lebanon with seven million land mines, and let Jews starve to
death in Israel for more charitable aid they can steal from
G-d's Good Will. When asked by Israeli newspapers why, it was
said to kill a Jew is rewarding for the godless Zionist.

Israeli plan to topple Hamas, re-instate Abbas
http://a-mother-from-gaza.blogspot.com/

/ / Breaking the truce Nov. 4, then, was Israel's way of getting the gears rolling for this whole sick game: the toppling of Hamas, and the re-instating of the impotent Abbas into Gaza so the "peace process" can remain forever in formaldehyde, to quote wiseass, er., Weisglass. \ \

Nov 4th! - perfect!. We are dealing with Nazi war criminals who refuse US, as a Species, Justice for everyone. Especially The Jew's Jew, Johnny America. Hint: they call us Love just to hide our complete agreement with this Living Universe to will Justice for God as every last bushite zionist freely moving. Once all the neocon zionists are rotting in a prison cell, or formally executed as godless war criminals, we all will have one joyous welcome in a heavenly future.. Until then, demand Justice for US. That's YOU too. Angels included. Who? I don't see no Johnny Wizard here anywhere, We are Good to Go. Rise Up for innocent Life, or don't and see where it'll get you in the end. The bushmob are traitors for closing official FBI investigations into 911, immediately after the mass murder of Americans occurred. Treason, of a, trust WE don't have it in US to stand for our common values as the Revolution will not be televised, Johnny Who. Man, are we or no? Be Somebody, then get on your phone to call in for Justice willed. Alive I Say! - this must be where you'd raise the dead and dying.. if you only could raise your finger to dial the phone numbers - well guess what? - I Command You Can! - snapoutofit - Speak for pursuing Justice on 911, and show serious concern for publicly paying private banker men trillions in worker wages for nothing. This is seriously disturbing, yes, but seriously important to address openly in our spaces to remedy with a Johnny Wizard World Wide Work of Wonder, Super CNN Special of Specials, with Your Host, the One and Only, President and CEO of Shareware Earth Co. John Himself. Hey everybody! Wow eh? So a.. when is the good guys showing up? Now. Justice. I want US to Host Coast to Coast for open Public communications, where things get solved because we know whats we're learning about. We of god, this way comes, then men and women with calculators to know: giving money to private bankers

on hopes they'll lend a small fraction some back
to ourselves at high interest is dumber than rocks.

Israel Drops White Phosphorus Bombs, Littlest Victims Suffer
http://www.apfn.org/apfn/DU_Israel.htm

My friends, demonic evil forces do exist to STEAL
the living rights from anyone of us, especially
including the Jews. Remember, it is the zionist who
steals God's good name through lies left unchallenged
by private corporate interests tied to the CON of
private banking in total. Christ is a Jew too.
Israeli broke the truce knowing such action woud get
killed Jews in Israel, a cash bonus! Like starving
Jews do attest on a infomercial that ran for near
18 months across Canada. Then covered by the Israeli
press, that the Zionist officials there actually
enjoy the prospect of suffering Jews because it,
OUR SUFFERING, will attract more charitable aid the
ungodly criminal enemy can use elesewheres! Hitler

We can overcome this, and create a better world in
the process. It's back to the simple things: open
communications, and evidence, evidence, evidence
to convince ourselves truly of anything. We are
in a horrible dream right now, that we must arrive
ourselves into for comforts. Arrest the Neocons for
treason. That of course includes anti-gay faggot

Satanic Enemies of Christ

CNN with Blitzer allowed reported on Larry King
that Hamas broke the truce, without any uttering
of fact. While when the nazi israelis were accused,
just minutes earlier, Mark Regev could say only

silence. The zionist Satanic enemies of Jews speak only silence, because they know they are satanic enemies liars of Human will.

Again, these SATANIC enemies break their truces everytime, then state, it is Humanity's fault because CNN will never ALLOW the humans to know. They are murdering innocent People in hospitals for example, or those in a Church, just as amerikan bushite nazi grunts do for the escape of the neocon zionists responsible for 911. To hunt a lawless bushite nazi grunt, and kll it instantly is to defend it's next innocent bombing victims. Bush and Cheney closed 911 investigations on 911, therefore killing a lawless bushite traitor for our Humanity is just to get ourselves together to arrest those responsible for mass murder on 911. The deaths of bushite zionist liars is a mercy given for the love of God. Die bushite die.

Israel Nazi State

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce. They always break their truces. Understand these Satanic enemies of God, dropped seven million land mines on Lebanon when learning the conflict was over. They will kill Jews for money, THEY are the Nazis. Nazi Mark Regev is clearly insane. 'It wasn't israel that started this' He could not stand with any man without instantly being exposed to All of Humanity as a war criminal in need of immediate public trial for death sentence. These are only innocent people being bombed. In a concentration refugee camp. Look, it's a prison camp. And if YOU
were a prisoner there, and Texan child rapists are something you'd wish to defend your community from, you'd maybe join the Gazan police force, run by Hamas, a political group democratically elected. All police officers in Gaza, Nazi israeli claims warrant 1000 lb bombs, not warrants for arrest for a criminal offense. Remember, it was Israel that broke the truce, as so is spoken by Palestinian government officials speaking internationally - using the example from November. But understand, as Satanic fraudsters, they always fuck over Our Innocent Humanity this way.

What kind of "Human" would commit such crimes against Life? Cheating Liars for Satan God tells YOU.

The Bible "I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."

Look, these enemies of Life steal INNOCENT PEOPLES HOMES as thieves of The King of Jew's simple philosophy.

Gray Ghost

/ / Funny thing noone ever shows pictures of the scumbag Hamas rockets falling on Israeli civilians, but the nooz is full of Palies suffering. Fuck you all I hope Israel exterminates the vermin. \ \ He can advocate the MURDER of innocent people for the neocon liars, and Google doesn't destroy his account?

Remember Zionist Nazi Israeli started all their murder rampages against Innocent Peoples for 'free' welfare money, as broke the truce with, IDF funded Hamas on Nov. 4th. They have been indiscriminately bombing People with excuses that never do add up. Example: Nazi Israeli stated they were in the right to murder ANYONE

in a car or truck in the entire nation of
Lebanon, (especially in the Jewish communities)
because like enemy "Gray Ghost" would say, all
those innocent Peoples deserve TO DIE AS MURDER
VICTIMS for his sadistic ungodly pleasures.
Remember, Nazi Israeli didn't mention this until
thousands has already been murdered, then even
still, without radio, TV, or newspapers, telephones,
or sky writing how were ONLY THE INNOCENT JEWS
as officially targeted to know? Then the seven
million land mines to kill innocent kids for
generations. To the enemy of Life, Gray Ghost
it matters not that Israeli started the conflict
by sacrificing nazi vermined trashed as Satanic
dumfuk enemy soldiers sent across the border,
to Grey Ghost, all it knows, is Justice must not
be allowed to win this game for our human race,
for he would be truly seen as a sadistic enemy
of Freedom, powerless, or rightly dead for
his proud treasons against life in this universe.

Livni: Gaza truce would give Hamas legitimacy

See? this is why NAZI I$raeli thinks they have
an excuse for bombing people indiscriminately
to break a truce they signed on to. This isn't
a one time, maybe two time occurrence, but every
time in the last 60 plus years the zionists
aligned with Hitler have. Satanic enemies
of Humanity.

ANTI-SEMITE is FoxNews every time they assault God
with "Israel, the Jewish State" to torture, steal,
and murder.?. ANTI-SEMITE!

The Ungodly Zionist - a report from the front

/ / The most recent victim of Israeli airstrikes
was 10-year-old Ismail Hamdan \ \

To the Satanic enemies of Man, the Ungodly Zionist,
an innocent murder victim's life can not be allowed
a defense such as the charge of first degree murder
against Netanyaho because, he states no Justice to
any who believe in the Jewish cause, as Hillel, of
freedom as Liberty for all. If Jews ran Israel,
Netanyaho would be chastised publicly by the Humans,
for sanctioning the criminal acts of first degree
murder. The nation of Nazi Israel STEALS Peoples
HOMES. What other nation on this Earth commits
such willful crimes against innocent Human beings
OFFICIALLY? Steals homes from god loving innocent
folks and labels it our 'Justice system'? Who? Neocon
Amerika, the nation that gave trillions to bankers
recently on only prayers that their gods will maybe
lend some of their own money back to them at high
interest. But alas, evil is the deceived disguised,
as in their deep ignorance of money and virtue, they
do not understand, the private banker never covers
the loan. Never does a private banker reach into
it's pocket to borrow US to begin with - so as a
consequence, the bankers have just pocketed all the
'free' loot for nothing, TRILLIONS, and are not
saying why should they help anyone else with charity?
it's the amerikan way. Instead, hate the wise socialist
who designed a working good traffic signal system,
where lives are saved and congestion is eased, or
hate the white man, the black man, different People.
But never Mr. Bush, Mr. Cheney, or Rumsfeld, the
neocon traitors who closed criminal investigations
immediately after the crimes of 911 occurred, who
doctored the NIE to con America into death, and
never slight the trillioniare private banker gods,
who have stolen/taken our public authority through
war criminals in Congress. Taken from all others
to bring us a much poorer world suffering due to
our speakings of contempt for Justice as christians
in America - who claim in silence only indignation
for real Christian families robbed or murdered
Officially by the zionist state of ungodly Israeli,
paid for by dying America. Americans refuse to raise
their phones for the arrest of the bushmob for capital
mass murder, so, what's private trillioniare bankers
walking away with the entire economy in free fall
going to do for them, when they are already to
death for the glorious Zionist Neocon thieves of
Civilization? Proudly in hatred for Innocent
Humanity. Again, Hamas was founded by Zionists
in the IDF, to kill Jews for money - public record.
Jews starve near death in Garbage dumps of Israel,
all because the Nazi Zionist UNGODLY government

states it is beneficial to starve Jews, for, they will receive more humanitarian aid THEY can use elsewhere. Public knowledge. Zionist liars murder innocent Jews for money, like they did in Lebanon, and like the zionists did on 911 by forbidding the pursuit of the terrorists by following the crimes scene leads at the real murder scene. Unjust enemies of Man.

To arrest those responsible for 911, we are going to need to form a public warrant for a person or persons. Bush and Cheney are guilty of closing investigations on 911, treason, called obstruction.

UnHoly Nazi Israeli Racists are Greater than the censored words of Messiah!

IDF's YouTube Gaza channel to Correct Ourselves

/ / it will disseminate footage of precision bombing operations \ \

Precision? They dropped seven million land mines in Lebanon, after having seeked out where the Jews lived, (Northern Lebanon), and murdered them firstly! JEWS. They, as enemies of God, like those of FoxNews, will refuse these type of FACTS on their hatred for Love and Justice. Their hatred for Jews, real Jews, like me. Understand: American baby formula has been contaminated with poisons, and FoxNews doesn't think it's important to their corporate responsibilities to kill ourselves further for profit. The Zionist will murder anyone just to steal your belief in God as Love. They HATE me for being wise and Just. Hate. For, why wouldn't America support my demands for open radio communications on the Coast to Coast radio network? Americans would rather murder Humanity before Justice succeeds beyond their illusions of grandeur through the mass murdering of ourselves for stolen gains. The banker does not cover our loans! Giving them trillions for free unquestioningly is dumber than rocks. Enough.

Fake Rocket Attack
http://xymphora.blogspot.com/2005/02/fake-rocket-attack.html

Remember however, the Zionist has no qualms about killing Innocent Jews too if it means Americans will get it more free welfare to murder ourselves. They openly STEAL Peoples

homes in that nation run as thieves don't
You know? Or as it is just open public
knowledge that the Zionist excepts that
911 was actually a good thing for them as
war criminals reaping the cash rewards for
continuing capital murders?

/ / Ehud Barak promised that the war would

That is you there Barak promises to end
bitterly as the innocent the demon targets

steal food from a Christian baby? How do they
do it?, as the inhuman. (Like bushite do in
Iraq, while on CNN in interview tell US, they
are there war criming for neocon traitors to
steal everything as "helping the Iraqi
children". They offer no clean water, no food,
just indiscriminate bombing campaigns of evil
incarnate. True fascist nazi enemies of true
freedom in America who advance censorship to

Jews, the Messiah. I Am. Thieves to the
scriptures of Hillel, and of Moses. Thieves
to the intent of every true religious person,

lawless grunting bushite dumfuk enemies of

is filled with great understandings on this
relationship. Christ is mentioned more than

mother of all being before we are. a virgin.)

Look humans, you've
had your fun murdering yourselves, now the wise
people will compete for bettering ourselves by
understanding. Who the fuck are these illiterate
monsters at CTV national television? and how can
they willingly keep our soldiers in the dark dying
that way by simply smiling? Are they experts in

NO, instead they LIE with such contempt for Humanity
I am surprised Canadians, don't speak out more..

ignorant, so censor US all themmers you are

Zionist aligned with trillioniare private
bankers and Satan? Christ is of all peoples.

Israel, the nazi enemies of God nation broke the ceasefire on November 4th. Now, as demon liars claim they want to honor a ceasefire again to further steal ourselves from the Love of Justice. Why do the godless Zionist do this always as first degree murderers? Because they can't win an open debate on their treasons against God and Man. The private bankers DO NOT cover our loans. Again, these SATANIC ENEMIES OF GOD dropped seven million land mines on Lebanon while target killing JEWS. INNOCENT JEWS. Targeted. Northern Lebanon, look it up. Israeli MURDERED Jews. Innocent Jews as targeted for more stolen charity. I again, beg you to support my call for war crime trials against the bushmob, including CNN demons who report a total contempt for YOUR life dying. Your call loser.

ISRAEL: No civilian casualties in Gaza! http://uk.youtube.com/watch?v=RlZd3vR6Kzk

Satanic enemies of God as anyone included. Think: who buys these demon lies to steal further from our innocent Humanity? Zionists do at CBC and CNN, who will murder America by openly lying to destroy freedom. Example: CNN reports Georgian nazis who targeted children schools, churches and threw grenades into our homes to murder as minions for Satan are called freedom fighters. Just like the Third Infantry, the new lawless police officers of California, who can't be charged with rape for example, because ONLY Rumsfeld can okay such prosecutions. Hey who cares for Iraqi Rights right?, for TV America's CNN with FoxNews and George Norry doesn't, for it's only American women and children now right nazi enemies? And WE ALL KNOW, cowardly America refuses to even raise their phones for these dying concerns. How can George Norry continue to live happily dying America for the neocons? How? they let them. Alex Jones thinks George Norry is just fantastic, so no, don't encourage the NWOers to demand free communications, because if we did, Alex Jones and the like, would factually look like the idiots he is. (better to die

America than face this foolishness?) The banker doesn't cover our loans, we do Alex. So giving them trillions in American worker wages is a bank robbery in progress. Simple. NOT a diabolical ingenious plan, we, the simple folk can't figure without the Alex Jonesers geniuses of thought control developed by the CFR, builderberg, the Boners and NASA.

Obama stated all lawless soldiers who war for godless Zionism are heroes, which includes South African death squad goons who murder my nigger friends. AEGIS. I call them lawless enemies of God, deserving death sentences to save the lives of their next innocent victims, Obama calls them heroes warring for the escape of the neocon traitors responsible for 911. Who are you going to believe?

Why is this story not where it should be? Who's interest does it serve by further dying Humanity to: we don't care about not stopping terrorist crimes in progress then? Don't be a Nazi. Why? Just because. THE 'suspect' WAS IN ON THE MASS MURDER OF US. Justice for All there you nitwits. Under who's command was he working?, and does Condi figure in there some where by sending TV America elsewhere? "General Mullen is pressing our authorities to
allow India to hit certain targets,"

In a normal world, Mullen would be questioned,
then arrested, tried, and executed with Gates for
trying TO KILL INNOCENT PEOPLE for cash profits
stolen from God's America. But the nation is filled
with cowardly know nothings.. how do we know this?
They refuse to even pick up their phones to complain
about DYING needlessly for the un-elected Zionist
neocons. The TRAITORS who did their part to carry
out 911. America only PRAISE real demon George
Norry who openly lies to the ears of America, while
advocating the indiscriminate slaughter of all
children in around 15, because he claims, that way,
you reduce the risk that they might sometime in the
future own a gun to kill himself as a REAL bad guy.
These REAL monsters will kill your American kids for
cash. Why? Because YOU refuse to even raise your
phones for concern. It's "just" your neighbor's kid

who'll get the vaccine shot filled with toxins, drink the American Milk, chew the bubble gum, eat the Campbell's Soup, or drink the tainted water. The poisonous water containing sodium fluoride is in soft drinks, beer, and bottled purified water costing near 3 dollars that Pepsi openly confessed, they just get right from the poisoned public taps of Boston, unfiltered. TV America? where are you man? Why do you still refuse to raise your phones? You go in faith WITHOUT science, with reason?, without God, or even crave my words as the Great Son. Why do you forsake yourselves? Are you not worth the effort to say your own lives are worth something too?

Charlie Manson "Yes, your honor, I did authorize the killing of Sharon Tate and the rest, but you know, we need to focus on the future rather than the past!"

Bushite Nazi grunts of the Air Force have bombed more than a many innocent persons, claiming we as Humanity can't hold them to account for their murderous crimes of STEALING our lives. It is an oath soldiers give to obey lawful orders only, yet, a bushite's word means nothing. They bombed Samara for no reason but to die. They bombed Fallujah for no reason but to die. No honor, no courage, no manhood.

will destroy God's Good Work for Justice
in our times, while they make of as terrorist
thieves.
It's not that we're Jewish, it's that they are
war criminals. How could any living Man, On

CNN Don't Want to Take our Questions

Cheney worked immediately after 911 to close
police investigations, as so reported
on Meet the Press, with the late Tim Russert.
Simple. Or cowardly like Alex Jones call him

hid away in far off places, manipulating to

Bernard Madoff -- The $50 Billion Thief
http://www.youtube.com/watch?v=0IhJJXjxmHU

This spot where the Jews laugh at law men,
then get all their life savings stolen, is
THE classic in the halls of Zionist History.

Some say, Christ, the Jew, is a law man
too don't you know.

This is What Americans Are?

/ / the United States has refused to sign
a declaration presented Thursday at the
United Nations calling for worldwide
decriminalization of homosexuality. \ \

Again, this Zionist infiltration is
designed to divide our populations through
demonizations against the Innocent. There
is no crime in loving people despite what
GCN advertizes.

"The concessions made by the Olmert-Livni
government to the Syrians do not and will
not obligate a government that I shall head,"
Netanyahu said. The concessions of indiscriminately
murdering US repeatedly? Understand to know:
The Zionist is a Satanic demon enemy of Humanity
according to God, in the Bibles all timelessly.
Netanyahu, the demon, is so ungodly as evil
criminal, he will likely "win" Istraeli the Zionist
election on a public platform of godless tyranical
theft and murder. Remember, Israeli Zionists
funded the creation of Hamas to kill Jews in
Israel, and TRUE Jews also live in Lebanon, Iran,
Etheopia, Canada, and the North Pole, and we're
the "niggers" there too that Israeli despise -
like as they who PUBLICLY supported South Africa's
oppression of Innocent South Africans for stolen
monies. Satanic I tell you. Don't believe? in
innocence? That's the power of Peres, the devil.
Evil a zionist criminal is proudly. Peres will
tell you, all about when Zionists target to murder
little old ladies as he did on Larry King, it's
really not Satanic, because they'll blame the
murders on someone else completely different,
as US, the innocent. blatantly. In your face.
While CNN goes, uhuh, gotta kill those Jews in
Northern Lebanon. As Syrians too! Israeli dropped
seven million land mines on more than 170 towns

nation of Jews? ANTI-SEMITE is FoxNews everytime

Again, the two Laws of Johnny:

MY LIFE HAS VALUE

"You can't count on Congress or the Courts to save yourselves"
Ron Paul - The oUtRAgiOuS fUnnY MaN

Ron Paul is a traitor. He didn't support arresting
Bush for 911, or for the killing of American teens by
doctoring the NIE. Now, Alex sells Ron Paul, is
his leader of OUR truth movement because he says
there's nothing he's going to do but blame poor
people, or socialists,

"The Liberals and the Socialists, along with
the Communists and the Gays, with the Muslims,
and Community Organizers with the freaks different
that me did the murders", said near all the retard
bigot Conservatives blindly false accusing.
Example: Condi says Pakistan's ISI committed the
murders, the FBI says no, there isn't a scintilla
of evidence to substantiate that. Condi says
Pakistan's ISI FOR SURE did the murders, the FBI
says no, there is not a whisper of fact to form
that conclusion. The "Army" says for sure Pakistan
did the murders, the FBI says no.. There is not
a thread of fact a zionist offers to form YOUR own
mind in respect for your rights being equal to ours.
Condi only tries to hypnotize the "Conservatives"
into believing something without understanding,
without knowing. Sean Hannity does this everyday
on purpose to kill innocent American teens.
Conservatives are universally ignorant People,
and sometimes, serious war criminals like Condi.
Taking US off the target of following the crime
scene leads at the real murder scene. The
"Conservative" mostly doesn't have the mind to
understand Justice is freedom, like the NWOers,
so they false accuse US as Innocent others, for
crimes they don't speak for as Our true defense.

I'm counting on you kids eating right, and
knowing you belong free here. I'm King Johnny.
Hi.

Anyway,

Imagine: Alex doesn't ask 'hero truth
teller' Ron Paul for a million or three for
advertising on Bush and Rumsfeld's prior plan
to invade Afghanistan for Enron. Why not?
Who's money is it still anyway? Ours. In
God we Trust. Wanna see a card trick?

Google however has removed more than 20,000 documents

That a man such as great as I, will not be allowed to
give my works for free to Humanity any longer? -
People of Earth: undertand, many in America say YES!
here, because they truly HATE Humanity's cause of
Liberty and Justice for ALL. Google closed my
Jew_Boy_Johnny account, all because of vermin like
"shitskin Moslem", who openly message in the

who pirate all of Google Groups with racist

- The Son Of Man - no trial, no questions, no answers!
I can not post more than three times every four to six
hours, otherwise, they close my accounts, while at the
same time then, go through years of my writing to
sadistically destroy more. They figure they have
something in our Courts to support their treason of
assisting in mass murder against America by Zionist
theives who steal the title Jew, as in godly? while
shitskin posts hundreds daily pirating everyone's
threads with his EVIL hatred for God and Humanity, if
not even more from Israel) Not the Alex Jonesers way,
but the actual way logically understood as where the
problem resides. DNA, as is life, is multi-dimensional.

Where is this
"Christ" that CBC, CNN, GCN, and RBN harp on
that speaks nothing for real Justice to the victims
of 911, or Iraq, or Afghanistan? Or the children of
South Osettia? Alex is near fit, but he is far from
sufficiant. Jack Blood was great, but Alex we guess
doesn't want him looking like he Rulez like US
too though. RBN has it's moments, yes, I guess that's
true.. Things do seem to be improving, what with
all the torturers and rapists wanting to come home
as brain damaged Zombie police officers. They don't
want the laws of freedom though, too complicated.

They'd rather hunt down our families from the sky with bombs actually.. fuk, I hate EVERYONE in America's Air Force, every last evil fuk. They watch these videos and celebrate their complete indiscriminate murderings that get killed so many GIs - they celebrate the slaughter of our innocent Humanity . George Noory will kill your American kids, have no doubt, for, he already has.

CBC and CNN only smile to tell you all the great things they do by denying OUR Humanity these truths.

America is a cowardly evil nation desperate for excuses as still being run under by zionist thieves.

Israeli Settlers call Ethiopian Jews "Niggers"
http://www.ynetnews.com/articles/0%2C7340%2CL-3633163%2C00.html

This isn't isolated. The Jews of Ethiopia, are the actual Jews of the Bible. These monstrosities that God knows as Israeli, are Satanic enemies of Man. They steal our homes, rape or torture our INNOCENT families, and bomb Jews as the did in Lebanon TARGETED as an OFFICIAL function of their evil "government". They actually, a few years ago, gathered all the darker skinned toddlers, and murdered them as an OFFICIAL government of SATANIC action. More than 100,000 "Nigger" toddlers, Jews, they murdered with radiation poisonings. Officially. Now, Americans GIVE them money to bomb innocent Christian families indiscriminately guilty of nothing. They steal their desperately needed food and medicine. They are thieves of the most vile evil natures. Example: the Zionist who STOLE 50 billion dollars from American Jews will not be ordered to give back the money! Sure, they tell you that SOME of the suckered Jews, will get a small portion of their investment returned, but only through the wages of American citizens, NOT by the Zionist THIEF, T-H-I-E-F, who you are told OFFICIALLY "lost" the money. (will he even spend a day in jail?) He lost it, ah shucks, just like the trillions "lost" to criminal trillioniare speculators. And like the banksters, who never covered a dime of the money for the fraudulent loans, but get to STEAL your homes, and now wish to charge US a renter, for a home Americans, the illiterate suckers, actually paid for, and will continue to until they speak above the

laughter of a George Noory, or con man Bill O'Really, the true demon enemy. Or will instead? cowardly, will go like Alex Jones, naw, George Noory is a good guy, a happy guy, sure he speaks of the enjoyment in slaughtering defenseless innocent children, so what?, he's pleasantly happy to state all is well going ballistic against soldiers who refuse criminal orders from the Zionist neocon. Not a fuking dime!! Understand, this isn't just a, let's get the info out for People to know as Alex Jones sells to near overdose.. (we are mere mortals who work nine to nine Alex The Great.) CBC managers, all of them, have known since shortly after 911, that Bush and Cheney closed FBI investigations, they know that iron is on video flowing like water from the towers, THEY KNOW THIS because I personally told them. Yet, they smile as demon liars to die our teen soldiers CONNED deliberately. We need some serious police action in arrests of treason against all news celebs, who of course will get lawyers, (what they deny in happy silence to not mention against American torture victims) but will be shown conviction for their real contempt for the value of YOUR life my friend, our lives they watch indiscriminately die for lies they sell happily for stolen cash profits.

I hear the magic money bag guys are in running the show from our central banking offices, in as a debasing culture of indifference to their own cowardly sacrifice. That's if we believe what we know of the fictions they sell ourselves. Georgia, Iraq, Afghanistan, and so on.. they lie to our world for criminal gains, gains they've seen near to overtaking them. Demand the arrest of Bush and Cheney for closing criminal investigations on 911 immediately after the crimes occurred. Then, without evidence, falsely accused an innocent man of the crime. A crime they knew enough of,

to plan before hand the invasion of Afghanistan
for Enron. Speak now, or, suffer to die in

Give Free to Banker.. Loan Back Maybe? Paleeze..

Why We Do the Things We Do

Sales pitch: Mankind takes on the world as One
with the calculators. Civilization DID happen!
Correct math scores are not impossible to find as
an answer to: why we do the things we do. Americans
gave private interest bankers trillions on only
Hopes that these, the most obscenely wealthy of all
the upper classes, are going to graciously lend
some of our own money, (we just gave them,) back
to us... in dire need. at interest! It's for our
benefit baby, don't you cry. This is just plain
dumber than rocks Johnny Wizard says okay. And
simply going to a gold standard is not the easy
made NWO answer, it is accounting for ourselves
that is going without questions. The private
banker is highjacking our public authority for
their private interest of exploitation.

Our governments are not holding Private Bankers
to some kind of public authority to question who's

interests are being devalued here. This is why
the thing has been messed around for so long, We,
the People, have been too foggy on super basic
math skills as pronounced by, truly effective
Jewish leadership. "The Private Banker DOES NOT
cover our loans, we do." Read that again now.
And acknowledging, we, as conscious, can succumb
to suggestion without knowing what we are even
saying sometimes really. Everyone wants to play
the lead, but few are wanting guitar practices.

It get's easier as you try..

Answers: we need a tax on every buy and sell to
limit speculation in the stock markets as it was
prior, while openly discussing how the
investigations are going, in returning the 700
mill that was given through for another means by
Congress. For the private bankers to take that
money elsewhere, is to neglect the problem
persisting of home owners, and that mortgage
issue they forgot US about. Why Americans
desperately, at peril, gave the money to begin at.
Look, while arrests are transpiring, we'll then
discuss using the re-cooped stolen money to finance
all remaining mortgages on family homes at zero
interest levels, upto, let's say for now: $500,000.
It's an idea I'm putting out there to dialog on
with you guys and Obama. Obama!! How's it going!!
Hey man, we can work it out.. You don't seem like an
impossible person to reach. Hey, make life interesting
in ushering in a new peace plan by communicating. Now
I know your all pals with everyone as government, as
that is what a successful politician can do sometimes
good, sometimes criminal. Obama, we can't let these
con men go. These have been times of lawless wars
against God as indiscriminate bombings, of torture,
of slavery, of heroin pushing, of national looting of
a Peoples Treasures. How much is too much for you my
poorer brothers and sisters of the faith? Obama, let's
believe in ourselves. These bankers are stuck crooks
for no faulty but our own. It's still our money however.

King Johnny Earth, White House Jester. !

Our dreams have come true... Boo!

bomb if you can go anywhere without delay? To
only murder innocent People INCLUDING SOLDIERS
to thieve from ourselves as war criminals is what
any rational person comes to understand. When you
destroy bushite grunts who war God for rape, torture,

Obama Gets Tough to Shield Bush Torturers

Who does Obama think we are as 'United' together
on pro lawless torture against innocent 'others'?
Wake up people, we are under attack by those
who refuse US Justice to win Freedom for
anyone. "Conservative" retards are completely
lost here, because they do not have the
intellectual skills necessary to understand:
a person accused of a criminal offense without
any evidence is innocent. Or, how about, No one
deserves to be tortured for confessions on
crimes left then unresolved for actual
retribution. [Aegis OPENLY murders innocent
families for more American paying for zionist

Following the crime scene leads of 911 to nab

Obama Accused of Blackmail over Terror Trial Evidence
http://atheonews.blogspot.com/2009/02/us-accused-of-blackmail-over-terror.html

Again, Obama is taking a position to torture innocent

penalty under American STANDING Law.

Video: Cop Punches Woman In Face Four Times During Arrest For Riding A

http://www.liveleak.com/view?i=99c_1233639102

Top Cop Johnny Judge rules: Ten years in prison.
Maybe fifteen if the dumfuk grunt, back from the
war against Iraqi children as a traitor to American
values, shows no remorse for his crimes against an
American women either. Absolutely any cop or soldier
who disagrees as true contempt for our freedoms with
punishment against this nazi trash pirating our
police uniform, WILL WARRANT death sentences all
around to ACTUALLY defend liberty in my America.
Any American father who prides in killing innocent
Iraqis for the escape of the neocons for 911 is no
father. And a wife should get the hell away from
a male who enjoys murdering helpless innocent others.
Children in such families should be challenged
by relatives through the Courts to save the lives
of our endangered offspring. Again, without water
or food, Iraqi children are murdered by Neoconner
grunts irrationally everyday with nothing to say,
aka, without reason but as Satanic Bush whores, to
make our God as Humanity suffer further for their
escapes as actually selling freely, lawless zionist
savagery.

will murder innocent folks like your Self to steal
our common values. Wouldn't you glory in seeing
these savage grunts who on video, indiscriminately
shoot innocent families, or bomb a city entirely,

executed by Christian Patriot firing squads? or
televised to fry in the electric chair for these
documented war crimes? I sure would. It would make
our world a much safer place to raise a family
secure in knowing, bushite grunts as enemies of
everyone, were hunted to extinction for their
crimes against our Humanity. Hunted by Johnny Law,
the True Spirit of America.

UK judges accuse Obama Administration of suppressing torture claim
http://www.timesonline.co.uk/tol/news/uk/article5661291.ece

Yeah really. What kinda world does Obama take US
for here? Does he actually believe we hold no
interest in being attacked as ourselves, the
innocent forsaken? A reminder: an American was
executed under Iraqi law without any evidence
brought against the accused, while the grunts
were offered an excuse to seek not the culprits
at the terror scene. The case was lightly reviewed
at democracynow, a year or two ago, and can be
found by searching for a grunt pretending to be
an ambassador to Romania. A case where the Judge's
life was threatened by a "General", where if he
didn't order the death of the innocent American
citizen, the grunt with the General would murder
US all right then and there. The Innocent American
was murdered as forsaken for value shared by
free men.

tried, then executed in America to defend American
children? Unlikely, because it isn't as important
as how fat Oprah is today, or as Alex Jones the

are responsible for every criminal action against
Liberty in America, not war crime dictating LIAR
Bush who told US Saddam wouldn't let the inspectors

truly dumber than stupid. Why? because he is controlled
through his personal weakness of bigotry, to actually
believe foolish things as factual. Examples are
truly endless when we discuss Alex Jones'
dumminess, but here is one example. Alex states
911 truthers were attacked in a TV show as NWO mind
control- but, the "truther" he referred to
talked in the drama on there being NO PLANES!
A dis-info bushite stooge if ever was one depicted

not be granted a minute because I, in support

America becoming greater for defending ourselves
fairly through Judicial actions.

Obama set to allow Bush-era ï¿½torture flightsï¿½

What the fuk eh? Doesn't Obama know this
crime warrants death in America according
to the war crime act? Does he believe America
just will never have a chance to speak for the
interests of US as innocent Human beings he is
planning to torture as an enemy to Life?

Refusing to Defend American Values

Yoo: Bush okayed torture to outwit defense lawyers

This is why it warrants the Death sentence. Remember
corporatist Amerikan citizen, these torture victims
that include children as younger than a hundred, had
not been alleged to have ever committed a crime in
their entire lives. Victims tortured to death for the
pleasures of those Satanic, such as General Geoffry
Miller, who tell US today as confidenced, they do it
because, patsy wasted American soldiers will just refuse
to hunt them down for formal executions. Let's change

this for our Humanity in this future, to look back,
and know, American males were men of the World, who
stood for the principles enshrined within every living
Constitution. A free man shall not be jailed, or
tortured by anyone in our names as Governed, without
the perpetrator tried publicly for execution as our
Love of real Justice. As first degree mass murderers
warranted death sentences under the War Crime Act
ushered by Reagan!, all done in for our protections
of their next innocent victim - ourselves. Or
die a death in corporate tyranny worthy the title,
cowardly traitors to God and Liberty. Blackwater,
CACI, AEGIS, KBR and the like will all be hunted to
extinction for refusing to quit their lawless Rape
and mass murder, murders done for more stolen money
as America's name high-jacked. The Lawless enemies
shall be prosecuted by the honorable Soldiers of
the Good old, Red White, and Blue. Count me at
our words on this, I am,

Bushwhoring Enemies of the American Police

What a demon enemy of life these bushwhore enemies
of American Liberty are eh? No concern whatsoever,
for all the teen soldiers conned to die for those
who committed 911 in NYC. The millions of bombing
victims, the tortures, the rapes of American women,
STILL, TO THIS DAY, left undefended by "the law".
Evil enemy of everyone these demon fuks are. How
difficult is it, to understand the facts they feign
complete blindness on? They WANT to con you as the
coward to life they are, willing to kill America to
make their antiChrist lawless enemy Mr. Bush happy.

From years after the fact still demanding Justice now:
http://groups.google.co.uk/group/alt.military.uk/browse_frm/thread/ca0e34fb32caeb0a?hl=en&
scoring=d&

Huh? "at last been disarmed..." ? How does he figure?
The equation hasn't changed. Example: The same
unaccounted anthrax, (that was disintegrated into ash),
still is not able to be measured as completely accounted
for, (never could be), but this bushwhoring war crime
apologist, tells US, it was only though the lawless
murder of our good friends and family for countless
generations, that he now attests without reason, or
evidence, to find Iraq in "fact" disarmed of it's still
nowhere to be found, weapons of mass destruction. (An
irrational reason he pronounced previous in corporately
broacasted public support of instigating heinous war
crimes against our humanity under the leadership skills
of the evil lying demon antiChrist, our Mr. bush Jr..)

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron.
And, the Iraq war is a war crime. But Ron, the
Fascist, doesn't want THESE FACTS uttered. Why?
Because wiser men would prevail, wiser men like

me who understand buying in bulk is cheaper. Those like Christ who understand, who KNOW, the banker doesn't cover our loans - so why give them as much as a taxed red penny?, let alone trillions as officially unaccounted for? They are stealing the cash Ron. Ask yourself: Why has Alex Jones forbidden his bushwhore cult from understanding Bush doctored the NIE?, or of iron flowing like water from the towers? Because wiser men would prevail and he can't have that. He called shooting innocent men in the back, an act of liberty. I, an actual god, unlike Alex, lie near never, but maybe to myself when I'm lonely. Alex yes will tell you rapists are free to do what they will in Texas to American children, un-arrested, but he won't mention it when the police chief is with him on air, talking about how he'd like to be exempt from traffic tickets for being so popular. NO MENTION of the rapists walking away without arrests made, no mention of Bush's documented treasons on 911. Where are Alex's priorities? In selling YOU out so he can be wealthy like a bankster?, and have special rights over everyone else that drives drunk, or speeds? a big hero standing over our dead soldiers yelling, I told you so, I told you so, I was right, I was right. Again, understand: It is not by my will to deny open debate with America, it is Alex, and his demon buddy George Noory that denies out Humanity this right. And when people try, like Peggy, or Black men on Jewry, Alex lies cheats and steals our wills for further thefts. Ron Paul's family has millions taken from loyal Alex Jones fans. MILLIONS! Does Ron do commercials with that money highlighting the bushmob's plan to invade Afghanistan, dated two days prior to 911 for Enron? Of course not, wiser men would prevail to expose him as the charlatan charity raider he is regarding Health Care, Social Security, Public Schooling, earmarks.. It is unfair to measure Ron against corporate nazi zionist whores of MSNBC who willing, openly, kill American teen soldiers for criminal neocon gains, as an honorable gentleman's talk. Half honest People like Ron are extremely ignorant on the workings of our world. EXTREMELY. I joke here not. Evil is the deceived disguised - translated - evil people are always dumb.

Corporate America says no, Charlie Manson was a genius, but not, that most Americans are prone too easily to suggestive states where they can be made to believe

anything blindly. Think: what does, "bin Laden did 911"
mean anyway? You should know of what I'm trying
to teach you here. That is how
Alex knowingly or otherwise, steals our rights, by
beating off he knows everything already. And some,
if not most, actually believe him without knowing
squat either. It's sooo easy that way - no study
required!! LIBERTARIAN HELL! Everything is not on
the Internet, where it near should be, but regardless,
a Libertarian can't be bothered to read anyway.
"Free Talk Live" is the best example for this: the
two hosts are unbelievably ignorant on just about
every single subject under the sun, but beat
CONSTANTLY, on how greatly wise they are as drop-outs.
You wouldn't believe any of them when they speak on
Freedom, if you simply understood, an innocent man
does not deserve to be in OUR prisons, or tortured.
Under any circumstances that Obama has excepted for
our excuses. Magna Charta. But in Alex's 'genius' mind,
he doesn't need to actually understand he is a for
sure bigot, (measures another unfairly in a group HE
concocts from blind hate or personal fear - typical
CONSERVATIVE and/or racist) who has no problems with
that at home, or at work. Provable in seconds by
OPEN DEBATE, but Alex ain't gonna take our calls
because, he can't for the lives of every People
person thought of here, admit he could have
something to learn, therefore, the NWO is
unstoppable in his brain washed cult of indifference
to Justice practiced for the benefit of all treated
fairly. Why? He's not wise enough to respect the great
minds of the audience, and I personally believe,
he doesn't even have the good judgment to own
a gun. (I mean, why wouldn't Alex find my stories
of OUR Justice system triumphing by my single hand at least
minimally beneficial to his blind cult followings? to not
hang up on me immediately while spewing lie after lie
on how I'm top secretly a dis-info NWO artist working
for Bush? or whose voice sounds too friendly to trust?
like he has done the last four times I've phoned -
Hey! I can be an asshole if you want - no prob.)
Perhaps it's near because, Alex Jones is blind, and
as such, could actually be found guilty in Texas for
murdering those two innocent black men shot
in the back with his approval to release the murderer
from a RIGHTFUL death sentence prosecution. "law of
Parties". He is a party to the crime, for he worked to
support the release of the FOR SURE, FIRST DEGREE MURDERER.
Sound like an America you could live with? I didn't
think so either. I wanna be Alex's Attorney. Texas is

a State of massive lawless corruption, as dire
incompetence in legal affairs where they OFFICIALLY
plan executions against innocent People not established
to have harboured criminal intent! With Jury Trials!!!!
!!!!!!!!!!!!FINING THEMSELVES GUILTY!!!!!!!!!!!!
While Alex does express murderous criminal intent,
and the Police chief calls him a good man for no
scary pressures. What the fuck is wrong in Texas
where they mess themselves like this regularly?
Imagine, while Bush with the Neocons escape, and
Zionist Israeli target to murder Christian School
girls OFFICIALLY, Alex doesn't want to have to pay
traffic tickets like the rest of US. What a douche bag
to tell he LEADS our Truth movement I say. Now, I'm
not saying he shouldn't contribute with the truths
WE SHARE, far from it, it's just he can't have our
cut off switch to silence our objections to his exposed
foolishness, and/or blatant criminality. I'll give him
a chance, for starters, to criticize any position I take
while we all publically call on ourselves for
assistance internationally. Like on his "buddy",
George Noory, deserving to be tried Publicly for the
traitor he is, and be formally executed after his day
in Court. Our Courts. Teen soldiers have been conned
to die by George Noory for the escape of the neocon
terrorists who committed 911 with Condi, Runsfeld,
Bush, Myers, Tommy Franks, and General Ahmad. AND
HAPPY GEORGE NOORY KNOWS IT - and cons with lies
naked to the ear of any who can listen or hit record.
A NAKED traitor to the cause of Liberty if we ever knew
one regarding the War Crime facts of Iraq. .And
Ian Punnet is an evil godless enemy Bush whore who
lies too to get YOU killed as the innocent soldier
forsaken so don't forget.. It's YOUR life. It's God's
Gift. Now support our rise for popular international
debates to get these Neoconners behind bars
awaiting Public Trials! "Public"thatsoyu!! Get to
the Phone to call someone to care man.. Johnny
Jesus has arrived! Justice Will Be Done in this,
Our Kingdom to Come.

Justice to the war criminals of
indiscriminate warfare would better serve ourselves
to halt for our safety. The bushmob did 911.

Humanity Under Attack by the Zionist Enemy of Life

GAZA APPEAL THE BBC & SKY REFUSED TO SHOW
http://www.youtube.com/watch?v=c9kwpxlZorI

Not only that but the BBC argued that to show
innocent Human Beings suffering, in CRITICAL
life threatening need of desperate food and
water that Israeli nazi stole, (because they are
unlawful murderous thieves), would have them look
like they were partial to serving Humanity's
interest in compassion for US humans. Over the
Israeli terror Nazi tactics of indiscriminate
slaughter for more Amerikan welfare. Wicked evil
nazi bastards who too, DO NOT THINK IT BEST to
report Peter Powers committed the London bombing.,
Oh yeah, and mercury is neural toxic, anti-psychotics
make us crazy, and sodium fluoride makes us
stoopider while weakening your body for big cash
surgeries - ultimately leading to a profitable
death for dah' winnahs.. So, they, the BBC-NWOers
just needed to avoid the bath or shower,
humidity, Pepsi's purified bottled water product
lines, koolaids, swimming pools, Jacuzzi, Hot Tub,
Sauna, private Whirl Pools, and.. blh blh blh

/ / the FBI says no.. There is not a thread of
fact a zionist offers to form YOUR own mind in
respect for your rights being equal to ours. \ \

Who is the guy who keeps writing such things,, and
shouldn't he be recognized as Promotional to raise
all spirits towards a better future? I'm with him.

Olbermann | Bush Years: 8 in 8 Minutes
http://www.truthout.org/011809Z

Bush and Cheney are traitors to the cause of
American Liberty. To leave them free, is to leave
America un-guarded from further transgression.

The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know
these FACTS that demand arrests of the culprits
responsible for high treason against Johnny's
America. Alex wants your money, and EVIL George,
our enemy, wants your soul stolen for Satan.

Turley: Obama 'accessory' to war crimes if no prosecution
http://rawstory.com/news/2008/Turley_Obama_accessory_to_war_crimes_0127.html

Understand, Alex Jones doesn't want Justice
for Americans because he loses out to better
men that usher a greater life. He doesn't want
the evidence of George W. Bush made public to
defend American teen soldier's lives. The true
fascist Alex Jones, who in silence supports the
escape of Bush for treason, will fail our true
voice for Justice in our times. WE DO NOT rule
the truth we share equally committed to defend
ourselves from lawlessness. And you'll never
rule my right to speak freely over your intent
to sell us all out for monetary swindles, just
like Ron Paul did. Understand: Ron Paul doesn't
even acknowledge 911 was an inside job, or, that
Bush gave zero evidence to form Your opinion.

Alex Jones, the Slave, told US today that
he challenged Bush for eight years - Bushite
lying nazi traitor. Not only that, but he
also ridiculed those who wish to blame Bush
now for anything! Again, he doesn't want
Justice where bad guys can't steal from
ourselves unrepresented. Ron Paul is a
multi-millioniare, made rich by charitable
aid conned from Alex Jones' NWOers! Alex
Jones doesn't have a problem with that, we
do.

Israel to be Judged - Universal Petition
http://www.tlaxcala.es/reponse_signataires.asp?lg=en&ref_campagne=10&Page=1

The demon LIAR zionist Israeli is a godless enemy
of Humanity, much like everyone at Foxnews, CNN,
BBC, and the CBC. Our revolution against the godless
bushite shills, will not allow our revolution
through speaking honestly, (to become of ourselves
something greater), a chance to be televised for
our benefits. Bush closed criminal investigations
immediately after 911. According to the FBI and
Senator Dashle. CNN says you have no power, Foxnews
says you have no power, the BBC says you have no
power, the CBC, the same, like Alex Jones NWOers...
but well, don't believe it. YOU Do have the Power.

We must demand open communications to bring back values WE ALL would agree to through polite debate. "Conservatives" don't want this Freedom idea expressed in general terms because, a "conservative" is universally, minimally. a bigot. Why? Life isn't like, their way, - then- all other opinion under the sun on how things actually get done. (Aka "socialist" traffic light repair men, or "liberals" who want to treat The People fairly). Or who we are as equals to our laws fairly practiced. Pay attention to what I am saying here. Liberals can be Dicks with a capital D too of course. But a Hannity couldn't survive 2 minutes with me speaking on his very real treasonous behavior in OUR public arenas. Behavior done to escape the 911 culprits from the long arm of the Law, with his conscious will of criminal deceit exposed, we all learn to better defend ourselves. And Shawn Hannity can't have that for ourselves, he takes too much money from ourselves as talentless by keeping US in the dark dying needlessly for traitors never elected publicly.

Who am I you ask? Johnny Law. at your service. Look me up with usenet to discover, we live in a world of idiots everywhere pretending to be somebody by lying. While I want US all to truly improve our condition by actually understanding how bad off we are by failing to respect ourselves for correction. Too many, know it alls, with not enough to know you need evidence to form a guilty verdict against an accused man or woman. Not according to CNN, CBC, MSNBC, Foxnews and the like however. Let's change this by supporting my challenge for top billing at the Coast to Coast radio show hosting. Look for me coming soon!!

Unseen Gaza High Quality: Part 1 of 6
http://www.youtube.com/watch?v=UeezoWRu1FU&eurl=http://whatreallyhappened.com/

Why is it that numerous visits don't change the view count? What is this business of a=a+1, the top secret, I'll go rhythm, that is way beyond our comprehension in it's scientific complexity? For Americans, okay, but the Human species just isn't this dumb.

While Zionists OFFICIALLY target Christian school girls for mass murder, CNN instead reports that bushite grunts attacked girls in Afghanistan, posing as Taliban. I WILL every celeb at CNN to be arrested, tried and executed for the reporting they have done today without facts. Remember: the Taliban played no part on escaping those responsible for 911, and opened schools for girls, and were brought together on the single purpose to defend women. Death to CNN reporters to LIE for killing OUR school girls. I HATE zionist enemies of Humanity and God I am.

The Torture Ban that Doesn't Ban Torture
http://atheonews.blogspot.com/2009/01/torture-ban-that-doesnt-ban-torture.html

/ / Obama's Executive Order bans some -- not all -- US officials from torturing but it does not ban any of them, himself included, from sponsoring torture overseas. \ \

Is America a nation of Law to Live freedom? Because this SPECIFIC deviant action of Obama warrants the death sentence under Reagan's "War Crimes Act". SPECIFICALLY. Or, is it you falsely believe Obama can do no wrong against innocent people here, where an illiterate nazi grunt, maybe from South Africa, will kidnap YOUR children, and torture them to death for sadistic pleasure, with as they did using power tools caught in Iraq, according to Iraqi government official(s), and several soldiers from Oregon, all because Obama has given an ILLEGAL! "excuse" to NOT support following the crime scene leads at our REAL murder scenes? Again, death to the bushite dumfuk enemy of God, death to the enemies of a freeing Humanity striving for a just society. Obama needs to be arrested for this under the Law as it stands I'm sorry to say my friends. Why? Torture is illegal in all 50 states, (as Reagan directly planned), no matter where you ship the innocent victim to, or from! Read the War Crimes Act, then demand Justice today, otherwise, it's YOUR funeral. Obama wants to secretly torture Peoples here, while lying to US ALL that he doesn't! A TRAITOR! Who also wants to give bankers 100s of billions of dollars more to disappear, that WE pay for, out our door, never to be seen as our own again.

Alive We Say

And Alex Jones gives us the same guy twice
a week that blames the Illuminati, while
encouraging that YOU TOO! can get money
for nothing like the banksters. Just give
the Alex Jones', NWOers, the "truthers" money
money money money. No time for affording the
explanation that the TREASONOUS bushmob
doctored the NIE. That Saddam wasn't in
violation of 1441. That a NEOCON is
identifiable for it's demonic LIES
against God and Man. Never to tell, the
private bankers don't cover OUR loans,
that Bush PERSONALLY worked to close
Police investigations immediately after
911 (obstruction), or that WE have video
of iron flowing like water that PROVES,
without doubt, bin Laden couldn't have
single handedly placed the explosives
in the buildings, or stole the black boxes.
Because someone surely would have spotted
him dragging his dialysis machine what with
all the professionalism of corporate news
media coverage regarding our horribly
suffering worlds. Alex Jones ignores the
treasons of Bush, as a Bushwhore, and
instead, tells US of how Obama is Bush on
steroids. He only wishes. What about
Justice for Americans Alex? Why for do you
forsake ourselves? For money? What about
the lives lost to mass murder, that you
allege to champion OUR TRUTH without saying
much of anything on real Freedom?, on real
Justice like your deviant election rigger,
Ron Paul? Well, no wonder, Alex told US he's
into shooting innocent American People in
the back as a tyrant of evil, a white Devil
if you will. Kids too if you dare look in
his back yard for a copper. See? Now if Alex
doesn't allow US to speak, more and more will
understand to know why. I am a defender of
all that is right and just in this world,
because I don't need to lie like Alex does on
a huge host of issues. I'm more like Jessie
Ventura, in where I don't need/want to lie.

If I end looking foolish, (of which I like never truly am), it's a benefit, because that way, I've learned something. Alex knows everything already, and 'is always right'. Like I say Retarded. You weren't right by not understanding that the banker doesn't cover the loan. One example of easily hundreds. He's a typical, he knows it all, know nothing dumduk American. Hear him on health care speak as Ron Paul does, and know, I defeat them in under ten seconds. TEN SECONDS. This is why he hasn't in years, allowed me to speak more than five or six words. He's rather all America die, than admit he does NOT rule our 'Ocean of Truth'. I want the challenge of opposition through debate to PROVE my skills beyond reproach. Alex, every time, just hangs up on anyone who tries to improve our communications by factually speaking. Why? Because he IS TRULY deeply ignorant on what freedom or Justice means. Why we have law. What a consensus is. Allan Watt is severely disabled in this regard, another Alex Jones favorite. And this is why, Allan can't take calls openly either. He has jerked off with himself too long to quit now learning super basic precepts, for like Alex, he "knows" the inner workings of the 'genius' NWO elites. Not Law 101, not Bush, not Rumsfeld, Not Condi, not Torturers, not bank robbers, rapists, or even petty thieves. Allan Watt isn't a bad guy, he's just a chauvinist pretending he actually knows something, when his real disability is directly related to his absence in understanding understandings. Doubt is a near foreign concept. A challenge for Allan: can you get your 'genius mind' around the fact that Peter Powers did the London bombings, and not the Illuminati of 1463? and if not, why are we so dumb to our present plight that way? Don't get me wrong, Allen has much to offer, it just isn't the issue right now on saving our dying futures. Maybe I was too hard on Allen, he is really actually kinda cool. Alex Jones too has many incredible moments of ecstatic clarity increasing in all they joy of seeking enlightenment. .. Ok - but this is serious business that requires little dilly dally with what we'll have as a side dish in Paradise Lost. We are talking Human Lives have been destroyed by our inaction to remedy these failures to communicate

effectively. and.. Jeeze, the weight of my responsibilities, as just plain John, being a/the Legos Man - for like the Family and everythings, get's me never forgetting, all we got are these words left dormant from the power they truly possess in the minds of the wise asses. And.. here I am. I'm a Talker of Words looking to make a break in the NewZbiZ. Zzzz... Alive We Say! Alive!

King Johnny, from Earth, has come for talks.

The Zionist enemy, the most evil nazi sons-of-bitches who openly advocate tyranny and oppression through mass murder of ourselves as the innocent left targeted defenseless. Enemies of Jews everywhere, the Zionist cares not for facts on who's Life it destroys for stolen gain by lying. That's why they target Jews, for fear the Light of Truth would expose them as the Nazis they are.

Hamas doesn't have a military though, so, why not demand the arrests of those who broke the truce, and murdered innocent people indiscriminately, on plans more Jews would die for cash profit? Profit paid for by zionist amerika? - the false imprisoning torture and rape center for Neocon Freedom.

The self-defence defence
http://www.guardian.co.uk/commentisfree/2009/jan/23/israelandthepalestinians-gaza

/ / This has been a central theme of the war in Gaza: not that hundreds of innocent people were killed, not that over 5,000 were horribly injured and not the sky-high human and monetary cost of wrecking homes or razing infrastructure. \ \

Court petitioned to arrest Livni upon arrival in Brussels
http://nawaat.org/portail/2009/01/23/belgian-court-petitioned-to-arrest-livni-upon-arrival-in-brussels/

"We believe there were dozens of IRGC personnel in the Gaza Strip during the war," an Israeli source said. "Some were killed; others went into hiding, and others escaped."

See? the demon enemy of God speaks no evidence as a TRAITOR to every Jew. A terrorist nation that still steals humanitarian aid in

our public realm of left defenselessness. The
false allegation deserves a death sentence
by Jews against the war monger Zionist enemy.
A cause that Iran should champion, if in fact!,
this allegation by OFFICIAL WAR CRIMINALS WHO
TARGET FOR MURDER OUR SCHOOL GIRLS, is on it's
face, unsubstantiated as patently, demonically
false. As typical from any godless Zionist.

Where are the Americans asking for the
formal arrest of Bush for high treason?
Whoring for Alex Jones's contempt for REAL
Justice? The ignorance of all American
talk radio hosts speaks for itself. NO
knowledge on why acts of high treason, are
crimes against every American. The bushmob
doctored the NIE, and Alex doesn't want
Americans to know, because if they did,
they ask, why does Alex do everything he
can to escape those personally responsible
for 911, while then asking for money to
continue his fight against freedom in
America. Again how much money do we have to
pay Ron Paul or Alex Jones before they
will allow the knowledge of the Iraq war
against Human will is criminal? How much?

Obama! feel free to call
on me to help out with a plan for judicial
actions. That offer goes out to everyone in
Palestine, Canada or Britain too. Russia,
let's help out these fools by freely
communicating, what say you? Justice
for all is freedom to be. The Israeli cop
killers must be brought to justice for war
crimes. Those cops, were cops. And I,
am a man.

Alex Jones Rocks!

Now Alex has problems in "my" mind because I am
an ACTUAL genius, and he is generally, an idiot.
Today, he did one of his usual commentaries, however
this time, he was pretty honest with himself, and
his love for Ron Paul. Ron Paul sells incompetence,
and Alex corrected correctly!. that a.. sorry Ron
but these banksters know they're robbing us as
undefended blind men essentially. That's what I'm
talking about!! Look, Ron Paul can be a dumb Ass,
although, he's still not all that bad a guy. A Dumb
guy on things like economics sure, Justice, warfare,

Health Care, Social Security, ect. ect. but still.,
like a child learning of why the sky is funny
blue, isn't all that bad a guy really. He's
certainly not a war criminal, like Bush or
Rumsfeld are. Doing 911 then sanctioning torture.
While Neocons Champion sending illiterate American
teens for death as war criminal. Think about it.
Maybe he is..

-

ï¿½We have all these documents that are now
publicly available that prove that these
methods of interrogation were intentionally
ordered by Rumsfeld,ï¿½

Let us understand. These actions "give" a guy
like Willie Brand "the right" to RANDOMLY kidnap
men, women, or children, and torture them to
death for sadistic pleasure with his faggot
Capt, Christopher Beiring. (I think that's
how it's spelt). But anyway, this is the truth.
A bushite is a godless Zionist whore of Nazi
evil, an enemy of America, who wars YOUR Freedom
with criminal "excuses", for refusing to support
the arrest of those responsible for 911. A
TRAITOR, and could be wannabe rapist, robber, or
911 mastermind ringleader. Torture is illegal,
and warrants the death sentence, according to,
Reagan's "War Crimes Act". Some only suggest,
that this was why someone tried to kill him as
honorable. Death to the torturers of our
innocent families, torture they do without
apology as Zionist Military "Judges". Instead
today, where they get salaries paid in the
billions by the zionist giving nation of,
a-mirror-kay, echem, America. Johnny's America.
A nation where Justice will rule for the favors
of all treated equitably with or without you.
Honor me in company my friend. We have no rivals.

"they do not understand, the private banker

banker reach into it's pocket to borrow US
to begin with - so as a consequence, the
bankers have just pocketed all the 'free'
loot for nothing, TRILLIONS, and are not
saying why should they help anyone else

wasn't any of our business with what they
did with the money. (But for to cover criminal

fraud in the derivatives market, where
the true value of said commodities were

at the outset of the most brutal Israeli war on
Gaza that it was the Palestinian side which
is held responsible for violating the six

She lies, Innocent Christians die.

Nazi argues it's good to get killed Jews by
breaking truces with prison camp.

They shoot Peoples indiscriminately telling US
that's how evil they are to argue it's Your

This post was passed to near everyone in our Secret

every Neocon Nazi Zionist pirate of OUR Jewish faith
for Public trial on LYING for War Crimes against
our dying Humanity. War Crimes against God.

A ZIONIST LIAR'S TRUCE

Again, the Zionist deserves to die by public trial
today to defend the Jewish faith. Look at usenet.
These demonic enemies go, 'yeah, Hamas broke the
truce', they do it to kill you. To steal the lives
of innocent Peoples to profit off our deaths as
victim.

Satanic hatred for the survival of our species. I
beg you, hunt to bill the zionist war criminal who
charges we will not succeed to see every last war
criminal on this planet hunted down to complete
extinction, by public trial, then Jewish firing
squads. The Zionist has bombed US, The People
indiscriminately with out cause. It was Nazi
Israeli that broke the truce to get killed

Jews for money. They starve Jews in Israel
to attract more charitable aid they can use
elsewhere. They, as Nazis, will continue to
murder Jews for money unless WE DEMAND, their
formal trials and public executions. They have
murdered our families, and they will pay will
their lives for it as the directly responsible,
and in no way, will escape our rages against
them as the enemies of every Human Being
Living for Freedom. Every Human that loves
children. They HAVE ADMITTED to targeting the school
girls for murder with lies they were caught
doing. THEY DON'T GIVE YOU EVIDENCE. And when we
get the facts, it's near always exactly the same
thing: they steal our Homes, they STEAL our
lives. God calls the Zionist Jew Enemy of

Wow. The demon LIAR will also say Hammas broke the truce, and Israeli started this by stealing innocent peoples homes, then imprisoning ourselves, the victims, in a death camp for indiscriminate slaughter. While they continue to STEAL OUR CHARITY by breaking truces. What is it that YOU can't picture?

/ / they committed collective suicide - men killing their own families, afterwards each other, until one [evil zionist liar] remained to kill himself. \ \

ISRAELI IS A THIEF WHO CAN'T SPEAK OPENLY IN DEFENSE OF OURSELVES IN OTHER WORDS? That is right. They, as documented criminal, lose every debate personally since before the dawn of Civilization because their position is clearly unsound. They are criminals who murder People in hate for a freed Humanity. They OFFICIALLY steal Peoples homes in that country didn't you know they proudly proclaim it so? And steal humanitarian aid from starving children. Targeted to murder children specifically as publicly confessed, 'it is Hamas WE blame', not them as demonic child murderers. Hideously evil as ungodly sadistic savages. Enemies of YOU, enemies of them, and enemies of me, the King of Jews Christ fellow from beyond the grave. They are so evil to God and Man, they tarnish everyone of US to not win justice sooner by blaming the actual bad guys. Justice is Freedom.

/ / Those white phosphorus shells used on the Gazans are made in the USA according to Jane's Defense. \ \

Again, these peoples are not Jews. Being Jewish is a religion. These thieves of God are Satanic in their LIES to betray the common trust in our words, that bind all worlds to victory, called freedom universal. Even tales of the Devil have him keep his word, with verses specifically condemning the self to damnation for targeting the innocent for death. God's the Word. Every word inside a fool's paradise. Including the periods. Not as like, I'm playing a word game, but that it in wonder, is all strangely here. Example: The Universe as it has existed always, is not separate from our 'pauses', or faulty drawn conclusions. The universe, in one sense, was as good as anytime, created 6000 years ago. AS TOO 50 billion. You say, impossible, I say no, study quantum physics, and know, I live this.. our existence is not scientifically separate from the timeless nature of consciousness, proven as not only theoretical, but actual. That is a first step at developing a REAL relationship with the living Universe if you want to as like an artist does - that TOO! can be just as thought static in it's orderly constructions for Atheists. (An Atheist is still mostly a fool here however.) Overall, for any, it's sorta simple: Life has left YOU in charge of YOUR fate. Now, do well to make something of this being as eternal Life reaching for balance, as your body does, and good cops do when bringing the bushmobsters to Justice. By Israeli calling for more murder against the innocent of your mind as racists and bigots they are openly, is still shadows of YOUR mind, YOUR WORLD.. get it, got it? God is in genius to set Life as this, as like, nowhere existing, but for as yourself within. Will you speak out for the Justice denied Humanity?, or not you? Atheists can be Just too!, but generally lose it on not understanding the intelligence of order is way beyond what they dream up with assumptions. All anyone has to do is ask themselves, who do you mean "God"? Atheists are ridiculous!, but, to each his or her own, we are on a path here, believe what

you want to believe. This is not a faith
initiative I'm bringing by keeping this real,
I DEMAND JUSTICE BY OUR WILL BE DONE.

A zionist cabal of criminal pirates who murder
Jews around the world for stolen money is
seriously evil as criminal. What do you think?
Let US have a open line discussion on this
indivisible matter of rights to all as equals

to pay them at GCN, before they will acknowledge

raping American women as lawless enemy of Life.
Americans are indeed, selfish, like all the plane

less that Israeli nazis are openly targeting our
Christian children for murder with their tax
money, as unimportant, to how long they stood on
a plane wing, now approaching it's third day, of
wall to wall coverage. Telling us again of how
Christ saved your life as a lifeless degenerate.
I, as Christ, am really starting to hate all
Americans in total now. How difficult is it to
pick up their phones? They don't, and I'm beginning
to believe it's because, like GCN, they really
don't care for the future of our Humanity being
left for dead as continuing victims to EVIL liars.

Simple Common Sense for Mankind

/ / Israel has admitted HAMAS kept the cease

total starvation blockade on Gaza followed by
flaming death from the sky aimed at schools,
hospitals, ambulances, and children, and you

a "mob?" \ \

Zionists are evil people who pretend they
are honest, when lying directly to everyone.
Blitzer reports Hammas broke the truce, he
is lying to continue the murder of innocent
peoples. Understand: Israeli Nazi state they

will continue to murder our innocent Humanity
until the rockets stop falling on Jews. Yet,
they broke the truce, and murder Jews routinely
with reckless abandon. Jews from the Bible as
of "nigger" Ethiopian, are what the Zionist
hate when warring GOD for apartheid, apartheid
that is Humanity in Gaza. A zionist is a war
criminal who speaks not against the neocon,
but against Innocent Humanity as YOUR enemy.

Not the Nazi Israeli?

The guilty party are those who advocate these
mass murderers of innocent peoples with
deliberate lies, like from Blitzer. Blitzer
will be tried, and executed a war criminal
for stating Hamas broke the truce., Where,
only two minutes earlier, he learned, that
it was his Nazi partners. DEATH SENTENCE.
It was on TV. BUT SEE? Ron Paul, the Libertarian,
ain't going to be honest here. He'll lie cheat
and steal Humanity's voice for Justice - like
he did with OUR money. A typical Libertarian
like Alex Jones who wants to blame "socialists",
"Liberals", aka, all of innocent America.
Blitzer is war criminal, who makes his own
discussions. As is Ron. What an enemy to not
mention the truce. THINK: IT IS THE ISSUE. But
Ron plays the dummy to kill more with contempt
for Freedom. Ron Paul, the bigot, asked,
'should we be doing this'? SEE? it's not first
degree mass murders, no, according to Ron Paul,
it's argumentative that indiscriminate mass
killing is a good thing really. Remember,
Ron Paul does not support arresting those
who committed mass murder on 911 either.
Or those who STOLE TRILLIONS. Or lawless Bush,

the ACTUAL AntiChrist enemy of God. Ron Paul
will watch America die for a stolen dollar.
And Alex Jones will refuse all calls to label

Ron Paul "When we pick sides, we make it worse"

Remember: Sadistic authoritarian George Noory

Jones doesn't hear a problem with that
either. Love the bushite blindly, and

Ron Paul "Israel can not act without
Washington's approval"

So, it is Ron's fault then by not mentioning
the truce?, or as that, innocent People are being
indiscriminately murdered in a death camp that
he figures is argumentative? that innocent
People are dying as targeted for mass genocide?

Who is it of US innocent folks do you wish to
MURDER, or torture next as a Zionist war criminal
for Satan Obama? Torturing kids is popular in
Israel, tell US Obama, which American father will
have his children tortured, or murdered
sadistically by yourself as a whore for Nazi
Israeli? tell us, we're not waiting.

The Chosen Bad Example

Zionists Destroy Our Homes as Satanic
http://www.youtube.com/watch?v=mo2HW4T7wK4&feature=related

When I see the women and her child, left outside
while they sadistically destroy her meager gains,
I grow weary with ourselves for not speaking right.
Nazi Israeli are committed to deny US our God given
rights as Innocent persons to speak freely for Justice
realized. All because they STEAL our Lives for monetary
gain. It is our reality, give it or take it, YOU LOSE.

Then.. Hammurabi founded Civilization.

I go concerned for any hesitations of condemnation by
Obama. It's like, he's talking some jive about
how now he'll NOT let the words of Hamas reach
his ears. Being against war criminals, doesn't make
you pro-Hamas, necessarily, it means your against
war crimes to defend the lives of ourselves respected.
Remember: He told US earlier during the campaign that
he wouldn't fear speaking to anyone, Hamas especially,

because he was confident he could win the discussion on Liberty, by principles that unite all free men. Now, he has promised the FBI's Most Wanted AIPAC, he will pretend to not hear any calls for fairness as all parties united by common cause. Johnny Who? Where did you go Obama? You were here, then.. pooof! you vanished into the loving shackles of convicted/ing criminals is a mass, "WE ARE TRAITORS TO JUST CAUSE" organized war crime outfit, dedicated to deceiving the Public by lying. I am not Lying. I'm not saying I hold his associations as a measure of himself, I am concerned with him stating, he will not hear our cries for Justice, as then AIPAC cheered. I was as freaked out about it as you maybe yourself now, believing it as possible. Check it out for yourself, and wonder, just "who" is this person they tell us they're are going to take for as dying fools? I mean look at what happened to what's his name, when he sided similarly the same in error as hugely criminal? Come on be honest with us son, "Are you on drugs?". Maybe he's just been stressed with all of everything he is heaped to follow on, NOT to know by Blitzer, that Israeli broke the truce to kill more Jews for money, and, also STEAL innocent Peoples Homes while saying, "they are God's Chosen". Yeah, chosen for, "The Bad Example", of how Jews are left undefended by these grave robbing war criminal nazi forces. As the King of Jews, I call for Public War Crimes trials of the entire bushmob as terrorists, and their supporters for lawless tyranny.

People are Coming to Town. Justice for All Coast to Coast radio broadcasts all, until we have secured the neocons in a prison cell awaiting the treason trials.

We are Good to Go. Rise Up for innocent Life, or don't and see where it'll get you in the end.

Nazi Israeli STEAL Peoples Homes without apology, as a function of their SATANIC government, while collectively bombing the INNOCENT victims who die because of it.

Gaza 2009 - Operation Cast Lead
http://www.youtube.com/watch?v=hFEiOfLUfzY

Again, they are Satanic here because they THREAT to tell you, yeah, Zionists are casting the leads for the real mass murder scenes - Justice denied Humanity. God doesn't exist to defend yourselves

from war criminals for Satan.

War crimes trials with public executions
will commence against ever GUILTY zionist
living to lie that Hamas broke the truce,
that Georgia was attacked without provocation,
(again, CNN are not 'accidentally' conning
US here). And trials for every last living
bushite bomber, rapist, and torturer -
death to the bushite, the true traitors who
war against freedom for America, traitors who
war Innocent Humanity for the escape of the
neocon zionists.

Both parties cheerlead loudly for Israel's war Against Humanity
http://www.salon.com/opinion/greenwald/2009/01/08/israel/index.html

Death sentences MUST be willed by Christians for war crimes.
Death to the bushite, death to the enemies of God and Man.

For the Great Truths. We Stand United

/ / This option is also regarded
as a non-runner as the US would certainly veto that
suggestion. \ \

No no no no. What you do is investigate who this
the "US" person is as the GUILTY party my friends.
The facts have spoken for ourselves without contention.
And while we're at it, try to figure who that "Army
says.." person is too, we need to know who these
traitors are who hide their names backing war crimes
to continue. The Enemies of Civility, they are
enemies of US all my innocent friends, enemies of US
all.

listen to the inflection of voice near the end of this..
the mind of a delinquent 7 or 8 year old.. This phenomenon
is pervasive, and illustrates some cognizant short coming in
Calcium or Zinc somethings. However, IT IS THERE. Normally, as
an Expert on Psychiatry, I dismiss the whole notion of
Psychiatry as I intimately know it as pure bunk wacky,
however the study of something here is needed if we're
ever going to convince ourselves dying indiscriminately
this way sucks. As the innocent for profit we pay for,
with lies sold without Public defense of mass murdering
demon traitors to the cause of US falling victims. God

says their Satanic, I just say they are criminals. War criminals easily convicted for murdering our loved families. They have no remorse for all that have been murdered already.. Livini should be on her knees begging our forgiveness, but she's not because she couldn't care less for any Jews, especially those she don't have imprisoned under threat in Israeli 'society'.

It's a 'bad' thing. nnNo.

Israel bomb attack Gaza Civils Palestinians 27/12/2008 launches missile attacks on 27 Dec 08
http://www.youtube.com/watch?v=tQLDBujnwEE&feature=related

This was what Israeli did as a legitimate murder scene, committed after the Nazi Israeli Jew HATERS broke the truce. More dead Jews, more money to be rich with. and we'll blame it on that God nonsense. We must demand war crimes trials from Obama, and everyone else down there who is appalled at this indiscriminate mass murder continuing in your name. We need arrests of Zionist infiltrators within the American military who have been shipping weapons to nazi Israeli to murder more defenseless innocent People as targeted. Obama must demand death sentences against these ungodly Zionist vermins for treason, warranting execution for the war crimes of accessory to mass murder, or genocide. For the Great Truths. We Stand United.

-

Here on a Mission

/ / after dropping leaflets warning residents it was about to "escalate" its offensive against Hamas. \ \

SEE! This is AFTER fire bombing the whole community. Satanic evil enemies of Life. Who admit to targeting any one who has ever so much as swept our streets, warranting bombs dropped on their Block(s). SEE! they are ENEMIES OF EVERYONE. EVERY LAST ONE OF US. INCLUDING GOD.

Riddle me Dumb

Hamas Workers and/or Troops? Out hiding in the mountains of Afghanistan you mean right? Satanic enemies of all Humanity I tell you. The most evil nazi sons-of-bitches who openly advocate tyranny and oppression through mass murder of ourselves as the innocent left targeted defenseless. Enemies of Jews everywhere, the Zionist cares not for facts on who's Life it destroys for stolen

gain by lying. That's why they target Jews, for fear the
Light of Truth would expose them as the Nazis they are.
It's a prison death camp, brought about by Israeli STEALING
OUR Homes as ungodly thieves. Thieves who leave a Jew
to starve to death in a garbage dump because, it'll
attract more charitable aid The Zionist can use
elsewhere. It's not a Jewish thing, it's a criminal
matter. They STEAL innocent Peoples Homes in that
country. God's Country? God would will such criminal
offense? Which God? Not the God of Abraham, nor by
the teachings of Hillel, Christ, Mohammad, or
Confusion? So which absent God do you speak where WE
can't speak as ourselves openly for Just Cause?
Cat got your tongue? How come your not saying anything?
The Israeli Zionist ENEMY wants US ALL in slave
labor prison death camps silenced away that's why!

Israeli War Crimes
http://bothwell.typepad.com/whos_your_nanny/2009/01/israeli-war-crimes.html

Well, maybe I'm wronger on Ron Paul than I needed to.
Hey, don't you EVER forget, I am a man also. We need
to meet on common grounds, to demand the start of
formal arrests for the bushmob crimes of 911, Iraq,
Afghanistan, South Osettia, and Palestine, as a group
together united by agreement for this one cause, and
then... we can later argue about how your ideas are
better than mine because I actually know of which
your speaking.. Hey! you could call me Daddio if you
wanted! To the telephones we go.

Israeli are attacking prisoners held criminally
in their own Death Camps!! GET ALEX JONES ON THIS!

Hmm... why wouldn't Alex? to support his fictions
over Our Rights to Live Free perhaps? A Hero adapting
to the deaths scene?, or, a Bush whore committed to
enslaving Humanity, all so he can say, he told US so.
Big hero or big hero. Your NOT powerless to his vision
of complete control over information. He refuses 911
info, Iraq war info, Israeli info. All so he doesn't
have to look the fool, while Humanity dies with his
insults against our wills to make something better
of ourselves. Justice is what I will. Masturbate on
your own time Mr. Alex Jones.

If he states again about how he knows everything,
and is always right, and those that criticize
him on ANYTHING are delusional, it's going about to
make everyone further sick with this obscene take on

what life means as Alex takes it. If I truly state
two nickels make a dime, does that mean therefor
they make a quarter also? If I say so like Alex
would? He is an idiot. Truly. George Noory figures
Hamas broke the truce, and that the Mideast solution
is that Jews should be separated with special rights,
as oppressors over the freedom of every Palestinian
Prisoner, and what's Alex Jones gonna say about
his 'truth telling freedom fighter' George to actual
'lame ass evil nazi traitor' George?, to YOU about
how George is just trying to murder millions of
helpless people as an offer for the final solution?
We can expect Alex now to claim, Zionists should
have special rights over Jews, all to maintain
his FICTIONS on Noory being anything but the
monster to Humanity he is. Just because Noory
doesn't growl when talking about murdering all
children in around the age of 15, or against
soldiers who refuse criminal orders, does still
make him a true fascist nazi enemy laughing at
your murderers escaping to live freedom in
our dying forsaken worlds. The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know
these FACTS that demands arrests of the culprits
responsible for high treason against Johnny's
America. Now, who's with yourself. I am! I am!
I am!

Alex Jones doesn't know squat of Social Security, but
pretends he does, like Ron Paul does when speaking
of the Federal Reserve, Health Care, IMF, World Bank
blahblahblah.. I mean even the expert of experts
Alex has on near twice a week, EVERY WEEK, to talk
all about how the Illuminati are doing everything,(give
me your money now for whatever), DOESN'T SAY TO KNOW,
it was Chris Cox who changed Investment Banker rules,
to cover instead one tenth of WORLD INCOME loans,
to one twentieth. MORE THAN DOUBLING THE ENTIRE GLOBAL
MARKET FOR LOOTING WITH HIS SIGNATURE! (And. that isn't
even a fifth of the TRUE trillions dollar fraud story.!)
Now, granted, I wouldn't expect one tenth of one percent
of America to have even a distant clue of which I am
speaking, but importantly, Alex's expert of experts has
never mentioned it. EVER. Why? He don't give a fuck, but
how much money he can get you to give him for investing
in things that are un-important to our struggles, but
for the fact, he states, you'll get free money for
nothing!! OUR ACTUAL PROBLEM. It reminds me of those

Ron Paul dollars... where Ron'll fix everything, cause we, as a private company, are going to make YOUR money instead... holy fuk mon.. Talk about the kettle calling American racists. Thank God the FBI stepped in. (The answer unfortunately is not nowhere as easy as Alex would blindly lead you) - again, so I guess it will be, Americans were just too far gone as illiterate chauvinists, who cared too little for your freedom as themselves degenerating. Why? To battle tyranny they knew not Justice wins the day, and blamed innocent groups gathered wherever, instead of following the crime scene leads at the real murder scenes - like was once done on TV and at the Movies. But even that was too far above their doped down heads, to raise their finger to dial a phone number.

How about stating "A lawless bushite enemy wars America as a traitor, to escape the neocons from the crimes of 911."

Then Alex states the head of GCN is giving out gold at less than it's value as a special treat, every second or third week. Below wholesale. Now, really think this thru. Do you think Alex is trying to con you here? you bet. That is the Gold Racket. Diamonds are another thing - where I've personally seen, about a decade ago, a huge press that makes Diamonds out of coal. Swear to God it's true. Costs to make diamonds are pennies to the thousands paid to Zionists who live in Israel calling for the murder of all innocent Peoples. Where is the rich Zionist, grave robbing Jew hater to demand Justice for our times? Where? Pressing coal into diamonds, while advocating the murder of our entire Human species. THEY WANT TO KILL GOD AS SATANIC ENEMIES OF LIFE. While I am last known to Life's enemies as Jesus Christ, the Zionist's end every time. I'll have brought more Zionists to their rightful dooms, than any other, of any time, anywhere. I HATE Zionist bushite LIARS to death, all because I Love Humanity too much, to watch US die undefended as the innocent forsaken. They can change their evil ways, but till now, often not, benefiting off our suffering as war criminals who simply lie as demons to steal our Human values. Let's change this for our betterments. I mean the Halo is a dead give away..

The head of GCN has a son warring God to rape American women as lawless enemy in Iraq for the Neocon - again NEVER mentioned as something worth fighting against for Freedom in America - soldiers are suppose to REFUSE criminal orders - but not when Alex is at the mike.

He will never mention the Bushmob doctoring the NIE to con America for death as exampled, because it doesn't fit his fictions, where all the bad guys escape because they are geniuses headed by secrets so powerful, nobody can ever know'em, except Alex. He tells us near every day, he knows everything already, and is never wrong, therefore you can't criticize him. Bullshit. It's like he wants to be wise like Johnny Gawd is, without doing anything like studying for a test where the teacher actually does know the issues. He told US today, the British came up with concentration camps, from the Indians - who spent all their lives murdering themselves. The British 'invented' false imprisonment? The British came up with the, Jews Killed Jesus? The British invented Pope Gregory VII? I suppose Alex has never heard of Ghettos. SEE? he just pulls shit out of his ass, and calls it like it's truly pure gold you'd wanna buy. Those, like your typical American have no clues, so they figure, Life must be sorta so that History is all one big Alex Jones NWO cartoon. What? that the NWO did 911, and everything else that use to instead, require criminal investigations to nab the actual evil doers? Alex Jones IS the NWO he tells US all we should be concerned about never stopping, like it was in the DARK AGES. Justice Alex, why is that hard for you as a "Conservative" to figure? Is it because you are cowardly in the face of true Liberty? Afraid that some People, on some Issues, ACTUALLY know a great deal better than you could even imagine presently? Don't like that do you?, where you don't rule this Universe as a lawless tyrant desperate to live in an illusion at the expense of everyone else dying victims to censorship? Does he try to find wise men or women? rarely. "Ron Paul [MUST] leads our truth movement" - like, fuck off already with the Ron Paul, The Truther, Bullshit Alex Jones. 1% is what YOU get on Social Security deposits - 1%. And.. Bush stole 700 billion. 700. Billion. That's 700 BILLION. It's a "Trust" account. A "Trust" Account. It's being held in "Trust" Alex. Ron Paul is asleep at the wheel. As, so are the rest of all you other fools.. I want Justice, and I want it now for all the victims of 911. Americans be damned, we want Justice, and We want it Now.

In Texas, child rapists are given the right to freely move about without fear that Texans will stand as armed Men in defense of their very own offspring. And Alex wants this for the rest of America. That some

how to own a gun, means an American would kill a cop
who beat a women near to death for pleasures that
he could never be Publicly arrested for, as a
sadistically evil nazi bushite fuck. Look, if YOU DID
kill that particular DEMON COP after the Chief
refused to arrest him, you couldn't possibly go to
jail in Johnny's America, because the truth would win
out in a fair verdict. And REAL cops would honor you
with great big, thank you. Nothing worse than a
cop (or bushite grunter) who believes the Law doesn't
apply to him while he drives drunk, tazers someone for
nothing, abuses Women, or kids, to sell drugs, or
kills good cops, who are good men. (Like mercs do in
Iraq officially for Rumsfeld's P2OG. Coming to an
American city near you!)

Again, the two Laws of Johnny:

1. No evidence, person innocent.

2. Torture? fuk you and die then

"Rice says it is 'hard' for Israel to spare civilians in Gaza"

We KNOW they are ONLY targeting innocent People,
the ungodly zionist Satanic enemies say so..

"Israel Rejected Hamas Cease-Fire Offer in December"

Livni has declared her country "is not going to show restraint"

"Her" country?

It's like she's admitting here, that they DO NOT
target the IDF's Hamas, but only our innocent lives
as a threat to LIFE and GOD. Remember: the Zionist
LIARS broke the truce.

THIS NAZI ZIONIST FUCK BREATHES THE AIR OF US
http://www.youtube.com/watch?v=lMxfEsooM5M&NR=1

/ / So, Hamas decides it's time to end the
cease fire and has begun shelling Israel again. \ \

This guy even sounds like the Satanic false
accusing enemy of God he is. Let US, as Humanity,
hunt these real devils down, try them, and have
them executed publicly for the benefit of God and
Man. Understand: this REAL DEMON knows he's lying,
no living man on Earth could spew the vile lies he
does to excuse indiscriminate mass murder, or starvation,
as this Zionist enemy of life sells to STEAL Your
HOME, your Family, YOUR LIFE. An open enemy of God
trying to STEAL the Title of Jew from Christ. EVIL

ENEMY OF LIFE. See, when a bushite dies, you served Life well in defending their next INNOCENT target. BILL HIM FOR STATING ISRAEL WAS STRUCK THOUSANDS OF TIMES. BILL HIM FOR STATING HAMAS BROKE THE TRUCE. BILL HIM FOR STATING bin Laden DID 911. BILL ANY Zionist FOR THIS TREASONOUS LIE. Why God asks? Because there isn't any evidence to support that Satanic lie. According to the FBI. And according to God, Zionists are not Jews, but of Satan as enemies of every life form in this Galaxy, Hunt him down, and bill him today for the love of God. You can 'hear' it in his voice.. how he lies TO YOU as a DEMON of a Hatred for Truth and Humanity. Facts, that are easily available, are not what he works to mislead others, others he hates, and wishes to murder for as ungodly sadistic pleasures as YOUR enemy. Bill him under American law for being pro-torture too while we're at it. Death to bushite, death to the murdering enemies of God's Love for Mankind, and enemies of TRUE Justice for Americans. The fuking demon enemy lies to you, as a con to STEAL your life, or just as soon, the life of another innocent other. Now, what are you going to do about it? Except his lies as exceptable, as he tries his hardest blatantly LYING to kill God and Justice in our Worlds? Not in mine, but perhaps Yours.

' In Civil-Contempt Cases, Jail Time Can Stretch On for Years for Americans, without Ever seeing a day in Court. '

Where are the arrests?, then firing squads for the Judges who 'judged' such criminality against freedom for US, the Peoples in America?

' Where Did Taxpayer Money Go? Panel Slams Treasury [FOR STILL REFUSING TO SAY] '

Where are the arrests?, they stole eight trillion and counting.. And Congress 'slams' them for disappearing OUR MONEY. Slams with what?, a, don't do that again please butt sqeeze? It should be massive slammer time, with a return of all STOLEN monies.

' THEREFORE, those pro-Israel politicians in Congress won their seats in part using stolen money. '

Where are the arrests? Amerikan bushite nazi grunts are assisting in the mass murder of innocent Christians in Palestine. War crimes demanding death sentences. It isn't an argument that can be turned around. Nazi Israeli

STEAL Peoples Homes without apology, as a function of
their SATANIC government, while colectively bombing the
INNOCENT victims who die because of it. It's a prison
camp! they are denied water, food, shelter.. since four
or five truces over that they've broken, every one. These
are Satanic enemies, willing War Crimes against God,
a God NOT loved by zionist American Nazis. And a Son
as powerful as the four winds, ridiculed by Zionists,
and American know nothings, for the continued debasement
of YOUR soul worth here dying.

Israel Attacks Iran News Station

Pictures of Alex Jones masturbating
"we were right about it all."

It's the NWO! The Illuminati! Not Bush, Cheney,
Neocons Gone Wild, or any of many other REAL
criminals, for the war criminals are just
puppets to his EVIL fictions. Forget about
Bush escaping.. Socialists who design traffic
lights, and Liberals who will to share fairly are
Alex's enemy, because he's fearful the FACTS
would escape his denouncements against truth
tellers. George Noory, one of the most despicable
individuals on the face of our great Earth
- is exactly the kinda guy he wants returned
to send his wannabe Patriots nowhere but to die.
What about Justice America? The bushmob doctored
the NIE. TREASON. There is video of iron flowing
like water from the towers, seconds prior to
the collapse. Alex ain't there to help US, for
that is where TRUE Patriots fight for real
Justice. When WE phone with indisputable facts,
on Ron Paul the bush whore sell-out for example,
he lies to all (GOD), then hangs up on US. Is

that the kinda freedom you think the Founding Fathers had in mind to give Your rights to speak for Alex who blames anyone but the criminals directly responsible for your funeral? The private banker never covers our loans, so why give them trillions without questions offered without answered as, never mentioned by the guy who is 'right all along on everything under the sun', and.. he 'rules the Ocean of truth' too don't you know YOU have a steak going all rotten to hell here also? You'd think Alex would take our call just for the challenge on where we stand? I'm free!

He is not. And George Noory tells us openly, he's into killing innocent kids for profit. George's profit is that apparently, by murdering all children in around the age of 15, will stop them from getting a clue at anytime in the future, to take him out as an ENEMY of EVERYONE for censoring our cries for Justice. Why is it that Alex would invite obstructionist, Steve Quail, or Alan Watt, on to lead you nowhere while they jerk off, but where we gotta go to actually defend ourselves? Steve has been on with Noory more than a hundred times, and, we'd figure, Alex will soon be delving into the Alien questions also. Answerable by me in seconds, but ahhh.. like Noory, doesn't want the truth of such a subject uttered, just endless streams of illiterate bushite dumfuk losers sucking on each other. While they wrest from US the wonder; just why we can't stop criminals from robbing ourselves, while murdering our families? Alex wants to blame the unstoppable NWO, while I, want to blame those actually responsible, like Bush and the proven treasonous, Neocon terorist liars who are pro-torture. With arrest warrants. All of them. I'll do it for Reagan's, War Crimes Act, as an act of respect for my Great America, that's isn't always been dying dead wrong under the leaderships of criminals.

Israel hits Gaza after UN truce resolution

/ / AP Israel and Hamas responded to a UN peace demand by hammering away at each other with bombs \ \

The IDF's Hamas is hammering away with what at who? Is the AP referring to the tin can rockets that travel usually several miles, but in one case,

22 miles? To kill a Jew standing outside in his
yard, thinking on how he would defeat true evil in
his time? Tin can rockets that contain no explosive
charge? Have no mistake, if it hits you in the head,
your dead, but really, what do you think the odds
are on that? E=mcï¿½. Or is this another, amerikan

"Plumber", who has amassed a multi-million dollar
fortune in the competitive industry by shit eating.
Every bushite death is a mercy given to God in defense

Crimes ever. The neoCON LIARS are the LIARS conning
you here on our TVs and Radio dramas, in where, they
don't want to openly take our public calls for real
Justice. Bush and Cheney are traitors to the cause of
American Liberty. To leave them free, is to leave
America un-guarded from further transgression. So,
them being "puppets" is even all the reason more to
insist in their capture for trial by Jury. A Public
Jury of our Peers. Now, who's in with You? You can
count me in. and I bet willed to action, we will find
others to be something of ourselves too.. Justice

freedom is as measured. Translated from the 'Alien'

evidence here Neocon traitors who false accuse to lead
us off the straight and narrow? It leads to Bush,
Cheney, Rumsfeld, and Condi that's why I figure, you

going to do about this sacrificing for godless tyranny
further then as unrepresented?

Israel Attacks Jews,
Silence from Mainstream about Violation of Law
http://www.youtube.com/watch?v=K1kt8qi0M-M

They kill Jews for money. They bombed Jews in Lebanon
for money. They want to bomb the HUGE sacred Jewish
communities in Iran.. wonder why? Zionists are not
Jews, for Jews don't steal in God's good name. Nor
target innocent beings for stolen gains. A zionist is
a thief to life, and as such, needs to be formally
charged for their criminal offenses, given lawyers,
and upon a successful prosecution, rot in a prison
cell and/or pay restitutions. YES. why? so not another
innocent person must fall in their place as next
victim to a zionist's public commitment to lawless
tyranny for evil intentions.

"Hamas Terrorists", "4. Jan.", come on now, how evil

you righteousness. They STEAL our food. They are OUR criminal enemies who torture innocent Peoples. A godless criminal enemy who also steals Peoples Homes. And drops millions of land mines to murder Jews indiscriminately for decades. Commits war crime after war crime against Humanity. Vile bile.

They killed our innocents, and unless we kill theirs, they will go on killing ours.ï¿½

It is the crime of which they demand WE are outraged against. Welcome to Humanity's suffering world due to lacking communications skill. The term "they" are referring to is YOU. Your innocent life Israeli intend TO STEAL, TO MURDER, TO ROB YOU Your rights here granted by God. These are ungodly acts of mass murder, perpetrated by enemies of Life. Let US never forget, the Zionists also would bomb some locations, then later, drop the warnings for the Jews to run for their lives. Didn't warn them though if they get into a car or truck they would be destroyed instantly by the Zionist flying the America paid for Apache. I did a big show of shows through that continued as, more 'un-resolved' crime scenes perpetrated by the treasonous, neocon Zionist terror merchants. It's like they think some dying fools are going to keep going to save'em in the end from ourselves as still suffering in Justice denied as enslaving into ungodly tyranny eh? These Zionists are not only the bad guys, but they're bad guys to even the bad guys as there is no found honor among murderous thieves. Protest pictures from around the world (not on CNN)
http://www.rys2sense.com/anti-neocons/viewtopic.php?f=11&t=16496&start=0

Remember Israeli nazis to this day, insist as DEMONIC LIARS, Hamas broke the truce - as Hamas is responsible when they target school girls for slaughter. They said the UN were secretly attacking Jews, clearly a LIE as impossible to prove because it didn't happen. But facts are the furthest thing away from the godless false accuser Zionist con man or demon witch LIAR like Livini. FoxNews calls the demon witch a Jew! ANTISEMITES.

We can witness, Americans do not have the intellect to understand what this means. See, LIAR Nazi Israeli broke the truce to get killed Jews for money. A regular fair for Nazi Israeli. Now, they state they will continue to indiscriminately murder humanity until the tin can rockets that travel miles stop killing Jews who hate Zionists. But importantly, it is Israel that wants Jews to die, so they can make off as Satanic with our stolen values. Just like the Bush family did with Hitler, that the Nazi Nation has no probs working gun in hand to wipe out Jews everywhere still to this day. Again, Nazi Israeli MURDERED JEWS in Lebanon as targeted. And leave Jews to starve to Death in Israel for more charitable aid they can use elsewhere. Public knowledge not disputed by any living soul on this planet because, the Zionist government admits freely to this. Israeli think being Satanic is worth it, for all the money and lives they can steal as enemies to Christ, Hillel, Mohammad, YOU, blahblahblah.

And, as demonic thieves, they steal homes from innocent god loving folks. US. But see the McCainiac HATES you as being a virtuous man or women, so they call for more indiscriminate carnage against Humanity, on failed hopes, that we as God are not going to come down to hunt them to the ends of this earth, try them, and have them executed for the war crimes of Torture, Rape, and mass murders committed for the neocons escape of 911.

Don't want an intellectual who might have a clue of what is transpiring with the forces of Satan, fuk, CNN'll likely hire him also. Don't you just hate this treasonous lying nazi demon? He has no journey man's license, never did, isn't a plumber, and doesn't have the millions of dollars he claimed

he did to purchase a company that would have rolled over 250,000.00 a year for himself alone plumbing. Plumbers, as good as the job is, never generate that kind of money. Who cares though, right? A Nazi liar is what Zionist's want, and that is what America gets. TV'ed Americans couldn't care much less. Evil nazi McCainiac who's sworn existence, is to con teen soldiers for death to raise the fortunes on the un-elected Neocon bushmobsters now fancies himself a teacher on the struggles against evil. It's like that faggot at anotheruntoldstory.com, who's into murdering innocent Gays, while fucking his own brothers up the ass, who runs ads everyday at GCN, tells US now, all about how evil we all are for demanding Justice. How long do you think that'll run with the Alex Jones towners still raising no concerns? It's for the money as Ron Paul would say.. Again, it is to divide ourselves from true liberty, by demonizing the innocent on our radio and tv channels. Instead of Bush, Cheney, Rumsfeld, and Condi.

Read of the bushite in my America who call this work of Satanic enemies, a good thing they support to war terrorism for the sadistically evil liars of the neocon. Then KNOW my friends, a bushite is the enemy of every living soul on this planet. Have no love for those in the Air Force, the enemies of Man who bomb our families without excuse, but to know, they hate US as Christ to speak free for Humanity. That DEMON George Noory was so happy last night about all the good the bankers AND CHENEY are doing for their hatred they spoke of for all Russians. SEE? not to protect America, but to kill you with their true commitment to the demonization of innocent people, all to escape the neocon terrorists. I HATE George Noory more than anyone alive in America. He is so openly evil to ourselves, that only those who wished to lie to you, (like Alex Jones does about Ron Paul), would say otherwise as bushite dumfuk enemies. Cowards committed to escaping Bush and Cheney for treason against Freedom. They doctored the NIE on Iraq, highest of war criminality. Alex Jones has never mentioned it, but for MAYBE in passing. Hey because all the bad guys are just puppets to ignore over the elites, globalists, socialists, liberals, gays maybe, Blacks, Mexicans, and anybody else smarter than NWOer Alex. Ron Paul is a coward as rarely if never has a clue of which he is speaking on.

Israeli PM says to end offensive if Gaza ends rocket attacks

Sarkozy urges Syria to press Hamas for Gaza truce

How does the ungodly get away with this obscenity? Nobody can deny Nazi Israeli broke the truce, as they always have done as Satanic for the last 60 years. Killing Jews for money is popular with the Zionist Nazis don't you know us by now? FoxNews CONNED Americans for DEATH with the unmentioned, TREASONOUS doctoring of the NIE. To kill Americans for more neocon gains, which Alex Jones never mentions either. Do Americans even care enough to raise Humanity's call? Do they demand public executions of sadistic godless Zionist torturers? as the Standing Law of America - The War Crimes Act - brought to be by Reagan - DEMANDS by the Law of America? It is the Law after all, yet, CNN, CBC, and FoxNews calls the perpetrators of the most heinous evil against Mankind, heroes. America is
a nation of godless cowards willing to die murdering innocent Christians in Israel, all for the profits of the 'magical' zionistic private bankers. Bushite grunts are now supporting the indiscriminate carnage, serving as police services forbidding any of the prisoners in Gaza from fleeing the indiscriminate slaughter. Again, as Satanic, they don't arrest the "Suspects", for what could they truly charge them with?, no instead demand we die helpless murder victims by forbidding escape, as they did in Fallujah murdering more than three hundred thousand innocent souls. Die bushite die screams to all men on Earth from the Son of God. Will you stand for YOUR life as truly worth something here? Like lawless enemies Policing your reality will bring you more happiness and prosperity with the great truth teller HAPPY George Noory? The demon who openly confesses the will to want to murder all children in around the age of 15? Too crazy for you to face such an enemy of huge demonic origin, so, go the cowardly way like Alex Jones as sell out slave instead, to cover the demon with endless praise on his treachery to not have our fight on everyday with open calls for understanding Justice is freedom. Instead of a constant stream of bushite dumfuk enemies of Living. This isn't complicated. Or it doesn't have to be.

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce.

Alex Jones told US as a deceiver, he's been
on Coast to Coast a hundred times. Not in these
last eight years he hasn't. I demand Alex prove
this, or be known by all far and wide a treasonous
liar, trying to take US off the tracking of
criminal action of his buddy, the demonic enemy
LIAR George Noory. bin Laden didn't do 911,
despite the facts that WE KNOW George Noory
knows better of but LIES to con the American
teen further for death at the profits of the
un-elected bushmob. See Alex wants you to blame
anyone but those directly involved in the crimes
of 911, or Iraq, or those responsible for it's
cover-up by Zionist propaganda. George Noory will
have as invited guests whos only function there
is to spread dis info as supporting more
indiscriminate warfare for the escape of the
neocon terrorists responsible for starting the
illegal wars to begin US at. Or those whom often
support torture, a war crime that only exists as
irrationally held by those who's minds have only
a blind hate for the indivisible rights of
another innocent other. And often truly hate men
and women for being Just as wise. The McCainiac
Zombie video is a perfect example. When the Zombie
is asked about the rights of Women, the McCainiac
Zombie cried out for raping more Women. The
position of authoritarian power, was only found
with the bushite as oppressor, rapist, torturer,
or Air Force Bomber, not liberation by freedom.
The bushite McCainiac KNOWS it can't compete
openly to defend it's criminal treasonous
actions! Remember, Alex "the Conservative"
thought McCain was the choice if you had to make
one, earlier on, then changed his position,
sort of, later by calling them all puppets not
worth the effort, but .. Obama's idea's matter
not, it's that his Birth Certificate is, no war
too be fawned. Palin? who's she? McCain
firebombed Vietnam as "war hero" for France?
The Banker doesn't cover our loans? Matters
little.

Israel deliberately targeting civilians in Gaza
http://www.youtube.com/watch?v=Ev6ojm62qwA

It was almost acknowledged on CBC radio that nazi Israelis, use the argument that a tin can rocket traveled miles, to kill some innocent Jew as a direct hit (likely a person who hated godless NEOCON), all because that nazi state has OPENLY, as PUBLIC policy, stolen water and food including baby formula, along with a huge list of other atrocities, to punish God and Humanity since way back before three of four truces. AGAIN, Nazi Israeli always, as ungodly, break their truces. Why? Because YOU, or Christ as any Jew's life means nothing, to all the 'free' billions they'll get from given American worker wages. Look, Americans refuse to call for the arrest of Bush on their national, "truth telling" Coast to Coast radio program. Why? Because, for one, George Noory, (Alex Jones' best buds), has told US he's into killing innocent kids as powerful, and that 'bin Laden did it', Is good enough for US. You don't get a say here however how you will live or die. George Noory calls all grunts heroes, and those who refuse criminal orders, those he wishes to go ballistic on. Yes, it's true, George Noory is still alive and happy as ever.

Rise Up for innocent Life, or don't and see where it'll get you in the end.

Again, every soldier in the Air Force serving for the neocon liar is a traitor warranting death, to save the lives of their next innocent victims. They have murdered more than two million people in Iraq. They are pushing heroin into America from Afghanistan. They are raping AMERICAN women as officially "LAWLESS" (can't be arrested but through Rumsfeld - who has not seeked any prosecutions for the raping of American Peoples. He, as Neocon, is TRYING to DESTROY FREEDOM For all Americans in America - while paying with American wages, South African death squads to murder Black men) and TV'ed Americans refuse to speak for Justice denied themselves. Zionist amerikans only see US as innocent others, not themselves to pay, but they do pay, they will pay.

God, nor John will not live in a world where
bushite grunts walk freely down our streets as
first degree mass murdering rapists, torturers,
and thieves. Celebrated by CNN, CBC, and FoxNews.
Especially when they DEMAND they have greater
rights than Human Beings. Mass Murderers deserve
immediate death sentence to defend ourselves
from their demon lies and betrayals to God and
Man. Every CBC and CNN reporter who reported
Russia attacked Georgia unprovoked will warrant
trial, then death sentences for their total
commitment to the Satanic NeoCON enemy war
criminals. Remember: they targeted for murder,
helpless innocent families. YOUR family. CNN
wants you to blindly believe, CNN personalities
like ENEMY George Noory are so happy, why would
we think they willed death against our great
Humanity by conning you for more stolen money
through the sacrifice of YOUR life for zionist
criminals who laugh at your powerlessness to
raise your voice for Justice.

Satanic Enemies of Christ

CNN with Blitzer allowed reported on Larry King that Hamas broke the truce, without any uttering of fact. While when the nazi israelis were accused, just minutes earlier, Mark Regev could say only silence. The zionist Satanic enemies of Jews speak only silence, because they know they are satanic enemies liars of Human will.

Again, these SATANIC enemies break their truces everytime, then state, it is Humanity's fault because CNN will never ALLOW the humans to know. They are murdering innocent People in hospitals for example, or those in a Church, just as amerikan bushite nazi grunts do for the escape of the neocon zionists responsible for 911. To hunt a lawless bushite nazi grunt, and kll it instantly is to defend it's next innocent bombing victims. Bush and Cheney closed 911 investigations on 911, therefore killing a lawless bushite traitor for our Humanity is just to get ourselves together to arrest those responsible for mass murder on 911. The deaths of bushite zionist liars is a mercy given for the love of God. Die bushite die.

Israel Nazi State

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce. They always break their truces. Understand these Satanic enemies of God, dropped seven million land mines on Lebanon when learning the conflict was over. They will kill Jews for money, THEY are the Nazis. Nazi Mark Regev is clearly insane. 'It wasn't israel that started this' He could not stand with any man without instantly being exposed to All of Humanity as a war criminal in need of immediate public trial for death sentence. These are only innocent people being bombed. In a concentration refugee camp. Look, it's a prison camp. And if YOU
were a prisoner there, and Texan child rapists are something you'd wish to defend your community from, you'd maybe join the Gazan police force, run by Hamas, a political group democratically elected. All police officers in Gaza, Nazi israeli claims warrant 1000 lb bombs, not warrants for arrest for a criminal offense. Remember, it was Israel that broke the truce, as so is spoken by Palestinian government officials speaking internationally - using the example from November. But understand, as Satanic fraudsters, they always fuck over Our Innocent Humanity this way.

What kind of "Human" would commit such crimes against Life? Cheating Liars for Satan God tells YOU.

The Bible "I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."

Look, these enemies of Life steal INNOCENT PEOPLES HOMES as thieves of The King of Jew's simple philosophy.

the scumbag Hamas rockets falling on Israeli
civilians, but the nooz is full of Palies
suffering. Fuck you all I hope Israel
exterminates the vermin. \ \ He can advocate
the MURDER of innocent people for the neocon
liars, and Google doesn't destroy his account?

Remember Zionist Nazi Israeli started all their
murder rampages against Innocent Peoples for
'free' welfare money, as broke the truce with,
IDF funded Hamas on Nov. 4th. They have been
indiscriminately bombing People with excuses
that never do add up. Example: Nazi Israeli
stated they were in the right to murder ANYONE
in a car or truck in the entire nation of
Lebanon, (especially in the Jewish communities)
because like enemy "Gray Ghost" would say, all
those innocent Peoples deserve TO DIE AS MURDER
VICTIMS for his sadistic ungodly pleasures.
Remember, Nazi Israeli didn't mention this until
thousands has already been murdered, then even
still, without radio, TV, or newspapers, telephones,
or sky writing how were ONLY THE INNOCENT JEWS
as officially targeted to know? Then the seven
million land mines to kill innocent kids for
generations. To the enemy of Life, Gray Ghost
it matters not that Israeli started the conflict
by sacrificing nazi vermined trashed as Satanic
dumfuk enemy soldiers sent across the border,
to Grey Ghost, all it knows, is Justice must not
be allowed to win this game for our human race,
for he would be truly seen as a sadistic enemy
of Freedom, powerless, or rightly dead for
his proud treasons against life in this universe.

ZIONIST DEMON LIARS TO SHOW HIT ON TRUCK FULL OF ROCKETS ACTUALLY HIT
TRUCK FULL OF WELDING TANKS

http://english.aljazeera.net/news/middleeast/2009/01/20091117737115874.html

Please John begs all People's of Humanity,
Americans do not have the courage to even speak
concerns for their dying as evil state of godless
private banker ruled blind tyranny. 'Duh, yeah
give billionaires trillions, trillions, TRILLIONS
to help the poor homeless mothers poisoned by
FoxNews CRIMINALLY.' Gawly je, I dunt no y dat
detnt work-ed' - o wel, cary ohn my wayward Son.

Livni: Gaza truce would give Hamas legitimacy

See? this is why NAZI I$raeli thinks they have
an excuse for bombing people indiscriminately
to break a truce they signed on to. This isn't
a one time, maybe two time occurrence, but every
time in the last 60 plus years the zionists
aligned with Hitler have. Satanic enemies
of Humanity.

ANTI-SEMITE is FoxNews every time they assault God
with "Israel, the Jewish State" to torture, steal,
and murder.?. ANTI-SEMITE!

The Ungodly Zionist - a report from the front

/ / The most recent victim of Israeli airstrikes
was 10-year-old Ismail Hamdan \ \

To the Satanic enemies of Man, the Ungodly Zionist,
an innocent murder victim's life can not be allowed
a defense such as the charge of first degree murder
against Netanyaho because, he states no Justice to
any who believe in the Jewish cause, as Hillel, of
freedom as Liberty for all. If Jews ran Israel,
Netanyaho would be chastised publicly by the Humans,
for sanctioning the criminal acts of first degree
murder. The nation of Nazi Israel STEALS Peoples
HOMES. What other nation on this Earth commits
such willful crimes against innocent Human beings
OFFICIALLY? Steals homes from god loving innocent
folks and labels it our 'Justice system'? Who? Neocon
Amerika, the nation that gave trillions to bankers
recently on only prayers that their gods will maybe
lend some of their own money back to them at high
interest. But alas, evil is the deceived disguised,
as in their deep ignorance of money and virtue, they
do not understand, the private banker never covers
the loan. Never does a private banker reach into
it's pocket to borrow US to begin with - so as a
consequence, the bankers have just pocketed all the

'free' loot for nothing, TRILLIONS, and are not
saying why should they help anyone else with charity?
it's the amerikan way. Instead, hate the wise socialist
who designed a working good traffic signal system,
where lives are saved and congestion is eased, or
hate the white man, the black man, different People.
But never Mr. Bush, Mr. Cheney, or Rumsfeld, the
neocon traitors who closed criminal investigations
immediately after the crimes of 911 occurred, who
doctored the NIE to con America into death, and
never slight the trillioniare private banker gods,
who have stolen/taken our public authority through
war criminals in Congress. Taken from all others
to bring us a much poorer world suffering due to
our speakings of contempt for Justice as christians
in America - who claim in silence only indignation
for real Christian families robbed or murdered
Officially by the zionist state of ungodly Israeli,
paid for by dying America. Americans refuse to raise
their phones for the arrest of the bushmob for capital
mass murder, so, what's private trillioniare bankers
walking away with the entire economy in free fall
going to do for them, when they are already to
death for the glorious Zionist Neocon thieves of
Civilization? Proudly in hatred for Innocent
Humanity. Again, Hamas was founded by Zionists
in the IDF, to kill Jews for money - public record.
Jews starve near death in Garbage dumps of Israel,
all because the Nazi Zionist UNGODLY government
states it is beneficial to starve Jews, for, they
will receive more humanitarian aid THEY can use
elsewhere. Public knowledge. Zionist liars murder
innocent Jews for money, like they did in Lebanon,
and like the zionists did on 911 by forbidding the
pursuit of the terrorists by following the crimes
scene leads at the real murder scene. Unjust
enemies of Man.

To arrest those responsible for 911, we are going
to need to form a public warrant for a person or
persons. Bush and Cheney are guilty of closing
investigations on 911, treason, called obstruction.

UnHoly Nazi Israeli Racists are Greater
than the censored words of Messiah!

IDF's YouTube Gaza channel to Correct Ourselves

/ / it will disseminate footage of precision
bombing operations \ \

Precision? They dropped seven million land mines in Lebanon, after having seeked out where the Jews lived, (Northern Lebanon), and murdered them firstly! JEWS. They, as enemies of God, like those of FoxNews, will refuse these type of FACTS on their hatred for Love and Justice. Their hatred for Jews, real Jews, like me. Understand: American baby formula has been contaminated with poisons, and FoxNews doesn't think it's important to their corporate responsibilities to kill ourselves further for profit. The Zionist will murder anyone just to steal your belief in God as Love. They HATE me for being wise and Just. Hate. For, why wouldn't America support my demands for open radio communications on the Coast to Coast radio network? Americans would rather murder Humanity before Justice succeeds beyond their illusions of grandeur through the mass murdering of ourselves for stolen gains. The banker does not cover our loans! Giving them trillions for free unquestioningly is dumber than rocks. Enough.

Fake Rocket Attack
http://xymphora.blogspot.com/2005/02/fake-rocket-attack.html

Remember however, the Zionist has no qualms about killing Innocent Jews too if it means Americans will get it more free welfare to murder ourselves. They openly STEAL Peoples homes in that nation run as thieves don't You know? Or as it is just open public knowledge that the Zionist excepts that 911 was actually a good thing for them as war criminals reaping the cash rewards for continuing capital murders?

/ / Ehud Barak promised that the war would continue ï¿½to the bitter end.ï¿½ \ \

That is you there Barak promises to end bitterly as the innocent the demon targets for ungodly murder. How could ANY REAL MAN steal food from a Christian baby? How do they do it?, as the inhuman. (Like bushite do in Iraq, while on CNN in interview tell US, they are there war criming for neocon traitors to steal everything as "helping the Iraqi children". They offer no clean water, no food, just indiscriminate bombing campaigns of evil incarnate. True fascist nazi enemies of true freedom in America who advance censorship to

anyone like myself. Why? They lose. They are not men but Satanic enemies of the King to Jews, the Messiah. I Am. Thieves to the scriptures of Hillel, and of Moses. Thieves to the intent of every true religious person, for God is everywhere. God is the Word, and the Word is Holy. So, fuck you and die bushite nazi traitors to American Justice, those of them who refuse US open free words to resolve their war criminal behaviors as is done in godless Israel today against INNOCENT Christians. Done before another innocent other has our homes stolen, or is murdered by the lawless grunting bushite dumfuk enemies of Jesus Christ. I am King already, always have been, always will be. Live with it. The Koran is filled with great understandings on this relationship. Christ is mentioned more than Mohammad - and Mary can be understood as the mother of all being before we are. a virgin.)

Look humans, you've had your fun murdering yourselves, now the wise people will compete for bettering ourselves by understanding. Who the fuck are these illiterate monsters at CTV national television? and how can they willingly keep our soldiers in the dark dying that way by simply smiling? Are they experts in anything? are they respected researchers? writers?, politicians?, civil rights lawyers? - do they even respect ourselves enough to be warned of vaccines? NO, instead they LIE with such contempt for Humanity I am surprised Canadians, don't speak out more.. perhaps they do, it's just CBC, CJOB, and the Winnipeg Free Presses of our World make no attempt to inform ourselves about it. They don't take my thousands of calls, how about Yours?

Life is real to know, if you seek, and not go so freaked out as Living is as it always has been. Knowing God is cool, 'amazing', yeah, whatever, but we are of too this real world suffering for our lack of respect for a wise person speaking. I WANT FREE PUBLIC DEBATE FOR JUSTICE AS ALL INCLUDED. Now really, is that too much for US to ask freely? What say you Googler? Afraid I will truly make your banker gods look like fools?, the gods we all give more than half our lives to for nothing? Don't want to look truly dumb as deathly ignorant, so censor US all themmers you are

too in command of your Fate. So be it. See? Stand in. I didn't even really do anything there, yet it's written, it's done. A Miracle! Imagine: your Christ! YOU. now what are you going to do.. time is ending for you remember, now what are you going to do? Will you pick up your magic phone and call likewise for Justice denied, or will you crawl up on your cross and die in silence for the glorious Zionist aligned with trillioniare private bankers and Satan? Christ is of all peoples. Your on a mountain.. You've raised yourself from death already, and your here to do something greater for the love of God.. what's your plan for the common man? Welcome to the real world my friend.

Morpheus 'Nobody can tell you what the Matrix is, you have to see it for yourselves. .. all I am offering is the truth Neo, nothing more'

Lawless Police to Defend Who Again?

They Call it Terrorism

"Israeli nazi enemies call bombing people, like they do without apology, terrorism. What can't you figure?"

CNN TODAY

/ / Stand down 'Christian' nation. It's not your babies. Ethnic cleansing is not a 'sin' as long as the 'chosen ones' of Israel do it. \ \

Israel, the nazi enemies of God nation broke the ceasefire on November 4th. Now, as demon liars claim they want to honor a ceasefire again to further steal ourselves from the Love of Justice. Why do the godless Zionist do this always as first degree murderers? Because they can't win an open debate on their treasons against God and Man. The private bankers DO NOT cover our loans. Again, these SATANIC ENEMIES OF GOD dropped seven million land mines on Lebanon while target killing JEWS. INNOCENT JEWS. Targeted. Northern Lebanon, look it up. Israeli MURDERED Jews. Innocent Jews as targeted for more stolen charity. I again, beg you to support my call for war crime trials against the bushmob, including

CNN demons who report a total contempt for
YOUR life dying. Your call loser.

ISRAEL: No civilian casualties in Gaza!
http://uk.youtube.com/watch?v=RlZd3vR6Kzk

Satanic enemies of God as anyone included.
Think: who buys these demon lies to steal
further from our innocent Humanity? Zionists
do at CBC and CNN, who will murder America
by openly lying to destroy freedom. Example:
CNN reports Georgian nazis who targeted
children schools, churches and threw grenades
into our homes to murder as minions for Satan
are called freedom fighters. Just like the
Third Infantry, the new lawless police officers
of California, who can't be charged with rape
for example, because ONLY Rumsfeld can okay
such prosecutions. Hey who cares for Iraqi Rights
right?, for TV America's CNN with FoxNews and
George Norry doesn't, for it's only American
women and children now right nazi enemies? And
WE ALL KNOW, cowardly America refuses to even raise
their phones for these dying concerns. How can
George Norry continue to live happily dying
America for the neocons? How? they let them.
Alex Jones thinks George Norry is just
fantastic, so no, don't encourage the NWOers
to demand free communications, because if we
did, Alex Jones and the like, would factually
look like the idiots he is. (better to die
America than face this foolishness?) The
banker doesn't cover our loans, we do Alex.
So giving them trillions in American worker
wages is a bank robbery in progress. Simple.
NOT a diabolical ingenious plan, we, the simple
folk can't figure without the Alex Jonesers
geniuses of thought control developed by the
CFR, builderberg, the Boners and NASA.

Obama stated all lawless soldiers who war for
godless Zionism are heroes, which includes South
African death squad goons who murder my nigger
friends. AEGIS. I call them lawless enemies of
God, deserving death sentences to save the lives
of their next innocent victims, Obama calls them
heroes warring for the escape of the neocon
traitors responsible for 911. Who are you going
to believe?

Look, I plead

http://news.bbc.co.uk/2/hi/south_asia/7771243.stm

knowing that he was an undercover operative.

His cover was blown?

This is a guilty\accused party to the offense,
and blind men of state plate, 'we're going to
maybe let him go, so they can start a war of
mass suffering and death.'? Who is "we" enemy?
Why is this story not where it should be? Who's
interest does it serve by further dying
Humanity to: we don't care about not stopping
terrorist crimes in progress then? Don't be a
Nazi. Why? Just because. THE 'suspect' WAS IN
ON THE MASS MURDER OF US. Justice for All
there you nitwits. Under who's command was he
working?, and does Condi figure in there some
where by sending TV America elsewhere? Who is
set to gain money in the planned indiscriminate
murderous bombings, and let's try, then execute
them instead of US as innocent victims how about?

In a Normal World

"It's not that we're Jewish, it's that they are

IAF plans to hit targets in 24 hours
http://www.nation.com.pk/pakistan-news-newspaper-daily-english-online/Politics/23-Dec-2008
/IAF-plans-to-hit-targets-in-24-hours/2

"General Mullen is pressing our authorities to
allow India to hit certain targets,"

In a normal world, Mullen would be questioned,
then arrested, tried, and executed with Gates for
trying TO KILL INNOCENT PEOPLE for cash profits
stolen from God's America. But the nation is filled
with cowardly know nothings.. how do we know this?
They refuse to even pick up their phones to complain
about DYING needlessly for the un-elected Zionist
neocons. The TRAITORS who did their part to carry
out 911. America only PRAISE real demon George
Norry who openly lies to the ears of America, while
advocating the indiscriminate slaughter of all
children in around 15, because he claims, that way,
you reduce the risk that they might sometime in the
future own a gun to kill himself as a REAL bad guy.
These REAL monsters will kill your American kids for
cash. Why? Because YOU refuse to even raise your
phones for concern. It's "just" your neighbor's kid
who'll get the vaccine shot filled with toxins, drink
the American Milk, chew the bubble gum, eat the
Campbell's Soup, or drink the tainted water. The
poisonous water containing sodium fluoride is in
soft drinks, beer, and bottled purified water costing
near 3 dollars that Pepsi openly confessed, they just
get right from the poisoned public taps of Boston,
unfiltered. TV America? where are you man? Why do you
still refuse to raise your phones? You go in faith
WITHOUT science, with reason?, without God, or even
crave my words as the Great Son. Why do you forsake
yourselves? Are you not worth the effort to say your
own lives are worth something too?

Charlie Manson "Yes, your honor, I did authorize
the killing of Sharon Tate and the rest, but you know,
we need to focus on the future rather than the past!"

Bushite Nazi grunts of the Air Force have bombed
more than a many innocent persons, claiming we as
Humanity can't hold them to account for their
murderous crimes of STEALING our lives. It is an

oath soldiers give to obey lawful orders only,
yet, a bushite's word means nothing. They bombed
Samara for no reason but to die. They bombed
Fallujah for no reason but to die. No honor,
no courage, no manhood.

thieves.
It's not that we're Jewish, it's that they are

CNN Don't Want to Take our Questions

Cheney worked immediately after 911 to close
police investigations, as so reported
on Meet the Press, with the late Tim Russert.
Simple. Or cowardly like Alex Jones call him
just a puppet, and blame the NWO geniuses
hid away in far off places, manipulating to
secret out the blind idiots who don't truly
believe in elementary logic. This isn't
complicated.

Bernard Madoff -- The $50 Billion Thief
http://www.youtube.com/watch?v=0IhJJXjxmHU

This spot where the Jews laugh at law men,
then get all their life savings stolen, is
THE classic in the halls of Zionist History.

Some say, Christ, the Jew, is a law man
too don't you know.

This is What Americans Are?

/ / the United States has refused to sign
a declaration presented Thursday at the
United Nations calling for worldwide
decriminalization of homosexuality. \ \

Again, this Zionist infiltration is
designed to divide our populations through
demonizations against the Innocent. There
is no crime in loving people despite what
GCN advertizes.

"The concessions made by the Olmert-Livni
government to the Syrians do not and will
not obligate a government that I shall head,"
Netanyahu said. The concessions of indiscriminately

murdering US repeatedly? Understand to know:
The Zionist is a Satanic demon enemy of Humanity
according to God, in the Bibles all timelessly.
Netanyahu, the demon, is so ungodly as evil
criminal, he will likely "win" Istraeli the Zionist
election on a public platform of godless tyranical
theft and murder. Remember, Israeli Zionists
funded the creation of Hamas to kill Jews in
Israel, and TRUE Jews also live in Lebanon, Iran,
Etheopia, Canada, and the North Pole, and we're
the "niggers" there too that Israeli despise -
like as they who PUBLICLY supported South Africa's
oppression of Innocent South Africans for stolen
monies. Satanic I tell you. Don't believe? in
innocence? That's the power of Peres, the devil.
Evil a zionist criminal is proudly. Peres will
tell you, all about when Zionists target to murder
little old ladies as he did on Larry King, it's
really not Satanic, because they'll blame the
murders on someone else completely different,
as US, the innocent. blatantly. In your face.
While CNN goes, uhuh, gotta kill those Jews in
Northern Lebanon. As Syrians too! Israeli dropped
seven million land mines on more than 170 towns
and villages given to them from Condi! a godly
nation of Jews? ANTI-SEMITE is FoxNews everytime
they assault God with "Israel, the Jewish State"
to torture, steal, and murder.?. ANTI-SEMITE!

Again, the two Laws of Johnny:

1. No evidence, person innocent.

2. Torture? fuk you and die then

MY LIFE HAS VALUE

"You can't count on Congress or the Courts to save yourselves"
Ron Paul - The oUtRAgiOuS fUnnY MaN

Ron Paul is a traitor. He didn't support arresting
Bush for 911, or for the killing of American teens by
doctoring the NIE. Now, Alex sells Ron Paul, is
his leader of OUR truth movement because he says
there's nothing he's going to do but blame poor
people, or socialists,

"The Liberals and the Socialists, along with
the Communists and the Gays, with the Muslims,
and Community Organizers with the freaks different
that me did the murders", said near all the retard

bigot Conservatives blindly false accusing.
Example: Condi says Pakistan's ISI committed the
murders, the FBI says no, there isn't a scintilla
of evidence to substantiate that. Condi says
Pakistan's ISI FOR SURE did the murders, the FBI
says no, there is not a whisper of fact to form
that conclusion. The "Army" says for sure Pakistan
did the murders, the FBI says no.. There is not
a thread of fact a zionist offers to form YOUR own
mind in respect for your rights being equal to ours.
Condi only tries to hypnotize the "Conservatives"
into believing something without understanding,
without knowing. Sean Hannity does this everyday
on purpose to kill innocent American teens.
Conservatives are universally ignorant People,
and sometimes, serious war criminals like Condi.
Taking US off the target of following the crime
scene leads at the real murder scene. The
"Conservative" mostly doesn't have the mind to
understand Justice is freedom, like the NWOers,
so they false accuse US as Innocent others, for
crimes they don't speak for as Our true defense.

I'm counting on you kids eating right, and
knowing you belong free here. I'm King Johnny.
Hi.

Anyway,

Imagine: Alex doesn't ask 'hero truth
teller' Ron Paul for a million or three for
advertising on Bush and Rumsfeld's prior plan
to invade Afghanistan for Enron. Why not?
Who's money is it still anyway? Ours. In
God we Trust. Wanna see a card trick?

Christ Loves Everyone!!

I can FIX Monstanto's GMO assualt.

How? by understanding the science

(look for works I've done A DECADE AGO FOR ANSWERS -
Google however has removed more than 20,000 documents
referencing my writings as of last month - do you care?
That a man such as great as I, will not be allowed to
give my works for free to Humanity any longer? -
People of Earth: undertand, many in America say YES!
here, because they truly HATE Humanity's cause of
Liberty and Justice for ALL. Google closed my
Jew_Boy_Johnny account, all because of vermin like
"shitskin Moslem", who openly message in the

hundreds daily for murdering innocent Moslems,
who pirate all of Google Groups with racist
nazi slurs, just needs simply complain I am anti-Semitic
- The Son Of Man - no trial, no questions, no answers!
I can not post more than three times every four to six
hours, otherwise, they close my accounts, while at the
same time then, go through years of my writing to
sadistically destroy more. They figure they have
something in our Courts to support their treason of
assisting in mass murder against America by Zionist
theives who steal the title Jew, as in godly? while
shitskin posts hundreds daily pirating everyone's
threads with his EVIL hatred for God and Humanity, if
not even more from Israel) Not the Alex Jonesers way,
but the actual way logically understood as where the
problem resides. DNA, as is life, is multi-dimensional.

Where is this
"Christ" that CBC, CNN, GCN, and RBN harp on
that speaks nothing for real Justice to the victims
of 911, or Iraq, or Afghanistan? Or the children of
South Osettia? Alex is near fit, but he is far from
sufficiant. Jack Blood was great, but Alex we guess
doesn't want him looking like he Rulez like US
too though. RBN has it's moments, yes, I guess that's
true.. Things do seem to be improving, what with
all the torturers and rapists wanting to come home
as brain damaged Zombie police officers. They don't
want the laws of freedom though, too complicated.
They'd rather hunt down our families from the
sky with bombs actually.. fuk, I hate EVERYONE
in America's Air Force, every last evil fuk. They
watch these videos and celebrate their complete
indiscriminate murderings that get killed so many
GIs - they celebrate the slaughter of our innocent
Humanity . George Noory will kill your American kids,
have no doubt, for, he already has.

CBC and CNN only smile to tell you all the great
things they do by denying OUR Humanity these truths.

America is a cowardly evil nation desperate
for excuses as still being run under by zionist
thieves.

Israeli Settlers call Ethiopian Jews "Niggers"
http://www.ynetnews.com/articles/0%2C7340%2CL-3633163%2C00.html

This isn't isolated. The Jews of Ethiopia, are
the actual Jews of the Bible. These monstrosities

that God knows as Israeli, are Satanic enemies
of Man. They steal our homes, rape or torture our
INNOCENT families, and bomb Jews as the did in
Lebanon TARGETED as an OFFICIAL function of their
evil "government". They actually, a few years ago,
gathered all the darker skinned toddlers, and
murdered them as an OFFICIAL government of
SATANIC action. More than 100,000 "Nigger" toddlers,
Jews, they murdered with radiation poisonings.
Officially. Now, Americans GIVE them money to bomb
innocent Christian families indiscriminately guilty
of nothing. They steal their desperately needed
food and medicine. They are thieves of the most
vile evil natures. Example: the Zionist who
STOLE 50 billion dollars from American Jews will
not be ordered to give back the money! Sure, they
tell you that SOME of the suckered Jews, will get
a small portion of their investment returned, but
only through the wages of American citizens, NOT
by the Zionist THIEF, T-H-I-E-F, who you are told
OFFICIALLY "lost" the money. (will he even spend
a day in jail?) He lost it, ah shucks, just like
the trillions "lost" to criminal trillioniare
speculators. And like the banksters, who never
covered a dime of the money for the fraudulent
loans, but get to STEAL your homes, and now wish
to charge US a renter, for a home Americans,
the illiterate suckers, actually paid for, and
will continue to until they speak above the
laughter of a George Noory, or con man Bill
O'Really, the true demon enemy. Or will instead?
cowardly, will go like Alex Jones, naw, George
Noory is a good guy, a happy guy, sure he speaks
of the enjoyment in slaughtering defenseless
innocent children, so what?, he's pleasantly
happy to state all is well going ballistic
against soldiers who refuse criminal orders
from the Zionist neocon. Not a fuking dime!!
Understand, this isn't just a, let's get the info
out for People to know as Alex Jones sells to
near overdose.. (we are mere mortals who work nine
to nine Alex The Great.) CBC managers, all of
them, have known since shortly after 911, that
Bush and Cheney closed FBI investigations, they
know that iron is on video flowing like water
from the towers, THEY KNOW THIS because I
personally told them. Yet, they smile as demon
liars to die our teen soldiers CONNED
deliberately. We need some serious police
action in arrests of treason against all news

celebs, who of course will get lawyers, (what
they deny in happy silence to not mention
against American torture victims) but will
be shown conviction for their real contempt
for the value of YOUR life my friend, our lives
they watch indiscriminately die for lies they sell
happily for stolen cash profits.

But will Americans of America, even lift their

victim in their corporate extravaganzas? I hear
the magic money bag guys are in running the show
from our central banking offices, in as a debasing
culture of indifference to their own cowardly
sacrifice. That's if we believe what we know of
the fictions they sell ourselves. Georgia, Iraq,
Afghanistan, and so on.. they lie to our world
for criminal gains, gains they've seen near to
overtaking them. Demand the arrest of Bush and
Cheney for closing criminal investigations on
911 immediately after the crimes occurred. Then,
without evidence, falsely accused an innocent

Does this Work if The Judge is a Criminal?

http://rawstory.com/news/2008/DoJ_blocking_Obama_team_from_docs_1212.html

/ / The Justice Department has evaded a request
from President-elect Barack Obama's transition team
for documents about the secret programs of U.S.
intelligence agencies. \ \ Torturing innocent People
to death as guilty of nothing, or escaping bushite
rapists who target American women in Uniform,
while pushing heroin to enslave American teens for

zionist grave robbers. Not in Johnny's America I'll
tell you that right now.

It actually doesn't work that way though..
Justice is man.

NASDAQ chairman Bernard L. Madof STEALS 50 BILLION ! !! !!!!!!!
http://www.youtube.com/watch?v=MrcBazJ5Xas&eurl=http://www.brasschecktv.com/page/497.html&
feature=player_embedded

/ / CNBC's Davif Faber reports on the $50 billion
Ponzi scheme run bu ex-NASDAQ chairman Bernard L. Madoff. \ \

A Zionist STEALING from Innocent Jewish Peoples targeted
SPECIFICALLY. Somethings never change... Do you have
any ideas on the fact, that a great many Zionists
have been arrested over the decades for putting Nazi
Swastikas on their own grave stones? Also, did you
know an estimated more than 20 million Russians died
to defeat madman Hitler? Who's banker was Zionist George
W. Bush's grandfather? Do you know this yet?? Well,
now we know we know, to be King I am here your servant.
Just don't therefore figure I'm going to wash your
feet now. Be American.

/ / New rules published in the Federal Register
would allow certain civilians to call American
soldiers into action inside the U.S. to prevent
environmental damage \ \

This is why it is outlawed by the American
Constitution(s). Demon thieves must not be allowed
to command mindless grunts who shoot people
randomly for fun. As AEGIS and Blackwater,
KBR enslavement camps along with Campbellï¿½s Soup,
is in part, their acceptable Business partners,
warring Humanity as US innocent for stolen profits
with poison. Teen grunts are admittingly from any
you honestly ask, portrayed ignorant low life
failures, drop out bushite vermins who want to in
turn, victimize the innocent as they accept America,
as them, must tyranny as cowards for traitor war
criminals. Criminals like them in Afghanistan, who
openly defend poppy fields to imprison American
citizens say nothing on their trailer trashcan
talk, internet forays for blatant complete
disregard for suffering Mankind. These grunts of
far off military dictator shipping nations, that
the TV neocon wants patrolling our Americans
streets, don't instead fight proud for our

honorable Police Service successes - of whom play
our Freedom game for the law books sighted as rights
heretowin. A force that claims they are lawlessly
un-accountable, is a force of evil against our
great lands. Friends, they hide nowhere in
darkness, ready to be exposed for Public
questioning. Soldiers were caught dressed as
al-Qaida, murdering police officers, and when
they were in jail, awaiting trial, the bushite
grunters, broke them out!! With "American" Tanks
commanded by a Saudi in some likelihood. (Buford
'where's the billions?' Blount is a Saudi
military commander, who in his off time, also
commands, the Third Infantry!) Posse Comitatus
will be a good thing to impose as standing
Law..?. You're the American Patriot Soldier.
Need help? Well, I could be your make believe
King for the time being.. by just simply,
forwarding these life and death concerns as our
own. We have some rights here Soldier to have
Justice prevail as our benefaction. The bushmob
did 911. Your call.. Don't be dumb now.
Your call..

Lawless enemy world of enslavement though
naked ungodly tyranny?, or American Liberty as
Justice believed for the victims of Guantanamo?
False capital accusers who take our concern awry
are our problem in fair Governance here, when we
understand this, we will have conquered the
world as the new orders. No evidence, person
innocent. Torture? fuk you and die then. These
be the glorious tales we tell of times ago, where
men were men, and war criminal zionist nazis were
hunted down to defend Life ourselves. When a
bushite enemy of America dies, it's a glorious
moment for all innocent Peoples defended from
it's lawless terrorism. They are traitors who war
for the escape of the neocons responsible for 911.
Cowardly traitors who LIE to America to con
further more from the American victims.

Give Free to Banker.. Loan Back Maybe? Paleeze..

Why We Do the Things We Do

Sales pitch: Mankind takes on the world as One
with the calculators. Civilization DID happen!
Correct math scores are not impossible to find as
an answer to: why we do the things we do. Americans
gave private interest bankers trillions on only
Hopes that these, the most obscenely wealthy of all
the upper classes, are going to graciously lend
some of our own money, (we just gave them,) back
to us... in dire need. at interest! It's for our
benefit baby, don't you cry. This is just plain
dumber than rocks Johnny Wizard says okay. And
simply going to a gold standard is not the easy
made NWO answer, it is accounting for ourselves
that is going without questions. The private
banker is highjacking our public authority for
their private interest of exploitation.

Our governments are not holding Private Bankers
to some kind of public authority to question who's
interests are being devalued here. This is why
the thing has been messed around for so long, We,
the People, have been too foggy on super basic
math skills as pronounced by, truly effective
Jewish leadership. "The Private Banker DOES NOT
cover our loans, we do." Read that again now.
And acknowledging, we, as conscious, can succumb
to suggestion without knowing what we are even
saying sometimes really. Everyone wants to play
the lead, but few are wanting guitar practices.

It get's easier as you try..

Answers: we need a tax on every buy and sell to
limit speculation in the stock markets as it was
prior, while openly discussing how the
investigations are going, in returning the 700
mill that was given through for another means by
Congress. For the private bankers to take that
money elsewhere, is to neglect the problem

persisting of home owners, and that mortgage
issue they forgot US about. Why Americans
desperately, at peril, gave the money to begin at.
Look, while arrests are transpiring, we'll then
discuss using the re-cooped stolen money to finance
all remaining mortgages on family homes at zero
interest levels, upto, let's say for now: $500,000.
It's an idea I'm putting out there to dialog on
with you guys and Obama. Obama!! How's it going!!
Hey man, we can work it out.. You don't seem like an
impossible person to reach. Hey, make life interesting
in ushering in a new peace plan by communicating. Now
I know your all pals with everyone as government, as
that is what a successful politician can do sometimes
good, sometimes criminal. Obama, we can't let these
con men go. These have been times of lawless wars
against God as indiscriminate bombings, of torture,
of slavery, of heroin pushing, of national looting of
a Peoples Treasures. How much is too much for you my
poorer brothers and sisters of the faith? Obama, let's
believe in ourselves. These bankers are stuck crooks
for no faulty but our own. It's still our money however.

King Johnny Earth, White House Jester. !

Our dreams have come true... Boo!

661. Mark constitutes 90% of the problem?

You are much too kind. You've given Mark far too much leeway here.

I would estimate that Mark constitutes 95% of the problem and not only here, but on other Newsgroups as well.

It was what? A year or 18 months ago when Mark, using Teranews, would flood these groups with two hundred, three hundred or more posts a day?
That came to a screeching halt when DeLorean stepped in and took measures to have Mark's Teranews account canceled. DeLorean even managed to find some photos of the Teranews site in Osceola, Indiana and posted the photos to embarass Teranews. DeLorean's efforts succeeded and Mark lost his Teranews account, though Mark lied about if for months after. Mark refused to admit defeat even though we all knew better. Subsequent dares by us to ask Mark to again post through Teranews went unanswered. Mark claimed that his Teranews account was still "good", but when DeLorean finished with Mark, he never again made so much as a single post via Teranews. We all owe DeLorean a tip of the hat for his efforts.

Mark has since been relegated to setting up fictitious Google accounts to carry on his nefarious flaming activities. He has nowhere else to turn.

Oh, wait! Even Mark's Google accounts are coming under scrutiny and others have joined DeLorean's past success and have been banding together to quash Mark's Google accounts.

But does Mark get the hint? Has he learned anything?
No.
Nope.

And in spite of Mark having lost accounts at QRZ, Ham Island and others, this mentally challenged misfit continues on as if nothing has happened. One almost has to feel a bit of pity for Mark. He has "issues" and is in denial.

Note that I said "almost", but that is just me. Most others simply despise him.

687. Mark's recent Teranews spams propagate through highwinds-media.com

Teranews is now using highwinds-media.com to carry their Usenet traffic.
That means we may have a much better chance of stopping Mark's spam than
we had with Teranews itself. The Usenet abuse policies can be read at

http://support.highwinds-media.com/aup.php

where it will be seen that Mark (posting as k3vr) is in violation.
Please help us by sending some of Mark's spams back to
abuse@highwinds-media.com, OR by going to the web page at

http://support.highwinds-media.com

and clicking on "abuse." There you will find a form for filling in
details about messages with violate their Usenet AUP.

Thanks to all who are helping,
DeLorean

Report Of ï¿½People Planting Bombsï¿½ on 9/11
http://www.prisonplanet.com/report-of-people-planting-bombs-on-911.html

Why isn't Happy George Norry, Our Enemy, covering
this everyday as an important subject to defend
American life he holds truly in contempt?
Again, Alex Jones leaves every American to die
victim to his NWO, before he will acknowledge
TRUE evil in our world. George Noory, the evilest

ACTUAL Enemy of History, Alex claims is a good
guy for never allowing open discussion on 911,
Afghanistan, Iraq, and so on, without selling
his Zionist hate for our Humanity. Can you believe
that demon enemy co-ksucker Ian Punnet actually
preaches? The demon has told US more than once
he doesn't believe in God, so what do you think
that other "buddy" of Alex Jones has in store for
your life? Alex has said near a hundred times, that
Christ's disciples were all killed by the Romans
for believing - what a demon he is - for - what
Bible is his fans conceiving? Again, Alex Jones will never
encourage his listeners to demand open debate. Alex
would lose on all his lies like, he's been on with
George Noory a hundred times, or fifty times in
five years. Why does Alex lie to US all like that?
Because he doesn't really want Justice to prevail
where GREATLY wiser men or women would likewise prevail
through open dialog. Alex can't have that because
everybody MUST be under HIS NWO mind control.
Mind control on education, the Federal Reserve,
and FREEDOM. Alex figures having a gun to shoot
innocent Americans in the back is his brand of
loyalty to God and Country. Well, I, as Christ,
state it isn't mine. He would see every American
murdered, before allowing the notion that he, and
his likewise cult, might just have something to
learn about evidence being a REQUIREMENT to prove
someone's guilt or innocence. His godless commitment
is to escape Bush, and his zionist media controllers
with excuses that don't hold water in any Court of
Thee. Alex refuses to allow Americans to know why
the Constitutional protections are there to defend
yourself, because if you did, you'd demand the
arrest of Bush for treason, and call Ron Paul an
sell out loser who pocketed the millions conned for
being Alex's loyal fans. Alex doesn't like this Truth
because he's gotta be leading Earth's "Truthers"
at the pinnacle of his spear as a liar, where all
of History, is one badly drawn Alex Jones cartoon - a
dickhead. A true dickhead illiterate on the bible,
on Justice, on Life.

/ / Well, why haven't the banks just returned

People who know they defeat all "Conservatives"
in seconds with indisputable simple logic, will

eventually rule the Universe, if CNN, CBC, and
Alex Jones allow open communications on what is
understood by all as high acts of treason openly
committed without a defense of smart people
explaining why/how we are being rooked as idiots

to thieve from ourselves as war criminals is what
any rational person comes to understand. When you

a person accused of a criminal offense without

Obama Accused of Blackmail over Terror Trial Evidence
http://atheonews.blogspot.com/2009/02/us-accused-of-blackmail-over-terror.html

penalty under American STANDING Law.

Video: Cop Punches Woman In Face Four Times During Arrest For Riding A

Top Cop Johnny Judge rules: Ten years in prison.
Maybe fifteen if the dumfuk grunt, back from the
war against Iraqi children as a traitor to American
values, shows no remorse for his crimes against an
American women either. Absolutely any cop or soldier
who disagrees as true contempt for our freedoms with
punishment against this nazi trash pirating our
police uniform, WILL WARRANT death sentences all
around to ACTUALLY defend liberty in my America.
Any American father who prides in killing innocent
Iraqis for the escape of the neocons for 911 is no
father. And a wife should get the hell away from
a male who enjoys murdering helpless innocent others.
Children in such families should be challenged
by relatives through the Courts to save the lives

of our endangered offspring. Again, without water
or food, Iraqi children are murdered by Neoconner
grunts irrationally everyday with nothing to say,
aka, without reason but as Satanic Bush whores, to

televised to fry in the electric chair for these
documented war crimes? I sure would. It would make

UK judges accuse Obama Administration of suppressing torture claim

Yeah really. What kinda world does Obama take US
for here? Does he actually believe we hold no
interest in being attacked as ourselves, the
innocent forsaken? A reminder: an American was
executed under Iraqi law without any evidence
brought against the accused, while the grunts
were offered an excuse to seek not the culprits
at the terror scene. The case was lightly reviewed
at democracynow, a year or two ago, and can be
found by searching for a grunt pretending to be
an ambassador to Romania. A case where the Judge's
life was threatened by a "General", where if he
didn't order the death of the innocent American
citizen, the grunt with the General would murder
US all right then and there. The Innocent American
was murdered as forsaken for value shared by
free men.

children? Unlikely, because it isn't as important
as how fat Oprah is today, or as Alex Jones the

are responsible for every criminal action against
Liberty in America, not war crime dictating LIAR
Bush who told US Saddam wouldn't let the inspectors

believe foolish things as factual. Examples are
truly endless when we discuss Alex Jones'

dumminess, but here is one example. Alex states
911 truthers were attacked in a TV show as NWO mind
control- but, the "truther" he referred to
talked in the drama on there being NO PLANES!
A dis-info bushite stooge if ever was one depicted

not be granted a minute because I, in support

Obama set to allow Bush-era ï¿½torture flightsï¿½

What the fuk eh? Doesn't Obama know this
crime warrants death in America according
to the war crime act? Does he believe America
just will never have a chance to speak for the
interests of US as innocent Human beings he is
planning to torture as an enemy to Life?

Refusing to Defend American Values

Yoo: Bush okayed torture to outwit defense lawyers

This is why it warrants the Death sentence. Remember
corporatist Amerikan citizen, these torture victims
that include children as younger than a hundred, had
not been alleged to have ever committed a crime in
their entire lives. Victims tortured to death for the
pleasures of those Satanic, such as General Geoffry
Miller, who tell US today as confidenced, they do it
because, patsy wasted American soldiers will just refuse
to hunt them down for formal executions. Let's change
this for our Humanity in this future, to look back,
and know, American males were men of the World, who
stood for the principles enshrined within every living
Constitution. A free man shall not be jailed, or
tortured by anyone in our names as Governed, without
the perpetrator tried publicly for execution as our
Love of real Justice. As first degree mass murderers
warranted death sentences under the War Crime Act
ushered by Reagan!, all done in for our protections
of their next innocent victim - ourselves. Or
die a death in corporate tyranny worthy the title,
cowardly traitors to God and Liberty. Blackwater,
CACI, AEGIS, KBR and the like will all be hunted to
extinction for refusing to quit their lawless Rape
and mass murder, murders done for more stolen money
as America's name high-jacked. The Lawless enemies
shall be prosecuted by the honorable Soldiers of
the Good old, Red White, and Blue. Count me at

Bushwhoring Enemies of the American Police

What a demon enemy of life these bushwhore enemies
of American Liberty are eh? No concern whatsoever,
for all the teen soldiers conned to die for those
who committed 911 in NYC. The millions of bombing
victims, the tortures, the rapes of American women,
STILL, TO THIS DAY, left undefended by "the law".
Evil enemy of everyone these demon fuks are. How
difficult is it, to understand the facts they feign
complete blindness on? They WANT to con you as the
coward to life they are, willing to kill America to
make their antiChrist lawless enemy Mr. Bush happy.

From years after the fact still demanding Justice now:
http://groups.google.co.uk/group/alt.military.uk/browse_frm/thread/ca0e34fb32caeb0a?hl=en&
scoring=d&

Huh? "at last been disarmed..." ? How does he figure?
The equation hasn't changed. Example: The same
unaccounted anthrax, (that was disintegrated into ash),

still is not able to be measured as completely accounted for, (never could be), but this bushwhoring war crime apologist, tells US, it was only though the lawless murder of our good friends and family for countless generations, that he now attests without reason, or evidence, to find Iraq in "fact" disarmed of it's still nowhere to be found, weapons of mass destruction. (An irrational reason he pronounced previous in corporately broacasted public support of instigating heinous war crimes against our humanity under the leadership skills of the evil lying demon antiChrist, our Mr. bush Jr..)

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron. And, the Iraq war is a war crime. But Ron, the Fascist, doesn't want THESE FACTS uttered. Why? Because wiser men would prevail, wiser men like me who understand buying in bulk is cheaper. Those like Christ who understand, who KNOW, the banker doesn't cover our loans - so why give them as much as a taxed red penny?, let alone trillions as officially unaccounted for? They are stealing the cash Ron. Ask yourself: Why has Alex Jones forbidden his bushwhore cult from understanding Bush doctored the NIE?, or of iron flowing like water from the towers? Because wiser men would prevail and he can't have that. He called shooting innocent men in the back, an act of liberty. I, an actual god, unlike Alex, lie near never, but maybe to myself when I'm lonely. Alex yes will tell you rapists are free to do what they will in Texas to American children, un-arrested, but he won't mention it when the police chief is with him on air, talking about how he'd like to be exempt from traffic tickets for being so popular. NO MENTION of the rapists walking away without arrests made, no mention of Bush's documented treasons on 911. Where are Alex's priorities? In selling YOU out so he can be wealthy like a bankster?, and have special rights over everyone else that drives drunk, or speeds? a big hero standing over our dead soldiers yelling, I told you so, I told you so, I was right, I was right. Again, understand: It is not by my will to deny open debate with America, it is Alex, and his demon buddy George Noory that denies out Humanity this right. And when people try, like Peggy, or Black men on Jewry, Alex lies cheats and steals our wills for further thefts. Ron Paul's family has

millions taken from loyal Alex Jones fans. MILLIONS! Does Ron do commercials with that money highlighting the bushmob's plan to invade Afghanistan, dated two days prior to 911 for Enron? Of course not, wiser men would prevail to expose him as the charlatan charity raider he is regarding Health Care, Social Security, Public Schooling, earmarks.. It is unfair to measure Ron against corporate nazi zionist whores of MSNBC who willing, openly, kill American teen soldiers for criminal neocon gains, as an honorable gentleman's talk. Half honest People like Ron are extremely ignorant on the workings of our world. EXTREMELY. I joke here not. Evil is the deceived disguised - translated - evil people are always dumb.

Corporate America says no, Charlie Manson was a genius, but not, that most Americans are prone too easily to suggestive states where they can be made to believe anything blindly. Think: what does, "bin Laden did 911" mean anyway? You should know of what I'm trying to teach you here. That is how
Alex knowingly or otherwise, steals our rights, by beating off he knows everything already. And some, if not most, actually believe him without knowing squat either. It's sooo easy that way - no study required!! LIBERTARIAN HELL! Everything is not on the Internet, where it near should be, but regardless, a Libertarian can't be bothered to read anyway. "Free Talk Live" is the best example for this: the two hosts are unbelievably ignorant on just about every single subject under the sun, but beat CONSTANTLY, on how greatly wise they are as drop-outs. You wouldn't believe any of them when they speak on Freedom, if you simply understood, an innocent man does not deserve to be in OUR prisons, or tortured. Under any circumstances that Obama has excepted for our excuses. Magna Charta. But in Alex's 'genius' mind, he doesn't need to actually understand he is a for sure bigot, (measures another unfairly in a group HE concocts from blind hate or personal fear - typical CONSERVATIVE and/or racist) who has no problems with that at home, or at work. Provable in seconds by OPEN DEBATE, but Alex ain't gonna take our calls because, he can't for the lives of every People person thought of here, admit he could have something to learn, therefore, the NWO is unstoppable in his brain washed cult of indifference to Justice practiced for the benefit of all treated fairly. Why? He's not wise enough to respect the great minds of the audience, and I personally believe,

he doesn't even have the good judgment to own
a gun. (I mean, why wouldn't Alex find my stories
of OUR Justice system triumphing by my single hand at least
minimally beneficial to his blind cult followings? to not
hang up on me immediately while spewing lie after lie
on how I'm top secretly a dis-info NWO artist working
for Bush? or whose voice sounds too friendly to trust?
like he has done the last four times I've phoned -
Hey! I can be an asshole if you want - no prob.)
Perhaps it's near because, Alex Jones is blind, and
as such, could actually be found guilty in Texas for
murdering those two innocent black men shot
in the back with his approval to release the murderer
from a RIGHTFUL death sentence prosecution. "law of
Parties". He is a party to the crime, for he worked to
support the release of the FOR SURE, FIRST DEGREE MURDERER.
Sound like an America you could live with? I didn't
think so either. I wanna be Alex's Attorney. Texas is
a State of massive lawless corruption, as dire
incompetence in legal affairs where they OFFICIALLY
plan executions against innocent People not established
to have harboured criminal intent! With Jury Trials!!!!
!!!!!!!!!!!!FINING THEMSELVES GUILTY!!!!!!!!!!!!
While Alex does express murderous criminal intent,
and the Police chief calls him a good man for no
scary pressures. What the fuck is wrong in Texas
where they mess themselves like this regularly?
Imagine, while Bush with the Neocons escape, and
Zionist Israeli target to murder Christian School
girls OFFICIALLY, Alex doesn't want to have to pay
traffic tickets like the rest of US. What a douche bag
to tell he LEADS our Truth movement I say. Now, I'm
not saying he shouldn't contribute with the truths
WE SHARE, far from it, it's just he can't have our
cut off switch to silence our objections to his exposed
foolishness, and/or blatant criminality. I'll give him
a chance, for starters, to criticize any position I take
while we all publically call on ourselves for
assistance internationally. Like on his "buddy",
George Noory, deserving to be tried Publicly for the
traitor he is, and be formally executed after his day
in Court. Our Courts. Teen soldiers have been conned
to die by George Noory for the escape of the neocon
terrorists who committed 911 with Condi, Runsfeld,
Bush, Myers, Tommy Franks, and General Ahmad. AND
HAPPY GEORGE NOORY KNOWS IT - and cons with lies
naked to the ear of any who can listen or hit record.
A NAKED traitor to the cause of Liberty if we ever knew
one regarding the War Crime facts of Iraq. .And
Ian Punnet is an evil godless enemy Bush whore who

lies too to get YOU killed as the innocent soldier
forsaken so don't forget.. It's YOUR life. It's God's
Gift. Now support our rise for popular international
debates to get these Neoconners behind bars
awaiting Public Trials! "Public"thatsoyu!! Get to
the Phone to call someone to care man.. Johnny
Jesus has arrived! Justice Will Be Done in this,
Our Kingdom to Come.

Justice to the war criminals of
indiscriminate warfare would better serve ourselves
to halt for our safety. The bushmob did 911.

GAZA APPEAL THE BBC & SKY REFUSED TO SHOW

Not only that but the BBC argued that to show
innocent Human Beings suffering, in CRITICAL
life threatening need of desperate food and
water that Israeli nazi stole, (because they are
unlawful murderous thieves), would have them look
like they were partial to serving Humanity's
interest in compassion for US humans. Over the
Israeli terror Nazi tactics of indiscriminate
slaughter for more Amerikan welfare. Wicked evil
nazi bastards who too, DO NOT THINK IT BEST to
report Peter Powers committed the London bombing.,
Oh yeah, and mercury is neural toxic, anti-psychotics
make us crazy, and sodium fluoride makes us
stoopider while weakening your body for big cash
surgeries - ultimately leading to a profitable
death for dah' winnahs.. So, they, the BBC-NWOers
just needed to avoid the bath or shower,
humidity, Pepsi's purified bottled water product
lines, koolaids, swimming pools, Jacuzzi, Hot Tub,
Sauna, private Whirl Pools, and.. blh blh blh

/ / the FBI says no.. There is not a thread of

Olbermann | Bush Years: 8 in 8 Minutes
http://www.truthout.org/011809Z

Bush and Cheney are traitors to the cause of
American Liberty. To leave them free, is to leave
America un-guarded from further transgression.

The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know
these FACTS that demand arrests of the culprits
responsible for high treason against Johnny's
America. Alex wants your money, and EVIL George,
our enemy, wants your soul stolen for Satan.

Turley: Obama 'accessory' to war crimes if no prosecution
http://rawstory.com/news/2008/Turley_Obama_accessory_to_war_crimes_0127.html

Understand, Alex Jones doesn't want Justice
for Americans because he loses out to better
men that usher a greater life. He doesn't want
the evidence of George W. Bush made public to
defend American teen soldier's lives. The true
fascist Alex Jones, who in silence supports the
escape of Bush for treason, will fail our true
voice for Justice in our times. WE DO NOT rule
the truth we share equally committed to defend
ourselves from lawlessness. And you'll never
rule my right to speak freely over your intent
to sell us all out for monetary swindles, just
like Ron Paul did. Understand: Ron Paul doesn't
even acknowledge 911 was an inside job, or, that
Bush gave zero evidence to form Your opinion.

Alex Jones, the Slave, told US today that
he challenged Bush for eight years - Bushite
lying nazi traitor. Not only that, but he
also ridiculed those who wish to blame Bush
now for anything! Again, he doesn't want
Justice where bad guys can't steal from
ourselves unrepresented. Ron Paul is a
multi-millioniare, made rich by charitable
aid conned from Alex Jones' NWOers! Alex
Jones doesn't have a problem with that, we
do.

Israel to be Judged - Universal Petition
http://www.tlaxcala.es/reponse_signataires.asp?lg=en&ref_campagne=10&Page=1

The demon LIAR zionist Israeli is a godless enemy
of Humanity, much like everyone at Foxnews, CNN,
BBC, and the CBC. Our revolution against the godless
bushite shills, will not allow our revolution
through speaking honestly, (to become of ourselves
something greater), a chance to be televised for
our benefits. Bush closed criminal investigations
immediately after 911. According to the FBI and
Senator Dashle. CNN says you have no power, Foxnews
says you have no power, the BBC says you have no
power, the CBC, the same, like Alex Jones NWOers...
but well, don't believe it. YOU Do have the Power.

We must demand open communications to bring back
values WE ALL would agree to through polite debate.
"Conservatives" don't want this Freedom idea
expressed in general terms because, a "conservative"
is universally, minimally. a bigot. Why? Life isn't
like, their way, - then- all other opinion under
the sun on how things actually get done. (Aka
"socialist" traffic light repair men, or "liberals"
who want to treat The People fairly). Or who we are
as equals to our laws fairly practiced. Pay attention
to what I am saying here. Liberals can be Dicks with
a capital D too of course. But a Hannity couldn't
survive 2 minutes with me speaking on his very real
treasonous behavior in OUR public arenas. Behavior
done to escape the 911 culprits from the long arm of
the Law, with his conscious will of criminal deceit
exposed, we all learn to better defend ourselves.
And Shawn Hannity can't have that for ourselves, he
takes too much money from ourselves as talentless by
keeping US in the dark dying needlessly for traitors
never elected publicly.

Who am I you ask? Johnny Law. at your service. Look
me up with usenet to discover, we live in a world of
idiots everywhere pretending to be somebody by lying.
While I want US all to truly improve our condition by

actually understanding how bad off we are by failing
to respect ourselves for correction. Too many, know
it alls, with not enough to know you need evidence to
form a guilty verdict against an accused man or woman.
Not according to CNN, CBC, MSNBC, Foxnews and the like
however. Let's change this by supporting my challenge
for top billing at the Coast to Coast radio show hosting.
Look for me coming soon!!

Unseen Gaza High Quality: Part 1 of 6
http://www.youtube.com/watch?v=UeezoWRu1FU&eurl=http://whatreallyhappened.com/

Why is it that numerous visits don't change the
view count? What is this business of a=a+1, the
top secret, I'll go rhythm, that is way beyond
our comprehension in it's scientific complexity?
For Americans, okay, but the Human species just
isn't this dumb.

While Zionists OFFICIALLY target Christian school
girls for mass murder, CNN instead reports that
bushite grunts attacked girls in Afghanistan, posing
as Taliban. I WILL every celeb at CNN to be arrested,
tried and executed for the reporting they have done
today without facts. Remember: the Taliban played no
part on escaping those responsible for 911, and opened
schools for girls, and were brought together on the
single purpose to defend women. Death to CNN reporters
to LIE for killing OUR school girls. I HATE zionist
enemies of Humanity and God I am.

The Torture Ban that Doesn't Ban Torture
http://atheonews.blogspot.com/2009/01/torture-ban-that-doesnt-ban-torture.html

/ / Obama's Executive Order bans some -- not all -- US
officials from torturing but it does not ban any
of them, himself included, from sponsoring torture
overseas. \ \

Is America a nation of Law to Live freedom?
Because this SPECIFIC deviant action of Obama warrants
the death sentence under Reagan's "War Crimes Act".
SPECIFICALLY. Or, is it you falsely believe Obama
can do no wrong against innocent people here, where
an illiterate nazi grunt, maybe from South Africa,
will kidnap YOUR children, and torture them to
death for sadistic pleasure, with as they did using
power tools caught in Iraq, according to Iraqi
government official(s), and several soldiers from
Oregon, all because Obama has given an ILLEGAL!

"excuse" to NOT support following the crime scene
leads at our REAL murder scenes? Again, death to the
bushite dumfuk enemy of God, death to the enemies
of a freeing Humanity striving for a just society.
Obama needs to be arrested for this under the Law
as it stands I'm sorry to say my friends. Why?
Torture is illegal in all 50 states, (as Reagan
directly planned), no matter where you ship the
innocent victim to, or from! Read the War Crimes
Act, then demand Justice today, otherwise, it's
YOUR funeral. Obama wants to secretly torture
Peoples here, while lying to US ALL that he doesn't!
A TRAITOR! Who also wants to give bankers 100s of
billions of dollars more to disappear, that WE pay
for, out our door, never to be seen as our own
again.

Alive We Say

And Alex Jones gives us the same guy twice
a week that blames the Illuminati, while
encouraging that YOU TOO! can get money
for nothing like the banksters. Just give
the Alex Jones', NWOers, the "truthers" money
money money money. No time for affording the
explanation that the TREASONOUS bushmob
doctored the NIE. That Saddam wasn't in
violation of 1441. That a NEOCON is
identifiable for it's demonic LIES
against God and Man. Never to tell, the
private bankers don't cover OUR loans,
that Bush PERSONALLY worked to close
Police investigations immediately after
911 (obstruction), or that WE have video
of iron flowing like water that PROVES,
without doubt, bin Laden couldn't have
single handedly placed the explosives
in the buildings, or stole the black boxes.
Because someone surely would have spotted
him dragging his dialysis machine what with

all the professionalism of corporate news
media coverage regarding our horribly
suffering worlds. Alex Jones ignores the
treasons of Bush, as a Bushwhore, and
instead, tells US of how Obama is Bush on
steroids. He only wishes. What about
Justice for Americans Alex? Why for do you
forsake ourselves? For money? What about
the lives lost to mass murder, that you
allege to champion OUR TRUTH without saying
much of anything on real Freedom?, on real
Justice like your deviant election rigger,
Ron Paul? Well, no wonder, Alex told US he's
into shooting innocent American People in
the back as a tyrant of evil, a white Devil
if you will. Kids too if you dare look in
his back yard for a copper. See? Now if Alex
doesn't allow US to speak, more and more will
understand to know why. I am a defender of
all that is right and just in this world,
because I don't need to lie like Alex does on
a huge host of issues. I'm more like Jessie
Ventura, in where I don't need/want to lie.
If I end looking foolish, (of which I like
never truly am), it's a benefit, because that
way, I've learned something. Alex knows
everything already, and 'is always right'.
Like I say Retarded. You weren't right by not
understanding that the banker doesn't cover
the loan. One example of easily hundreds. He's
a typical, he knows it all, know nothing dumduk
American. Hear him on health care speak as
Ron Paul does, and know, I defeat them in under
ten seconds. TEN SECONDS. This is why he hasn't
in years, allowed me to speak more than five
or six words. He's rather all America die, than
admit he does NOT rule our 'Ocean of Truth'.
I want the challenge of opposition through debate
to PROVE my skills beyond reproach. Alex,
every time, just hangs up on anyone who tries
to improve our communications by factually
speaking. Why? Because he IS TRULY deeply
ignorant on what freedom or Justice means. Why
we have law. What a consensus is. Allan Watt is
severely disabled in this regard, another Alex
Jones favorite. And this is why, Allan can't
take calls openly either. He has jerked off
with himself too long to quit now learning
super basic precepts, for like Alex, he "knows"
the inner workings of the 'genius' NWO elites.

Not Law 101, not Bush, not Rumsfeld, Not Condi, not Torturers, not bank robbers, rapists, or even petty thieves. Allan Watt isn't a bad guy, he's just a chauvinist pretending he actually knows something, when his real disability is directly related to his absence in understanding understandings. Doubt is a near foreign concept. A challenge for Allan: can you get your 'genius mind' around the fact that Peter Powers did the London bombings, and not the Illuminati of 1463? and if not, why are we so dumb to our present plight that way? Don't get me wrong, Allen has much to offer, it just isn't the issue right now on saving our dying futures. Maybe I was too hard on Allen, he is really actually kinda cool. Alex Jones too has many incredible moments of ecstatic clarity increasing in all they joy of seeking enlightenment. .. Ok - but this is serious business that requires little dilly dally with what we'll have as a side dish in Paradise Lost. We are talking Human Lives have been destroyed by our inaction to remedy these failures to communicate effectively. and.. Jeeze, the weight of my responsibilities, as just plain John, being a/the Legos Man - for like the Family and everythings, get's me never forgetting, all we got are these words left dormant from the power they truly possess in the minds of the wise asses. And.. here I am. I'm a Talker of Words looking to make a break in the NewZbiZ. Zzzz... Alive We Say! Alive!

King Johnny, from Earth, has come for talks.

The Zionist enemy, the most evil nazi sons-of-bitches who openly advocate tyranny and oppression through mass murder of ourselves as the innocent left targeted defenseless. Enemies of Jews everywhere, the Zionist cares not for facts on who's Life it destroys for stolen gain by lying. That's why they target Jews, for fear the Light of Truth would expose them as the Nazis they are.

Hamas doesn't have a military though, so, why not demand the arrests of those who broke the truce, and murdered innocent people indiscriminately, on plans more Jews would die for cash profit? Profit paid for by zionist amerika? - the false imprisoning

"We believe there were dozens of IRGC
personnel in the Gaza Strip during the
war," an Israeli source said. "Some were
killed; others went into hiding, and
others escaped."

See? the demon enemy of God speaks no
evidence as a TRAITOR to every Jew. A terrorist
nation that still steals humanitarian aid in
our public realm of left defenselessness. The
false allegation deserves a death sentence
by Jews against the war monger Zionist enemy.
A cause that Iran should champion, if in fact!,
this allegation by OFFICIAL WAR CRIMINALS WHO
TARGET FOR MURDER OUR SCHOOL GIRLS, is on it's
face, unsubstantiated as patently, demonically
false. As typical from any godless Zionist.

Where are the Americans asking for the
formal arrest of Bush for high treason?
Whoring for Alex Jones's contempt for REAL
Justice? The ignorance of all American
talk radio hosts speaks for itself. NO
knowledge on why acts of high treason, are
crimes against every American. The bushmob
doctored the NIE, and Alex doesn't want
Americans to know, because if they did,
they ask, why does Alex do everything he
can to escape those personally responsible
for 911, while then asking for money to
continue his fight against freedom in
America. Again how much money do we have to
pay Ron Paul or Alex Jones before they
will allow the knowledge of the Iraq war
against Human will is criminal? How much?

Obama! feel free to call
on me to help out with a plan for judicial
actions. That offer goes out to everyone in
Palestine, Canada or Britain too. Russia,
let's help out these fools by freely
communicating, what say you? Justice
for all is freedom to be. The Israeli cop
killers must be brought to justice for war
crimes. Those cops, were cops. And I,
am a man.

Alex Jones Rocks!

Now Alex has problems in "my" mind because I am
an ACTUAL genius, and he is generally, an idiot.
Today, he did one of his usual commentaries, however
this time, he was pretty honest with himself, and
his love for Ron Paul. Ron Paul sells incompetence,
and Alex corrected correctly!. that a.. sorry Ron
but these banksters know they're robbing us as
undefended blind men essentially. That's what I'm
talking about!! Look, Ron Paul can be a dumb Ass,
although, he's still not all that bad a guy. A Dumb
guy on things like economics sure, Justice, warfare,
Health Care, Social Security, ect. ect. but still.,
like a child learning of why the sky is funny
blue, isn't all that bad a guy really. He's
certainly not a war criminal, like Bush or
Rumsfeld are. Doing 911 then sanctioning torture.
While Neocons Champion sending illiterate American
teens for death as war criminal. Think about it.
Maybe he is..

-

ï¿½We have all these documents that are now
publicly available that prove that these
methods of interrogation were intentionally
ordered by Rumsfeld,ï¿½

Let us understand. These actions "give" a guy
like Willie Brand "the right" to RANDOMLY kidnap
men, women, or children, and torture them to
death for sadistic pleasure with his faggot
Capt, Christopher Beiring. (I think that's
how it's spelt). But anyway, this is the truth.
A bushite is a godless Zionist whore of Nazi
evil, an enemy of America, who wars YOUR Freedom
with criminal "excuses", for refusing to support
the arrest of those responsible for 911. A
TRAITOR, and could be wannabe rapist, robber, or
911 mastermind ringleader. Torture is illegal,
and warrants the death sentence, according to,

Reagan's "War Crimes Act". Some only suggest,
that this was why someone tried to kill him as
honorable. Death to the torturers of our
innocent families, torture they do without
apology as Zionist Military "Judges". Instead
today, where they get salaries paid in the
billions by the zionist giving nation of,
a-mirror-kay, echem, America. Johnny's America.
A nation where Justice will rule for the favors
of all treated equitably with or without you.
Honor me in company my friend. We have no rivals.

ISRAELI IS A THIEF WHO CAN'T SPEAK OPENLY IN DEFENSE OF OURSELVES IN OTHER WORDS? That is right. They, as documented criminal, lose every debate personally since before the dawn of Civilization because their position is clearly unsound. They are criminals who murder People in hate for a freed Humanity. They OFFICIALLY steal Peoples homes in that country didn't you know they proudly proclaim it so? And steal humanitarian aid from starving children. Targeted to murder children specifically as publicly confessed, 'it is Hamas WE blame', not them as demonic child murderers. Hideously evil as ungodly sadistic savages. Enemies of YOU, enemies of them, and enemies of me, the King of Jews Christ fellow from beyond the grave. They are so evil to God and Man, they tarnish everyone of US to not win justice sooner by blaming the actual bad guys. Justice is Freedom.

/ / Those white phosphorus shells used on the Gazans are made in the USA according to Jane's Defense. \ \

Again, these peoples are not Jews. Being Jewish is a religion. These thieves of God are Satanic in their LIES to betray the common trust in our words, that bind all worlds to victory, called freedom universal. Even tales of the Devil have him keep his word, with verses specifically condemning the self to damnation for targeting the innocent for death. God's the Word. Every word inside a fool's paradise. Including the periods. Not as like, I'm playing a word game, but that it in wonder, is all strangely here. Example: The Universe as it has existed always, is not separate from our 'pauses', or faulty drawn conclusions. The universe, in one sense, was as good as anytime, created 6000 years ago. AS TOO 50 billion. You say, impossible, I say no, study quantum physics, and know, I live this.. our existence is not scientifically separate from the timeless nature of consciousness, proven as not only theoretical, but actual. That is a first step at developing a REAL relationship with the living Universe if you want to as like an artist does - that

TOO! can be just as thought static in it's orderly constructions for Atheists. (An Atheist is still mostly a fool here however.) Overall, for any, it's sorta simple: Life has left YOU in charge of YOUR fate. Now, do well to make something of this being as eternal Life reaching for balance, as your body does, and good cops do when bringing the bushmobsters to Justice. By Israeli calling for more murder against the innocent of your mind as racists and bigots they are openly, is still shadows of YOUR mind, YOUR WORLD.. get it, got it? God is in genius to set Life as this, as like, nowhere existing, but for as yourself within. Will you speak out for the Justice denied Humanity?, or not you? Atheists can be Just too!, but generally lose it on not understanding the intelligence of order is way beyond what they dream up with assumptions. All anyone has to do is ask themselves, who do you mean "God"? Atheists are ridiculous!, but, to each his or her own, we are on a path here, believe what you want to believe. This is not a faith initiative I'm bringing by keeping this real, I DEMAND JUSTICE BY OUR WILL BE DONE.

A zionist cabal of criminal pirates who murder Jews around the world for stolen money is seriously evil as criminal. What do you think? Let US have a open line discussion on this indivisible matter of rights to all as equals before who ever we proclaim, I AM.

I mean you right? Say it with me... "I" "AM" we are good to go.

don't care for the future of our Humanity being
left for dead as continuing victims to EVIL liars.

Simple Common Sense for Mankind

total starvation blockade on Gaza followed by
flaming death from the sky aimed at schools,
hospitals, ambulances, and children, and you

a "mob?" \ \

Zionists are evil people who pretend they
are honest, when lying directly to everyone.
Blitzer reports Hammas broke the truce, he
is lying to continue the murder of innocent
peoples. Understand: Israeli Nazi state they
will continue to murder our innocent Humanity
until the rockets stop falling on Jews. Yet,
they broke the truce, and murder Jews routinely
with reckless abandon. Jews from the Bible as
of "nigger" Ethiopian, are what the Zionist
hate when warring GOD for apartheid, apartheid
that is Humanity in Gaza. A zionist is a war
criminal who speaks not against the neocon,
but against Innocent Humanity as YOUR enemy.

Not the Nazi Israeli?

The guilty party are those who advocate these
mass murderers of innocent peoples with
deliberate lies, like from Blitzer. Blitzer
will be tried, and executed a war criminal
for stating Hamas broke the truce., Where,
only two minutes earlier, he learned, that
it was his Nazi partners. DEATH SENTENCE.

It was on TV. BUT SEE? Ron Paul, the Libertarian,
ain't going to be honest here. He'll lie cheat
and steal Humanity's voice for Justice - like
he did with OUR money. A typical Libertarian
like Alex Jones who wants to blame "socialists",
"Liberals", aka, all of innocent America.
Blitzer is war criminal, who makes his own
discussions. As is Ron. What an enemy to not
mention the truce. THINK: IT IS THE ISSUE. But
Ron plays the dummy to kill more with contempt
for Freedom. Ron Paul, the bigot, asked,
'should we be doing this'? SEE? it's not first
degree mass murders, no, according to Ron Paul,
it's argumentative that indiscriminate mass
killing is a good thing really. Remember,
Ron Paul does not support arresting those
who committed mass murder on 911 either.
Or those who STOLE TRILLIONS. Or lawless Bush,
the ACTUAL AntiChrist enemy of God. Ron Paul
will watch America die for a stolen dollar.
And Alex Jones will refuse all calls to label

Ron Paul "When we pick sides, we make it worse"

Remember: Sadistic authoritarian George Noory

Jones doesn't hear a problem with that
either. Love the bushite blindly, and

Ron Paul "Israel can not act without
Washington's approval"

So, it is Ron's fault then by not mentioning
the truce?, or as that, innocent People are being
indiscriminately murdered in a death camp that
he figures is argumentative? that innocent
People are dying as targeted for mass genocide?
Or is it the Ron who states YOU are to blame

the truce, and Israeli started this by stealing
innocent peoples homes, then imprisoning
ourselves, the victims, in a death camp for
indiscriminate slaughter. While they STEAL OUR
CHARITY. What is it that YOU can't picture?

Hi. My name is King Johnny.

/ / The targeting of civilians, whether
by Hamas or Israel, is a war crime. \ \

They are targeted by Obama who suggests
there is an argument to be made here. There
isn't. Nazi Israeli DEMON LIARS broke the
truce to kill Jews for money. They are godless
enemies of Humanity. So it isn't that we are
pro-Palestinian, it is that we are pro-Human.
Zionists DESERVE to die, before US, the innocent,
they target for murder for stolen cash gain.
Like Obama has promised to do for AIPAC. But
what about the rest of US 6 billion plus Obama?
Who is it of US innocent folks do you wish to
MURDER, or torture next as a Zionist war criminal
for Satan Obama? Torturing kids is popular in
Israel, tell US Obama, which American father will
have his children tortured, or murdered
sadistically by yourself as a whore for Nazi
Israeli? tell us, we're not waiting.

The Chosen Bad Example

Zionists Destroy Our Homes as Satanic
http://www.youtube.com/watch?v=mo2HW4T7wK4&feature=related

When I see the women and her child, left outside
while they sadistically destroy her meager gains,
I grow weary with ourselves for not speaking right.
Nazi Israeli are committed to deny US our God given
rights as Innocent persons to speak freely for Justice
realized. All because they STEAL our Lives for monetary
gain. It is our reality, give it or take it, YOU LOSE.

Then.. Hammurabi founded Civilization.

I go concerned for any hesitations of condemnation by
Obama. It's like, he's talking some jive about
how now he'll NOT let the words of Hamas reach
his ears. Being against war criminals, doesn't make
you pro-Hamas, necessarily, it means your against
war crimes to defend the lives of ourselves respected.
Remember: He told US earlier during the campaign that
he wouldn't fear speaking to anyone, Hamas especially,
because he was confident he could win the discussion on
Liberty, by principles that unite all free men. Now,
he has promised the FBI's Most Wanted AIPAC, he will
pretend to not hear any calls for fairness as all
parties united by common cause. Johnny Who? Where did
you go Obama? You were here, then.. pooof! you
vanished into the loving shackles of convicted/ing
criminals is a mass, "WE ARE TRAITORS TO JUST CAUSE"
organized war crime outfit, dedicated to deceiving the
Public by lying. I am not Lying. I'm not saying I hold
his associations as a measure of himself, I am concerned
with him stating, he will not hear our cries for Justice,
as then AIPAC cheered. I was as freaked out about it as
you maybe yourself now, believing it as possible. Check it
out for yourself, and wonder, just "who" is this person
they tell us they're are going to take for as dying fools?
I mean look at what happened to what's his name, when he
sided similarly the same in error as hugely criminal? Come
on be honest with us son, "Are you on drugs?". Maybe he's
just been stressed with all of everything he is heaped
to follow on, NOT to know by Blitzer, that Israeli broke
the truce to kill more Jews for money, and, also STEAL
innocent Peoples Homes while saying, "they are God's
Chosen". Yeah, chosen for, "The Bad Example", of how
Jews are left undefended by these grave robbing war
criminal nazi forces. As the King of Jews, I call for
Public War Crimes trials of the entire bushmob as
terrorists, and their supporters for lawless tyranny.

People are Coming to Town. Justice for All Coast
to Coast radio broadcasts all, until we have secured
the neocons in a prison cell awaiting the treason trials.

We are Good to Go. Rise Up for innocent Life,
or don't and see where it'll get you in the end.

apology, as a function of their SATANIC
government, while collectively bombing the
INNOCENT victims who die because of it.

Again, they are Satanic here because
they THREAT to tell you, yeah, Zionists
are casting the leads for the real mass
murder scenes - Justice denied Humanity.
God doesn't exist to defend yourselves
from war criminals for Satan.

War crimes trials with public executions
will commence against ever GUILTY zionist
living to lie that Hamas broke the truce,
that Georgia was attacked without provocation,
(again, CNN are not 'accidentally' conning
US here). And trials for every last living
bushite bomber, rapist, and torturer -
death to the bushite, the true traitors who
war against freedom for America, traitors who
war Innocent Humanity for the escape of the
neocon zionists.

Both parties cheerlead loudly for Israel's war Against Humanity
http://www.salon.com/opinion/greenwald/2009/01/08/israel/index.html

Death sentences MUST be willed by Christians for war crimes.
Death to the bushite, death to the enemies of God and Man.

For the Great Truths. We Stand United

/ / This option is also regarded
as a non-runner as the US would certainly veto that
suggestion. \ \

No no no no. What you do is investigate who this
the "US" person is as the GUILTY party my friends.
The facts have spoken for ourselves without contention.
And while we're at it, try to figure who that "Army
says.." person is too, we need to know who these
traitors are who hide their names backing war crimes

to continue. The Enemies of Civility, they are
enemies of US all my innocent friends, enemies of US
all.

Calcium or Zinc somethings. However, IT IS THERE. Normally, as
an Expert on Psychiatry, I dismiss the whole notion of
Psychiatry as I intimately know it as pure bunk wacky,
however the study of something here is needed if we're
ever going to convince ourselves dying indiscriminately
this way sucks. As the innocent for profit we pay for,
with lies sold without Public defense of mass murdering
demon traitors to the cause of US falling victims. God
says their Satanic, I just say they are criminals. War
criminals easily convicted for murdering our loved families.
They have no remorse for all that have been murdered
already.. Livini should be on her knees begging our
forgiveness, but she's not because she couldn't care
less for any Jews, especially those she don't have
imprisoned under threat in Israeli 'society'.

This was what Israeli did as a legitimate murder
scene, committed after the Nazi Israeli Jew HATERS
broke the truce. More dead Jews, more money to be
rich with. and we'll blame it on that God nonsense.
We must demand war crimes trials from Obama, and
everyone else down there who is appalled at this
indiscriminate mass murder continuing in your name.
We need arrests of Zionist infiltrators within
the American military who have been shipping
weapons to nazi Israeli to murder more defenseless
innocent People as targeted. Obama must demand
death sentences against these ungodly Zionist
vermins for treason, warranting execution for the
war crimes of accessory to mass murder, or genocide.
For the Great Truths. We Stand United.

Here on a Mission

/ / after dropping leaflets warning residents it was
about to "escalate" its offensive against Hamas. \ \

SEE! This is AFTER fire bombing the whole community.
Satanic evil enemies of Life. Who admit to targeting
any one who has ever so much as swept our streets,
warranting bombs dropped on their Block(s). SEE! they
are ENEMIES OF EVERYONE. EVERY LAST ONE OF US.
INCLUDING GOD.

Riddle me Dumb

Hamas Workers and/or Troops? Out hiding in the mountains
of Afghanistan you mean right? Satanic enemies of all
Humanity I tell you. The most evil nazi sons-of-bitches
who openly advocate tyranny and oppression through mass
murder of ourselves as the innocent left targeted
defenseless. Enemies of Jews everywhere, the Zionist
cares not for facts on who's Life it destroys for stolen
gain by lying. That's why they target Jews, for fear the
Light of Truth would expose them as the Nazis they are.
It's a prison death camp, brought about by Israeli STEALING
OUR Homes as ungodly thieves. Thieves who leave a Jew
to starve to death in a garbage dump because, it'll
attract more charitable aid The Zionist can use
elsewhere. It's not a Jewish thing, it's a criminal
matter. They STEAL innocent Peoples Homes in that
country. God's Country? God would will such criminal
offense? Which God? Not the God of Abraham, nor by
the teachings of Hillel, Christ, Mohammad, or
Confusion? So which absent God do you speak where WE
can't speak as ourselves openly for Just Cause?
Cat got your tongue? How come your not saying anything?
The Israeli Zionist ENEMY wants US ALL in slave
labor prison death camps silenced away that's why!

Israeli War Crimes
http://bothwell.typepad.com/whos_your_nanny/2009/01/israeli-war-crimes.html

Well, maybe I'm wronger on Ron Paul than I needed to.
Hey, don't you EVER forget, I am a man also. We need
to meet on common grounds, to demand the start of
formal arrests for the bushmob crimes of 911, Iraq,
Afghanistan, South Osettia, and Palestine, as a group
together united by agreement for this one cause, and
then... we can later argue about how your ideas are
better than mine because I actually know of which
your speaking.. Hey! you could call me Daddio if you
wanted! To the telephones we go.

-

Israeli are attacking prisoners held criminally
in their own Death Camps!! GET ALEX JONES ON THIS!

Hmm... why wouldn't Alex? to support his fictions
over Our Rights to Live Free perhaps? A Hero adapting
to the deaths scene?, or, a Bush whore committed to
enslaving Humanity, all so he can say, he told US so.
Big hero or big hero. Your NOT powerless to his vision
of complete control over information. He refuses 911
info, Iraq war info, Israeli info. All so he doesn't
have to look the fool, while Humanity dies with his
insults against our wills to make something better
of ourselves. Justice is what I will. Masturbate on
your own time Mr. Alex Jones.

If he states again about how he knows everything,
and is always right, and those that criticize
him on ANYTHING are delusional, it's going about to
make everyone further sick with this obscene take on
what life means as Alex takes it. If I truly state
two nickels make a dime, does that mean therefor
they make a quarter also? If I say so like Alex
would? He is an idiot. Truly. George Noory figures
Hamas broke the truce, and that the Mideast solution
is that Jews should be separated with special rights,
as oppressors over the freedom of every Palestinian
Prisoner, and what's Alex Jones gonna say about
his 'truth telling freedom fighter' George to actual
'lame ass evil nazi traitor' George?, to YOU about
how George is just trying to murder millions of
helpless people as an offer for the final solution?
We can expect Alex now to claim, Zionists should
have special rights over Jews, all to maintain
his FICTIONS on Noory being anything but the
monster to Humanity he is. Just because Noory
doesn't growl when talking about murdering all
children in around the age of 15, or against
soldiers who refuse criminal orders, does still
make him a true fascist nazi enemy laughing at
your murderers escaping to live freedom in
our dying forsaken worlds. The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know
these FACTS that demands arrests of the culprits
responsible for high treason against Johnny's
America. Now, who's with yourself. I am! I am!
I am!

Alex Jones doesn't know squat of Social Security, but
pretends he does, like Ron Paul does when speaking
of the Federal Reserve, Health Care, IMF, World Bank

blahblahblah.. I mean even the expert of experts
Alex has on near twice a week, EVERY WEEK, to talk
all about how the Illuminati are doing everything,(give
me your money now for whatever), DOESN'T SAY TO KNOW,
it was Chris Cox who changed Investment Banker rules,
to cover instead one tenth of WORLD INCOME loans,
to one twentieth. MORE THAN DOUBLING THE ENTIRE GLOBAL
MARKET FOR LOOTING WITH HIS SIGNATURE! (And. that isn't
even a fifth of the TRUE trillions dollar fraud story.!)
Now, granted, I wouldn't expect one tenth of one percent
of America to have even a distant clue of which I am
speaking, but importantly, Alex's expert of experts has
never mentioned it. EVER. Why? He don't give a fuck, but
how much money he can get you to give him for investing
in things that are un-important to our struggles, but
for the fact, he states, you'll get free money for
nothing!! OUR ACTUAL PROBLEM. It reminds me of those
Ron Paul dollars... where Ron'll fix everything, cause
we, as a private company, are going to make YOUR money
instead... holy fuk mon.. Talk about the kettle calling
American racists. Thank God the FBI stepped in. (The
answer unfortunately is not nowhere as easy as Alex
would blindly lead you) - again, so I guess it will be,
Americans were just too far gone as illiterate
chauvinists, who cared too little for your freedom as
themselves degenerating. Why? To battle tyranny they
knew not Justice wins the day, and blamed innocent
groups gathered wherever, instead of following the crime
scene leads at the real murder scenes - like was once
done on TV and at the Movies. But even that was too
far above their doped down heads, to raise their finger
to dial a phone number.

How about stating "A lawless bushite enemy wars America
as a traitor, to escape the neocons from the crimes of 911."

Then Alex states the head of GCN is giving out gold
at less than it's value as a special treat, every
second or third week. Below wholesale. Now, really
think this thru. Do you think Alex is trying to con
you here? you bet. That is the Gold Racket. Diamonds
are another thing - where I've personally seen,
about a decade ago, a huge press that makes Diamonds
out of coal. Swear to God it's true. Costs to make
diamonds are pennies to the thousands paid to Zionists
who live in Israel calling for the murder of all
innocent Peoples. Where is the rich Zionist, grave
robbing Jew hater to demand Justice for our times?
Where? Pressing coal into diamonds, while advocating
the murder of our entire Human species. THEY WANT
TO KILL GOD AS SATANIC ENEMIES OF LIFE. While I am

last known to Life's enemies as Jesus Christ, the Zionist's end every time. I'll have brought more Zionists to their rightful dooms, than any other, of any time, anywhere. I HATE Zionist bushite LIARS to death, all because I Love Humanity too much, to watch US die undefended as the innocent forsaken. They can change their evil ways, but till now, often not, benefiting off our suffering as war criminals who simply lie as demons to steal our Human values. Let's change this for our betterments. I mean the Halo is a dead give away..

The head of GCN has a son warring God to rape American women as lawless enemy in Iraq for the Neocon - again NEVER mentioned as something worth fighting against for Freedom in America - soldiers are suppose to REFUSE criminal orders - but not when Alex is at the mike. He will never mention the Bushmob doctoring the NIE to con America for death as exampled, because it doesn't fit his fictions, where all the bad guys escape because they are geniuses headed by secrets so powerful, nobody can ever know'em, except Alex. He tells us near every day, he knows everything already, and is never wrong, therefore you can't criticize him. Bullshit. It's like he wants to be wise like Johnny Gawd is, without doing anything like studying for a test where the teacher actually does know the issues. He told US today, the British came up with concentration camps, from the Indians - who spent all their lives murdering themselves. The British 'invented' false imprisonment? The British came up with the, Jews Killed Jesus? The British invented Pope Gregory VII? I suppose Alex has never heard of Ghettos. SEE? he just pulls shit out of his ass, and calls it like it's truly pure gold you'd wanna buy. Those, like your typical American have no clues, so they figure, Life must be sorta so that History is all one big Alex Jones NWO cartoon. What? that the NWO did 911, and everything else that use to instead, require criminal investigations to nab the actual evil doers? Alex Jones IS the NWO he tells US all we should be concerned about never stopping, like it was in the DARK AGES. Justice Alex, why is that hard for you as a "Conservative" to figure? Is it because you are cowardly in the face of true Liberty? Afraid that some People, on some Issues, ACTUALLY know a great deal better than you could even imagine presently? Don't like that do you?, where you don't rule this Universe as a lawless tyrant desperate to live in an illusion at the expense of

everyone else dying victims to censorship? Does he try
to find wise men or women? rarely. "Ron Paul [MUST]
leads our truth movement" - like, fuck off already
with the Ron Paul, The Truther, Bullshit Alex Jones.
1% is what YOU get on Social Security deposits - 1%.
And.. Bush stole 700 billion. 700. Billion. That's 700
BILLION. It's a "Trust" account. A "Trust" Account. It's
being held in "Trust" Alex. Ron Paul is asleep at the
wheel. As, so are the rest of all you other fools..
I want Justice, and I want it now for all the victims
of 911. Americans be damned, we want Justice, and We
want it Now.

In Texas, child rapists are given the right to
freely move about without fear that Texans will stand
as armed Men in defense of their very own offspring.
And Alex wants this for the rest of America. That some
how to own a gun, means an American would kill a cop
who beat a women near to death for pleasures that
he could never be Publicly arrested for, as a
sadistically evil nazi bushite fuck. Look, if YOU DID
kill that particular DEMON COP after the Chief
refused to arrest him, you couldn't possibly go to
jail in Johnny's America, because the truth would win
out in a fair verdict. And REAL cops would honor you
with great big, thank you. Nothing worse than a
cop (or bushite grunter) who believes the Law doesn't
apply to him while he drives drunk, tazers someone for
nothing, abuses Women, or kids, to sell drugs, or
kills good cops, who are good men. (Like mercs do in
Iraq officially for Rumsfeld's P2OG. Coming to an
American city near you!)

Again, the two Laws of Johnny:

1. No evidence, person innocent.

2. Torture? fuk you and die then

"Rice says it is 'hard' for Israel to spare civilians in Gaza"

We KNOW they are ONLY targeting innocent People,
the ungodly zionist Satanic enemies say so..

"Israel Rejected Hamas Cease-Fire Offer in December"

Livni has declared her country "is not going to show restraint"

"Her" country?

It's like she's admitting here, that they DO NOT
target the IDF's Hamas, but only our innocent lives
as a threat to LIFE and GOD. Remember: the Zionist

LIARS broke the truce.

THIS NAZI ZIONIST FUCK BREATHES THE AIR OF US
http://www.youtube.com/watch?v=lMxfEsooM5M&NR=1

/ / So, Hamas decides it's time to end the
cease fire and has begun shelling Israel again. \ \

This guy even sounds like the Satanic false
accusing enemy of God he is. Let US, as Humanity,
hunt these real devils down, try them, and have
them executed publicly for the benefit of God and
Man. Understand: this REAL DEMON knows he's lying,
no living man on Earth could spew the vile lies he
does to excuse indiscriminate mass murder, or starvation,
as this Zionist enemy of life sells to STEAL Your
HOME, your Family, YOUR LIFE. An open enemy of God
trying to STEAL the Title of Jew from Christ. EVIL
ENEMY OF LIFE. See, when a bushite dies, you served
Life well in defending their next INNOCENT target.
BILL HIM FOR STATING ISRAEL WAS STRUCK THOUSANDS OF
TIMES. BILL HIM FOR STATING HAMAS BROKE THE TRUCE.
BILL HIM FOR STATING bin Laden DID 911. BILL ANY
Zionist FOR THIS TREASONOUS LIE. Why God asks? Because
there isn't any evidence to support that Satanic lie.
According to the FBI. And according to God, Zionists
are not Jews, but of Satan as enemies of every life
form in this Galaxy, Hunt him down, and bill him
today for the love of God. You can 'hear' it in his
voice.. how he lies TO YOU as a DEMON of a Hatred
for Truth and Humanity. Facts, that are easily
available, are not what he works to mislead others,
others he hates, and wishes to murder for as ungodly
sadistic pleasures as YOUR enemy. Bill him under
American law for being pro-torture too while we're
at it. Death to bushite, death to the murdering
enemies of God's Love for Mankind, and enemies of
TRUE Justice for Americans. The fuking demon enemy
lies to you, as a con to STEAL your life, or just
as soon, the life of another innocent other. Now,
what are you going to do about it? Except his lies
as exceptable, as he tries his hardest blatantly
LYING to kill God and Justice in our Worlds? Not
in mine, but perhaps Yours.

' In Civil-Contempt Cases, Jail Time Can
Stretch On for Years for Americans, without Ever
seeing a day in Court. '

Where are the arrests?, then firing squads for
the Judges who 'judged' such criminality against
freedom for US, the Peoples in America?

' Where Did Taxpayer Money Go? Panel Slams Treasury
[FOR STILL REFUSING TO SAY] '

Where are the arrests?, they stole eight trillion
and counting.. And Congress 'slams' them for
disappearing OUR MONEY. Slams with what?, a,
don't do that again please butt sqeeze? It should
be massive slammer time, with a return of all
STOLEN monies.

' THEREFORE, those pro-Israel politicians in Congress
won their seats in part using stolen money. '

Where are the arrests? Amerikan bushite nazi grunts
are assisting in the mass murder of innocent Christians
in Palestine. War crimes demanding death sentences. It
isn't an argument that can be turned around. Nazi Israeli
STEAL Peoples Homes without apology, as a function of
their SATANIC government, while colectively bombing the
INNOCENT victims who die because of it. It's a prison
camp! they are denied water, food, shelter.. since four
or five truces over that they've broken, every one. These
are Satanic enemies, willing War Crimes against God,
a God NOT loved by zionist American Nazis. And a Son
as powerful as the four winds, ridiculed by Zionists,
and American know nothings, for the continued debasement
of YOUR soul worth here dying.

Israel Attacks Iran News Station

Why does not Iran DEMAND arrests, and death sentences

"we were right about it all."

It's the NWO! The Illuminati! Not Bush, Cheney,
Neocons Gone Wild, or any of many other REAL
criminals, for the war criminals are just
puppets to his EVIL fictions. Forget about
Bush escaping.. Socialists who design traffic

lights, and Liberals who will to share fairly are Alex's enemy, because he's fearful the FACTS would escape his denouncements against truth tellers. George Noory, one of the most despicable individuals on the face of our great Earth - is exactly the kinda guy he wants returned to send his wannabe Patriots nowhere but to die. What about Justice America? The bushmob doctored the NIE. TREASON. There is video of iron flowing like water from the towers, seconds prior to the collapse. Alex ain't there to help US, for that is where TRUE Patriots fight for real Justice. When WE phone with indisputable facts, on Ron Paul the bush whore sell-out for example, he lies to all (GOD), then hangs up on US. Is that the kinda freedom you think the Founding Fathers had in mind to give Your rights to speak for Alex who blames anyone but the criminals directly responsible for your funeral? The private banker never covers our loans, so why give them trillions without questions offered without answered as, never mentioned by the guy who is 'right all along on everything under the sun', and.. he 'rules the Ocean of truth' too don't you know YOU have a steak going all rotten to hell here also? You'd think Alex would take our call just for the challenge on where we stand? I'm free!

He is not. And George Noory tells us openly, he's into killing innocent kids for profit. George's profit is that apparently, by murdering all children in around the age of 15, will stop them from getting a clue at anytime in the future, to take him out as an ENEMY of EVERYONE for censoring our cries for Justice. Why is it that Alex would invite obstructionist, Steve Quail, or Alan Watt, on to lead you nowhere while they jerk off, but where we gotta go to actually defend ourselves? Steve has been on with Noory more than a hundred times, and, we'd figure, Alex will soon be delving into the Alien questions also. Answerable by me in seconds, but ahhh.. like Noory, doesn't want the truth of such a subject uttered, just endless streams of illiterate bushite dumfuk losers sucking on each other. While they wrest from US the wonder; just why we can't stop criminals from robbing ourselves, while murdering our families? Alex wants to blame the unstoppable NWO, while I, want to blame those actually

responsible, like Bush and the proven treasonous,
Neocon terorist liars who are pro-torture.
With arrest warrants. All of them. I'll do it for
Reagan's, War Crimes Act, as an act of respect
for my Great America, that's isn't always been
dying dead wrong under the leaderships of
criminals.

Israel hits Gaza after UN truce resolution

The IDF's Hamas is hammering away with what at who?
Is the AP referring to the tin can rockets that

22 miles? To kill a Jew standing outside in his

your dead, but really, what do you think the odds

What a bunch of losers. Do they really expect us to cut and paste
every separate detail of the message into a separate field, for each
of those abusive messages?

Why can't a full paste of the headers into a single field suffice?

I find that it's easier to email them to abuse@highwinds-media.com.
You'll get a canned response within an hour. The response claims that
their people will investigate the complaint and then *may* get back to
you later.

Thanks for helping out. I'm sure that complaints from multiple people
will carry a lot more weight than those of a single person.

I'm looking for the Ole Style Cb Radio mic pinger that sounded like
the browning pinger, this one had real electronic components in
them.. no Eproms.. or sound recorder ones.. they don't do the sound
qute right.. 70's / 80 technologies here.. not the dumb late 90's and
2000's sound that doen't produce this sound right

this one will be enclosed in shink tubeing.. not in a box that will
have an emprom instead of real transistors.

Mr jiggs did make two versions but
what he didn't do right was with the timer
capacitor was too small sounded right
but ping to short.. i've have one.. so I know

I have a Photo / pitcher of one of them still enclosed in the case by
victory accessories it was the model # VPG / 1 .. will send a pic /
photo on request

thanks for any help

FBI Believed that Bombs Used on 9/11

Report Of ï¿½People Planting Bombsï¿½ on 9/11
http://www.prisonplanet.com/report-of-people-planting-bombs-on-911.html

Why isn't Happy George Norry, Our Enemy, covering
this everyday as an important subject to defend
American life he holds truly in contempt?
Again, Alex Jones leaves every American to die

victim to his NWO, before he will acknowledge
TRUE evil in our world. George Noory, the evilest
ACTUAL Enemy of History, Alex claims is a good
guy for never allowing open discussion on 911,
Afghanistan, Iraq, and so on, without selling
his Zionist hate for our Humanity. Can you believe
that demon enemy co-ksucker Ian Punnet actually
preaches? The demon has told US more than once
he doesn't believe in God, so what do you think
that other "buddy" of Alex Jones has in store for
your life? Alex has said near a hundred times, that
Christ's disciples were all killed by the Romans
for believing - what a demon he is - for - what
Bible is his fans conceiving? Again, Alex Jones will never
encourage his listeners to demand open debate. Alex
would lose on all his lies like, he's been on with
George Noory a hundred times, or fifty times in
five years. Why does Alex lie to US all like that?
Because he doesn't really want Justice to prevail
where GREATLY wiser men or women would likewise prevail
through open dialog. Alex can't have that because
everybody MUST be under HIS NWO mind control.
Mind control on education, the Federal Reserve,
and FREEDOM. Alex figures having a gun to shoot
innocent Americans in the back is his brand of
loyalty to God and Country. Well, I, as Christ,
state it isn't mine. He would see every American
murdered, before allowing the notion that he, and
his likewise cult, might just have something to
learn about evidence being a REQUIREMENT to prove
someone's guilt or innocence. His godless commitment
is to escape Bush, and his zionist media controllers
with excuses that don't hold water in any Court of
Thee. Alex refuses to allow Americans to know why
the Constitutional protections are there to defend
yourself, because if you did, you'd demand the
arrest of Bush for treason, and call Ron Paul an
sell out loser who pocketed the millions conned for
being Alex's loyal fans. Alex doesn't like this Truth
because he's gotta be leading Earth's "Truthers"
at the pinnacle of his spear as a liar, where all
of History, is one badly drawn Alex Jones cartoon - a
dickhead. A true dickhead illiterate on the bible,
on Justice, on Life.

I must be on crazy pills

/ / Well, why haven't the banks just returned
the money?... \ \

People who know they defeat all "Conservatives"
in seconds with indisputable simple logic, will
eventually rule the Universe, if CNN, CBC, and
Alex Jones allow open communications on what is
understood by all as high acts of treason openly
committed without a defense of smart people
explaining why/how we are being rooked as idiots
on purpose. Crazy man, crazy. Oh.. anda..

Hey! Johnny's new theme song playing when
I be bagging the bushite zionist whores of
the demon antichrist, Our Mr. Bush Jr. Bush
closed 911 investigations, Bush lied about
Saddam not letting inspectors in, Bush never won an
word fairly in his entire war crime life of
game rigging with naked deceit and betrayal to
the cause of Man, die bushite die. Rock on
my friends, rock on.

"Army deserter deported from Canada, now in U.S. jail"

This is a for real war crime. Why? there was/is
no cause for the Iraq war. Truly. Example: why
bomb if you can go anywhere without delay? To
only murder innocent People INCLUDING SOLDIERS
to thieve from ourselves as war criminals is what
any rational person comes to understand. When you
destroy bushite grunts who war God for rape, torture,
and enslavement of our species, you save the
innocent lives of their next victims. To hunt
the godless bushite enemy, is to love Justice
as our glorious Humanity winning over the lawless
nazi grunts of the Third Infantry - who'll shoot
anybody, blindly as cowards, led by a Saudi, Buford
Blount. Their "leader" who left Iraqi's largest
weapons depot undefended for looting. Qaqaa. Killed
many a bushite nazi grunting lawless coward by his own
treasonous brand. And mumbling bushite nazi grunts have
what to say about American teens made valueless
victims for Neocon bounties? "whore yay" That's

Wake up people, we are under attack by those
who refuse US Justice to win Freedom for
anyone. "Conservative" retards are completely
lost here, because they do not have the
intellectual skills necessary to understand:
a person accused of a criminal offense without
any evidence is innocent. Or, how about, No one
deserves to be tortured for confessions on
crimes left then unresolved for actual
retribution. [Aegis OPENLY murders innocent

certain. Conservatives are minimally, idiots.

police uniform, WILL WARRANT death sentences all
around to ACTUALLY defend liberty in my America.
Any American father who prides in killing innocent
Iraqis for the escape of the neocons for 911 is no
father. And a wife should get the hell away from
a male who enjoys murdering helpless innocent others.
Children in such families should be challenged
by relatives through the Courts to save the lives
of our endangered offspring. Again, without water
or food, Iraqi children are murdered by Neoconner
grunts irrationally everyday with nothing to say,
aka, without reason but as Satanic Bush whores, to
make our God as Humanity suffer further for their
escapes as actually selling freely, lawless zionist
savagery.

KILLING MORE OF THEM - reporting war crimes to the Police

Again, a bushite has no commitment to defend
America, for it speaks nothing for the arrest of
the neocon traitors. traitors like themselves whom
will murder innocent folks like your Self to steal
our common values. Wouldn't you glory in seeing
these savage grunts who on video, indiscriminately
shoot innocent families, or bomb a city entirely,
executed by Christian Patriot firing squads? or
televised to fry in the electric chair for these
documented war crimes? I sure would. It would make
our world a much safer place to raise a family
secure in knowing, bushite grunts as enemies of
everyone, were hunted to extinction for their
crimes against our Humanity. Hunted by Johnny Law,
the True Spirit of America.

UK judges accuse Obama Administration of suppressing torture claim
http://www.timesonline.co.uk/tol/news/uk/article5661291.ece

Yeah really. What kinda world does Obama take US
for here? Does he actually believe we hold no
interest in being attacked as ourselves, the
innocent forsaken? A reminder: an American was
executed under Iraqi law without any evidence
brought against the accused, while the grunts
were offered an excuse to seek not the culprits

at the terror scene. The case was lightly reviewed
at democracynow, a year or two ago, and can be
found by searching for a grunt pretending to be
an ambassador to Romania. A case where the Judge's
life was threatened by a "General", where if he
didn't order the death of the innocent American
citizen, the grunt with the General would murder
US all right then and there. The Innocent American
was murdered as forsaken for value shared by
free men.

truly endless when we discuss Alex Jones'
dumminess, but here is one example. Alex states
911 truthers were attacked in a TV show as NWO mind

talked in the drama on there being NO PLANES!
A dis-info bushite stooge if ever was one depicted

innocent Christian children in Gaza as war criminals.

Obama set to allow Bush-era ï¿½torture flightsï¿½
http://timesofindia.indiatimes.com/Obama_set_to_allow_Bush-era_torture_flights/articleshow/4067338.cm

What the fuk eh? Doesn't Obama know this
crime warrants death in America according
to the war crime act? Does he believe America
just will never have a chance to speak for the
interests of US as innocent Human beings he is
planning to torture as an enemy to Life?

Refusing to Defend American Values

Yoo: Bush okayed torture to outwit defense lawyers

This is why it warrants the Death sentence. Remember
corporatist Amerikan citizen, these torture victims
that include children as younger than a hundred, had
not been alleged to have ever committed a crime in
their entire lives. Victims tortured to death for the
pleasures of those Satanic, such as General Geoffry
Miller, who tell US today as confidenced, they do it
because, patsy wasted American soldiers will just refuse
to hunt them down for formal executions. Let's change
this for our Humanity in this future, to look back,
and know, American males were men of the World, who
stood for the principles enshrined within every living
Constitution. A free man shall not be jailed, or
tortured by anyone in our names as Governed, without
the perpetrator tried publicly for execution as our
Love of real Justice. As first degree mass murderers
warranted death sentences under the War Crime Act
ushered by Reagan!, all done in for our protections
of their next innocent victim - ourselves. Or
die a death in corporate tyranny worthy the title,
cowardly traitors to God and Liberty. Blackwater,
CACI, AEGIS, KBR and the like will all be hunted to
extinction for refusing to quit their lawless Rape
and mass murder, murders done for more stolen money
as America's name high-jacked. The Lawless enemies
shall be prosecuted by the honorable Soldiers of
the Good old, Red White, and Blue. Count me at
our words on this, I am,

Bushwhoring Enemies of the American Police

What a demon enemy of life these bushwhore enemies
of American Liberty are eh? No concern whatsoever,
for all the teen soldiers conned to die for those
who committed 911 in NYC. The millions of bombing
victims, the tortures, the rapes of American women,
STILL, TO THIS DAY, left undefended by "the law".
Evil enemy of everyone these demon fuks are. How
difficult is it, to understand the facts they feign
complete blindness on? They WANT to con you as the

coward to life they are, willing to kill America to
make their antiChrist lawless enemy Mr. Bush happy.

From years after the fact still demanding Justice now:
http://groups.google.co.uk/group/alt.military.uk/browse_frm/thread/ca0e34fb32caeb0a?hl=en&
scoring=d&

Huh? "at last been disarmed..." ? How does he figure?
The equation hasn't changed. Example: The same
unaccounted anthrax, (that was disintegrated into ash),
still is not able to be measured as completely accounted
for, (never could be), but this bushwhoring war crime
apologist, tells US, it was only though the lawless
murder of our good friends and family for countless
generations, that he now attests without reason, or
evidence, to find Iraq in "fact" disarmed of it's still
nowhere to be found, weapons of mass destruction. (An
irrational reason he pronounced previous in corporately
broacasted public support of instigating heinous war
crimes against our humanity under the leadership skills
of the evil lying demon antiChrist, our Mr. bush Jr..)

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron.
And, the Iraq war is a war crime. But Ron, the
Fascist, doesn't want THESE FACTS uttered. Why?
Because wiser men would prevail, wiser men like
me who understand buying in bulk is cheaper. Those
like Christ who understand, who KNOW, the banker
doesn't cover our loans - so why give them as much
as a taxed red penny?, let alone trillions as
officially unaccounted for? They are stealing the
cash Ron. Ask yourself: Why has Alex Jones
forbidden his bushwhore cult from understanding
Bush doctored the NIE?, or of iron flowing like
water from the towers? Because wiser men would
prevail and he can't have that. He called shooting
innocent men in the back, an act of liberty. I,
an actual god, unlike Alex, lie near never, but
maybe to myself when I'm lonely. Alex yes will
tell you rapists are free to do what they will
in Texas to American children, un-arrested, but
he won't mention it when the police chief is with
him on air, talking about how he'd like to be
exempt from traffic tickets for being so popular.
NO MENTION of the rapists walking away without
arrests made, no mention of Bush's documented
treasons on 911. Where are Alex's priorities?
In selling YOU out so he can be wealthy like a

bankster?, and have special rights over everyone
else that drives drunk, or speeds? a big hero
standing over our dead soldiers yelling, I told
you so, I told you so, I was right, I was right.
Again, understand: It is not by my will to deny
open debate with America, it is Alex, and his
demon buddy George Noory that denies out Humanity
this right. And when people try, like Peggy, or
Black men on Jewry, Alex lies cheats and steals
our wills for further thefts. Ron Paul's family has
millions taken from loyal Alex Jones fans. MILLIONS!
Does Ron do commercials with that money highlighting
the bushmob's plan to invade Afghanistan, dated two
days prior to 911 for Enron? Of course not, wiser men
would prevail to expose him as the charlatan charity
raider he is regarding Health Care, Social Security,
Public Schooling, earmarks.. It is unfair to measure
Ron against corporate nazi zionist whores of MSNBC who
willing, openly, kill American teen soldiers for
criminal neocon gains, as an honorable gentleman's
talk. Half honest People like Ron are extremely ignorant
on the workings of our world. EXTREMELY. I joke here not.
Evil is the deceived disguised - translated - evil
people are always dumb.

Corporate America says no, Charlie Manson was a genius,
but not, that most Americans are prone too easily to
suggestive states where they can be made to believe
anything blindly. Think: what does, "bin Laden did 911"
mean anyway? You should know of what I'm trying
to teach you here. That is how
Alex knowingly or otherwise, steals our rights, by
beating off he knows everything already. And some,
if not most, actually believe him without knowing
squat either. It's sooo easy that way - no study
required!! LIBERTARIAN HELL! Everything is not on
the Internet, where it near should be, but regardless,
a Libertarian can't be bothered to read anyway.
"Free Talk Live" is the best example for this: the
two hosts are unbelievably ignorant on just about
every single subject under the sun, but beat
CONSTANTLY, on how greatly wise they are as drop-outs.
You wouldn't believe any of them when they speak on
Freedom, if you simply understood, an innocent man
does not deserve to be in OUR prisons, or tortured.
Under any circumstances that Obama has excepted for
our excuses. Magna Charta. But in Alex's 'genius' mind,
he doesn't need to actually understand he is a for
sure bigot, (measures another unfairly in a group HE
concocts from blind hate or personal fear - typical

CONSERVATIVE and/or racist) who has no problems with
that at home, or at work. Provable in seconds by
OPEN DEBATE, but Alex ain't gonna take our calls
because, he can't for the lives of every People
person thought of here, admit he could have
something to learn, therefore, the NWO is
unstoppable in his brain washed cult of indifference
to Justice practiced for the benefit of all treated
fairly. Why? He's not wise enough to respect the great
minds of the audience, and I personally believe,
he doesn't even have the good judgment to own
a gun. (I mean, why wouldn't Alex find my stories
of OUR Justice system triumphing by my single hand at least
minimally beneficial to his blind cult followings? to not
hang up on me immediately while spewing lie after lie
on how I'm top secretly a dis-info NWO artist working
for Bush? or whose voice sounds too friendly to trust?
like he has done the last four times I've phoned -
Hey! I can be an asshole if you want - no prob.)
Perhaps it's near because, Alex Jones is blind, and
as such, could actually be found guilty in Texas for
murdering those two innocent black men shot
in the back with his approval to release the murderer
from a RIGHTFUL death sentence prosecution. "law of
Parties". He is a party to the crime, for he worked to
support the release of the FOR SURE, FIRST DEGREE MURDERER.
Sound like an America you could live with? I didn't
think so either. I wanna be Alex's Attorney. Texas is
a State of massive lawless corruption, as dire
incompetence in legal affairs where they OFFICIALLY
plan executions against innocent People not established
to have harboured criminal intent! With Jury Trials!!!!
!!!!!!!!!!!!FINING THEMSELVES GUILTY!!!!!!!!!!!!
While Alex does express murderous criminal intent,
and the Police chief calls him a good man for no
scary pressures. What the fuck is wrong in Texas
where they mess themselves like this regularly?
Imagine, while Bush with the Neocons escape, and
Zionist Israeli target to murder Christian School
girls OFFICIALLY, Alex doesn't want to have to pay
traffic tickets like the rest of US. What a douche bag
to tell he LEADS our Truth movement I say. Now, I'm
not saying he shouldn't contribute with the truths
WE SHARE, far from it, it's just he can't have our
cut off switch to silence our objections to his exposed
foolishness, and/or blatant criminality. I'll give him
a chance, for starters, to criticize any position I take
while we all publically call on ourselves for
assistance internationally. Like on his "buddy",
George Noory, deserving to be tried Publicly for the

traitor he is, and be formally executed after his day
in Court. Our Courts. Teen soldiers have been conned
to die by George Noory for the escape of the neocon
terrorists who committed 911 with Condi, Runsfeld,
Bush, Myers, Tommy Franks, and General Ahmad. AND
HAPPY GEORGE NOORY KNOWS IT - and cons with lies
naked to the ear of any who can listen or hit record.
A NAKED traitor to the cause of Liberty if we ever knew
one regarding the War Crime facts of Iraq. .And
Ian Punnet is an evil godless enemy Bush whore who
lies too to get YOU killed as the innocent soldier
forsaken so don't forget.. It's YOUR life. It's God's
Gift. Now support our rise for popular international
debates to get these Neoconners behind bars
awaiting Public Trials! "Public"thatsoyu!! Get to

Turley: Obama 'accessory' to war crimes if no prosecution
http://rawstory.com/news/2008/Turley_Obama_accessory_to_war_crimes_0127.html

Understand, Alex Jones doesn't want Justice
for Americans because he loses out to better
men that usher a greater life. He doesn't want
the evidence of George W. Bush made public to
defend American teen soldier's lives. The true
fascist Alex Jones, who in silence supports the
escape of Bush for treason, will fail our true
voice for Justice in our times. WE DO NOT rule
the truth we share equally committed to defend
ourselves from lawlessness. And you'll never
rule my right to speak freely over your intent
to sell us all out for monetary swindles, just
like Ron Paul did. Understand: Ron Paul doesn't
even acknowledge 911 was an inside job, or, that
Bush gave zero evidence to form Your opinion.

Alex Jones, the Slave, told US today that
he challenged Bush for eight years - Bushite
lying nazi traitor. Not only that, but he
also ridiculed those who wish to blame Bush
now for anything! Again, he doesn't want
Justice where bad guys can't steal from

We must demand open communications to bring back
values WE ALL would agree to through polite debate.
"Conservatives" don't want this Freedom idea
expressed in general terms because, a "conservative"
is universally, minimally. a bigot. Why? Life isn't
like, their way, - then- all other opinion under
the sun on how things actually get done. (Aka
"socialist" traffic light repair men, or "liberals"
who want to treat The People fairly). Or who we are
as equals to our laws fairly practiced. Pay attention
to what I am saying here. Liberals can be Dicks with
a capital D too of course. But a Hannity couldn't
survive 2 minutes with me speaking on his very real
treasonous behavior in OUR public arenas. Behavior
done to escape the 911 culprits from the long arm of
the Law, with his conscious will of criminal deceit
exposed, we all learn to better defend ourselves.

And Shawn Hannity can't have that for ourselves, he takes too much money from ourselves as talentless by keeping US in the dark dying needlessly for traitors never elected publicly.

Who am I you ask? Johnny Law. at your service. Look me up with usenet to discover, we live in a world of idiots everywhere pretending to be somebody by lying. While I want US all to truly improve our condition by actually understanding how bad off we are by failing to respect ourselves for correction. While Zionists OFFICIALLY target Christian school girls for mass murder, CNN instead reports that bushite grunts attacked girls in Afghanistan, posing as Taliban. I WILL every celeb at CNN to be arrested, tried and executed for the reporting they have done today without facts. Remember: the Taliban played no part on escaping those responsible for 911, and opened schools for girls, and were brought together on the single purpose to defend women. Death to CNN reporters to LIE for killing OUR school girls. I HATE zionist enemies of Humanity and God I am.

Is America a nation of Law to Live freedom?
Because this SPECIFIC deviant action of Obama warrants the death sentence under Reagan's "War Crimes Act".

SPECIFICALLY. Or, is it you falsely believe Obama
can do no wrong against innocent people here, where
an illiterate nazi grunt, maybe from South Africa,
will kidnap YOUR children, and torture them to
death for sadistic pleasure, with as they did using
power tools caught in Iraq, according to Iraqi
government official(s), and several soldiers from
Oregon, all because Obama has given an ILLEGAL!
"excuse" to NOT support following the crime scene
leads at our REAL murder scenes? Again, death to the
bushite dumfuk enemy of God, death to the enemies
of a freeing Humanity striving for a just society.
Obama needs to be arrested for this under the Law
as it stands I'm sorry to say my friends. Why?
Torture is illegal in all 50 states, (as Reagan
directly planned), no matter where you ship the
innocent victim to, or from! Read the War Crimes
Act, then demand Justice today, otherwise, it's
YOUR funeral. Obama wants to secretly torture
Peoples here, while lying to US ALL that he doesn't!
A TRAITOR! Who also wants to give bankers 100s of
billions of dollars more to disappear, that WE pay
for, out our door, never to be seen as our own
again.

Alive We Say

And Alex Jones gives us the same guy twice
a week that blames the Illuminati, while
encouraging that YOU TOO! can get money
for nothing like the banksters. Just give
the Alex Jones', NWOers, the "truthers" money
money money money. No time for affording the
explanation that the TREASONOUS bushmob
doctored the NIE. That Saddam wasn't in
violation of 1441. That a NEOCON is
identifiable for it's demonic LIES
against God and Man. Never to tell, the
private bankers don't cover OUR loans,
that Bush PERSONALLY worked to close

Police investigations immediately after
911 (obstruction), or that WE have video
of iron flowing like water that PROVES,
without doubt, bin Laden couldn't have
single handedly placed the explosives
in the buildings, or stole the black boxes.
Because someone surely would have spotted
him dragging his dialysis machine what with
all the professionalism of corporate news
media coverage regarding our horribly
suffering worlds. Alex Jones ignores the
treasons of Bush, as a Bushwhore, and
instead, tells US of how Obama is Bush on
steroids. He only wishes. What about
Justice for Americans Alex? Why for do you
forsake ourselves? For money? What about
the lives lost to mass murder, that you
allege to champion OUR TRUTH without saying
much of anything on real Freedom?, on real
Justice like your deviant election rigger,
Ron Paul? Well, no wonder, Alex told US he's
into shooting innocent American People in
the back as a tyrant of evil, a white Devil
if you will. Kids too if you dare look in
his back yard for a copper. See? Now if Alex
doesn't allow US to speak, more and more will
understand to know why. I am a defender of
all that is right and just in this world,
because I don't need to lie like Alex does on
a huge host of issues. I'm more like Jessie
Ventura, in where I don't need/want to lie.
If I end looking foolish, (of which I like
never truly am), it's a benefit, because that
way, I've learned something. Alex knows
everything already, and 'is always right'.
Like I say Retarded. You weren't right by not
understanding that the banker doesn't cover
the loan. One example of easily hundreds. He's
a typical, he knows it all, know nothing dumduk
American. Hear him on health care speak as
Ron Paul does, and know, I defeat them in under
ten seconds. TEN SECONDS. This is why he hasn't
in years, allowed me to speak more than five
or six words. He's rather all America die, than
admit he does NOT rule our 'Ocean of Truth'.
I want the challenge of opposition through debate
to PROVE my skills beyond reproach. Alex,
every time, just hangs up on anyone who tries
to improve our communications by factually
speaking. Why? Because he IS TRULY deeply

ignorant on what freedom or Justice means. Why we have law. What a consensus is. Allan Watt is severely disabled in this regard, another Alex Jones favorite. And this is why, Allan can't take calls openly either. He has jerked off with himself too long to quit now learning super basic precepts, for like Alex, he "knows" the inner workings of the 'genius' NWO elites. Not Law 101, not Bush, not Rumsfeld, Not Condi, not Torturers, not bank robbers, rapists, or even petty thieves. Allan Watt isn't a bad guy, he's just a chauvinist pretending he actually knows something, when his real disability is directly related to his absence in understanding understandings. Doubt is a near foreign concept. A challenge for Allan: can you get your 'genius mind' around the fact that Peter Powers did the London bombings, and not the Illuminati of 1463? and if not, why are we so dumb to our present plight that way? Don't get me wrong, Allen has much to offer, it just isn't the issue right now on saving our dying futures. Maybe I was too hard on Allen, he is really actually kinda cool. Alex Jones too has many incredible moments of ecstatic clarity increasing in all they joy of seeking enlightenment. .. Ok - but this is serious business that requires little dilly dally with what we'll have as a side dish in Paradise Lost. We are talking Human Lives have been destroyed by our inaction to remedy these failures to communicate effectively. and.. Jeeze, the weight of my responsibilities, as just plain John, being a/the Legos Man - for like the Family and everythings, get's me never forgetting, all we got are these words left dormant from the power they truly possess in the minds of the wise asses. And.. here I am. I'm a Talker of Words looking to make a break in the NewZbiZ. Zzzz... Alive We Say! Alive!

King Johnny, from Earth, has come for talks.

The Zionist enemy, the most evil nazi sons-of-bitches who openly advocate tyranny and oppression through mass murder of ourselves as the innocent left targeted defenseless. Enemies of Jews everywhere, the Zionist cares not for facts on who's Life it destroys for stolen gain by lying. That's why they target Jews, for fear the

Light of Truth would expose them as the Nazis they are.

Hamas doesn't have a military though, so,
why not demand the arrests of those who
broke the truce, and murdered innocent people
indiscriminately, on plans more Jews would
die for cash profit? Profit paid for by

/ / This has been a central theme of the war in

"We believe there were dozens of IRGC
personnel in the Gaza Strip during the
war," an Israeli source said. "Some were
killed; others went into hiding, and
others escaped."

See? the demon enemy of God speaks no
evidence as a TRAITOR to every Jew. A terrorist
nation that still steals humanitarian aid in
our public realm of left defenselessness. The
false allegation deserves a death sentence
by Jews against the war monger Zionist enemy.
A cause that Iran should champion, if in fact!,
this allegation by OFFICIAL WAR CRIMINALS WHO
TARGET FOR MURDER OUR SCHOOL GIRLS, is on it's
face, unsubstantiated as patently, demonically
false. As typical from any godless Zionist.

Where are the Americans asking for the
formal arrest of Bush for high treason?
Whoring for Alex Jones's contempt for REAL
Justice? The ignorance of all American
talk radio hosts speaks for itself. NO
knowledge on why acts of high treason, are
crimes against every American. The bushmob
doctored the NIE, and Alex doesn't want
Americans to know, because if they did,
they ask, why does Alex do everything he

can to escape those personally responsible
for 911, while then asking for money to
continue his fight against freedom in
America. Again how much money do we have to
pay Ron Paul or Alex Jones before they
will allow the knowledge of the Iraq war
against Human will is criminal? How much?

Obama! feel free to call
on me to help out with a plan for judicial
actions. That offer goes out to everyone in
Palestine, Canada or Britain too. Russia,
let's help out these fools by freely
communicating, what say you? Justice
for all is freedom to be. The Israeli cop
killers must be brought to justice for war
crimes. Those cops, were cops. And I,
am a man.

Alex Jones Rocks!

Now Alex has problems in "my" mind because I am
an ACTUAL genius, and he is generally, an idiot.
Today, he did one of his usual commentaries, however
this time, he was pretty honest with himself, and
his love for Ron Paul. Ron Paul sells incompetence,
and Alex corrected correctly!. that a.. sorry Ron
but these banksters know they're robbing us as
undefended blind men essentially. That's what I'm
talking about!! Look, Ron Paul can be a dumb Ass,
although, he's still not all that bad a guy. A Dumb
guy on things like economics sure, Justice, warfare,
Health Care, Social Security, ect. ect. but still.,
like a child learning of why the sky is funny
blue, isn't all that bad a guy really. He's
certainly not a war criminal, like Bush or
Rumsfeld are. Doing 911 then sanctioning torture.
While Neocons Champion sending illiterate American
teens for death as war criminal. Think about it.
Maybe he is..

-

ï¿½We have all these documents that are now
publicly available that prove that these
methods of interrogation were intentionally
ordered by Rumsfeld,ï¿½

Let us understand. These actions "give" a guy
like Willie Brand "the right" to RANDOMLY kidnap
men, women, or children, and torture them to
death for sadistic pleasure with his faggot

Capt, Christopher Beiring. (I think that's how it's spelt). But anyway, this is the truth. A bushite is a godless Zionist whore of Nazi evil, an enemy of America, who wars YOUR Freedom with criminal "excuses", for refusing to support the arrest of those responsible for 911. A TRAITOR, and could be wannabe rapist, robber, or 911 mastermind ringleader. Torture is illegal, and warrants the death sentence, according to, Reagan's "War Crimes Act". Some only suggest, that this was why someone tried to kill him as honorable. Death to the torturers of our innocent families, torture they do without apology as Zionist Military "Judges". Instead today, where they get salaries paid in the billions by the zionist giving nation of, a-mirror-kay, echem, America. Johnny's America. A nation where Justice will rule for the favors of all treated equitably with or without you. Honor me in company my friend. We have no rivals.

"they do not understand, the private banker never covers the loan. Never does a private banker reach into it's pocket to borrow US to begin with - so as a consequence, the bankers have just pocketed all the 'free' loot for nothing, TRILLIONS, and are not saying why should they help anyone else up with charity?" Then went on to say, it wasn't any of our business with what they did with the money. (But for to cover criminal fraud in the derivatives market, where the true value of said commodities were backed by ZERO capital. ZERO DOLLARS. WORTH NOTHING. So, think about who's truly giving it always here until Johnny, the man who came out of nowhere, arrived to explain everything in five or six minutes.

ISRAELI IS A THIEF WHO CAN'T SPEAK OPENLY IN DEFENSE OF OURSELVES IN OTHER WORDS? That is right. They, as documented criminal, lose every debate personally since before the dawn of Civilization because their position is clearly unsound. They are criminals who murder People in hate for a freed Humanity. They OFFICIALLY steal Peoples homes in that country didn't you know they proudly proclaim it so? And steal humanitarian aid from starving children. Targeted to murder children specifically as publicly confessed, 'it is Hamas WE blame', not them as demonic child murderers. Hideously evil as ungodly sadistic savages. Enemies of YOU, enemies of them, and enemies of me, the King of Jews Christ fellow from beyond the grave. They are so evil to God and Man, they tarnish everyone of US to not win justice sooner by blaming the actual bad guys. Justice is Freedom.

/ / Those white phosphorus shells used on the Gazans are made in the USA according to Jane's Defense. \ \

Again, these peoples are not Jews. Being Jewish is a religion. These thieves of God are Satanic in their LIES to betray the common trust in our words, that bind all worlds to victory, called freedom universal. Even tales of the Devil have him keep his word, with verses specifically condemning the self to damnation for targeting the innocent for death. God's the Word. Every word inside a fool's paradise. Including the periods. Not as like, I'm playing a word game, but that it in wonder, is all strangely here. Example: The Universe as it has existed always, is not separate from our 'pauses', or faulty drawn conclusions. The universe, in one sense, was

as good as anytime, created 6000 years ago.
AS TOO 50 billion. You say, impossible, I
say no, study quantum physics, and know, I
live this.. our existence is not scientifically
separate from the timeless nature of
consciousness, proven as not only theoretical,
but actual. That is a first step at developing
a REAL relationship with the living Universe
if you want to as like an artist does - that
TOO! can be just as thought static in it's
orderly constructions for Atheists. (An
Atheist is still mostly a fool here however.)
Overall, for any, it's sorta simple: Life has
left YOU in charge of YOUR fate. Now, do well
to make something of this being as eternal Life
reaching for balance, as your body does, and
good cops do when bringing the bushmobsters to
Justice. By Israeli calling for more murder
against the innocent of your mind as racists
and bigots they are openly, is still shadows
of YOUR mind, YOUR WORLD.. get it, got it? God
is in genius to set Life as this, as like,
nowhere existing, but for as yourself within.
Will you speak out for the Justice denied
Humanity?, or not you? Atheists can be Just
too!, but generally lose it on not
understanding the intelligence of order is
way beyond what they dream up with
assumptions. All anyone has to do is ask
themselves, who do you mean "God"? Atheists
are ridiculous!, but, to each his or her
own, we are on a path here, believe what
you want to believe. This is not a faith
initiative I'm bringing by keeping this real,
I DEMAND JUSTICE BY OUR WILL BE DONE.

A zionist cabal of criminal pirates who murder
Jews around the world for stolen money is
seriously evil as criminal. What do you think?
Let US have a open line discussion on this
indivisible matter of rights to all as equals
before who ever we proclaim, I AM.

I mean you right? Say it with me... "I" "AM"
we are good to go.

Again, Americans need to demand the arrest of the Judge and prosecutor for being openly evil demons, as TRUE enemies to freedom in America. But guess what? Americans will refuse to even phone Alex Jones, or George Noory

Did you hear Alex's NWOer yesterday state he
doesn't want anyone to speak as Justice for
Americans because to learn even the most basic
of precepts for Justice, he can't pretend he is
a Freedom Fighter begging US for more money?
Like multi-millionaire Ron Paul, who gave the
fixed election up to take our money and walk
away. How much money in the millions do we have
to pay them at GCN, before they will acknowledge
the Iraq war is a war crime? THEY NEVER WILL,
because the faggot owner has a son who's into
raping American women as lawless enemy of Life.
Americans are indeed, selfish, like all the plane
crash survivors telling US how they couldn't care
less that Israeli nazis are openly targeting our
Christian children for murder with their tax
money, as unimportant, to how long they stood on
a plane wing, now approaching it's third day, of

Christ saved your life as a lifeless degenerate.
I, as Christ, am really starting to hate all
Americans in total now. How difficult is it to
pick up their phones? They don't, and I'm beginning
to believe it's because, like GCN, they really
don't care for the future of our Humanity being
left for dead as continuing victims to EVIL liars.

'Secretary General outraged at shelling of UN building in Gaza'

"I conveyed my strong protest"

Not good enough. Public War crime charges warranting
Death by Jewish firing squad, is what is demanded of
our Humanity. Death to the zionists liar war criminal
enemies of Humanity, instead of US, who they target
for mass murder.

Google have attacked US again as Evil doers..
They have again destroyed my writing with war
criminal intent to deny these truths as men they
could never face me, because they are not. They
STEAL our voices.

They are jewish criminals, not criminals because they are Jewish.

HERE IS WHAT GOOGLE IS:

"End the illegal Human occupation of Jewish land in Gaza!"

HUMAN

These war criminals need to be arrested for Murdering
LIES against the lives of every innocent Christian
and Jew. Godless zionist nazi bastards are as evil
as they are dumb. Get every man who defends freedom
truly to hunt down these satanic demon ENEMIES for
thee True Jewish Cause, to ask it why it lies as an
enemy to HUMANITY, to murder innocent others as
evil doing thief to Freedom. A thief of Jews
everywhere to know truly God as Love and Justice.
Not only will Americans celebrate these neocon criminal's
freedom to call for the murder of innocent Christians,
as he does without arrest, "Americans" too, will as
Satanic refuse to hunt the ungodly enemy of the Jewish
faith down as Nazi hunters. No, Americans, cowardly, are
committed to dying with the Nazi Elite, as such
to escape of the Neocon terrorists who participated
in the mass murder of America for more stolen money
as war criminals.

Forgetting about the truce given to those in
a concentration prison camp? Where they are denied
food and water? In curfew prior to near half the
days of the year, for years? How could they not
to claim such self righteousness? They don't bother
because they'd rather YOU were made innocent victim,
then them, Zionists who would screw you out of a house
called home. Did you know: they openly steal Peoples
homes in that criminal nazi state labeled godly?
Of whom openly thieve? Officially? Yes, and they try
to thieve the title of Jew from the Messiah too,
but I'm not going to a slave prison death camp
for innocent humans, I'm fighting back to demand

But Neocon enemies of the Jew do not care for Truth.
They lie as enemies to God, on hopes to murder Jews

What kind of "Human" would commit such crimes against

Stressing that Israel was "the first to stand

it's good to get killed Jews by breaking truces
with a prison death camp, cause look at all the
free American Welfare money we can steal through

Simple Common Sense for Mankind

/ / Israel has admitted HAMAS kept the cease
fire; and that Israel broke it, then unleashed a
total starvation blockade on Gaza followed by
flaming death from the sky aimed at schools,
hospitals, ambulances, and children, and you
dare call the people opposed to such barbarity
a "mob?" \ \

Zionists are evil people who pretend they
are honest, when lying directly to everyone.
Blitzer reports Hammas broke the truce, he
is lying to continue the murder of innocent
peoples. Understand: Israeli Nazi state they
will continue to murder our innocent Humanity
until the rockets stop falling on Jews. Yet,
they broke the truce, and murder Jews routinely
with reckless abandon. Jews from the Bible as
of "nigger" Ethiopian, are what the Zionist
hate when warring GOD for apartheid, apartheid
that is Humanity in Gaza. A zionist is a war
criminal who speaks not against the neocon,
but against Innocent Humanity as YOUR enemy.

Livni: Gaza truce would give Hamas legitimacy

As they always do because they are dishonorable
murderous nazi thieves of God as Just cause is.
I am, and YOU are, you just maybe don't know it
yet, or if ever. A zionist serves Satan to escape
the neocon terrorists from their ungodly crimes
on 911.

Ron Paul:
US Will Be Rightly Blamed for Israeli Killings
http://www.youtube.com/watch?v=6C756NOPyDA

Not the Nazi Israeli?

The guilty party are those who advocate these
mass murderers of innocent peoples with
deliberate lies, like from Blitzer. Blitzer
will be tried, and executed a war criminal
for stating Hamas broke the truce., Where,
only two minutes earlier, he learned, that
it was his Nazi partners. DEATH SENTENCE.
It was on TV. BUT SEE? Ron Paul, the Libertarian,
ain't going to be honest here. He'll lie cheat
and steal Humanity's voice for Justice - like
he did with OUR money. A typical Libertarian
like Alex Jones who wants to blame "socialists",
"Liberals", aka, all of innocent America.
Blitzer is war criminal, who makes his own
discussions. As is Ron. What an enemy to not
mention the truce. THINK: IT IS THE ISSUE. But
Ron plays the dummy to kill more with contempt
for Freedom. Ron Paul, the bigot, asked,
'should we be doing this'? SEE? it's not first
degree mass murders, no, according to Ron Paul,
it's argumentative that indiscriminate mass
killing is a good thing really. Remember,
Ron Paul does not support arresting those
who committed mass murder on 911 either.
Or those who STOLE TRILLIONS. Or lawless Bush,
the ACTUAL AntiChrist enemy of God. Ron Paul
will watch America die for a stolen dollar.
And Alex Jones will refuse all calls to label
him good guy like himself warring order
to our universe for it.

Israel is [NOT?] responsible for these childrens death
http://uk.youtube.com/watch?v=Y9PIZQqIep4&feature=email

Ron Paul "When we pick sides, we make it worse"

He also took our millions donated for freedom
fighting away for his family, but not our own
as dying innocent victims giving. Pick a side.

Remember: Sadistic authoritarian George Noory
is a very real DEMON of Satan, who again,
openly tells US, he wants to murder our
species as the innocent forsaken, and Alex
Jones doesn't hear a problem with that
either. Love the bushite blindly, and
they'll kill US for a dollar sukka.

Alex Jones is like the retarded brother we
can't help but love because we're human. He
is still retarded. And George Noory is still
seriously evil as a traitor to the cause of
Freedom in America. And Ron Paul is still
slamming Ron Paul.

Ron Paul "Israel can not act without
Washington's approval"

So, it is Ron's fault then by not mentioning
the truce?, or as that, innocent People are being
indiscriminately murdered in a death camp that
he figures is argumentative? that innocent
People are dying as targeted for mass genocide?
Or is it the Ron who states YOU are to blame
instead of himself for being there, not saying
anything? HEY RON! Can you hear me now!

They are targeted by Obama who suggests
there is an argument to be made here. There
isn't. Nazi Israeli DEMON LIARS broke the
truce to kill Jews for money. They are godless
enemies of Humanity. So it isn't that we are
pro-Palestinian, it is that we are pro-Human.
Zionists DESERVE to die, before US, the innocent,
they target for murder for stolen cash gain.
Like Obama has promised to do for AIPAC. But
what about the rest of US 6 billion plus Obama?
Who is it of US innocent folks do you wish to
MURDER, or torture next as a Zionist war criminal

Zionists Destroy Our Homes as Satanic
http://www.youtube.com/watch?v=mo2HW4T7wK4&feature=related

When I see the women and her child, left outside

I grow weary with ourselves for not speaking right.
Nazi Israeli are committed to deny US our God given
rights as Innocent persons to speak freely for Justice
realized. All because they STEAL our Lives for monetary
gain. It is our reality, give it or take it, YOU LOSE.

Then.. Hammurabi founded Civilization.

I go concerned for any hesitations of condemnation by
Obama. It's like, he's talking some jive about
how now he'll NOT let the words of Hamas reach
his ears. Being against war criminals, doesn't make
you pro-Hamas, necessarily, it means your against
war crimes to defend the lives of ourselves respected.
Remember: He told US earlier during the campaign that
he wouldn't fear speaking to anyone, Hamas especially,
because he was confident he could win the discussion on
Liberty, by principles that unite all free men. Now,
he has promised the FBI's Most Wanted AIPAC, he will
pretend to not hear any calls for fairness as all
parties united by common cause. Johnny Who? Where did
you go Obama? You were here, then.. pooof! you
vanished into the loving shackles of convicted/ing
criminals is a mass, "WE ARE TRAITORS TO JUST CAUSE"
organized war crime outfit, dedicated to deceiving the
Public by lying. I am not Lying. I'm not saying I hold
his associations as a measure of himself, I am concerned
with him stating, he will not hear our cries for Justice,
as then AIPAC cheered. I was as freaked out about it as
you maybe yourself now, believing it as possible. Check it
out for yourself, and wonder, just "who" is this person
they tell us they're are going to take for as dying fools?
I mean look at what happened to what's his name, when he
sided similarly the same in error as hugely criminal? Come
on be honest with us son, "Are you on drugs?". Maybe he's
just been stressed with all of everything he is heaped
to follow on, NOT to know by Blitzer, that Israeli broke
the truce to kill more Jews for money, and, also STEAL
innocent Peoples Homes while saying, "they are God's

Chosen". Yeah, chosen for, "The Bad Example", of how
Jews are left undefended by these grave robbing war

Israeli are attacking prisoners held criminally
in their own Death Camps!! GET ALEX JONES ON THIS!

Hmm... why wouldn't Alex? to support his fictions
over Our Rights to Live Free perhaps? A Hero adapting
to the deaths scene?, or, a Bush whore committed to
enslaving Humanity, all so he can say, he told US so.
Big hero or big hero. Your NOT powerless to his vision
of complete control over information. He refuses 911
info, Iraq war info, Israeli info. All so he doesn't
have to look the fool, while Humanity dies with his
insults against our wills to make something better
of ourselves. Justice is what I will. Masturbate on
your own time Mr. Alex Jones.

If he states again about how he knows everything,
and is always right, and those that criticize
him on ANYTHING are delusional, it's going about to
make everyone further sick with this obscene take on
what life means as Alex takes it. If I truly state
two nickels make a dime, does that mean therefor
they make a quarter also? If I say so like Alex
would? He is an idiot. Truly. George Noory figures
Hamas broke the truce, and that the Mideast solution
is that Jews should be separated with special rights,
as oppressors over the freedom of every Palestinian
Prisoner, and what's Alex Jones gonna say about
his 'truth telling freedom fighter' George to actual
'lame ass evil nazi traitor' George?, to YOU about
how George is just trying to murder millions of
helpless people as an offer for the final solution?
We can expect Alex now to claim, Zionists should
have special rights over Jews, all to maintain
his FICTIONS on Noory being anything but the
monster to Humanity he is. Just because Noory
doesn't growl when talking about murdering all
children in around the age of 15, or against
soldiers who refuse criminal orders, does still
make him a true fascist nazi enemy laughing at
your murderers escaping to live freedom in
our dying forsaken worlds. The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know

these FACTS that demands arrests of the culprits responsible for high treason against Johnny's America. Now, who's with yourself. I am! I am! I am!

Alex Jones doesn't know squat of Social Security, but pretends he does, like Ron Paul does when speaking of the Federal Reserve, Health Care, IMF, World Bank blahblahblah.. I mean even the expert of experts Alex has on near twice a week, EVERY WEEK, to talk all about how the Illuminati are doing everything,(give me your money now for whatever), DOESN'T SAY TO KNOW, it was Chris Cox who changed Investment Banker rules, to cover instead one tenth of WORLD INCOME loans, to one twentieth. MORE THAN DOUBLING THE ENTIRE GLOBAL MARKET FOR LOOTING WITH HIS SIGNATURE! (And. that isn't even a fifth of the TRUE trillions dollar fraud story.!) Now, granted, I wouldn't expect one tenth of one percent of America to have even a distant clue of which I am speaking, but importantly, Alex's expert of experts has never mentioned it. EVER. Why? He don't give a fuck, but how much money he can get you to give him for investing in things that are un-important to our struggles, but for the fact, he states, you'll get free money for nothing!! OUR ACTUAL PROBLEM. It reminds me of those Ron Paul dollars... where Ron'll fix everything, cause we, as a private company, are going to make YOUR money instead... holy fuk mon.. Talk about the kettle calling American racists. Thank God the FBI stepped in. (The answer unfortunately is not nowhere as easy as Alex would blindly lead you) - again, so I guess it will be, Americans were just too far gone as illiterate chauvinists, who cared too little for your freedom as themselves degenerating. Why? To battle tyranny they knew not Justice wins the day, and blamed innocent groups gathered wherever, instead of following the crime scene leads at the real murder scenes - like was once done on TV and at the Movies. But even that was too far above their doped down heads, to raise their finger to dial a phone number.

How about stating "A lawless bushite enemy wars America as a traitor, to escape the neocons from the crimes of 911."

Then Alex states the head of GCN is giving out gold at less than it's value as a special treat, every second or third week. Below wholesale. Now, really think this thru. Do you think Alex is trying to con you here? you bet. That is the Gold Racket. Diamonds are another thing - where I've personally seen, about a decade ago, a huge press that makes Diamonds

out of coal. Swear to God it's true. Costs to make diamonds are pennies to the thousands paid to Zionists who live in Israel calling for the murder of all innocent Peoples. Where is the rich Zionist, grave robbing Jew hater to demand Justice for our times? Where? Pressing coal into diamonds, while advocating the murder of our entire Human species. THEY WANT TO KILL GOD AS SATANIC ENEMIES OF LIFE. While I am last known to Life's enemies as Jesus Christ, the Zionist's end every time. I'll have brought more Zionists to their rightful dooms, than any other, of any time, anywhere. I HATE Zionist bushite LIARS to death, all because I Love Humanity too much, to watch US die undefended as the innocent forsaken. They can change their evil ways, but till now, often not, benefiting off our suffering as war criminals who simply lie as demons to steal our Human values. Let's change this for our betterments. I mean the Halo is a dead give away..

The head of GCN has a son warring God to rape American women as lawless enemy in Iraq for the Neocon - again NEVER mentioned as something worth fighting against for Freedom in America - soldiers are suppose to REFUSE criminal orders - but not when Alex is at the mike. He will never mention the Bushmob doctoring the NIE to con America for death as exampled, because it doesn't fit his fictions, where all the bad guys escape because they are geniuses headed by secrets so powerful, nobody can ever know'em, except Alex. He tells us near every day, he knows everything already, and is never wrong, therefore you can't criticize him. Bullshit. It's like he wants to be wise like Johnny Gawd is, without doing anything like studying for a test where the teacher actually does know the issues. He told US today, the British came up with concentration camps, from the Indians - who spent all their lives murdering themselves. The British 'invented' false imprisonment? The British came up with the, Jews Killed Jesus? The British invented Pope Gregory VII? I suppose Alex has never heard of Ghettos. SEE? he just pulls shit out of his ass, and calls it like it's truly pure gold you'd wanna buy. Those, like your typical American have no clues, so they figure, Life must be sorta so that History is all one big Alex Jones NWO cartoon. What? that the NWO did 911, and everything else that use to instead, require criminal investigations to nab the actual evil doers? Alex Jones IS the NWO he tells US all we should be concerned about never stopping,

like it was in the DARK AGES. Justice Alex, why is
that hard for you as a "Conservative" to figure? Is
it because you are cowardly in the face of true
Liberty? Afraid that some People, on some Issues,
ACTUALLY know a great deal better than you could
even imagine presently? Don't like that do you?, where
you don't rule this Universe as a lawless tyrant
desperate to live in an illusion at the expense of
everyone else dying victims to censorship? Does he try
to find wise men or women? rarely. "Ron Paul [MUST]
leads our truth movement" - like, fuck off already
with the Ron Paul, The Truther, Bullshit Alex Jones.
1% is what YOU get on Social Security deposits - 1%.
And.. Bush stole 700 billion. 700. Billion. That's 700
BILLION. It's a "Trust" account. A "Trust" Account. It's
being held in "Trust" Alex. Ron Paul is asleep at the
wheel. As, so are the rest of all you other fools..
I want Justice, and I want it now for all the victims
of 911. Americans be damned, we want Justice, and We
want it Now.

In Texas, child rapists are given the right to
freely move about without fear that Texans will stand
as armed Men in defense of their very own offspring.
And Alex wants this for the rest of America. That some
how to own a gun, means an American would kill a cop
who beat a women near to death for pleasures that
he could never be Publicly arrested for, as a
sadistically evil nazi bushite fuck. Look, if YOU DID
kill that particular DEMON COP after the Chief
refused to arrest him, you couldn't possibly go to
jail in Johnny's America, because the truth would win
out in a fair verdict. And REAL cops would honor you
with great big, thank you. Nothing worse than a
cop (or bushite grunter) who believes the Law doesn't
apply to him while he drives drunk, tazers someone for
nothing, abuses Women, or kids, to sell drugs, or
kills good cops, who are good men. (Like mercs do in
Iraq officially for Rumsfeld's P2OG. Coming to an
American city near you!)

Again, the two Laws of Johnny:

1. No evidence, person innocent.

2. Torture? fuk you and die then

"Rice says it is 'hard' for Israel to spare civilians in Gaza"

We KNOW they are ONLY targeting innocent People,
the ungodly zionist Satanic enemies say so..

"Israel Rejected Hamas Cease-Fire Offer in December"

Livni has declared her country "is not going to show restraint"

"Her" country?

It's like she's admitting here, that they DO NOT
target the IDF's Hamas, but only our innocent lives
as a threat to LIFE and GOD. Remember: the Zionist
LIARS broke the truce.

THIS NAZI ZIONIST FUCK BREATHES THE AIR OF US

/ / So, Hamas decides it's time to end the
cease fire and has begun shelling Israel again. \ \

This guy even sounds like the Satanic false
accusing enemy of God he is. Let US, as Humanity,
hunt these real devils down, try them, and have
them executed publicly for the benefit of God and
Man. Understand: this REAL DEMON knows he's lying,
no living man on Earth could spew the vile lies he
does to excuse indiscriminate mass murder, or starvation,
as this Zionist enemy of life sells to STEAL Your
HOME, your Family, YOUR LIFE. An open enemy of God
trying to STEAL the Title of Jew from Christ. EVIL
ENEMY OF LIFE. See, when a bushite dies, you served
Life well in defending their next INNOCENT target.
BILL HIM FOR STATING ISRAEL WAS STRUCK THOUSANDS OF
TIMES. BILL HIM FOR STATING HAMAS BROKE THE TRUCE.
BILL HIM FOR STATING bin Laden DID 911. BILL ANY
Zionist FOR THIS TREASONOUS LIE. Why God asks? Because
there isn't any evidence to support that Satanic lie.
According to the FBI. And according to God, Zionists
are not Jews, but of Satan as enemies of every life
form in this Galaxy, Hunt him down, and bill him
today for the love of God. You can 'hear' it in his
voice.. how he lies TO YOU as a DEMON of a Hatred
for Truth and Humanity. Facts, that are easily
available, are not what he works to mislead others,
others he hates, and wishes to murder for as ungodly
sadistic pleasures as YOUR enemy. Bill him under
American law for being pro-torture too while we're
at it. Death to bushite, death to the murdering
enemies of God's Love for Mankind, and enemies of
TRUE Justice for Americans. The fuking demon enemy
lies to you, as a con to STEAL your life, or just
as soon, the life of another innocent other. Now,
what are you going to do about it? Except his lies
as exceptable, as he tries his hardest blatantly
LYING to kill God and Justice in our Worlds? Not
in mine, but perhaps Yours.

' In Civil-Contempt Cases, Jail Time Can
Stretch On for Years for Americans, without Ever
seeing a day in Court. '

Where are the arrests?, then firing squads for
the Judges who 'judged' such criminality against
freedom for US, the Peoples in America?

' Where Did Taxpayer Money Go? Panel Slams Treasury
[FOR STILL REFUSING TO SAY] '

Where are the arrests?, they stole eight trillion
and counting.. And Congress 'slams' them for
disappearing OUR MONEY. Slams with what?, a,
don't do that again please butt sqeeze? It should
be massive slammer time, with a return of all
STOLEN monies.

' THEREFORE, those pro-Israel politicians in Congress
won their seats in part using stolen money. '

Where are the arrests? Amerikan bushite nazi grunts
are assisting in the mass murder of innocent Christians
in Palestine. War crimes demanding death sentences. It
isn't an argument that can be turned around. Nazi Israeli
STEAL Peoples Homes without apology, as a function of
their SATANIC government, while colectively bombing the
INNOCENT victims who die because of it. It's a prison
camp! they are denied water, food, shelter.. since four
or five truces over that they've broken, every one. These
are Satanic enemies, willing War Crimes against God,
a God NOT loved by zionist American Nazis. And a Son
as powerful as the four winds, ridiculed by Zionists,
and American know nothings, for the continued debasement
of YOUR soul worth here dying.

Israel Attacks Iran News Station

Why does not Iran DEMAND arrests, and death sentences
for these blatant war crimes against Humanity committed
by Amerikan Nazi Israeli Zionists? Along with the
perpetrators of 911? WHYWHYWHYWHY. Russians! Can you

Pictures of Alex Jones masturbating
"we were right about it all."

It's the NWO! The Illuminati! Not Bush, Cheney, Neocons Gone Wild, or any of many other REAL criminals, for the war criminals are just puppets to his EVIL fictions. Forget about Bush escaping.. Socialists who design traffic lights, and Liberals who will to share fairly are Alex's enemy, because he's fearful the FACTS would escape his denouncements against truth tellers. George Noory, one of the most despicable individuals on the face of our great Earth - is exactly the kinda guy he wants returned to send his wannabe Patriots nowhere but to die. What about Justice America? The bushmob doctored the NIE. TREASON. There is video of iron flowing like water from the towers, seconds prior to the collapse. Alex ain't there to help US, for that is where TRUE Patriots fight for real Justice. When WE phone with indisputable facts, on Ron Paul the bush whore sell-out for example, he lies to all (GOD), then hangs up on US. Is that the kinda freedom you think the Founding Fathers had in mind to give Your rights to speak for Alex who blames anyone but the criminals directly responsible for your funeral? The private banker never covers our loans, so why give them trillions without questions offered without answered as, never mentioned by the guy who is 'right all along on everything under the sun', and.. he 'rules the Ocean of truth' too don't you know YOU have a steak going all rotten to hell here also? You'd think Alex would take our call just for the challenge on where we stand? I'm free!

He is not. And George Noory tells us openly, he's into killing innocent kids for profit. George's profit is that apparently, by murdering all children in around the age of 15, will stop them from getting a clue at anytime in the future, to take him out as an ENEMY of EVERYONE for censoring our cries for Justice. Why is it that Alex would invite obstructionist, Steve Quail, or Alan Watt, on to lead you nowhere while they jerk off, but where we gotta go to actually defend ourselves? Steve has been on with Noory more than a hundred times, and, we'd figure, Alex will soon be delving into the Alien questions also. Answerable by me in seconds, but ahhh.. like Noory, doesn't want the truth of such a subject uttered,

just endless streams of illiterate bushite dumfuk
losers sucking on each other. While they wrest
from US the wonder; just why we can't stop
criminals from robbing ourselves, while murdering
our families? Alex wants to blame the unstoppable
NWO, while I, want to blame those actually
responsible, like Bush and the proven treasonous,
Neocon terorist liars who are pro-torture.
With arrest warrants. All of them. I'll do it for
Reagan's, War Crimes Act, as an act of respect
for my Great America, that's isn't always been
dying dead wrong under the leaderships of
criminals.

Israel hits Gaza after UN truce resolution

demand by hammering away at each other with bombs \ \

The IDF's Hamas is hammering away with what at who?
Is the AP referring to the tin can rockets that
travel usually several miles, but in one case,
22 miles? To kill a Jew standing outside in his

his time? Tin can rockets that contain no explosive
charge? Have no mistake, if it hits you in the head,
your dead, but really, what do you think the odds

Israel Attacks Jews,
Silence from Mainstream about Violation of Law
http://www.youtube.com/watch?v=K1kt8qi0M-M

They kill Jews for money. They bombed Jews in Lebanon
for money. They want to bomb the HUGE sacred Jewish
communities in Iran.. wonder why? Zionists are not
Jews, for Jews don't steal in God's good name. Nor
target innocent beings for stolen gains. A zionist is
a thief to life, and as such, needs to be formally
charged for their criminal offenses, given lawyers,
and upon a successful prosecution, rot in a prison
cell and/or pay restitutions. YES. why? so not another
innocent person must fall in their place as next
victim to a zionist's public commitment to lawless
tyranny for evil intentions.

IDF VLOG UPDATE: IDF Hits Dozens of Hamas Terrorists

This Zionist enemy of God speaks like a six year old.
"Hamas Terrorists", "4. Jan.", come on now, how evil
do you have to be to believe this ungodly demon sells
you righteousness. They STEAL our food. They are OUR
criminal enemies who torture innocent Peoples. A
godless criminal enemy who also steals Peoples Homes.
And drops millions of land mines to murder Jews
indiscriminately for decades. Commits war crime after
war crime against Humanity. Vile bile.

They killed our innocents, and unless we kill
theirs, they will go on killing ours.ï¿½

It is the crime of which they demand WE are outraged
against. Welcome to Humanity's suffering world due to

Let US never forget, the Zionists also would bomb

be destroyed instantly by the Zionist flying the
America paid for Apache. I did a big show of shows

scenes perpetrated by the treasonous, neocon Zionist
terror merchants. It's like they think some dying

as enslaving into ungodly tyranny eh? These Zionists
are not only the bad guys, but they're bad guys to
even the bad guys as there is no found honor among
murderous thieves. A Zionist will kill a Zionist for

/ / It is just unacceptable to apply two standards of
morality, one for Jews and another for non-Jews.
For if what Israel is doing in Gaza is right, as
Israel and her supporters maintain, then what the
Nazis did in Europe several decades ago must have
been right as well. And vice versa. \ \

The ungodly zionist enemies, are enemies of
God and Man. Don't think the NAZI Zionist like
Bolton doesn't know this, with his friends at

America all her freedoms for the bounties of
private banker frauds. The banker does not
ever cover our loans, we do. So, why give them
trillions of American worker waged dollars for
nothing?. THEY DON'T COVER LOANS. See? that is
what this war against God is all about. People

CNN: The Nazis Broke The Ceasefire!
http://www.youtube.com/watch?v=KntmpoRXFX4

Protest pictures from around the world (not on CNN)
http://www.rys2sense.com/anti-neocons/viewtopic.php?f=11&t=16496&start=0

Remember Israeli nazis to this day, insist as
DEMONIC LIARS, Hamas broke the truce - as Hamas
is responsible when they target school girls for
slaughter. They said the UN were secretly attacking
Jews, clearly a LIE as impossible to prove because
it didn't happen. But facts are the furthest thing
away from the godless false accuser Zionist con man
or demon witch LIAR like Livini. FoxNews calls the
demon witch a Jew! ANTISEMITES.

We can witness, Americans do not have the intellect
to understand what this means. See, LIAR Nazi Israeli
broke the truce to get killed Jews for money. A
regular fair for Nazi Israeli. Now, they state they
will continue to indiscriminately murder humanity
until the tin can rockets that travel miles stop
killing Jews who hate Zionists. But importantly,
it is Israel that wants Jews to die, so they can
make off as Satanic with our stolen values. Just
like the Bush family did with Hitler, that the
Nazi Nation has no probs working gun in hand to
wipe out Jews everywhere still to this day. Again,
Nazi Israeli MURDERED JEWS in Lebanon as targeted.
And leave Jews to starve to Death in Israel for
more charitable aid they can use elsewhere. Public
knowledge not disputed by any living soul on this
planet because, the Zionist government admits freely
to this. Israeli think being Satanic is worth it,
for all the money and lives they can steal as enemies
to Christ, Hillel, Mohammad, YOU, blahblahblah.

And, as demonic thieves, they steal homes from
innocent god loving folks. US. But see the McCainiac

HATES you as being a virtuous man or women, so they call for more indiscriminate carnage against Humanity, on failed hopes, that we as God are not going to come down to hunt them to the ends of this earth, try them, and have them executed for the war crimes of Torture, Rape, and mass murders committed for the neocons escape of 911.

Joe the Plumber to cover Gaza op

/ / Wurzelbacher says he'll spend 10 days covering the fighting and explaining why Israeli forces are mounting attacks against Hamas. \ \

Don't want an intellectual who might have a clue of what is transpiring with the forces of Satan, fuk, CNN'll likely hire him also. Don't you just hate this treasonous lying nazi demon? He has no journey man's license, never did, isn't a plumber, and doesn't have the millions of dollars he claimed he did to purchase a company that would have rolled over 250,000.00 a year for himself alone plumbing. Plumbers, as good as the job is, never generate that kind of money. Who cares though, right? A Nazi liar is what Zionist's want, and that is what America gets. TV'ed Americans couldn't care much less. Evil nazi McCainiac who's sworn existence, is to con teen soldiers for death to raise the fortunes on the un-elected Neocon bushmobsters now fancies himself a teacher on the struggles against evil. It's like that faggot at anotheruntoldstory.com, who's into murdering innocent Gays, while fucking his own brothers up the ass, who runs ads everyday at GCN, tells US now, all about how evil we all are for demanding Justice. How long do you think that'll run with the Alex Jones towners still raising no concerns? It's for the money as Ron Paul would say.. Again, it is to divide ourselves from true liberty, by demonizing the innocent on our radio and tv channels. Instead of Bush, Cheney, Rumsfeld, and Condi.

http://www.liveleak.com/view?i=ab0_1231290043

http://www.kuwaittimes.net/upload/img_pict/headline9637e7.jpg

Read of the bushite in my America who call this work of Satanic enemies, a good thing they support to war terrorism for the sadistically evil liars of the neocon. Then KNOW my friends, a bushite is the enemy of every living soul on this planet. Have no love for those in the Air Force, the enemies of Man who bomb our families without excuse, but to know, they hate

US as Christ to speak free for Humanity. That DEMON George Noory was so happy last night about all the good the bankers AND CHENEY are doing for their hatred they spoke of for all Russians. SEE? not to protect America, but to kill you with their true commitment to the demonization of innocent people, all to escape the neocon terrorists. I HATE George Noory more than anyone alive in America. He is so openly evil to ourselves, that only those who wished to lie to you, (like Alex Jones does about Ron Paul), would say otherwise as bushite dumfuk enemies. Cowards committed to escaping Bush and Cheney for treason against Freedom. They doctored the NIE on Iraq, highest of war criminality. Alex Jones has never mentioned it, but for MAYBE in passing. Hey because all the bad guys are just puppets to ignore over the elites, globalists, socialists, liberals, gays maybe, Blacks, Mexicans, and anybody else smarter than NWOer Alex. Ron Paul is a coward as rarely if never has a clue of which he is speaking on.

Israeli PM says to end offensive if Gaza ends rocket attacks

Sarkozy urges Syria to press Hamas for Gaza truce

How does the ungodly get away with this obscenity? Nobody can deny Nazi Israeli broke the truce, as they always have done as Satanic for the last 60 years. Killing Jews for money is popular with the Zionist Nazis don't you know us by now? FoxNews CONNED Americans for DEATH with the unmentioned, TREASONOUS doctoring of the NIE. To kill Americans for more neocon gains, which Alex Jones never mentions either. Do Americans even care enough to raise Humanity's call? Do they demand public executions of sadistic godless Zionist torturers? as the Standing Law of America - The War Crimes Act - brought to be by Reagan - DEMANDS by the Law of America? It is the Law after all, yet, CNN, CBC, and FoxNews calls the perpetrators of the most heinous evil against Mankind, heroes. America is
a nation of godless cowards willing to die murdering innocent Christians in Israel, all for the profits of the 'magical' zionistic private bankers. Bushite grunts are now supporting the indiscriminate carnage, serving as police services forbidding any of the prisoners in Gaza from fleeing the indiscriminate slaughter. Again, as Satanic, they don't arrest the "Suspects", for what could they truly charge them with?, no instead demand we die helpless murder victims by forbidding escape, as they did in Fallujah murdering more than three hundred thousand innocent

souls. Die bushite die screams to all men on Earth from the Son of God. Will you stand for YOUR life as truly worth something here? Like lawless enemies Policing your reality will bring you more happiness and prosperity with the great truth teller HAPPY George Noory? The demon who openly confesses the will to want to murder all children in around the age of 15? Too crazy for you to face such an enemy of huge demonic origin, so, go the cowardly way like Alex Jones as sell out slave instead, to cover the demon with endless praise on his treachery to not have our fight on everyday with open calls for understanding Justice is freedom. Instead of a constant stream of bushite dumfuk enemies of Living. This isn't complicated. Or it doesn't have to be.

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce.

Alex Jones told US as a deceiver, he's been on Coast to Coast a hundred times. Not in these last eight years he hasn't. I demand Alex prove this, or be known by all far and wide a treasonous liar, trying to take US off the tracking of criminal action of his buddy, the demonic enemy LIAR George Noory. bin Laden didn't do 911, despite the facts that WE KNOW George Noory knows better of but LIES to con the American teen further for death at the profits of the un-elected bushmob. See Alex wants you to blame anyone but those directly involved in the crimes of 911, or Iraq, or those responsible for it's cover-up by Zionist propaganda. George Noory will have as invited guests whos only function there is to spread dis info as supporting more indiscriminate warfare for the escape of the neocon terrorists responsible for starting the illegal wars to begin US at. Or those whom often support torture, a war crime that only exists as irrationally held by those who's minds have only a blind hate for the indivisible rights of another innocent other. And often truly hate men and women for being Just as wise. The McCainiac Zombie video is a perfect example. When the Zombie is asked about the rights of Women, the McCainiac Zombie cried out for raping more Women. The position of authoritarian power, was only found with the bushite as oppressor, rapist, torturer, or Air Force Bomber, not liberation by freedom. The bushite McCainiac KNOWS it can't compete

openly to defend it's criminal treasonous
actions! Remember, Alex "the Conservative"
thought McCain was the choice if you had to make
one, earlier on, then changed his position,
sort of, later by calling them all puppets not
worth the effort, but .. Obama's idea's matter
not, it's that his Birth Certificate is, no war
too be fawned. Palin? who's she? McCain

Norwegian doctor: Israel intentionally targeting civilians
http://rawstory.com/news/2008/Norwegian_doctor_in_Gaza_Israel_targeting_0105.html

"All that is happening in Gaza here now is against
international law, it is against humanity and I
think it is against what it means to be a decent
person. You don't treat other people like this.
Even if you disagree with himï¿½ maybe even if you
fight with them, you don't treat civilians, children
and women like this."

Israel deliberately targeting civilians in Gaza
http://www.youtube.com/watch?v=Ev6ojm62qwA

It was almost acknowledged on CBC radio that
nazi Israelis, use the argument that a tin can
rocket traveled miles, to kill some innocent
Jew as a direct hit (likely a person who hated
godless NEOCON), all because that nazi state
has OPENLY, as PUBLIC policy, stolen water and
food including baby formula, along with a huge
list of other atrocities, to punish God and
Humanity since way back before three of four
truces. AGAIN, Nazi Israeli always, as ungodly,
break their truces. Why? Because YOU, or Christ
as any Jew's life means nothing, to all the
'free' billions they'll get from given American
worker wages. Look, Americans refuse to call
for the arrest of Bush on their national,
"truth telling" Coast to Coast radio program.
Why? Because, for one, George Noory, (Alex
Jones' best buds), has told US he's into
killing innocent kids as powerful, and that
'bin Laden did it', Is good enough for US.
You don't get a say here however how you will
live or die. George Noory calls all grunts
heroes, and those who refuse criminal orders,
those he wishes to go ballistic on. Yes, it's
true, George Noory is still alive and happy

as ever.

Rise Up for innocent Life, or don't and see
where it'll get you in the end.

Again, every soldier in the Air Force serving
for the neocon liar is a traitor warranting death,
to save the lives of their next innocent victims.
They have murdered more than two million people
in Iraq. They are pushing heroin into America
from Afghanistan. They are raping AMERICAN
women as officially "LAWLESS" (can't be arrested
but through Rumsfeld - who has not seeked any
prosecutions for the raping of American Peoples.
He, as Neocon, is TRYING to DESTROY FREEDOM
For all Americans in America - while paying
with American wages, South African death squads
to murder Black men) and TV'ed Americans refuse
to speak for Justice denied themselves. Zionist
amerikans only see US as innocent others, not
themselves to pay, but they do pay, they will pay.
God, nor John will not live in a world where
bushite grunts walk freely down our streets as
first degree mass murdering rapists, torturers,
and thieves. Celebrated by CNN, CBC, and FoxNews.
Especially when they DEMAND they have greater
rights than Human Beings. Mass Murderers deserve
immediate death sentence to defend ourselves
from their demon lies and betrayals to God and
Man. Every CBC and CNN reporter who reported
Russia attacked Georgia unprovoked will warrant
trial, then death sentences for their total
commitment to the Satanic NeoCON enemy war
criminals. Remember: they targeted for murder,
helpless innocent families. YOUR family. CNN
wants you to blindly believe, CNN personalities
like ENEMY George Noory are so happy, why would
we think they willed death against our great
Humanity by conning you for more stolen money
through the sacrifice of YOUR life for zionist
criminals who laugh at your powerlessness to
raise your voice for Justice.

Fallujah by the Sea: Aping America, Israel Unleashes Chemical Weapons
in Gaza
http://uruknet.info/?p=m50412&hd=&size=1&l=e

Look at this picture of nazis indiscriminately slaughtering
our Humanity, while on MSNBC they reported that the Nazis
will continue to murder Humanity until a truce can be found,
A truce that the Satanic enemies of God will naturally break,
as they ALWAYS do. They are godless enemies of Life who wish
to steal the Title of Jew from Christ. They targeted Jews in
Lebanon with seven million land mines, and let Jews starve to
death in Israel for more charitable aid they can steal from
G-d's Good Will. When asked by Israeli newspapers why, it was
said to kill a Jew is rewarding for the godless Zionist.
Public record. Die bushite die.

in this indiscriminate slaughter of Innocent Human

Israeli plan to topple Hamas, re-instate Abbas
http://a-mother-from-gaza.blogspot.com/

/ / Breaking the truce Nov. 4, then, was Israel's way of getting the gears rolling for this whole sick game: the toppling of Hamas, and the re-instating of the impotent Abbas into Gaza so the "peace process" can remain forever in formaldehyde, to quote wiseass, er., Weisglass. \ \

Nov 4th! - perfect!. We are dealing with Nazi war criminals who refuse US, as a Species, Justice for everyone. Especially The Jew's Jew, Johnny America. Hint: they call us Love just to hide our complete agreement with this Living Universe to will Justice for God as every last bushite zionist freely moving. Once all the neocon zionists are rotting in a prison cell, or formally executed as godless war criminals, we all will have one joyous welcome in a heavenly future.. Until then, demand Justice for US. That's YOU too. Angels included. Who? I don't see no Johnny Wizard here anywhere, We are Good to Go. Rise Up for innocent Life, or don't and see where it'll get you in the end. The bushmob are traitors for closing official FBI investigations into 911, immediately after the mass murder of Americans occurred. Treason, of a, trust WE don't have it in US to stand for our common values as the Revolution will not be televised, Johnny Who. Man, are we or no? Be Somebody, then get on your phone to call in for Justice willed. Alive I Say! - this must be where you'd raise the dead and dying.. if you only could raise your finger to dial the phone numbers - well guess what? - I Command You Can! - snapoutofit - Speak for pursuing Justice on 911, and show serious concern for publicly paying private banker men trillions in worker wages for nothing. This is seriously disturbing, yes, but seriously important to address openly in our spaces to remedy with a Johnny Wizard World Wide Work of Wonder, Super CNN Special of Specials, with Your Host, the One and Only, President and CEO of Shareware Earth Co. John Himself. Hey everybody! Wow eh? So a.. when is the good guys showing up? Now. Justice. I want US to Host Coast to Coast for open Public communications, where things get solved because we know whats we're learning about. We of god, this way comes, then men and women with calculators to know: giving money to private bankers

on hopes they'll lend a small fraction some back
to ourselves at high interest is dumber than rocks.

Yup...caught Mark in yet another of his many lies.
He claimed that he was drafted into the Army as
1: A Lt. Colonel.
2. As a Second Lt.
3. Served in the Chemical Corp

the rest is pure bull hockey...

Now he claims to have served in Vietnam.

The last ten Marines were airlifted from Nam in 1975 as Saigon fell.

If Mark is 40 years old as he said in 2006, then that means that he was born
in 1966.
That would have made Mark NINE YEARS OLD when the last Marines were leaving
Vietnam.

And that, my friends, equates to Mark C. Morgan being one huge liar.

Approx 200-250 watts probably. I know one thing those nice thin flat

How many accounts has DeLorean stripped you of, Mark?

I know that you've lost quite a few of late.

You can't trust that darned DeLorean, Mark. He is always there, lurking and watching you. He has become your unwelcome shadow.

Just when you think that you have thwarted one of his Bots, he designs yet another and shows you to be an ignorant fool. DeLorean is light years ahead of you, Mark. But so are many others, too.

When will it finally dawn on you, Mark, that you are simply not wanted in these groups?

Does someone have to hit you over the head with a two by four to get your attention?

You Hams seem to be very mean sprited toward my husband, Mark.

Most of you are extremely cruel.

Mark has done nothing wrong, not now, not ever.

Mark has been, and continues to be victimized by all of you. He is a wonderful husband, I may add.
He is not the best of providers, but he does the best he can on a limited income. I pay the utilities and he chips in a few dollars when he can.

Whether or not we live together is not your concern. Our sex life is also none of your business.
I have told Mark to keep me out of this and he paid the penalty for telling you that I am bisexual.

He slept in the back yard, in one of his junk cars for two weeks. He made up to me and gave me flowers and promised to never again compromise my personal information.

I love him even though I made him crawl on his knees like a whipped puppy.

Yes, I am domineering. I carry the whip and Mark knows how well I dole out discipline.

Let you learn from my warning, DeLorean, Roger, Lloyd and others. You do NOT want to see me, Gav, showing up on your doorstep with my whip in hand. I will be your worst nightmare come true.

By the way...did you read my book report on Amazon? It is worth reading.

And that photo of me on the KD8CTL blog is way outdated. I haven't looked like that since I was 24 years old. I dyed my hair and wear trifocal glasses now.
I used to be skinny in those days.

I was going to post a related question to this group but after reading through the posts I have come to the conclusion that it is just a bunch of children in here, there is no way these posts can be made by adults. If by "some" chance it is adults....then they all are losers IMO. Pretty sad IMO that this group has been taken over and ruined. I really has some group related questions.

Carry on. I suppose.<shaking my head>

903. CIA Official Reveals Demon Mr. Bush Knew No WMDs and LIED to Kill America

Bushite Alex Jones "Obama is so much worst than Bush was"

So, don't arrest him for treason that murdered Americans?
Remember, Alex in eight years did everything he could to
not allow any to discuss BUSH'S crimes spree. Doctoring
the NIE?, prior plan from Condi? Or stealing 50 billion?
I could easily go on for paragraphs on DOCUMENTED CRIMINAL
ACTS - acts that Alex would not allow YOU to know need
defense to save the lives of innocent Americans.

60 Minutes: CIA Official Reveals Bush, Cheney, Rice Were Told Iraq Had
No WMD
http://greywolf.newsvine.com/_news/2006/12/20/489409-60-minutes-cia-official-reveals-bush-cheney-rice-were-told-iraq-had-no-wmd

Dumfuk Grunt "Duh, why are we here to kill
good people needlessly so the bushmob back home can
further rob our undefended families bro? Bro?"

What's The Point Alex?

Hey! Alex Jones said today Bush isn't guilty of nothing,
but boy, Obama is bad he'll tell you never mentioning
the FACT Bush LIED US into the Iraq war as a war crime. 1441.
Won't allow it. Why? He is a bushwhore, a believer in Bush,
the Antichrist enemy of Humanity who told US if we tried to
form our own conclusion, we would all be terrorists. NO JOKE.
Bush, the most evil man of all History, Alex claims is
guilty of nothing. Example: Bush, is his first days,
STOLE 50 billion dollars. How can Bush (the banker family
tied to Hitler) be above all the laws of the Universe
someone ask Alex. You know, Alex will hang up on any man
or woman who states in question, as he did with Peggy,
a once loyal listener, why he refuses to acknowledge the
evidence of Ron Paul being cheated through a fixed
election. Attempting as a demon, to demonize whomever
phones with such truths - like Ahamd, or Condi's 911 plan
for Enron. Alex Jones is openly a bigot, and a man who
has OPENLY confessed the willingness to murder INNOCENT
Americans - before allowing Justice to rule for the
defense of every American. I want open debate, he wants
censorship, so he can continue to masturbate to the
continuing deaths of innocent Americans. Laughing with

DEMON George Noory who claims Laden did 911, Hamas broke the truce, and Iran is a holocaust denier. Enron. Has Alex even ever mentioned it as motive for invasion of Afghanistan? Never. Has Alex ever stated the Taliban were simply asking for evidence to form anyone's conclusion on who was PERSONALLY responsible for 911? NEVER. THINK here. Even after me sending him email after email for years. Alex states all who criticize him, are delusional, because he warns people of poisons fed the masses. So therefore, every last word I state about Alex Jones undermining our wanting for real Justice is correct without argument - As according to ALEX, he is delusional. Wow eh? Alex is a stupid bigot as a matter of fact. He'll tell you we gotta get past the left right thing, (trying to steal my thunder - where i give to all freely) yet, near next breath, or the one before, he'll tell you what all Liberals think. Or all socialists, or... blahblah Someone should ask him what Christians think about letting the mass murdering LIAR Bush escape Public trial for high treason by conning teen grunts who are now dead. Bush PERSONALLY closed 911 investigations immediately after all. Again, NEVER mentioned by Alex as important to our struggle to arrest, try, and execute those responsible for mass murder in Johnny's America. An America were every Human life is worthy our protections. Where Alex Jones is NO GREATER than anyone of US. He is in a popularity contest, while I couldn't give a rats ass what rupuglicon, or demoncrates think about my wise words on God and Justice. Great entertainers I am not blindly enamored with, nor do I believe FALSELY, demon Bush, the Antichrist, is above and beyond all laws of our Humanity. If 99.9 percent of godless Americans disagree with me on God's will to have all neocons with the Bush Administration arrested immediately for public trial for high treasons, to hell with them all as they lose their rights rightly. For, they are not our friends who willingly murder OUR Humanity for stolen private Banker gains. Alex, a bushwhore, a censor, wrongly believes Bush is guilty of nothing. A bushwhore of the antiChrist he is. I mean come on, he claims all those folks who followed truth mentioned in the Bible were murdered. How stupid is that????? From what I recall there was a suicide, and well, that's about it. How many American "Christians" actually believe a man of God actually walks this world? How many? Being Gay is okay with me. I'm not Gay, but still to each his or her own, as long as your not infringing on the rights of another to do what ever they choose. I love all children too much. Real Freedom. GCN advertised HATE for Gay folks, then at the website, murder - and the station sees still, no problem with dividing our innocent masses on desperate

attempts to escape the neocons from Justice. That's the REAL reason Alex states a derision for Liberals. Note: "Liberals" in Canada are a right wing party that disbanded the RCMP corporate crime division as perfect example, and! sent a Soldier to prison for refusing criminal orders. Never allowed by Alex, for his gold dealing boss has a son killing innocent Peoples for Neoconned cash in Iraq today. ALEX WANTS TO CENSOR US ALONG WITH THE ENTIRE BIBLE NOW WHILE MASTURBATING HOW HE IS NEVER WRONG? In his dreams maybe, but not our shared suffering reality. By the way, has Alex ever written for Justice? and why not?, considering he is so greater than all others who haven't been invited on his show he stupidly said two or three days ago, me, and everybody else here globally? Truly delusional he is for not being truthful. Be a man Alex and face me in open debate to defend YOUR idiocy, he won't becasue HE KNOWS, Americans would win, and he would look the fool as loser. Too cowardly to defend America he is, because he doesn't have the virtue for it, and refuses to hold respect for men like me hugely wiser than himself he works to keep all down for death. Alex claimed the will to gun down kids who steal copper. Not only a man unqualified to "lead the Truth", but not qualified to even carry a gun. He told US when hearing the bullets going into the backs of two innocent men in an act of pre-meditated murder, it was 'the sound of Liberty'. That is evil to all my friends, evil to US all. He has called himself "the white devil" while mimicking another he refused to allow speak for himself after all.. And no, a debate between US and Alex will not be done where he gets the cut off switch to deny all others under the sun who speak for real Justice. Real freedom.

Bush and Cheney are traitors to the cause of American Liberty. To leave them free, is to leave America un-guarded from further transgression.

Patriotic American Navy Vet is tortured by bushite nazi grunts
http://killfile.newsvine.com/_news/2006/12/21/491153-white-american-navy-vet-is-illegally-detained-tortured-and-tried-by-us-government?last=1166730840#last_4

Again, Reagan warrants death to all who torture, and a deep hatred for all ungodly in America who support it. Why? Because the vast American public (especially FoxNews treasonous LYING enemies of The People) DO NOT have the intellectual skill to understand what freedom is. Justice. Look at me! they can't seem to talk for Christ's interests, that smart ass know it all, where he thinks he's so ingenious where no one on Earth can find fault with his indisputable simple logic we share EQUALLY. (Bankers don't cover our loans for example) Kill my kids,

my spouse, myself, before allowing John to speak openly
in the public on Coast to Coast for open debate, all of
Americans say in silence censored. Why does America continue
to die this way? Because bushites are truly as they claim,
stupidly ignorant as treasonous cowards, or as
prosecutable criminals, evil people who only want in this
world to rob or murder People indiscriminately as enemies
to Justice, enemies to GOD, a Criminal. NOT A JEW you fuks!
George Noory will tell you freely all about his hatred for
our Humanity, he does it near everyday, though People don't
have the ears to hear, or the care. Too scummy. That
remember! get American GIs murdered by the score with NO
REASON AS FOR. Example: why bomb more than a million
innocent souls indiscriminately in Iraq, if you have
complete unrestricted access to go where ever you will?
And, that Bush, Cheney, Condi and such, knew from day one,
Saddam had all the WMD destroyed as documented fully, as
did I. Documents that BUSH personally stole if you recall
not listening to Alex Jones, Foxnews, CNN, or the CBC.
err. maybe it was Bolton - s-t-o-l-e-n -.
Likely, as a likewise deeply ignorant person, you know
little of Life as principled for individual freedom, and
couldn't care less what this boundless Universe offers
all in reflection, instead, it all about what's in it
for you as a lying cheating thief to this mystery right?
Wanna be a lawless mercenary to murder innocent people
dreaming of becoming a private investment banker, who
never earns a dollar in their entire careers, taking
trillions undefended from Humanity just to see US
suffer to deaths for our continued silence. All you have
to do is raise your phone to demand justice in our times.
All Neocons must be arrested for public trial, along
with near every last member of the Bush Administration.
PUBLIC TRIAL. And Soldiers must learn quick a commander
who doesn't support getting those responsible by following
the crimes scene leads, is a commander deserving of an
immediate firing. Otherwise, what use is the grunt
good for eh?

Again, Ron Paul like near all Libertarians, does not
acknowledge the wanting of Justice for the high crimes
of Banker fraud, Iraq, or 911! He took the "Truther"
money, but refused to support the arrest of Bush for
treasons times 50. Social Security he wants to gut
like Health Care as a sadist who knows near nothing
on how such systems currently operate. Again, he
does not speak of recouping the STOLEN 1000s of
billions from America, or the lives. STOLEN. What
is it that you can't figure here? Fuk ego, FACTS.
We are all effected by suggestion, this is why,

since the dawn of time, evidence has been the
prerequisite to convince ourselves of anything.
Alex's cartoon storyboard, is truly, as measured,
Alex masturbating with our precious times. Think:
Alex doesn't ask Americans why they don't support
the arrest of Bush for high treason because a world
where all are treated equitably is beyond his
understanding as a bigot. He could change, but he
is 'light years ahead of the Public'.. but of what?
All you need do, is every time Alex says "they",
ask yourself, WHO? - then know: the bartender at
"Bilderberg", isn't as FOR SURE guilty of crimes as
Condi from "Builderberg" is. The 911 plan came from
her very desk according to MSNBC, never mentioned by
Alex Jones. Why? You have to be near genius like
me to explain it COMPLETELY without even seeing it.
NOT MAGIC, more like meditation through understanding
our universe is ruled by good ideas. Alex is a man,
a Good man mostly, with some fears countered with
an irrational aggression (not thought through) that
found him blindly supporting the murder of two
innocent men. Not freedom. while I, am of God. An
actual god. The Son of Man as a matter of fact.
I want to tell you how great Life could be, but i
see so very little of words present to survive the
lawless corporate state. I AGAIN, will ask YOU to
forward this post to two People, but will YOU??
Torture is outlawed by warranting Death under Reagan,
and.. it's like the best way to resolve a FoxNews
'excuse' given to illiterate nazi grunts to abuse
ourselves as innocent others. Tell me I'm wrong. .
KBR rapes American women, or murders them, and needs
to be hunted down by All American military forces
for it, as trialled to death. Including all commanders
of the Air Forces responsible for bombing our families
without causes. And lastly, any that discourage our
grunts from not supporting the arrests of those that
actually did US wrong. Get to it.

http://groups.google.com/group/alt.fan.jesus-christ/browse_frm/thread/5b24b172a24a923e?sco
ring=d&

/ / Again, as bushite fascist nazi vermin, they let those
responsible for destroying America through the bushmob
war crimes, still sit in the, for sale freedom captain's
chair, high-jacked from US true Loyalists, attempting to
get away the bushmob is doing from 9/11, by going real
fast .. nowhere. \ \

It it Tenant tells of the bushmob knowing in July 2001 bin
Laden was going to get blamed for a strike big in America
from a cave in Afghanistan! Then later, (not mentioned) in
AUGUST! Powell went over there himself personally, and gave
the Taliban 43 million dollars as an award. Swear to God true.
NOT HIDDEN. Look it up. I mean it made almost all the major
dailies. See? This is what Alex fears, that wise men, actual
wise men, like myself, can put this stuff together in seconds
by freely communicating for open challenge on error, of what
would take others committed to dying through censorship for
blind fear, never in a lifetime spared. Who cares right?

Alex Jones, "Liberals don't like Bush."for
mass murdering Humanity as never elected
demon enemy of God he means?

He tries to divide the freedom movement
away from Justice for ourselves.

Question for Alex Jones NWOers, wouldn't
God, if we existed, wouldn't God, push for
a one world government where all are treated
fairly through Justice practiced? Yes or no?

America! I am King Johnny.. I am from the Planet
Earth, I've come to share the knowledge of Justice
in our times on behalf of this, Our Future Great
Triumph over Evil.

/ / At 8:51, the flight [175] deviated from its
assigned altitude [31,000 feet - therefore cell
phones impossible], and a minute later New York

air traffic controllers began repeatedly and unsuccessfully trying to contact it."

And one minute later at 8.52, Lee Hanson receives a call from his son Peter. \ \

Couldn't have happened, as is why, these phony "FBI" bushmobsters stole the recordings and don't want the still dying victims to know the truth of the Neocon traitors to God and Justice. Cell phones are not capable of paralaxing above likely a couple thousand. Someone on Earth would likely know the near exact scientifically measured distance as nothing greater than a couple thousand, for why the need to put towers all over our fair cities then? 31,000 feet is a distance of miles! Hint: 5,280 feet in a mile. 5.871212 miles in fact. Drive out 5 miles from your nearest cell phone tower, oh yeah, and don't forget to bring a elevator like aluminum box to stand in, moving 500 miles an hour, then ask yourself, how dumb does a Repuglicon or Obamanaut take US for as silenced to the tyranny of mass murder in my America?

TED SAID SHE DIDN'T HAVE HER PURSE
http://911review.org/Sept11Wiki/Olsen,Ted.shtml

/ / Ted supposedly told CNN that she called him collect. However; once a credit card is swiped, you can begin using the phone to make calls. So, no collect call would have been made. \ \ The allegation also has been debunked by reported to be, Airline officials who stated no public phones were even available on 177. That seems near too far fetched, BUT!, GTE Airphone reports DO SAY - zero call assists were made on flight 177. ZERO. So, how then does she make a collect call then, and why if as claimed, Ted and Barbara were madly in love, would she not know her hubby's personal number?

Remember, Ted was the coke pusher's lawyer in the Contra case, of which Ted, was also assistant secretary to the Solicitor under Reagan. The Contra group if you recall were/are pushing crack cocaine into major cities for plans to undermine the American government for illegal wars against peaceful civilized life as stolen profit. YOURS.

FBI SAYS TED OLSON LIED OR WAS DUPED. NO 9/11 PHONE CALLS
http://www.youtube.com/watch?v=v78ibOa4PDE

The Olson story would make for good horror
if it just wasn't so horrific. EVEN I'M
SPOOKED. Olson tells of a elaborate drama
where he learns, she without her pursed
cell-phone, has to call through the phone
records of the Justice Department. How did
he forget that fact when first pronouncing
of how she had phoned him from a cell-phone,
or, then from an airliner that didn't have
phones in the cheap seats, nor tear-gassed
upper-classes? The trouble here is that
a small cadre of bushmobsters keep hiding
the evidence on CNN, FoxNews and George Noory
implicating themselves at the crime scene,
as illegitimate "intelligent officers" -

BANKER SOLUTION

Solution: refinance near zero interest, (as low as we can go), and concentrate on returning all defrauded assets - working to put money in the hands of our criminally stolen from Low Income Grand Parents, who are robbed routinely in Casinos, and fraudulent mortgages schemes, where the intent is never succeeding but for the scammers playing US for suckers. Wake up people, we are under attack by those who refuse US Justice to win Freedom for anyone. "Conservative" retards are completely lost here, because they do not have the intellectual skills necessary to understand: a person accused of a criminal offense without any evidence is innocent. Or, how about, No one deserves to be tortured for confessions on crimes left then unresolved for actual retribution. Yeah really. What kinda world does Obama take US
for here? Does he actually believe we hold no
interest in being attacked as ourselves, the
innocent forsaken? A reminder: an American was
executed under Iraqi law without any evidence
brought against the accused, while the grunts
were offered an excuse to seek not the culprits
at the terror scene. The case was lightly reviewed
at democracynow, a year or two ago, and can be
found by searching for a grunt pretending to be
an ambassador to Romania. A case where the Judge's
life was threatened by a "General", where if he
didn't order the death of the innocent American
citizen, the grunt with the General would murder
US all right then and there. The Innocent American
was murdered as forsaken for value shared by
free men.

Obama set to allow Bush-era ï¿½torture flightsï¿½

crime warrants death in America according
to the war crime act? Does he believe America
just will never have a chance to speak for the
interests of US as innocent Human beings he is
planning to torture as an enemy to Life?

Refusing to Defend American Values

Yoo: Bush okayed torture to outwit defense lawyers

This is why it warrants the Death sentence. Remember
corporatist Amerikan citizen, these torture victims
that include children as younger than a hundred, had
not been alleged to have ever committed a crime in
their entire lives. Victims tortured to death for the
pleasures of those Satanic, such as General Geoffry
Miller, who tell US today as confidenced, they do it
because, patsy wasted American soldiers will just refuse
to hunt them down for formal executions. Let's change
this for our Humanity in this future, to look back,
and know, American males were men of the World, who

stood for the principles enshrined within every living
Constitution. A free man shall not be jailed, or
tortured by anyone in our names as Governed, without
the perpetrator tried publicly for execution as our
Love of real Justice. As first degree mass murderers
warranted death sentences under the War Crime Act
ushered by Reagan!, all done in for our protections
of their next innocent victim - ourselves. Or
die a death in corporate tyranny worthy the title,
cowardly traitors to God and Liberty. Blackwater,
CACI, AEGIS, KBR and the like will all be hunted to
extinction for refusing to quit their lawless Rape
and mass murder, murders done for more stolen money
as America's name high-jacked. The Lawless enemies
shall be prosecuted by the honorable Soldiers of

Bushwhoring Enemies of the American Police

What a demon enemy of life these bushwhore enemies

for all the teen soldiers conned to die for those
who committed 911 in NYC. The millions of bombing
victims, the tortures, the rapes of American women,

Evil enemy of everyone these demon fuks are. How
difficult is it, to understand the facts they feign
complete blindness on? They WANT to con you as the

The equation hasn't changed. Example: The same

apologist, tells US, it was only though the lawless
murder of our good friends and family for countless

evidence, to find Iraq in "fact" disarmed of it's still

Ron Paul defeats 5 TV 'experts' in 10 minutes
http://www.youtube.com/watch?v=0k92fTDReHg&e

Ron Paul is a traitor. They stole the cash Ron.
And, the Iraq war is a war crime. But Ron, the
Fascist, doesn't want THESE FACTS uttered. Why?
Because wiser men would prevail, wiser men like
me who understand buying in bulk is cheaper. Those
like Christ who understand, who KNOW, the banker

doesn't cover our loans - so why give them as much as a taxed red penny?, let alone trillions as officially unaccounted for? They are stealing the cash Ron. Ask yourself: Why has Alex Jones forbidden his bushwhore cult from understanding Bush doctored the NIE?, or of iron flowing like water from the towers? Because wiser men would prevail and he can't have that. He called shooting innocent men in the back, an act of liberty. I, an actual god, unlike Alex, lie near never, but maybe to myself when I'm lonely. Alex yes will tell you rapists are free to do what they will in Texas to American children, un-arrested, but he won't mention it when the police chief is with him on air, talking about how he'd like to be exempt from traffic tickets for being so popular. NO MENTION of the rapists walking away without arrests made, no mention of Bush's documented treasons on 911. Where are Alex's priorities? In selling YOU out so he can be wealthy like a bankster?, and have special rights over everyone else that drives drunk, or speeds? a big hero standing over our dead soldiers yelling, I told you so, I told you so, I was right, I was right. Again, understand: It is not by my will to deny open debate with America, it is Alex, and his demon buddy George Noory that denies out Humanity this right. And when people try, like Peggy, or Black men on Jewry, Alex lies cheats and steals our wills for further thefts. Ron Paul's family has millions taken from loyal Alex Jones fans. MILLIONS! Does Ron do commercials with that money highlighting the bushmob's plan to invade Afghanistan, dated two days prior to 911 for Enron? Of course not, wiser men would prevail to expose him as the charlatan charity raider he is regarding Health Care, Social Security, Public Schooling, earmarks.. It is unfair to measure Ron against corporate nazi zionist whores of MSNBC who willing, openly, kill American teen soldiers for criminal neocon gains, as an honorable gentleman's talk. Half honest People like Ron are extremely ignorant on the workings of our world. EXTREMELY. I joke here not. Evil is the deceived disguised - translated - evil people are always dumb.

Corporate America says no, Charlie Manson was a genius, but not, that most Americans are prone too easily to suggestive states where they can be made to believe anything blindly. Think: what does, "bin Laden did 911" mean anyway? You should know of what I'm trying

to teach you here. That is how
Alex knowingly or otherwise, steals our rights, by
beating off he knows everything already. And some,
if not most, actually believe him without knowing
squat either. It's sooo easy that way - no study
required!! LIBERTARIAN HELL! Everything is not on
the Internet, where it near should be, but regardless,
a Libertarian can't be bothered to read anyway.

It's YOUR life. It's God's

debates to get these Neoconners behind bars

Justice to the war criminals of

Not only that but the BBC argued that to show

life threatening need of desperate food and

nazi bastards who too, DO NOT THINK IT BEST to

Olbermann | Bush Years: 8 in 8 Minutes
http://www.truthout.org/011809Z

Bush and Cheney are traitors to the cause of
American Liberty. To leave them free, is to leave
America un-guarded from further transgression.

The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know
these FACTS that demand arrests of the culprits
responsible for high treason against Johnny's
America. Alex wants your money, and EVIL George,
our enemy, wants your soul stolen for Satan.

Turley: Obama 'accessory' to war crimes if no prosecution
http://rawstory.com/news/2008/Turley_Obama_accessory_to_war_crimes_0127.html

Understand, Alex Jones doesn't want Justice
for Americans because he loses out to better
men that usher a greater life. He doesn't want
the evidence of George W. Bush made public to
defend American teen soldier's lives. The true
fascist Alex Jones, who in silence supports the
escape of Bush for treason, will fail our true
voice for Justice in our times. WE DO NOT rule
the truth we share equally committed to defend
ourselves from lawlessness. And you'll never
rule my right to speak freely over your intent
to sell us all out for monetary swindles, just
like Ron Paul did. Understand: Ron Paul doesn't
even acknowledge 911 was an inside job, or, that
Bush gave zero evidence to form Your opinion.

Alex Jones, the Slave, told US today that
he challenged Bush for eight years - Bushite
lying nazi traitor. Not only that, but he
also ridiculed those who wish to blame Bush
now for anything! Again, he doesn't want
Justice where bad guys can't steal from
ourselves unrepresented. Ron Paul is a
multi-millioniare, made rich by charitable

aid conned from Alex Jones' NWOers! Alex
Jones doesn't have a problem with that, we
do.

Israel to be Judged - Universal Petition

The demon LIAR zionist Israeli is a godless enemy
of Humanity, much like everyone at Foxnews, CNN,
BBC, and the CBC. Our revolution against the godless
bushite shills, will not allow our revolution
through speaking honestly, (to become of ourselves
something greater), a chance to be televised for
our benefits. Bush closed criminal investigations
immediately after 911. According to the FBI and
Senator Daschle. CNN says you have no power, Foxnews
says you have no power, the BBC says you have no
power, the CBC, the same, like Alex Jones NWOers...
but well, don't believe it. YOU Do have the Power.

We must demand open communications to bring back
values WE ALL would agree to through polite debate.
"Conservatives" don't want this Freedom idea
expressed in general terms because, a "conservative"
is universally, minimally. a bigot. Why? Life isn't
like, their way, - then- all other opinion under
the sun on how things actually get done. (Aka
"socialist" traffic light repair men, or "liberals"
who want to treat The People fairly). Or who we are
as equals to our laws fairly practiced. Pay attention
to what I am saying here. Liberals can be Dicks with
a capital D too of course. But a Hannity couldn't
survive 2 minutes with me speaking on his very real
treasonous behavior in OUR public arenas. Behavior
done to escape the 911 culprits from the long arm of
the Law, with his conscious will of criminal deceit
exposed, we all learn to better defend ourselves.
And Shawn Hannity can't have that for ourselves, he

takes too much money from ourselves as talentless by keeping US in the dark dying needlessly for traitors never elected publicly.

Who am I you ask? Johnny Law. at your service. Look me up with usenet to discover, we live in a world of idiots everywhere pretending to be somebody by lying. While I want US all to truly improve our condition by actually understanding how bad off we are by failing to respect ourselves for correction. Too many, know it alls, with not enough to know you need evidence to form a guilty verdict against an accused man or woman. Not according to CNN, CBC, MSNBC, Foxnews and the like however. Let's change this by supporting my challenge for top billing at the Coast to Coast radio show hosting. Look for me coming soon!!

Unseen Gaza High Quality: Part 1 of 6
http://www.youtube.com/watch?v=UeezoWRu1FU&eurl=http://whatreallyhappened.com/

Why is it that numerous visits don't change the view count? What is this business of a=a+1, the top secret, I'll go rhythm, that is way beyond our comprehension in it's scientific complexity? For Americans, okay, but the Human species just isn't this dumb.

While Zionists OFFICIALLY target Christian school girls for mass murder, CNN instead reports that bushite grunts attacked girls in Afghanistan, posing as Taliban. I WILL every celeb at CNN to be arrested, tried and executed for the reporting they have done today without facts. Remember: the Taliban played no part on escaping those responsible for 911, and opened schools for girls, and were brought together on the single purpose to defend women. Death to CNN reporters to LIE for killing OUR school girls. I HATE zionist enemies of Humanity and God I am.

The Torture Ban that Doesn't Ban Torture
http://atheonews.blogspot.com/2009/01/torture-ban-that-doesnt-ban-torture.html

/ / Obama's Executive Order bans some -- not all -- US officials from torturing but it does not ban any of them, himself included, from sponsoring torture overseas. \ \

Is America a nation of Law to Live freedom?
Because this SPECIFIC deviant action of Obama warrants the death sentence under Reagan's "War Crimes Act". SPECIFICALLY. Or, is it you falsely believe Obama

can do no wrong against innocent people here, where
an illiterate nazi grunt, maybe from South Africa,
will kidnap YOUR children, and torture them to
death for sadistic pleasure, with as they did using
power tools caught in Iraq, according to Iraqi
government official(s), and several soldiers from
Oregon, all because Obama has given an ILLEGAL!
"excuse" to NOT support following the crime scene
leads at our REAL murder scenes? Again, death to the
bushite dumfuk enemy of God, death to the enemies
of a freeing Humanity striving for a just society.
Obama needs to be arrested for this under the Law
as it stands I'm sorry to say my friends. Why?
Torture is illegal in all 50 states, (as Reagan
directly planned), no matter where you ship the
innocent victim to, or from! Read the War Crimes
Act, then demand Justice today, otherwise, it's
YOUR funeral. Obama wants to secretly torture
Peoples here, while lying to US ALL that he doesn't!
A TRAITOR! Who also wants to give bankers 100s of
billions of dollars more to disappear, that WE pay

Alive We Say

And Alex Jones gives us the same guy twice
a week that blames the Illuminati, while
encouraging that YOU TOO! can get money
for nothing like the banksters. Just give
the Alex Jones', NWOers, the "truthers" money
money money money. No time for affording the
explanation that the TREASONOUS bushmob
doctored the NIE. That Saddam wasn't in
violation of 1441. That a NEOCON is
identifiable for it's demonic LIES
against God and Man. Never to tell, the
private bankers don't cover OUR loans,
that Bush PERSONALLY worked to close
Police investigations immediately after

911 (obstruction), or that WE have video
of iron flowing like water that PROVES,
without doubt, bin Laden couldn't have
single handedly placed the explosives
in the buildings, or stole the black boxes.
Because someone surely would have spotted
him dragging his dialysis machine what with
all the professionalism of corporate news
media coverage regarding our horribly
suffering worlds. Alex Jones ignores the
treasons of Bush, as a Bushwhore, and
instead, tells US of how Obama is Bush on
steroids. He only wishes. What about
Justice for Americans Alex? Why for do you
forsake ourselves? For money? What about
the lives lost to mass murder, that you
allege to champion OUR TRUTH without saying
much of anything on real Freedom?, on real
Justice like your deviant election rigger,
Ron Paul? Well, no wonder, Alex told US he's
into shooting innocent American People in
the back as a tyrant of evil, a white Devil
if you will. Kids too if you dare look in
his back yard for a copper. See? Now if Alex
doesn't allow US to speak, more and more will
understand to know why. I am a defender of
all that is right and just in this world,
because I don't need to lie like Alex does on
a huge host of issues. I'm more like Jessie
Ventura, in where I don't need/want to lie.
If I end looking foolish, (of which I like
never truly am), it's a benefit, because that
way, I've learned something. Alex knows
everything already, and 'is always right'.
Like I say Retarded. You weren't right by not
understanding that the banker doesn't cover
the loan. One example of easily hundreds. He's
a typical, he knows it all, know nothing dumduk
American. Hear him on health care speak as
Ron Paul does, and know, I defeat them in under
ten seconds. TEN SECONDS. This is why he hasn't
in years, allowed me to speak more than five
or six words. He's rather all America die, than
admit he does NOT rule our 'Ocean of Truth'.
I want the challenge of opposition through debate
to PROVE my skills beyond reproach. Alex,
every time, just hangs up on anyone who tries
to improve our communications by factually
speaking. Why? Because he IS TRULY deeply
ignorant on what freedom or Justice means. Why

we have law. What a consensus is. Allan Watt is severely disabled in this regard, another Alex Jones favorite. And this is why, Allan can't take calls openly either. He has jerked off with himself too long to quit now learning super basic precepts, for like Alex, he "knows" the inner workings of the 'genius' NWO elites. Not Law 101, not Bush, not Rumsfeld, Not Condi, not Torturers, not bank robbers, rapists, or even petty thieves. Allan Watt isn't a bad guy, he's just a chauvinist pretending he actually knows something, when his real disability is directly related to his absence in understanding understandings. Doubt is a near foreign concept. A challenge for Allan: can you get your 'genius mind' around the fact that Peter Powers did the London bombings, and not the Illuminati of 1463? and if not, why are we so dumb to our present plight that way? Don't get me wrong, Allen has much to offer, it just isn't the issue right now on saving our dying futures. Maybe I was too hard on Allen, he is really actually kinda cool. Alex Jones too has many incredible moments of ecstatic clarity increasing in all they joy of seeking enlightenment. .. Ok - but this is serious business that requires little dilly dally with what we'll have as a side dish in Paradise Lost. We are talking Human Lives have been destroyed by our inaction to remedy these failures to communicate effectively. and.. Jeeze, the weight of my responsibilities, as just plain John, being a/the Legos Man - for like the Family and everythings, get's me never forgetting, all we got are these words left dormant from the power they truly possess in the minds of the jack-asses. And.. here I am. I'm a Talker of Words looking to make a break in the NewZbiZ. Zzzz... Alive We Say! Alive!

King Johnny, from Earth, has come for talks.

The Zionist enemy, the most evil nazi sons-of-bitches who openly advocate tyranny and oppression through mass murder of ourselves as the innocent left targeted defenseless. Enemies of Jews everywhere, the Zionist cares not for facts on who's Life it destroys for stolen gain by lying. That's why they target Jews, for fear the Light of Truth would expose them as the Nazis they are.

Hamas doesn't have a military though, so,
why not demand the arrests of those who
broke the truce, and murdered innocent people
indiscriminately, on plans more Jews would
die for cash profit? Profit paid for by
zionist amerika? - the false imprisoning

"We believe there were dozens of IRGC
personnel in the Gaza Strip during the
war," an Israeli source said. "Some were
killed; others went into hiding, and
others escaped."

See? the demon enemy of God speaks no
evidence as a TRAITOR to every Jew. A terrorist
nation that still steals humanitarian aid in
our public realm of left defenselessness. The
false allegation deserves a death sentence
by Jews against the war monger Zionist enemy.
A cause that Iran should champion, if in fact!,
this allegation by OFFICIAL WAR CRIMINALS WHO
TARGET FOR MURDER OUR SCHOOL GIRLS, is on it's
face, unsubstantiated as patently, demonically
false. As typical from any godless Zionist.

Where are the Americans asking for the
formal arrest of Bush for high treason?
Whoring for Alex Jones's contempt for REAL
Justice? The ignorance of all American
talk radio hosts speaks for itself. NO
knowledge on why acts of high treason, are
crimes against every American. The bushmob
doctored the NIE, and Alex doesn't want
Americans to know, because if they did,
they ask, why does Alex do everything he
can to escape those personally responsible
for 911, while then asking for money to
continue his fight against freedom in

America. Again how much money do we have to
pay Ron Paul or Alex Jones before they
will allow the knowledge of the Iraq war
against Human will is criminal? How much?

Obama! feel free to call
on me to help out with a plan for judicial
actions. That offer goes out to everyone in
Palestine, Canada or Britain too. Russia,
let's help out these fools by freely
communicating, what say you? Justice
for all is freedom to be. The Israeli cop
killers must be brought to justice for war
crimes. Those cops, were cops. And I,
am a man.

Alex Jones Rocks!

Now Alex has problems in "my" mind because I am
an ACTUAL genius, and he is generally, an idiot.
Today, he did one of his usual commentaries, however
this time, he was pretty honest with himself, and
his love for Ron Paul. Ron Paul sells incompetence,
and Alex corrected correctly!. that a.. sorry Ron
but these banksters know they're robbing us as
undefended blind men essentially. That's what I'm
talking about!! Look, Ron Paul can be a dumb Ass,
although, he's still not all that bad a guy. A Dumb
guy on things like economics sure, Justice, warfare,
Health Care, Social Security, ect. ect. but still.,
like a child learning of why the sky is funny
blue, isn't all that bad a guy really. He's
certainly not a war criminal, like Bush or
Rumsfeld are. Doing 911 then sanctioning torture.
While Neocons Champion sending illiterate American
teens for death as war criminal. Think about it.
Maybe he is..

-

ï¿½We have all these documents that are now
publicly available that prove that these
methods of interrogation were intentionally
ordered by Rumsfeld,ï¿½

Let us understand. These actions "give" a guy
like Willie Brand "the right" to RANDOMLY kidnap
men, women, or children, and torture them to
death for sadistic pleasure with his faggot
Capt, Christopher Beiring. (I think that's
how it's spelt). But anyway, this is the truth.
A bushite is a godless Zionist whore of Nazi

evil, an enemy of America, who wars YOUR Freedom with criminal "excuses", for refusing to support the arrest of those responsible for 911. A TRAITOR, and could be wannabe rapist, robber, or 911 mastermind ringleader. Torture is illegal, and warrants the death sentence, according to, Reagan's "War Crimes Act". Some only suggest, that this was why someone tried to kill him as honorable. Death to the torturers of our innocent families, torture they do without apology as Zionist Military "Judges". Instead today, where they get salaries paid in the billions by the zionist giving nation of, a-mirror-kay, echem, America. Johnny's America. A nation where Justice will rule for the favors of all treated equitably with or without you. Honor me in company my friend. We have no rivals.

"they do not understand, the private banker never covers the loan. Never does a private banker reach into it's pocket to borrow US to begin with - so as a consequence, the bankers have just pocketed all the 'free' loot for nothing, TRILLIONS, and are not saying why should they help anyone else up with charity?" Then went on to say, it wasn't any of our business with what they did with the money. (But for to cover criminal fraud in the derivatives market, where the true value of said commodities were backed by ZERO capital. ZERO DOLLARS. WORTH NOTHING. So, think about who's truly giving it always here until Johnny, the man who came out of nowhere, arrived to explain everything in five or six minutes.

evil as found, negligently criminal, agreed?

Someone should ask what King Johnny, The
King of the Jews has to say on this subject
of a Zionist's complete absence of morality,
as inhumanly bereft any common decency among

our brothers and sisters. I mean for Christ's sake Tom, THEY ADMIT to sadistically targeting our children for MURDER - as some kinda Satanic demon whore to Pure Evil - aka. Wanted War Criminals for Public Trial. Just as the Nazis were for similar outrages. Let's hope men of America are least half they were then, but we are suspecting, they will as of usual, balk as cowardly slaves to the private banker man ruling their minds, it's a, no wonder. Where is there that purpose striving for a greater future living in a just society? Where is the Christ in their Christianity? to financially support the arming of such unlawful Zionist killings in silence against Innocent Christians?

Wow. The demon LIAR will also say Hammas broke the truce, and Israeli started this by stealing innocent peoples homes, then imprisoning ourselves, the victims, in a death camp for indiscriminate slaughter. While they continue to STEAL OUR CHARITY by breaking truces. What is it that YOU can't picture?

ISRAELI IS A THIEF WHO CAN'T SPEAK OPENLY IN
DEFENSE OF OURSELVES IN OTHER WORDS? That is
right. They, as documented criminal, lose
every debate personally since before the dawn of
Civilization because their position is clearly
unsound. They are criminals who murder People
in hate for a freed Humanity. They OFFICIALLY
steal Peoples homes in that country didn't you
know they proudly proclaim it so? And steal
humanitarian aid from starving children.
Targeted to murder children specifically as
publicly confessed, 'it is Hamas WE blame',
not them as demonic child murderers. Hideously
evil as ungodly sadistic savages. Enemies of
YOU, enemies of them, and enemies of me, the
King of Jews Christ fellow from beyond the
grave. They are so evil to God and Man,
they tarnish everyone of US to not win justice
sooner by blaming the actual bad guys. Justice

/ / Those white phosphorus shells used on the

Again, these peoples are not Jews. Being
Jewish is a religion. These thieves of God
are Satanic in their LIES to betray the
common trust in our words, that bind all
worlds to victory, called freedom universal.
Even tales of the Devil have him keep his word,
with verses specifically condemning the self
to damnation for targeting the innocent for
death. God's the Word. Every word inside a
fool's paradise. Including the periods. Not as
like, I'm playing a word game, but that it in
wonder, is all strangely here. Example: The
Universe as it has existed always, is not
separate from our 'pauses', or faulty drawn
conclusions. The universe, in one sense, was
as good as anytime, created 6000 years ago.
AS TOO 50 billion. You say, impossible, I

say no, study quantum physics, and know, I live this.. our existence is not scientifically separate from the timeless nature of consciousness, proven as not only theoretical, but actual. That is a first step at developing a REAL relationship with the living Universe if you want to as like an artist does - that TOO! can be just as thought static in it's orderly constructions for Atheists. (An Atheist is still mostly a fool here however.) Overall, for any, it's sorta simple: Life has left YOU in charge of YOUR fate. Now, do well to make something of this being as eternal Life reaching for balance, as your body does, and good cops do when bringing the bushmobsters to Justice. By Israeli calling for more murder against the innocent of your mind as racists and bigots they are openly, is still shadows of YOUR mind, YOUR WORLD.. get it, got it? God is in genius to set Life as this, as like, nowhere existing, but for as yourself within. Will you speak out for the Justice denied Humanity?, or not you? Atheists can be Just too!, but generally lose it on not understanding the intelligence of order is way beyond what they dream up with assumptions. All anyone has to do is ask themselves, who do you mean "God"? Atheists are ridiculous!, but, to each his or her own, we are on a path here, believe what you want to believe. This is not a faith initiative I'm bringing by keeping this real, I DEMAND JUSTICE BY OUR WILL BE DONE.

A zionist cabal of criminal pirates who murder Jews around the world for stolen money is seriously evil as criminal. What do you think? Let US have a open line discussion on this indivisible matter of rights to all as equals before who ever we proclaim, I AM.

I mean you right? Say it with me... "I" "AM" we are good to go.

Did you hear Alex's NWOer yesterday state he

Like multi-millionaire Ron Paul, who gave the

to pay them at GCN, before they will acknowledge

Americans are indeed, selfish, like all the plane

less that Israeli nazis are openly targeting our
Christian children for murder with their tax
money, as unimportant, to how long they stood on
a plane wing, now approaching it's third day, of

Christ saved your life as a lifeless degenerate.
I, as Christ, am really starting to hate all
Americans in total now. How difficult is it to
pick up their phones? They don't, and I'm beginning
to believe it's because, like GCN, they really
don't care for the future of our Humanity being
left for dead as continuing victims to EVIL liars.

Simple Common Sense for Mankind

/ / Israel has admitted HAMAS kept the cease

total starvation blockade on Gaza followed by
flaming death from the sky aimed at schools,
hospitals, ambulances, and children, and you
dare call the people opposed to such barbarity
a "mob?" \ \

Zionists are evil people who pretend they
are honest, when lying directly to everyone.
Blitzer reports Hammas broke the truce, he
is lying to continue the murder of innocent
peoples. Understand: Israeli Nazi state they
will continue to murder our innocent Humanity
until the rockets stop falling on Jews. Yet,
they broke the truce, and murder Jews routinely
with reckless abandon. Jews from the Bible as
of "nigger" Ethiopian, are what the Zionist
hate when warring GOD for apartheid, apartheid
that is Humanity in Gaza. A zionist is a war
criminal who speaks not against the neocon,
but against Innocent Humanity as YOUR enemy.

deliberate lies, like from Blitzer. Blitzer
will be tried, and executed a war criminal
for stating Hamas broke the truce., Where,
only two minutes earlier, he learned, that
it was his Nazi partners. DEATH SENTENCE.
It was on TV. BUT SEE? Ron Paul, the Libertarian,

he did with OUR money. A typical Libertarian
like Alex Jones who wants to blame "socialists",
"Liberals", aka, all of innocent America.
Blitzer is war criminal, who makes his own

mention the truce. THINK: IT IS THE ISSUE. But
Ron plays the dummy to kill more with contempt
for Freedom. Ron Paul, the bigot, asked,
'should we be doing this'? SEE? it's not first
degree mass murders, no, according to Ron Paul,
it's argumentative that indiscriminate mass
killing is a good thing really. Remember,
Ron Paul does not support arresting those
who committed mass murder on 911 either.
Or those who STOLE TRILLIONS. Or lawless Bush,
the ACTUAL AntiChrist enemy of God. Ron Paul
will watch America die for a stolen dollar.
And Alex Jones will refuse all calls to label

either. Love the bushite blindly, and

seriously evil as a traitor to the cause of
Freedom in America. And Ron Paul is still

Ron Paul "Israel can not act without
Washington's approval"

So, it is Ron's fault then by not mentioning
the truce?, or as that, innocent People are being
indiscriminately murdered in a death camp that
he figures is argumentative? that innocent
People are dying as targeted for mass genocide?
Or is it the Ron who states YOU are to blame

anything? HEY RON! Can you hear me now!

criminals easily convicted for murdering our loved families.
They have no remorse for all that have been murdered
already.. Livini should be on her knees begging our
forgiveness, but she's not because she couldn't care
less for any Jews, especially those she don't have
imprisoned under threat in Israeli 'society'.

It's a 'bad' thing. nnNo.

Israel bomb attack Gaza Civils Palestinians 27/12/2008 launches

http://www.youtube.com/watch?v=tQLDBujnwEE&feature=related

This was what Israeli did as a legitimate murder
scene, committed after the Nazi Israeli Jew HATERS
broke the truce. More dead Jews, more money to be
rich with. and we'll blame it on that God nonsense.
We must demand war crimes trials from Obama, and
everyone else down there who is appalled at this
indiscriminate mass murder continuing in your name.
We need arrests of Zionist infiltrators within
the American military who have been shipping
weapons to nazi Israeli to murder more defenseless
innocent People as targeted. Obama must demand
death sentences against these ungodly Zionist

vermins for treason, warranting execution for the
war crimes of accessory to mass murder, or genocide.
For the Great Truths. We Stand United.

Here on a Mission

/ / after dropping leaflets warning residents it was
about to "escalate" its offensive against Hamas. \ \

SEE! This is AFTER fire bombing the whole community.
Satanic evil enemies of Life. Who admit to targeting
any one who has ever so much as swept our streets,
warranting bombs dropped on their Block(s). SEE! they
are ENEMIES OF EVERYONE. EVERY LAST ONE OF US.
INCLUDING GOD.

Riddle me Dumb

Hamas Workers and/or Troops? Out hiding in the mountains
of Afghanistan you mean right? Satanic enemies of all
Humanity I tell you. The most evil nazi sons-of-bitches
who openly advocate tyranny and oppression through mass
murder of ourselves as the innocent left targeted
defenseless. Enemies of Jews everywhere, the Zionist
cares not for facts on who's Life it destroys for stolen
gain by lying. That's why they target Jews, for fear the
Light of Truth would expose them as the Nazis they are.
It's a prison death camp, brought about by Israeli STEALING
OUR Homes as ungodly thieves. Thieves who leave a Jew
to starve to death in a garbage dump because, it'll
attract more charitable aid The Zionist can use
elsewhere. It's not a Jewish thing, it's a criminal
matter. They STEAL innocent Peoples Homes in that
country. God's Country? God would will such criminal
offense? Which God? Not the God of Abraham, nor by
the teachings of Hillel, Christ, Mohammad, or
Confusion? So which absent God do you speak where WE
can't speak as ourselves openly for Just Cause?
Cat got your tongue? How come your not saying anything?
The Israeli Zionist ENEMY wants US ALL in slave
labor prison death camps silenced away that's why!

Israeli War Crimes
http://bothwell.typepad.com/whos_your_nanny/2009/01/israeli-war-crimes.html

Well, maybe I'm wronger on Ron Paul than I needed to.
Hey, don't you EVER forget, I am a man also. We need
to meet on common grounds, to demand the start of
formal arrests for the bushmob crimes of 911, Iraq,
Afghanistan, South Osettia, and Palestine, as a group
together united by agreement for this one cause, and

then... we can later argue about how your ideas are
better than mine because I actually know of which
your speaking.. Hey! you could call me Daddio if you
wanted! To the telephones we go.

Israeli are attacking prisoners held criminally
in their own Death Camps!! GET ALEX JONES ON THIS!

Hmm... why wouldn't Alex? to support his fictions
over Our Rights to Live Free perhaps? A Hero adapting
to the deaths scene?, or, a Bush whore committed to
enslaving Humanity, all so he can say, he told US so.
Big hero or big hero. Your NOT powerless to his vision
of complete control over information. He refuses 911
info, Iraq war info, Israeli info. All so he doesn't
have to look the fool, while Humanity dies with his
insults against our wills to make something better
of ourselves. Justice is what I will. Masturbate on
your own time Mr. Alex Jones.

If he states again about how he knows everything,
and is always right, and those that criticize
him on ANYTHING are delusional, it's going about to
make everyone further sick with this obscene take on
what life means as Alex takes it. If I truly state
two nickels make a dime, does that mean therefor
they make a quarter also? If I say so like Alex
would? He is an idiot. Truly. George Noory figures
Hamas broke the truce, and that the Mideast solution
is that Jews should be separated with special rights,
as oppressors over the freedom of every Palestinian
Prisoner, and what's Alex Jones gonna say about
his 'truth telling freedom fighter' George to actual
'lame ass evil nazi traitor' George?, to YOU about
how George is just trying to murder millions of
helpless people as an offer for the final solution?
We can expect Alex now to claim, Zionists should
have special rights over Jews, all to maintain
his FICTIONS on Noory being anything but the
monster to Humanity he is. Just because Noory
doesn't growl when talking about murdering all
children in around the age of 15, or against
soldiers who refuse criminal orders, does still
make him a true fascist nazi enemy laughing at
your murderers escaping to live freedom in
our dying forsaken worlds. The bushmob doctored
the NIE. Conned Congress, and Soldiers. Did 911,
by closing criminal FBI investigations immediately.
Alex and George don't seem to want US to know

these FACTS that demands arrests of the culprits responsible for high treason against Johnny's America. Now, who's with yourself. I am! I am! I am!

Alex Jones doesn't know squat of Social Security, but pretends he does, like Ron Paul does when speaking of the Federal Reserve, Health Care, IMF, World Bank blahblahblah.. I mean even the expert of experts Alex has on near twice a week, EVERY WEEK, to talk all about how the Illuminati are doing everything,(give me your money now for whatever), DOESN'T SAY TO KNOW, it was Chris Cox who changed Investment Banker rules, to cover instead one tenth of WORLD INCOME loans, to one twentieth. MORE THAN DOUBLING THE ENTIRE GLOBAL MARKET FOR LOOTING WITH HIS SIGNATURE! (And. that isn't even a fifth of the TRUE trillions dollar fraud story.!) Now, granted, I wouldn't expect one tenth of one percent of America to have even a distant clue of which I am speaking, but importantly, Alex's expert of experts has never mentioned it. EVER. Why? He don't give a fuck, but how much money he can get you to give him for investing in things that are un-important to our struggles, but for the fact, he states, you'll get free money for nothing!! OUR ACTUAL PROBLEM. It reminds me of those Ron Paul dollars... where Ron'll fix everything, cause we, as a private company, are going to make YOUR money instead... holy fuk mon.. Talk about the kettle calling American racists. Thank God the FBI stepped in. (The answer unfortunately is not nowhere as easy as Alex would blindly lead you) - again, so I guess it will be, Americans were just too far gone as illiterate chauvinists, who cared too little for your freedom as themselves degenerating. Why? To battle tyranny they knew not Justice wins the day, and blamed innocent groups gathered wherever, instead of following the crime scene leads at the real murder scenes - like was once done on TV and at the Movies. But even that was too far above their doped down heads, to raise their finger to dial a phone number.

How about stating "A lawless bushite enemy wars America as a traitor, to escape the neocons from the crimes of 911."

Then Alex states the head of GCN is giving out gold at less than it's value as a special treat, every second or third week. Below wholesale. Now, really think this thru. Do you think Alex is trying to con you here? you bet. That is the Gold Racket. Diamonds are another thing - where I've personally seen, about a decade ago, a huge press that makes Diamonds

out of coal. Swear to God it's true. Costs to make diamonds are pennies to the thousands paid to Zionists who live in Israel calling for the murder of all innocent Peoples. Where is the rich Zionist, grave robbing Jew hater to demand Justice for our times? Where? Pressing coal into diamonds, while advocating the murder of our entire Human species. THEY WANT TO KILL GOD AS SATANIC ENEMIES OF LIFE. While I am last known to Life's enemies as Jesus Christ, the Zionist's end every time. I'll have brought more Zionists to their rightful dooms, than any other, of any time, anywhere. I HATE Zionist bushite LIARS to death, all because I Love Humanity too much, to watch US die undefended as the innocent forsaken. They can change their evil ways, but till now, often not, benefiting off our suffering as war criminals who simply lie as demons to steal our Human values. Let's change this for our betterments. I mean the Halo is a dead give away..

The head of GCN has a son warring God to rape American women as lawless enemy in Iraq for the Neocon - again NEVER mentioned as something worth fighting against for Freedom in America - soldiers are suppose to REFUSE criminal orders - but not when Alex is at the mike. He will never mention the Bushmob doctoring the NIE to con America for death as exampled, because it doesn't fit his fictions, where all the bad guys escape because they are geniuses headed by secrets so powerful, nobody can ever know'em, except Alex. He tells us near every day, he knows everything already, and is never wrong, therefore you can't criticize him. Bullshit. It's like he wants to be wise like Johnny Gawd is, without doing anything like studying for a test where the teacher actually does know the issues. He told US today, the British came up with concentration camps, from the Indians - who spent all their lives murdering themselves. The British 'invented' false imprisonment? The British came up with the, Jews Killed Jesus? The British invented Pope Gregory VII? I suppose Alex has never heard of Ghettos. SEE? he just pulls shit out of his ass, and calls it like it's truly pure gold you'd wanna buy. Those, like your typical American have no clues, so they figure, Life must be sorta so that History is all one big Alex Jones NWO cartoon. What? that the NWO did 911, and everything else that use to instead, require criminal investigations to nab the actual evil doers? Alex Jones IS the NWO he tells US all we should be concerned about never stopping,

like it was in the DARK AGES. Justice Alex, why is
that hard for you as a "Conservative" to figure? Is
it because you are cowardly in the face of true
Liberty? Afraid that some People, on some Issues,
ACTUALLY know a great deal better than you could
even imagine presently? Don't like that do you?, where
you don't rule this Universe as a lawless tyrant
desperate to live in an illusion at the expense of
everyone else dying victims to censorship? Does he try
to find wise men or women? rarely. "Ron Paul [MUST]
leads our truth movement" - like, fuck off already
with the Ron Paul, The Truther, Bullshit Alex Jones.
1% is what YOU get on Social Security deposits - 1%.
And.. Bush stole 700 billion. 700. Billion. That's 700
BILLION. It's a "Trust" account. A "Trust" Account. It's
being held in "Trust" Alex. Ron Paul is asleep at the
wheel. As, so are the rest of all you other fools..
I want Justice, and I want it now for all the victims
of 911. Americans be damned, we want Justice, and We
want it Now.

In Texas, child rapists are given the right to
freely move about without fear that Texans will stand
as armed Men in defense of their very own offspring.
And Alex wants this for the rest of America. That some
how to own a gun, means an American would kill a cop
who beat a women near to death for pleasures that
he could never be Publicly arrested for, as a
sadistically evil nazi bushite fuck. Look, if YOU DID
kill that particular DEMON COP after the Chief
refused to arrest him, you couldn't possibly go to
jail in Johnny's America, because the truth would win
out in a fair verdict. And REAL cops would honor you
with great big, thank you. Nothing worse than a
cop (or bushite grunter) who believes the Law doesn't
apply to him while he drives drunk, tazers someone for
nothing, abuses Women, or kids, to sell drugs, or
kills good cops, who are good men. (Like mercs do in
Iraq officially for Rumsfeld's P2OG. Coming to an
American city near you!)

Again, the two Laws of Johnny:

1. No evidence, person innocent.

2. Torture? fuk you and die then

"Rice says it is 'hard' for Israel to spare civilians in Gaza"

We KNOW they are ONLY targeting innocent People,
the ungodly zionist Satanic enemies say so..

"Israel Rejected Hamas Cease-Fire Offer in December"

Livni has declared her country "is not going to show restraint"

"Her" country?

It's like she's admitting here, that they DO NOT
target the IDF's Hamas, but only our innocent lives
as a threat to LIFE and GOD. Remember: the Zionist
LIARS broke the truce.

THIS NAZI ZIONIST FUCK BREATHES THE AIR OF US
http://www.youtube.com/watch?v=lMxfEsooM5M&NR=1

/ / So, Hamas decides it's time to end the
cease fire and has begun shelling Israel again. \ \

This guy even sounds like the Satanic false
accusing enemy of God he is. Let US, as Humanity,
hunt these real devils down, try them, and have
them executed publicly for the benefit of God and
Man. Understand: this REAL DEMON knows he's lying,
no living man on Earth could spew the vile lies he
does to excuse indiscriminate mass murder, or starvation,
as this Zionist enemy of life sells to STEAL Your
HOME, your Family, YOUR LIFE. An open enemy of God
trying to STEAL the Title of Jew from Christ. EVIL
ENEMY OF LIFE. See, when a bushite dies, you served
Life well in defending their next INNOCENT target.
BILL HIM FOR STATING ISRAEL WAS STRUCK THOUSANDS OF
TIMES. BILL HIM FOR STATING HAMAS BROKE THE TRUCE.
BILL HIM FOR STATING bin Laden DID 911. BILL ANY
Zionist FOR THIS TREASONOUS LIE. Why God asks? Because
there isn't any evidence to support that Satanic lie.
According to the FBI. And according to God, Zionists
are not Jews, but of Satan as enemies of every life
form in this Galaxy, Hunt him down, and bill him
today for the love of God. You can 'hear' it in his
voice.. how he lies TO YOU as a DEMON of a Hatred
for Truth and Humanity. Facts, that are easily
available, are not what he works to mislead others,
others he hates, and wishes to murder for as ungodly
sadistic pleasures as YOUR enemy. Bill him under
American law for being pro-torture too while we're
at it. Death to bushite, death to the murdering
enemies of God's Love for Mankind, and enemies of
TRUE Justice for Americans. The fuking demon enemy
lies to you, as a con to STEAL your life, or just
as soon, the life of another innocent other. Now,
what are you going to do about it? Except his lies
as exceptable, as he tries his hardest blatantly
LYING to kill God and Justice in our Worlds? Not
in mine, but perhaps Yours.

' In Civil-Contempt Cases, Jail Time Can
Stretch On for Years for Americans, without Ever
seeing a day in Court. '

Where are the arrests?, then firing squads for
the Judges who 'judged' such criminality against
freedom for US, the Peoples in America?

' Where Did Taxpayer Money Go? Panel Slams Treasury
[FOR STILL REFUSING TO SAY] '

Where are the arrests?, they stole eight trillion
and counting.. And Congress 'slams' them for
disappearing OUR MONEY. Slams with what?, a,
don't do that again please butt sqeeze? It should
be massive slammer time, with a return of all
STOLEN monies.

' THEREFORE, those pro-Israel politicians in Congress
won their seats in part using stolen money. '

Where are the arrests? Amerikan bushite nazi grunts
are assisting in the mass murder of innocent Christians
in Palestine. War crimes demanding death sentences. It
isn't an argument that can be turned around. Nazi Israeli
STEAL Peoples Homes without apology, as a function of
their SATANIC government, while colectively bombing the
INNOCENT victims who die because of it. It's a prison
camp! they are denied water, food, shelter.. since four
or five truces over that they've broken, every one. These
are Satanic enemies, willing War Crimes against God,
a God NOT loved by zionist American Nazis. And a Son
as powerful as the four winds, ridiculed by Zionists,
and American know nothings, for the continued debasement
of YOUR soul worth here dying.

Israel Attacks Iran News Station

Why does not Iran DEMAND arrests, and death sentences
for these blatant war crimes against Humanity committed

perpetrators of 911? WHYWHYWHYWHY. Russians! Can you

Pictures of Alex Jones masturbating
"we were right about it all."

It's the NWO! The Illuminati! Not Bush, Cheney, Neocons Gone Wild, or any of many other REAL criminals, for the war criminals are just puppets to his EVIL fictions. Forget about Bush escaping.. Socialists who design traffic lights, and Liberals who will to share fairly are Alex's enemy, because he's fearful the FACTS would escape his denouncements against truth tellers. George Noory, one of the most despicable individuals on the face of our great Earth - is exactly the kinda guy he wants returned to send his wannabe Patriots nowhere but to die. What about Justice America? The bushmob doctored the NIE. TREASON. There is video of iron flowing like water from the towers, seconds prior to the collapse. Alex ain't there to help US, for that is where TRUE Patriots fight for real Justice. When WE phone with indisputable facts, on Ron Paul the bush whore sell-out for example, he lies to all (GOD), then hangs up on US. Is that the kinda freedom you think the Founding Fathers had in mind to give Your rights to speak for Alex who blames anyone but the criminals directly responsible for your funeral? The private banker never covers our loans, so why give them trillions without questions offered without answered as, never mentioned by the guy who is 'right all along on everything under the sun', and.. he 'rules the Ocean of truth' too don't you know YOU have a steak going all rotten to hell here also? You'd think Alex would take our call just for the challenge on where we stand? I'm free!

He is not. And George Noory tells us openly, he's into killing innocent kids for profit. George's profit is that apparently, by murdering all children in around the age of 15, will stop them from getting a clue at anytime in the future, to take him out as an ENEMY of EVERYONE for censoring our cries for Justice. Why is it that Alex would invite obstructionist, Steve Quail, or Alan Watt, on to lead you nowhere while they jerk off, but where we gotta go to actually defend ourselves? Steve has been on with Noory more than a hundred times, and, we'd figure, Alex will soon be delving into the Alien questions also. Answerable by me in seconds, but ahhh.. like Noory, doesn't want the truth of such a subject uttered,

just endless streams of illiterate bushite dumfuk
losers sucking on each other. While they wrest
from US the wonder; just why we can't stop
criminals from robbing ourselves, while murdering
our families? Alex wants to blame the unstoppable
NWO, while I, want to blame those actually
responsible, like Bush and the proven treasonous,
Neocon terorist liars who are pro-torture.
With arrest warrants. All of them. I'll do it for
Reagan's, War Crimes Act, as an act of respect
for my Great America, that's isn't always been
dying dead wrong under the leaderships of
criminals.

Israel hits Gaza after UN truce resolution

/ / AP Israel and Hamas responded to a UN peace
demand by hammering away at each other with bombs \ \

The IDF's Hamas is hammering away with what at who?
Is the AP referring to the tin can rockets that
travel usually several miles, but in one case,
22 miles? To kill a Jew standing outside in his
yard, thinking on how he would defeat true evil in
his time? Tin can rockets that contain no explosive
charge? Have no mistake, if it hits you in the head,
your dead, but really, what do you think the odds
are on that? E=mcï¿½. Or is this another, amerikan
past time, of, who cares for the facts, we are at
war with God and Christ now? Joe is an American Zionist
"Plumber", who has amassed a multi-million dollar
fortune in the competitive industry by shit eating.
Every bushite death is a mercy given to God in defense
of all that is right and Just in this Universe. A
lawless bushite enemy wars America as a traitor to

Israel Attacks Jews,
Silence from Mainstream about Violation of Law
http://www.youtube.com/watch?v=K1kt8qi0M-M

They kill Jews for money. They bombed Jews in Lebanon
for money. They want to bomb the HUGE sacred Jewish
communities in Iran.. wonder why? Zionists are not
Jews, for Jews don't steal in God's good name. Nor
target innocent beings for stolen gains. A zionist is
a thief to life, and as such, needs to be formally
charged for their criminal offenses, given lawyers,
and upon a successful prosecution, rot in a prison
cell and/or pay restitutions. YES. why? so not another
innocent person must fall in their place as next
victim to a zionist's public commitment to lawless
tyranny for evil intentions.

IDF VLOG UPDATE: IDF Hits Dozens of Hamas Terrorists
- Capt. Benjamin Rutland - 4 Jan. 2009

This Zionist enemy of God speaks like a six year old.
"Hamas Terrorists", "4. Jan.", come on now, how evil
do you have to be to believe this ungodly demon sells
you righteousness. They STEAL our food. They are OUR
criminal enemies who torture innocent Peoples. A
godless criminal enemy who also steals Peoples Homes.
And drops millions of land mines to murder Jews
indiscriminately for decades. Commits war crime after
war crime against Humanity. Vile bile.

They killed our innocents, and unless we kill
theirs, they will go on killing ours.ï¿½

It is the crime of which they demand WE are outraged
against. Welcome to Humanity's suffering world due to
lacking communications skill. The term "they" are
referring to is YOU. Your innocent life Israeli
intend TO STEAL, TO MURDER, TO ROB YOU Your rights
here granted by God. These are ungodly acts of mass
murder, perpetrated by enemies of Life. They targeted
a UN Girl School for Christ's sakes. please fight back
by supporting my calls for open international dialog.
Justice must win our Freedoms back, for there is no
other lazy TV'ed ass, pop a pill to make it all go

The Appropriate Response To Islamic Terror

/ / an Orthodox Jewish Russian immigrant \ \

Let US never forget, the Zionists also would bomb
some locations, then later, drop the warnings
for the Jews to run for their lives. Didn't warn
them though if they get into a car or truck they would
be destroyed instantly by the Zionist flying the
America paid for Apache. I did a big show of shows
through that continued as, more 'un-resolved' crime
scenes perpetrated by the treasonous, neocon Zionist
terror merchants. It's like they think some dying
fools are going to keep going to save'em in the end
from ourselves as still suffering in Justice denied
as enslaving into ungodly tyranny eh? These Zionists
are not only the bad guys, but they're bad guys to
even the bad guys as there is no found honor among
murderous thieves. A Zionist will kill a Zionist for
a stolen nickel, as do bushites today. Hey! it's only
Your Life in the balance. Or are you one of those
who goes in America, it's okay, we're only murdering
innocent folks who don't live in Israel.

Doing what's right and just, or evil as dumb is
Your riddle. Get back to US on that.

/ / It is just unacceptable to apply two standards of
morality, one for Jews and another for non-Jews.
For if what Israel is doing in Gaza is right, as
Israel and her supporters maintain, then what the
Nazis did in Europe several decades ago must have
been right as well. And vice versa. \ \

The ungodly zionist enemies, are enemies of
God and Man. Don't think the NAZI Zionist like
Bolton doesn't know this, with his friends at
FoxNews.They WANT to rape, murder, and pillage
America all her freedoms for the bounties of
private banker frauds. The banker does not
ever cover our loans, we do. So, why give them
trillions of American worker waged dollars for
nothing?. THEY DON'T COVER LOANS. See? that is
what this war against God is all about. People
of Humanity just seem to truly hate a guy like
US as wise and Just. See, people hate US, because
they can't for their lives disagree with Facts.
Why won't YOU support these same rights and

champion our demands for open communications.
Johnny for Coast to Coast radio host.

US Again Stops UN Call for Gaza Truce

Who is this the "US" person?, and let's
put him to death with Bolton and Kalilazad
for the most serious of war crimes against
OUR Humanity. Remember, Bolton was NEVER
confirmed because, the Zionist could find
no man or woman to say a single kind thing
about him. FACT.

CNN: The Nazis Broke The Ceasefire!
http://www.youtube.com/watch?v=KntmpoRXFX4

Protest pictures from around the world (not on CNN)
http://www.rys2sense.com/anti-neocons/viewtopic.php?f=11&t=16496&start=0

Remember Israeli nazis to this day, insist as
DEMONIC LIARS, Hamas broke the truce - as Hamas
is responsible when they target school girls for
slaughter. They said the UN were secretly attacking
Jews, clearly a LIE as impossible to prove because
it didn't happen. But facts are the furthest thing
away from the godless false accuser Zionist con man
or demon witch LIAR like Livini. FoxNews calls the
demon witch a Jew! ANTISEMITES.

We can witness, Americans do not have the intellect
to understand what this means. See, LIAR Nazi Israeli
broke the truce to get killed Jews for money. A
regular fair for Nazi Israeli. Now, they state they
will continue to indiscriminately murder humanity
until the tin can rockets that travel miles stop
killing Jews who hate Zionists. But importantly,
it is Israel that wants Jews to die, so they can
make off as Satanic with our stolen values. Just
like the Bush family did with Hitler, that the
Nazi Nation has no probs working gun in hand to
wipe out Jews everywhere still to this day. Again,
Nazi Israeli MURDERED JEWS in Lebanon as targeted.
And leave Jews to starve to Death in Israel for
more charitable aid they can use elsewhere. Public
knowledge not disputed by any living soul on this
planet because, the Zionist government admits freely
to this. Israeli think being Satanic is worth it,
for all the money and lives they can steal as enemies
to Christ, Hillel, Mohammad, YOU, blahblahblah.

And, as demonic thieves, they steal homes from
innocent god loving folks. US. But see the McCainiac

HATES you as being a virtuous man or women, so they call for more indiscriminate carnage against Humanity, on failed hopes, that we as God are not going to come down to hunt them to the ends of this earth, try them, and have them executed for the war crimes of Torture, Rape, and mass murders committed for the neocons escape of 911.

Joe the Plumber to cover Gaza op

/ / Wurzelbacher says he'll spend 10 days covering the fighting and explaining why Israeli forces are mounting attacks against Hamas. \ \

Don't want an intellectual who might have a clue of what is transpiring with the forces of Satan, fuk, CNN'll likely hire him also. Don't you just hate this treasonous lying nazi demon? He has no journey man's license, never did, isn't a plumber, and doesn't have the millions of dollars he claimed he did to purchase a company that would have rolled over 250,000.00 a year for himself alone plumbing. Plumbers, as good as the job is, never generate that kind of money. Who cares though, right? A Nazi liar is what Zionist's want, and that is what America gets. TV'ed Americans couldn't care much less. Evil nazi McCainiac who's sworn existence, is to con teen soldiers for death to raise the fortunes on the un-elected Neocon bushmobsters now fancies himself a teacher on the struggles against evil. It's like that faggot at anotheruntoldstory.com, who's into murdering innocent Gays, while fucking his own brothers up the ass, who runs ads everyday at GCN, tells US now, all about how evil we all are for demanding Justice. How long do you think that'll run with the Alex Jones towners still raising no concerns? It's for the money as Ron Paul would say.. Again, it is to divide ourselves from true liberty, by demonizing the innocent on our radio and tv channels. Instead of Bush, Cheney, Rumsfeld, and Condi.

http://www.liveleak.com/view?i=ab0_1231290043

http://www.kuwaittimes.net/upload/img_pict/headline9637e7.jpg

Read of the bushite in my America who call this work of Satanic enemies, a good thing they support to war terrorism for the sadistically evil liars of the neocon. Then KNOW my friends, a bushite is the enemy of every living soul on this planet. Have no love for those in the Air Force, the enemies of Man who bomb our families without excuse, but to know, they hate

US as Christ to speak free for Humanity. That DEMON George Noory was so happy last night about all the good the bankers AND CHENEY are doing for their hatred they spoke of for all Russians. SEE? not to protect America, but to kill you with their true commitment to the demonization of innocent people, all to escape the neocon terrorists. I HATE George Noory more than anyone alive in America. He is so openly evil to ourselves, that only those who wished to lie to you, (like Alex Jones does about Ron Paul), would say otherwise as bushite dumfuk enemies. Cowards committed to escaping Bush and Cheney for treason against Freedom. They doctored the NIE on Iraq, highest of war criminality. Alex Jones has never mentioned it, but for MAYBE in passing. Hey because all the bad guys are just puppets to ignore over the elites, globalists, socialists, liberals, gays maybe, Blacks, Mexicans, and anybody else smarter than NWOer Alex. Ron Paul is a coward as rarely if never has a clue of which he is speaking on.

Israeli PM says to end offensive if Gaza ends rocket attacks

Sarkozy urges Syria to press Hamas for Gaza truce

How does the ungodly get away with this obscenity? Nobody can deny Nazi Israeli broke the truce, as they always have done as Satanic for the last 60 years. Killing Jews for money is popular with the Zionist Nazis don't you know us by now? FoxNews CONNED Americans for DEATH with the unmentioned, TREASONOUS doctoring of the NIE. To kill Americans for more neocon gains, which Alex Jones never mentions either. Do Americans even care enough to raise Humanity's call? Do they demand public executions of sadistic godless Zionist torturers? as the Standing Law of America - The War Crimes Act - brought to be by Reagan - DEMANDS by the Law of America? It is the Law after all, yet, CNN, CBC, and FoxNews calls the perpetrators of the most heinous evil against Mankind, heroes. America is
a nation of godless cowards willing to die murdering innocent Christians in Israel, all for the profits of the 'magical' zionistic private bankers. Bushite grunts are now supporting the indiscriminate carnage, serving as police services forbidding any of the prisoners in Gaza from fleeing the indiscriminate slaughter. Again, as Satanic, they don't arrest the "Suspects", for what could they truly charge them with?, no instead demand we die helpless murder victims by forbidding escape, as they did in Fallujah murdering more than three hundred thousand innocent

souls. Die bushite die screams to all men on Earth from the Son of God. Will you stand for YOUR life as truly worth something here? Like lawless enemies Policing your reality will bring you more happiness and prosperity with the great truth teller HAPPY George Noory? The demon who openly confesses the will to want to murder all children in around the age of 15? Too crazy for you to face such an enemy of huge demonic origin, so, go the cowardly way like Alex Jones as sell out slave instead, to cover the demon with endless praise on his treachery to not have our fight on everyday with open calls for understanding Justice is freedom. Instead of a constant stream of bushite dumfuk enemies of Living. This isn't complicated. Or it doesn't have to be.

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce.

Alex Jones told US as a deceiver, he's been on Coast to Coast a hundred times. Not in these last eight years he hasn't. I demand Alex prove this, or be known by all far and wide a treasonous liar, trying to take US off the tracking of criminal action of his buddy, the demonic enemy LIAR George Noory. bin Laden didn't do 911, despite the facts that WE KNOW George Noory knows better of but LIES to con the American teen further for death at the profits of the un-elected bushmob. See Alex wants you to blame anyone but those directly involved in the crimes of 911, or Iraq, or those responsible for it's cover-up by Zionist propaganda. George Noory will have as invited guests whos only function there is to spread dis info as supporting more indiscriminate warfare for the escape of the neocon terrorists responsible for starting the illegal wars to begin US at. Or those whom often support torture, a war crime that only exists as irrationally held by those who's minds have only a blind hate for the indivisible rights of another innocent other. And often truly hate men and women for being Just as wise. The McCainiac Zombie video is a perfect example. When the Zombie is asked about the rights of Women, the McCainiac Zombie cried out for raping more Women. The position of authoritarian power, was only found with the bushite as oppressor, rapist, torturer, or Air Force Bomber, not liberation by freedom. The bushite McCainiac KNOWS it can't compete

openly to defend it's criminal treasonous
actions! Remember, Alex "the Conservative"
thought McCain was the choice if you had to make
one, earlier on, then changed his position,
sort of, later by calling them all puppets not
worth the effort, but .. Obama's idea's matter
not, it's that his Birth Certificate is, no war
too be fawned. Palin? who's she? McCain
firebombed Vietnam as "war hero" for France?
The Banker doesn't cover our loans? Matters
little.

Norwegian doctor: Israel intentionally targeting civilians
http://rawstory.com/news/2008/Norwegian_doctor_in_Gaza_Israel_targeting_0105.html

"All that is happening in Gaza here now is against
international law, it is against humanity and I
think it is against what it means to be a decent
person. You don't treat other people like this.
Even if you disagree with himï¿½ maybe even if you
fight with them, you don't treat civilians, children
and women like this."

Israel deliberately targeting civilians in Gaza
http://www.youtube.com/watch?v=Ev6ojm62qwA

It was almost acknowledged on CBC radio that
nazi Israelis, use the argument that a tin can
rocket traveled miles, to kill some innocent
Jew as a direct hit (likely a person who hated
godless NEOCON), all because that nazi state
has OPENLY, as PUBLIC policy, stolen water and
food including baby formula, along with a huge
list of other atrocities, to punish God and
Humanity since way back before three of four
truces. AGAIN, Nazi Israeli always, as ungodly,
break their truces. Why? Because YOU, or Christ
as any Jew's life means nothing, to all the
'free' billions they'll get from given American
worker wages. Look, Americans refuse to call
for the arrest of Bush on their national,
"truth telling" Coast to Coast radio program.
Why? Because, for one, George Noory, (Alex
Jones' best buds), has told US he's into
killing innocent kids as powerful, and that
'bin Laden did it', Is good enough for US.
You don't get a say here however how you will
live or die. George Noory calls all grunts
heroes, and those who refuse criminal orders,
those he wishes to go ballistic on. Yes, it's
true, George Noory is still alive and happy

as ever.

Rise Up for innocent Life, or don't and see
where it'll get you in the end.

Again, every soldier in the Air Force serving
for the neocon liar is a traitor warranting death,
to save the lives of their next innocent victims.
They have murdered more than two million people
in Iraq. They are pushing heroin into America
from Afghanistan. They are raping AMERICAN
women as officially "LAWLESS" (can't be arrested
but through Rumsfeld - who has not seeked any
prosecutions for the raping of American Peoples.
He, as Neocon, is TRYING to DESTROY FREEDOM
For all Americans in America - while paying
with American wages, South African death squads
to murder Black men) and TV'ed Americans refuse
to speak for Justice denied themselves. Zionist
amerikans only see US as innocent others, not
themselves to pay, but they do pay, they will pay.
God, nor John will not live in a world where
bushite grunts walk freely down our streets as
first degree mass murdering rapists, torturers,
and thieves. Celebrated by CNN, CBC, and FoxNews.
Especially when they DEMAND they have greater
rights than Human Beings. Mass Murderers deserve
immediate death sentence to defend ourselves
from their demon lies and betrayals to God and
Man. Every CBC and CNN reporter who reported
Russia attacked Georgia unprovoked will warrant
trial, then death sentences for their total
commitment to the Satanic NeoCON enemy war
criminals. Remember: they targeted for murder,
helpless innocent families. YOUR family. CNN
wants you to blindly believe, CNN personalities
like ENEMY George Noory are so happy, why would
we think they willed death against our great
Humanity by conning you for more stolen money
through the sacrifice of YOUR life for zionist
criminals who laugh at your powerlessness to
raise your voice for Justice.

Look at this picture of nazis indiscriminately slaughtering
our Humanity, while on MSNBC they reported that the Nazis
will continue to murder Humanity until a truce can be found,
A truce that the Satanic enemies of God will naturally break,
as they ALWAYS do. They are godless enemies of Life who wish
to steal the Title of Jew from Christ. They targeted Jews in
Lebanon with seven million land mines, and let Jews starve to

Israeli plan to topple Hamas, re-instate Abbas
http://a-mother-from-gaza.blogspot.com/

/ / Breaking the truce Nov. 4, then, was Israel's way of getting the gears rolling for this whole sick game: the toppling of Hamas, and the re-instating of the impotent Abbas into Gaza so the "peace process" can remain forever in formaldehyde, to quote wiseass, er., Weisglass. \ \

Nov 4th! - perfect!. We are dealing with Nazi war criminals who refuse US, as a Species, Justice for everyone. Especially The Jew's Jew, Johnny America. Hint: they call us Love just to hide our complete agreement with this Living Universe to will Justice for God as every last bushite zionist freely moving. Once all the neocon zionists are rotting in a prison cell, or formally executed as godless war criminals, we all will have one joyous welcome in a heavenly future.. Until then, demand Justice for US. That's YOU too. Angels included. Who? I don't see no Johnny Wizard here anywhere, We are Good to Go. Rise Up for innocent Life, or don't and see where it'll get you in the end. The bushmob are traitors for closing official FBI investigations into 911, immediately after the mass murder of Americans occurred. Treason, of a, trust WE don't have it in US to stand for our common values as the Revolution will not be televised, Johnny Who. Man, are we or no? Be Somebody, then get on your phone to call in for Justice willed. Alive I Say! - this must be where you'd raise the dead and dying.. if you only could raise your finger to dial the phone numbers - well guess what? - I Command You Can! - snapoutofit - Speak for pursuing Justice on 911, and show serious concern for publicly paying private banker men trillions in worker wages for nothing. This is seriously disturbing, yes, but seriously important to address openly in our spaces to remedy with a Johnny Wizard World Wide Work of Wonder, Super CNN Special of Specials, with Your Host, the One and Only, President and CEO of Shareware Earth Co. John Himself. Hey everybody! Wow eh? So a.. when is the good guys showing up? Now. Justice. I want US to Host Coast to Coast for open Public communications, where things get solved because we know whats we're learning about. We of god, this way comes, then men and women with calculators to know: giving money to private bankers

on hopes they'll lend a small fraction some back

the living rights from anyone of us, especially

steals God's good name through lies left unchallenged
by private corporate interests tied to the CON of
private banking in total. Christ is a Jew too.
Israeli broke the truce knowing such action woud get
killed Jews in Israel, a cash bonus! Like starving
Jews do attest on a infomercial that ran for near

press, that the Zionist officials there actually
enjoy the prospect of suffering Jews because it,

Satanic Enemies of Christ

CNN with Blitzer allowed reported on Larry King
that Hamas broke the truce, without any uttering
of fact. While when the nazi israelis were accused,
just minutes earlier, Mark Regev could say only

silence. The zionist Satanic enemies of Jews speak only silence, because they know they are satanic enemies liars of Human will.

Again, these SATANIC enemies break their truces everytime, then state, it is Humanity's fault because CNN will never ALLOW the humans to know. They are murdering innocent People in hospitals for example, or those in a Church, just as amerikan bushite nazi grunts do for the escape of the neocon zionists responsible for 911. To hunt a lawless bushite nazi grunt, and kll it instantly is to defend it's next innocent bombing victims. Bush and Cheney closed 911 investigations on 911, therefore killing a lawless bushite traitor for our Humanity is just to get ourselves together to arrest those responsible for mass murder on 911. The deaths of bushite zionist liars is a mercy given for the love of God. Die bushite die.

Israel Nazi State

Israeli nazis state they will murder humanity indiscriminately until rockets stop falling on their country. Yet, they broke the truce. They always break their truces. Understand these Satanic enemies of God, dropped seven million land mines on Lebanon when learning the conflict was over. They will kill Jews for money, THEY are the Nazis. Nazi Mark Regev is clearly insane. 'It wasn't israel that started this' He could not stand with any man without instantly being exposed to All of Humanity as a war criminal in need of immediate public trial for death sentence. These are only innocent people being bombed. In a concentration refugee camp. Look, it's a prison camp. And if YOU
were a prisoner there, and Texan child rapists are something you'd wish to defend your community from, you'd maybe join the Gazan police force, run by Hamas, a political group democratically elected. All police officers in Gaza, Nazi israeli claims warrant 1000 lb bombs, not warrants for arrest for a criminal offense. Remember, it was Israel that broke the truce, as so is spoken by Palestinian government officials speaking internationally - using the example from November. But understand, as Satanic fraudsters, they always fuck over Our Innocent Humanity this way.

What kind of "Human" would commit such crimes against Life? Cheating Liars for Satan God tells YOU.

The Bible "I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."

Look, these enemies of Life steal INNOCENT PEOPLES HOMES as thieves of The King of Jew's simple philosophy.

Gray Ghost

/ / Funny thing noone ever shows pictures of the scumbag Hamas rockets falling on Israeli civilians, but the nooz is full of Palies suffering. Fuck you all I hope Israel exterminates the vermin. \ \ He can advocate the MURDER of innocent people for the neocon liars, and Google doesn't destroy his account?

Remember Zionist Nazi Israeli started all their murder rampages against Innocent Peoples for 'free' welfare money, as broke the truce with, IDF funded Hamas on Nov. 4th. They have been indiscriminately bombing People with excuses that never do add up. Example: Nazi Israeli stated they were in the right to murder ANYONE

in a car or truck in the entire nation of
Lebanon, (especially in the Jewish communities)
because like enemy "Gray Ghost" would say, all
those innocent Peoples deserve TO DIE AS MURDER
VICTIMS for his sadistic ungodly pleasures.
Remember, Nazi Israeli didn't mention this until
thousands has already been murdered, then even
still, without radio, TV, or newspapers, telephones,
or sky writing how were ONLY THE INNOCENT JEWS
as officially targeted to know? Then the seven
million land mines to kill innocent kids for
generations. To the enemy of Life, Gray Ghost
it matters not that Israeli started the conflict
by sacrificing nazi vermined trashed as Satanic
dumfuk enemy soldiers sent across the border,
to Grey Ghost, all it knows, is Justice must not
be allowed to win this game for our human race,
for he would be truly seen as a sadistic enemy
of Freedom, powerless, or rightly dead for
his proud treasons against life in this universe.

time in the last 60 plus years the zionists
aligned with Hitler have. Satanic enemies

ANTI-SEMITE is FoxNews every time they assault God

The Ungodly Zionist - a report from the front

/ / The most recent victim of Israeli airstrikes
was 10-year-old Ismail Hamdan \ \

To the Satanic enemies of Man, the Ungodly Zionist, an innocent murder victim's life can not be allowed a defense such as the charge of first degree murder against Netanyaho because, he states no Justice to any who believe in the Jewish cause, as Hillel, of freedom as Liberty for all. If Jews ran Israel, Netanyaho would be chastised publicly by the Humans, for sanctioning the criminal acts of first degree murder. The nation of Nazi Israel STEALS Peoples HOMES. What other nation on this Earth commits such willful crimes against innocent Human beings OFFICIALLY? Steals homes from god loving innocent folks and labels it our 'Justice system'? Who? Neocon Amerika, the nation that gave trillions to bankers recently on only prayers that their gods will maybe lend some of their own money back to them at high interest. But alas, evil is the deceived disguised, as in their deep ignorance of money and virtue, they do not understand, the private banker never covers the loan. Never does a private banker reach into it's pocket to borrow US to begin with - so as a consequence, the bankers have just pocketed all the 'free' loot for nothing, TRILLIONS, and are not saying why should they help anyone else with charity? it's the amerikan way. Instead, hate the wise socialist who designed a working good traffic signal system, where lives are saved and congestion is eased, or hate the white man, the black man, different People. But never Mr. Bush, Mr. Cheney, or Rumsfeld, the neocon traitors who closed criminal investigations immediately after the crimes of 911 occurred, who doctored the NIE to con America into death, and never slight the trillioniare private banker gods, who have stolen/taken our public authority through war criminals in Congress. Taken from all others to bring us a much poorer world suffering due to our speakings of contempt for Justice as christians in America - who claim in silence only indignation for real Christian families robbed or murdered Officially by the zionist state of ungodly Israeli, paid for by dying America. Americans refuse to raise their phones for the arrest of the bushmob for capital mass murder, so, what's private trillioniare bankers walking away with the entire economy in free fall going to do for them, when they are already to death for the glorious Zionist Neocon thieves of Civilization? Proudly in hatred for Innocent Humanity. Again, Hamas was founded by Zionists in the IDF, to kill Jews for money - public record. Jews starve near death in Garbage dumps of Israel, all because the Nazi Zionist UNGODLY government

states it is beneficial to starve Jews, for, they will receive more humanitarian aid THEY can use elsewhere. Public knowledge. Zionist liars murder innocent Jews for money, like they did in Lebanon, and like the zionists did on 911 by forbidding the pursuit of the terrorists by following the crimes scene leads at the real murder scene. Unjust enemies of Man.

To arrest those responsible for 911, we are going to need to form a public warrant for a person or persons. Bush and Cheney are guilty of closing investigations on 911, treason, called obstruction.

/ / it will disseminate footage of precision bombing operations \ \

Precision? They dropped seven million land mines in Lebanon, after having seeked out where the Jews lived, (Northern Lebanon), and murdered them firstly! JEWS. They, as enemies of God, like those of FoxNews, will refuse these type of FACTS on their hatred for Love and Justice. Their hatred for Jews, real Jews, like me. Understand: American baby formula has been contaminated with poisons, and FoxNews doesn't think it's important to their corporate responsibilities to kill ourselves further for profit. The Zionist will murder anyone just to steal your belief in God as Love. They HATE me for being wise and Just. Hate. For, why wouldn't America support my demands for open radio communications on the Coast to Coast radio network? Americans would rather murder Humanity before Justice succeeds beyond their illusions of grandeur through the mass murdering of ourselves for stolen gains. The banker does not cover our loans! Giving them trillions for free unquestioningly is dumber than rocks. Enough.

bitterly as the innocent the demon targets
for ungodly murder. How could ANY REAL MAN
steal food from a Christian baby? How do they
do it?, as the inhuman. (Like bushite do in
Iraq, while on CNN in interview tell US, they
are there war criming for neocon traitors to
steal everything as "helping the Iraqi
children". They offer no clean water, no food,
just indiscriminate bombing campaigns of evil
incarnate. True fascist nazi enemies of true
freedom in America who advance censorship to
anyone like myself. Why? They lose. They are
not men but Satanic enemies of the King to
Jews, the Messiah. I Am. Thieves to the
scriptures of Hillel, and of Moses. Thieves
to the intent of every true religious person,
for God is everywhere. God is the Word, and
